Youth are Standing Up Against Violence

We are Facing:

Alt-Right attacks in our communities

Displacement of our families

Violence and Brutality

Will you boldly stand with us and support youth leadership?

A Case for Increased Investment

Nearly **700 proposals** were received during the SF DCYF 2018 RFP process requesting a total of \$186 million in support, **with only \$75** million in funds available.

The demand for youth leadership is growing

Need for Increased Youth Protoganism in 2018-2019

We are

Building intersectional alliances

Investing in community

Engaging in community defense

Sharing political education

We have conducted walkouts to stop violence.

Step-up and walk with us
