17 standards; and

19 sector national and local partners coordinated by the Center for Good Food Purchasing, which
20 provides planning, implementation and evaluation support for institutions using the GFPP
21 framework; and

22 WHEREAS, The Good Food Purchasing Program values prioritize nutrition,

24 practices, fair prices for producers, safe and fair working conditions for employees, and
25 humane conditions for animals; and

1 WHEREAS, Good Food Purchasing refers to the sourcing and procurement of all foods
2 and beverages procured with public institution funds, providing a metric-based framework and
3 set of tools that guides organizations to direct their buying power towards suppliers in
4 alignment with the above values; and

5 WHEREAS, The Good Food Purchasing Program works with institutions to establish
6 supply chain transparency from farm to fork, evaluates how current purchasing practices align

1 WHEREAS, With almost \$7 million combined spent on food procurement annually

4 vendors to be in alignment with good food standards; now, therefore, be it

5 RESOLVED, That the Board of Supervisors urges the Sheriff's Department and the
