Be it ordained by the People of the City and County of San Francisco:

Section 1. Background and Purpose.

(a) The City and County of San Francisco (the "City") established the Redevelopment Agency of the City and County of San Francisco (the "Redevelopment Agency") in 1948, in accordance with the California Community Redevelopment Law, California Health and Safety Code Sections 33000 et seq.

(b) In 2012, the State of California dissolved the Redevelopment Agency and other redevelopment agencies throughout the State, pursuant to Assembly Bill No. 1X 26 (Chapter 5, Statutes of 2011-12, First Extraordinary Session). In response, the Board of Supervisors adopted Ordinance No. 215-12, which created the Office of Community Investment and Infrastructure as the Successor Agency to the Redevelopment Agency (the "Successor Agency"). Ordinance No. 215-12 also acknowledged that the Successor Agency is a separate legal entity from the City, and established a five-member Successor Agency Commission to act in place of the commission of the former Redevelopment Agency to oversee the

1 Successor Agency’s implementation of the former Redevelopment Agency’s enforceable  
2 obligations and to perform other functions as authorized under state law. The Successor  
3 Agency Commission is also known as the Commission on Community Investment and  
4 Infrastructure.

5 (c) Before dissolution, Article XV of Chapter 16 of the Administrative Code (“Health  
6 Service System”) allowed the members of the governing body of the Redevelopment Agency  
7 to be eligible to participate in the City’s Health Service System. The sole purpose of this  
8 ordinance is to provide members of the Successor Agency Commission the same access to  
9 the City’s Health Service System as was previously provided to the members of the  
10 Redevelopment Agency Commission. This update is not intended to have any other effect  
11 and shall be interpreted accordingly.
