RE: Proposed Discover Polk Community Benefit District

---

Enclosed please find the petitions representing 30.33% weighted support for the establishment of the Discover Polk Community Benefit District (DPCBD). The petitions enclosed are consistent with the requirements of the City.

**PETITION TO THE SAN FRANCISCO BOARD OF SUPERVISORS**  
**TO ESTABLISH THE**  
**DISCOVER POLK COMMUNITY BENEFIT DISTRICT**

1. We are the owner(s) of property, or are authorized to represent the owners(s), within the proposed special assessment district to be named the **"DISCOVER POLK COMMUNITY BENEFIT DISTRICT"** (hereafter "Discover Polk CBD" or "District"), the boundaries of which are shown on the attached map and in the Management Plan for the Discover Polk CBD\* (hereafter "Plan").
2. We are or represent the persons and/or entities that would be obligated to pay the special assessments for the services, improvements and activities as described in the Plan. If the proposed District is established by the Board of Supervisors following the ballot election and public hearing, assessments would be collected for the first 11 years (July 1, 2018 – June 30, 2029). Expenditure of those collected assessments can continue for up to 6 months after the end of the assessment collection period (December 31, 2029), at which point the District would terminate if not renewed.
3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 *et seq.* "Property and Business Improvement District Law of 1994" as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 "Business Improvement District Procedure Code").
4. We understand that upon receipt of this petition signed by property owners (or authorized representative of property owners) who will pay more than thirty percent (30%) of the proposed assessments, the Board of Supervisors may initiate proceedings to renew and expand the District. These proceedings will include balloting of property owners under which a majority of weighted property owners who return a ballot may authorize the Board of Supervisors to renew and expand the District. This petition does not represent a final decision.

Expenditure of those collected assessments can continue for up to 6 months after the end of the assessment collection period (December 31, 2029), at which point the District would terminate if not renewed.
3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 *et seq.* "Property and Business Improvement District Law of 1994" as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 "Business Improvement District Procedure Code").
4. We understand that upon receipt of this petition signed by property owners (or authorized representative of property owners) who will pay more than thirty percent (30%) of the proposed assessments, the Board of Supervisors may initiate proceedings to renew and expand the District. These proceedings will include balloting of property owners under which a majority of weighted property owners who return a ballot may authorize the Board of Supervisors to renew and expand the District. This petition does not represent a final decision.

2. We are or represent the persons and/or entities that would be obligated to pay the special assessments for the services, improvements and activities as described in the Plan. If the proposed District is established by the Board of Supervisors following the ballot election and public hearing, assessments would be collected for the first 11 years (July 1, 2018 – June 30, 2029). Expenditure of those collected assessments can continue for up to 6 months after the end of the assessment collection period (December 31, 2029), at which point the District would terminate if not renewed.
3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 *et seq.* "Property and Business Improvement District Law of 1994" as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 "Business Improvement District Procedure Code").
4. We understand that upon receipt of this petition signed by property owners (or authorized representative of property owners) who will pay more than thirty percent (30%) of the proposed assessments, the Board of Supervisors may initiate proceedings to renew and expand the District. These proceedings will include balloting of property owners under which a majority of weighted property owners who return a ballot may authorize the Board of Supervisors to renew and expand the District. This petition does not represent a final decision.

Hi Suzanne and Moe,

My apologies for the delayed response. You definitely have our support and attached is the signed electronic copy.

In parallel, Quinn and I are working on a feasibility study on turning our 4000 square foot empty basement space into additional accessory dwelling units and much needed additional housing to the neighborhood inventory.

<https://www.cnn.com/2017/12/27/accessory-dwelling-units-add-much-needed-housing-in-san-francisco.html>

We understand that the landlord of the front commercial unit currently occupied by Douglass Brett has done something similar and wanted to get in contact with him on this. Could you guys provide Quinn and I with a soft introduction so we can explore further on this opportunity.

Many thanks in advance.

Hi Gil and Quinn,

Please see the attached petition for the Discover Polk CBD. We are so very close to the critical 30% to move to the next step, a ballot distributed by the Board of elections. Please review and return the attached (electronically is fine), and I sincerely hope you can support this initiative. we believe the ROI for businesses along the Polk Street NCD is considerable: cleaner sidewalks and promotional activities will bring more foot traffic to the neighborhood and continue to vitalize the area. Please let me know if you have questions, and thank you in advance for your support.

All the best,

Suzanne

Expenditure of those collected assessments can continue for up to 6 months after the end of the assessment collection period (December 31, 2029), at which point the District would terminate if not renewed.
3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 *et seq.* "Property and Business Improvement District Law of 1994" as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 "Business Improvement District Procedure Code").
4. We understand that upon receipt of this petition signed by property owners (or authorized representative of property owners) who will pay more than thirty percent (30%) of the proposed assessments, the Board of Supervisors may initiate proceedings to renew and expand the District. These proceedings will include balloting of property owners under which a majority of weighted property owners who return a ballot may authorize the Board of Supervisors to renew and expand the District. This petition does not represent a final decision.

4. We understand that upon receipt of this petition signed by property owners (or authorized representative of property owners) who will pay more than thirty percent (30%) of the proposed assessments, the Board of Supervisors may initiate proceedings to renew and expand the District. These proceedings will include balloting of property owners under which a majority of weighted property owners who return a ballot may authorize the Board of Supervisors to renew and expand the District. This petition does not represent a final decision.

**PETITION TO THE SAN FRANCISCO BOARD OF SUPERVISORS**  
**TO ESTABLISH THE**  
**DISCOVER POLK COMMUNITY BENEFIT DISTRICT**

1. We are the owner(s) of property, or are authorized to represent the owners(s), within the proposed special assessment district to be named the **"DISCOVER POLK COMMUNITY BENEFIT DISTRICT"** (hereafter "Discover Polk CBD" or "District"), the boundaries of which are shown on the attached map and in the Management Plan for the Discover Polk CBD\* (hereafter "Plan").
2. We are or represent the persons and/or entities that would be obligated to pay the special assessments for the services, improvements and activities as described in the Plan. If the proposed District is established by the Board of Supervisors following the ballot election and public hearing, assessments would be collected for the first 11 years (July 1, 2018 – June 30, 2029). Expenditure of those collected assessments can continue for up to 6 months after the end of the assessment collection period (December 31, 2029), at which point the District would terminate if not renewed.
3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 *et seq.* "Property and Business Improvement District Law of 1994" as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 "Business Improvement District Procedure Code").
4. **PETITION TO THE SAN FRANCISCO BOARD OF SUPERVISORS**  
**TO ESTABLISH THE**  
**DISCOVER POLK COMMUNITY BENEFIT DISTRICT**

1. We are the owner(s) of property, or are authorized to represent the owners(s), within the proposed special assessment district to be named the **"DISCOVER POLK COMMUNITY BENEFIT DISTRICT"** (hereafter "Discover Polk CBD" or "District"), the boundaries of which are shown on the attached map and in the Management Plan for the Discover Polk CBD\* (hereafter "Plan").
2. We are or represent the persons and/or entities that would be obligated to pay the special assessments for the services, improvements and activities as described in the Plan. If the proposed District is established by the Board of Supervisors following the ballot election and public hearing, assessments would be collected for the first 11 years (July 1, 2018 – June 30, 2029). Expenditure of those collected assessments can continue for up to 6 months after the end of the assessment collection period (December 31, 2029), at which point the District would terminate if not renewed.
3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 *et seq.* "Property and Business Improvement District Law of 1994" as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 "Business Improvement District Procedure Code").
4. We understand that upon receipt of this petition signed by property owners (or authorized representative of property owners) who will pay more than thirty percent (30%) of the proposed assessments, the Board of Supervisors may initiate proceedings to renew and expand the District. These proceedings will include balloting of property owners under which a majority of weighted property owners who return a ballot may authorize the Board of Supervisors to renew and expand the District. This petition does not represent a final decision.

**PETITION TO THE SAN FRANCISCO BOARD OF SUPERVISORS**  
**TO ESTABLISH THE**  
**DISCOVER POLK COMMUNITY BENEFIT DISTRICT**

1. We are the owner(s) of property, or are authorized to represent the owners(s), within the proposed special assessment district to be named the **"DISCOVER POLK COMMUNITY BENEFIT DISTRICT"** (hereafter "Discover Polk CBD" or "District"), the boundaries of which are shown on the attached map and in the Management Plan for the Discover Polk CBD\* (hereafter "Plan").
2. We are or represent the persons and/or entities that would be obligated to pay the special assessments for the services, improvements and activities as described in the Plan. If the proposed District is established by the Board of Supervisors following the ballot election and public hearing, assessments would be collected for the first 11 years (July 1, 2018 – June 30, 2029). Expenditure of those collected assessments can continue for up to 6 months after the end of the assessment collection period (December 31, 2029), at which point the District would terminate if not renewed.
3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 *et seq.* "Property and Business Improvement District Law of 1994" as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 "Business Improvement District Procedure Code").
4. We understand that upon receipt of this petition signed by property owners (or authorized representative of property owners) who will pay more than thirty percent (30%) of the proposed assessments, the Board of Supervisors may initiate proceedings to renew and expand the District. These proceedings will include balloting of property owners under which a majority of weighted property owners who return a ballot may authorize the Board of Supervisors to renew and expand the District. This petition does not represent a final decision.

We are the owner(s) of property, or are authorized to represent the owners(s), within the proposed special assessment district to be named the **"DISCOVER POLK COMMUNITY BENEFIT DISTRICT"** (hereafter "Discover Polk CBD" or "District"), the boundaries of which are shown on the attached map and in the Management Plan for the Discover Polk CBD\* (hereafter "Plan").
2. We are or represent the persons and/or entities that would be obligated to pay the special assessments for the services, improvements and activities as described in the Plan. If the proposed District is established by the Board of Supervisors following the ballot election and public hearing, assessments would be collected for the first 11 years (July 1, 2018 – June 30, 2029). Expenditure of those collected assessments can continue for up to 6 months after the end of the assessment collection period (December 31, 2029), at which point the District would terminate if not renewed.
3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 *et seq.* "Property and Business Improvement District Law of 1994" as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 "Business Improvement District Procedure Code").
4. We understand that upon receipt of this petition signed by property owners (or authorized representative of property owners) who will pay more than thirty percent (30%) of the proposed assessments, the Board of Supervisors may initiate proceedings to renew and expand the District. These proceedings will include balloting of property owners under which a majority of weighted property owners who return a ballot may authorize the Board of Supervisors to renew and expand the District. This petition does not represent a final decision.

**PETITION TO THE SAN FRANCISCO BOARD OF SUPERVISORS**  
**TO ESTABLISH THE**  
**DISCOVER POLK COMMUNITY BENEFIT DISTRICT**

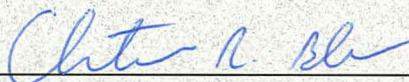

1. We are the owner(s) of property, or are authorized to represent the owners(s), within the proposed special assessment district to be named the **"DISCOVER POLK COMMUNITY BENEFIT DISTRICT"** (hereafter "Discover Polk CBD" or "District"), the boundaries of which are shown on the attached map and in the Management Plan for the Discover Polk CBD\* (hereafter "Plan").
2. We are or represent the persons and/or entities that would be obligated to pay the special assessments for the services, improvements and activities as described in the Plan. If the proposed District is established by the Board of Supervisors following the ballot election and public hearing, assessments would be collected for the first 11 years (July 1, 2018 – June 30, 2029). Expenditure of those collected assessments can continue for up to 6 months after the end of the assessment collection period (December 31, 2029), at which point the District would terminate if not renewed.
3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 *et seq.* "Property and Business Improvement District Law of 1994" as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 "Business Improvement District Procedure Code").
4. We understand that upon receipt of this petition signed by property owners (or authorized representative of property owners) who will pay more than thirty percent (30%) of the proposed assessments, the Board of Supervisors may initiate proceedings to renew and expand the District. These proceedings will include balloting of property owners under which a majority of weighted property owners who return a ballot may authorize the Board of Supervisors to renew and expand the District. This petition does not represent a final decision.

**PETITION TO THE SAN FRANCISCO BOARD OF SUPERVISORS**  
**TO ESTABLISH THE**  
**DISCOVER POLK COMMUNITY BENEFIT DISTRICT**

1. We are the owner(s) of property, or are authorized to represent the owners(s), within the proposed special assessment district to be named the **"DISCOVER POLK COMMUNITY BENEFIT DISTRICT"** (hereafter "Discover Polk CBD" or "District"), the boundaries of which are shown on the attached map and in the Management Plan for the Discover Polk CBD\* (hereafter "Plan").
2. We are or represent the persons and/or entities that would be obligated to pay the special assessments for the services, improvements and activities as described in the Plan. If the proposed District is established by the Board of Supervisors following the ballot election and public hearing, assessments would be collected for the first 11 years (July 1, 2018 – June 30, 2029). Expenditure of those collected assessments can continue for up to 6 months after the end of the assessment collection period (December 31, 2029), at which point the District would terminate if not renewed.
3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 *et seq.* "Property and Business Improvement District Law of 1994" as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 "Business Improvement District Procedure Code").
4. We understand that upon receipt of this petition signed by property owners (or authorized representative of property owners) who will pay more than thirty percent (30%) of the proposed assessments, the Board of Supervisors may initiate proceedings to renew and expand the District. These proceedings will include balloting of property owners under which a majority of weighted property owners who return a ballot may authorize the Board of Supervisors to renew and expand the District. This petition does not represent a final decision.

**PETITION TO THE SAN FRANCISCO BOARD OF SUPERVISORS**  
**TO ESTABLISH THE**  
**DISCOVER POLK COMMUNITY BENEFIT DISTRICT**

1. We are the owner(s) of property, or are authorized to represent the owners(s), within the proposed special assessment district to be named the **"DISCOVER POLK COMMUNITY BENEFIT DISTRICT"** (hereafter "Discover Polk CBD" or "District"), the boundaries of which are shown on the attached map and in the Management Plan for the Discover Polk CBD\* (hereafter "Plan").
2. We are or represent the persons and/or entities that would be obligated to pay the special assessments for the services, improvements and activities as described in the Plan. If the proposed District is established by the Board of Supervisors following the ballot election and public hearing, assessments would be collected for the first 11 years (July 1, 2018 – June 30, 2029). Expenditure of those collected assessments can continue for up to 6 months after the end of the assessment collection period (December 31, 2029), at which point the District would terminate if not renewed.
3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 *et seq.* "Property and Business Improvement District Law of 1994" as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 "Business Improvement District Procedure Code").
4. We understand that upon receipt of this petition signed by property owners (or authorized representative of property owners) who will pay more than thirty percent (30%) of the proposed assessments, the Board of Supervisors may initiate proceedings to renew and expand the District. These proceedings will include balloting of property owners under which a majority of weighted property owners who return a ballot may authorize the Board of Supervisors to renew and expand the District. This petition does not represent a final decision.

**PETITION TO THE SAN FRANCISCO BOARD OF SUPERVISORS**  
**TO ESTABLISH THE**  
**DISCOVER POLK COMMUNITY BENEFIT DISTRICT**

1. We are the owner(s) of property, or are authorized to represent the owners(s), within the proposed special assessment district to be named the **"DISCOVER POLK COMMUNITY BENEFIT DISTRICT"** (hereafter "Discover Polk CBD" or "District"), the boundaries of which are shown on the attached map and in the Management Plan for the Discover Polk CBD\* (hereafter "Plan").
2. We are or represent the persons and/or entities that would be obligated to pay the special assessments for the services, improvements and activities as described in the Plan. If the proposed District is established by the Board of Supervisors following the ballot election and public hearing, assessments would be collected for the first 11 years (July 1, 2018 – June 30, 2029). Expenditure of those collected assessments can continue for up to 6 months after the end of the assessment collection period (December 31, 2029), at which point the District would terminate if not renewed.
3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 *et seq.* "Property and Business Improvement District Law of 1994" as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 "Business Improvement District Procedure Code").
4. We understand that upon receipt of this petition signed by property owners (or authorized representative of property owners) who will pay more than thirty percent (30%) of the proposed assessments, the Board of Supervisors may initiate proceedings to renew and expand the District. These proceedings will include balloting of property owners under which a majority of weighted property owners who return a ballot may authorize the Board of Supervisors to renew and expand the District. This petition does not represent a final decision.

**DISCOVER POLK COMMUNITY BENEFIT DISTRICT**

1. We are the owner(s) of property, or are authorized to represent the owners(s), within the proposed special assessment district to be named the **"DISCOVER POLK COMMUNITY BENEFIT DISTRICT"** (hereafter "Discover Polk CBD" or "District"), the boundaries of which are shown on the attached map and in the Management Plan for the Discover Polk CBD\* (hereafter "Plan").
2. We are or represent the persons and/or entities that would be obligated to pay the special assessments for the services, improvements and activities as described in the Plan. If the proposed District is established by the Board of Supervisors following the ballot election and public hearing, assessments would be collected for the first 11 years (July 1, 2018 – June 30, 2029). Expenditure of those collected assessments can continue for up to 6 months after the end of the assessment collection period (December 31, 2029), at which point the District would terminate if not renewed.
3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 *et seq.* "Property and Business Improvement District Law of 1994" as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 "Business Improvement District Procedure Code").
4. We understand that upon receipt of this petition signed by property owners (or authorized representative of property owners) who will pay more than thirty percent (30%) of the proposed assessments, the Board of Supervisors may initiate proceedings to renew and expand the District. These proceedings will include balloting of property owners under which a majority of weighted property owners who return a ballot may authorize the Board of Supervisors to renew and expand the District. This petition does not represent a final decision.

**DISCOVER POLK COMMUNITY BENEFIT DISTRICT**

1. We are the owner(s) of property, or are authorized to represent the owners(s), within the proposed special assessment district to be named the **"DISCOVER POLK COMMUNITY BENEFIT DISTRICT"** (hereafter "Discover Polk CBD" or "District"), the boundaries of which are shown on the attached map and in the Management Plan for the Discover Polk CBD\* (hereafter "Plan").
2. We are or represent the persons and/or entities that would be obligated to pay the special assessments for the services, improvements and activities as described in the Plan. If the proposed District is established by the Board of Supervisors following the ballot election and public hearing, assessments would be collected for the first 11 years (July 1, 2018 – June 30, 2029). Expenditure of those collected assessments can continue for up to 6 months after the end of the assessment collection period (December 31, 2029), at which point the District would terminate if not renewed.
3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 *et seq.* "Property and Business Improvement District Law of 1994" as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 "Business Improvement District Procedure Code").
4. We understand that upon receipt of this petition signed by property owners (or authorized representative of property owners) who will pay more than thirty percent (30%) of the proposed assessments, the Board of Supervisors may initiate proceedings to renew and expand the District. These proceedings will include balloting of property owners under which a majority of weighted property owners who return a ballot may authorize the Board of Supervisors to renew and expand the District. This petition does not represent a final decision.
