Dear Ms. Gibson:

On December 5, 2017, Supervisor Peskin introduced the following proposed legislation:

File No. 171284

Ordinance amending the Building Code to revise the City's Slope Protection Act by clarifying the scope of its application to properties exceeding an average slope of 25% grade, updating the map references, mandating review by the Department of Building Inspection's Structural Advisory Committee, and re-enacting and modifying a paragraph in the scope section regarding the type of proposed construction that triggers application of the Act which was omitted inadvertently in the adoption of the 2016 Code; affirming the Planning Department's determination under the California Environmental Quality Act; and directing the Clerk of the Board of Supervisors to forward this Ordinance to the California Building Standards Commission upon final passage.

This legislation is being transmitted to you for environmental review.

Angela Calvillo, Clerk of the Board
