## MEMORANDUM

TO: $\quad$ The Honorable Board of Supervisors
FROM:

DATE:

May 1, 2018

Ben Rosenfield<br>Controller<br>Todd Rydstrom<br>Deputy Controller

SUBJECT: San Francisco Municipal Transportation Agency (MTA) Mayor's FY 2018-19 \& FY 2019-20 Proposed Budget

This memorandum outlines items included in the SFMTA FY 2018-19 \& FY 2019-20 Mayor's Proposed Budget over which the Board of Supervisors has line-item approval authority.

Pursuant to Charter Article 8A.106, the Board of Supervisors (Board) may only approve or reject the entire MTA's budget, and has no discretion to modify or reject specific expenditures contained therein. The Board may allow the MTA's budget to take effect without any action on its part, or it may reject the MTA's budget by a seven-elevenths' vote. However, additional General Fund support to the MTA over the base amount stipulated in the Charter is subject to normal budgetary review and amendment under the general financial provisions of the Charter.

The FY 2018-19 \& FY 2019-20 Mayor's Proposed Budget for the MTA appropriates the following General Fund and other revenue sources in addition to the base amount. Approval of expenditures related to these sources follows the general provisions of the Charter, under which the Board may modify proposed expenses at the level of appropriation.

1. Mission Bay Transportation Improvement Fund transfers from the General Fund of $\$ 2,370,000$ in FY 2018-19 and \$3,873,110 in FY 2019-20.
2. Development impact fees for various capital projects as proposed by the Interagency Plan Implementation Committee (IPIC) of \$4,554,000 in FY 2018-19 and \$5,094,000 in in FY 2019-20.
3. Transit Sustainability Fees for various transit related capital projects of $\$ 6,955,463$ in FY 2018-19 and \$10,743,483 in FY 2017-18.

## SAVE MUNI

May 152018
File \# 180444, 180445, 180446
Supervisor Cohen and members of the Budget Committee,

## Save Muni urges the Board of Supervisors to take the unprecedented step of rejecting the MTA's 2019-2020 budget and returning it to the MTA for adjustment.

We believe that staffing and budget increases for this one department are not warranted given the limits placed on other city department...

MTAs proposed staff increase of 277 comes on top of continuous increases over the past decade resulting in an agency with over 6,000 employees making it the second largest city department. We believe that the agency needs an independent management audit to look at the effectiveness of its current structure before considering additional stáffing..

MTAs recent performance has been at best mediocre. The Agency has a history of poor project decisions and even poorer project management.

Traffic congestion continues to worsen and Muni ridership has failed to increase even with substantial population growth and robust economic activity. The budget needs more focus on transit service and emphasis on better coordination of road projects to facilitate transit movement.

We believe that a number of specific issues with respect to the budget need to be addressed:

1) Lack of adequate time for the public to review the budget. The budget book was not available until very shortly before the MTA Board hearing, which made considered review impossible.
2) There was no meaningful narrative about the budget changes. Expenditures were not linked to specific programs and staffing levels.
3) The use of operating reserves to balance the current budget is unsustainable and flies in the face of intelligent fiscal planning. Instead we urge the MTA to reduce current costs and to identify new sources of revenue.

By returning the MTA budget to the Agency for revision, the Board of Supervisors will send a powerful message that MTAs current way of doing business needs to change.

Save Muni urges the Board to send that message.
Sincerely,
Bob Feinbaum
Chair, Save Muni
