- 2 Full time HOT staff & access to the Homelessness Response System including Navigation Centers and Street Medicine.

 Focus on join MUNI/BART stations from Embarcadero to Civic Center with a concentration of the work at Powell and Civic Center

- Outreach Areas:
 - The tunnels between stations
 - The stations
 - The platforms

HSH + MUNI+ BART Partnership

- HOT Outreach at MUNI/BART stations since November 2017:
 - Number of Contacts: 258
 - Number of Referrals: 128
 - Number of Connections: 266

Recommendations

- Remember that this in not primarily a homeless issue, there
 are challenges related to design, poverty, cleanliness,
 public safety and health that must be addressed.
- Continue coordinating efforts to address this area through the Healthy Streets Operations Center.
- Consider expanding BART/MUNI pilot with a second SF HOT team.

1. What is LEAD SF?

San Francisco has been chosen as a recipient of a Board of State and Community Corrections (BSCC) grant to implement Law Enforcement Assisted Diversion (LEAD). This grant is funded for 5.9 million dollars for 26 months (April 21, 2017-June 30, 2019).

Based on the Seattle LEAD program, LEAD SF will be an innovative pre-booking diversion program that will refer repeat, low-level drug offenders at high risk of recidivism, at the earliest contact with law enforcement to community-based health and social services as an alternative to jail and prosecution. This program, to be implemented in August of 2017, will focus on the Mission and Tenderloin Districts to better meet the needs of individuals with a history of substance abuse and low-level drug offenses through **3 goals**: 1) reduce the recidivism rate for low-level drug and alcohol offenders, 2) strengthen collaboration across city and community based partners, and 3) improve their health and housing status.

2. Who are the partners?

City Departments

- Adult Probation Department
- Bay Area Rapid Transit (BART) Police
- Department of Public Health
- Office of the District Attorney
- Office of the Public Defender
- San Francisco Police Department
- San Francisco Sheriff's Department

3. What services are provided?

An individual receiving services through LEAD SF will have an Individualized Intervention Plan that they will develop with their treatment team. Services will vary to meet the unique needs of each individual, but may include:

- Support with food, shelter, and clothing
- Enrollment in public benefits
- Linkage to medical services (e.g., mental health, substance use disorder treatment, etc.)
- Support with education and employment services
- Family and community re-engagement

All services will be based in the following principles and practices:

- Harm Reduction
- Recovery and Wellness
- Trauma Informed
- Culturally Competent
- Gender Specific
- Evidence Based Practices
 (e.g., Seeking Safety, Dialectical Behavioral
 Therapy, Cognitive Behavioral Therapy, Assertive
