23 Section 1. Findings.

24 (a) The Planning Department has determined that the actions contemplated in this
25 ordinance comply with the California Environmental Quality Act (California Public Resources

1 Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of
2 Supervisors in File No. 180456 and is incorporated herein by reference. The Board affirms
3 this determination.

4 (b) On June 28, 2018, the Planning Commission, in Resolution No. 2025, adopted
5 findings that the actions contemplated in this ordinance are consistent, on balance, with the
6 City’s General Plan and eight priority policies of Planning Code Section 101.1. The Board
7 adopts these findings as its own. A copy of said Resolution is on file with the Clerk of the
8 Board of Supervisors in File No. 180456, and is incorporated herein by reference.

9 (c) Pursuant to Planning Code Section 302, this Board finds that this Planning Code
10 Amendment will serve the public necessity, convenience, and welfare for the reasons set forth
11 in Planning Commission Resolution No. 20225, and the Board incorporates such reasons
12 herein by reference. A copy of Planning Commission Resolution No. 20225 is on file with the
13 Board of Supervisors in File No. 180456.

14

15 Section 2. The Planning Code is hereby amended by revising Section 206.3 and 206.4
16 to read as follows:

17 **SEC. 206.3. HOUSING OPPORTUNITIES MEAN EQUITY - SAN FRANCISCO PROGRAM.**

18 (a) **Purpose.** This Section 206.3 sets forth the HOME-SF Program. The HOME-SF
19 Program or “HOME-SF” provides benefits to project sponsors of housing projects that set
20 aside ~~a total of 30%~~ of residential units onsite at below market rate rent or sales price in an
21 amount higher than the amount required by the Inclusionary Housing Ordinance. The purpose
22 of HOME-SF is to expand the number of below market rate units produced in San Francisco
23 and provide housing opportunities to a wider range of incomes than traditional affordable
24 housing programs, such as the City’s Inclusionary Affordable Housing Program, Planning
25 Code Section 415 et seq., which typically provide housing only for very low, low or moderate

1 income households. The purpose of HOME-SF also is to provide an alternative method of
2 complying with the on-site inclusionary option set forth in Section 415.6. HOME-SF allows
3 market-rate projects to match the City's shared Proposition K (November 2014) housing goals
4 that 50% of new housing constructed or rehabilitated in the City by 2020 be within the reach of
5 working middle class San Franciscans, and at least 33% affordable for low and moderate
6 income households.

7 (b) **Applicability.** A HOME-SF Project under this Section 206.3 shall be a project that:

8 (1) contains three or more residential units, as defined in Section 102, not
9 including any Group Housing as defined in Section 102, efficiency dwelling units with reduced
10 square footage defined in Section 318, and Density Bonus Units permitted through this
11 Section 206.3, or any other density bonus;

12 (2) is located in any zoning district that: (A) is not designated as an RH-1 or RH-
13 2 Zoning District; and (B) establishes a maximum dwelling unit density through a ratio of
14 number of units to lot area, including RH-3, RM, RC, C-2, Neighborhood Commercial, Named
15 Neighborhood Commercial, and SoMa Mixed Use Districts; but only if the SoMa Mixed Use
16 District has a density measured by a maximum number of dwelling units per square foot of lot
17 area; (C) is not in the North of Market Residential Special Use District, Planning Code Section
18 249.5, until the Affordable Housing Incentive Study is completed at which time the Board will
19 review whether the North of Market Residential Special Use District should continue to be
20 excluded from this Program. The Study will explore opportunities to support and encourage
21 the provision of housing at the low, moderate, and middle income range in neighborhoods
22 where density controls have been eliminated. The goal of this analysis is to incentivize
23 increased affordable housing production levels at deeper and wider ranges of AMI and larger
24 unit sizes in these areas through 100% affordable housing development as well as below
25 market rate units within market rate developments; (D) is not located within the boundaries of

1 the Northeastern Waterfront Area Plan south of the centerline of Broadway; and (E) is not
2 located on property under the jurisdiction of the Port of San Francisco;

3 (3) is not seeking and receiving a density or development bonus under the
4 provisions of California Government Code Section 65915 et seq., Planning Code Section
5 207, Section 124(f), Section 202.2(f), 304, or any other State or local program that provides
6 development bonuses;

7 (4) includes at least 135% of the Base Density as calculated under Planning
8 Code Section 206.5;

9 ~~(5) in Neighborhood Commercial Districts is not a project that involves merging lots~~
10 ~~that result in more than 125 feet in lot frontage for projects located;~~

11 ~~(6)~~(5) consists of new construction, and excluding any project that includes an
12 addition to an existing structure;

13 ~~(7)~~(6) complies with the on-site Inclusionary Affordable Housing option set forth
14 in Planning Code Section 415.6; provided however, that the percentage of affordable units
15 and the required affordable sales price or affordable rents set forth in Section 415.6(a) shall
16 be as provided in this Section 206.3;

17 ~~(8)~~(7) if any retail use is demolished or removed, does not include a Formula
18 Retail use, as defined in Section 303.1, unless the retail use demolished or removed was also
19 a Formula Retail Use, or was one of the following uses: Gas Stations, Private or Public
20 Parking Lots, Financial Services, Fringe Financial Services, Self Storage, Motel, Automobile
21 Sales or Rental, Automotive Wash, Mortuaries, Adult Business, Massage Establishment,
22 Medical Cannabis Dispensary, and Tobacco Paraphernalia Establishment, as those uses are
23 defined in Planning Code Section 102;

24 ~~(9)~~(8) if located north of the centerline of Post Street and east of the centerline
25 of Van Ness Avenue, all otherwise eligible HOME-SF Projects shall only be permitted on:

1 (A) lots containing no existing buildings; or
2 (B) lots equal to or greater than 12,500 square feet where existing
3 buildings are developed to less than 20% of the lot's principally permitted buildable gross floor
4 area as determined by height limits, rear yard requirements, and required setbacks; and
5 ~~(10)(9)~~ if the City enacts an ordinance directing the Planning Department to
6 study the creation of a possible area plan wholly or partially located in Supervisorial District 9,
7 HOME-SF Projects shall not be permitted in any area in Supervisorial District 9 listed in the
8 ordinance until such time as the City enacts the area plan.

9 (c) **HOME-SF Project Eligibility Requirements.** To receive the development bonuses
10 granted under this Section 206.3, a HOME-SF Project must meet all of the following
11 requirements:

12 (1) Except as limited in application by subsection (f): Provide 30% of units in the
13 HOME-SF Project as HOME-SF Units, as defined herein. The HOME-SF Units shall be
14 restricted for the Life of the Project and shall comply with all of the requirements of the
15 Procedures Manual authorized in Section 415 except as otherwise provided herein. Twelve
16 percent of HOME-SF Units that are Owned Units shall have an average affordable purchase
17 price set at 80% of Area Median Income; 9% shall have an average affordable purchase price

23 a price that is at least 20% less than the current market rate for that unit size and
24 neighborhood, and MOHCD shall reduce the Area Median Income levels set forth herein in
25 order to maintain such pricing. As provided for in subsection (e), the Planning Department and

1 MOHCD shall amend the Procedures Manual to provide policies and procedures for the
2 implementation, including monitoring and enforcement, of the HOME-SF Units;

13 dwelling unit mix of (A) at least 40% two and three bedroom units, including at least 10% three
14 bedroom units, or (B) any unit mix which includes some three bedroom or larger units such
15 that 50% of all bedrooms within the HOME-SF Project are provided in units with more than
16 one bedroom. Larger units should be distributed on all floors, and prioritized in spaces
17 adjacent to open spaces or play yards. Units with two or three bedrooms are encouraged to
18 incorporate family friendly amenities. Family friendly amenities shall include, but are not
19 limited to, bathtubs, dedicated cargo bicycle parking, dedicated stroller storage, open space

19 consistent with the Ground Floor Residential Design Guidelines. This additional five feet shall not be
20 granted to projects that already receive such a height increase under Planning Code Section 263.20.

21 (C) **Tier Three:** A Tier Three HOME-SF Project shall provide 30% of units in the
22 HOME-SF Project as HOME-SF Units. Ten percent of Tier Three HOME-SF Units that are Owned
23 Units shall have an average affordable purchase price set at 80% of Area Median Income; 10% shall
24 have an average affordable purchase price set at 105% of Area Median Income; and 10% shall have
25 an average affordable purchase price set at 130% of Area Median Income. Ten percent of Tier Three

1 HOME-SF Units that are rental units shall have an average affordable rent set at 55% of Area Median
2 Income; 10% shall have an average affordable rent set at 80% of Area Median Income; and 10% shall
3 have an average affordable rent set at 110% of Area Median Income.

4 (i) Form based density. Notwithstanding any zoning designation to the contrary,
5 density of a Tier Three HOME-SF Project shall not be limited by lot area but rather by the applicable
6 requirements and limitations set forth elsewhere in this Code. Such requirements and limitations
7 include, but are not limited to, height, including any additional height allowed by subsections
8 (f)(2)(C)(ii) and (iii), Bulk, Setbacks, Required Open Space, Exposure, and unit mix as well as
9 applicable design guidelines, elements, and area plans of the General Plan and design review,
10 including consistency with the Affordable Housing Bonus Program Design Guidelines, referenced in
11 Section 328, as determined by the Planning Department.

12 (ii) Height. Up to 20 additional feet above the height authorized for the Tier
13 Three HOME-SF Project under the Height Map of the Zoning Map. This additional height may only be
14 used to provide up to two additional 10-foot stories to the project, or one additional story of no more
15 than 10 feet in height. Building features exempted from height controls under Planning Code Section
16 260(b) shall be measured from the roof level of the highest story provided under this section.

17 (iii) Ground Floor Ceiling Height. In addition to the permitted height allowed
18 under subsection (f)(2)(C)(ii), Tier Three HOME-SF Projects with active uses on the ground floor as
19 defined in Section 145.1(b)(2) shall receive up to a maximum of five additional feet in height above the
20 height limit. However, the additional five feet may only be applied at the ground floor to provide a 14-
21 foot (floor to ceiling) ceiling height for nonresidential uses, and to allow walk-up dwelling units to be
22 consistent with the Ground Floor Residential Design Guidelines. This additional five feet shall not be
23 granted to projects that already receive such a height increase under Planning Code Section 263.20.

2 * * * *

3 (c) **Development Bonuses.** A 100 Percent Affordable Housing Bonus Project shall, at
4 the project sponsor's request, receive any or all of the following:

5 (1) **Priority Processing.** 100 Percent Affordable Housing Bonus Projects shall
6 receive Priority Processing.

7 (2) **Form Based Density.** Notwithstanding any zoning designation to the
8 contrary, density of the 100 Percent Affordable Housing Bonus Project shall not be limited by
9 lot area but rather by the applicable requirements and limitations set forth elsewhere in this
10 Code. Such requirements and limitations include, but are not limited to, height, including any
11 additional height allowed by subsection (c) herein, Bulk, Setbacks, Open Space, Exposure
12 and unit mix as well as applicable design guidelines, elements and area plans of the General
13 Plan and design review, including consistency with the Affordable Housing Bonus Program
14 Design Guidelines, referenced in Section ~~328~~ 315.1, as determined by the Planning
15 Department.

16 (3) **Height.** 100 Percent Affordable Housing Bonus Projects shall be allowed up
17 to 30 additional feet, not including allowed exceptions per Section 260(b), above the
18 property's height district limit in order to provide three additional stories of residential use. This
19 additional height may only be used to provide up to three additional 10-foot stories to the
20 project, or one additional story of not more than 10 feet in height.

21 (4) **Ground Floor Ceiling Height.** In addition to the permitted height allowed
22 under subsection (c)(3), 100 Percent Affordable Housing Bonus Projects with active ground
23 floors as defined in Section 145.1(b)(2) shall receive one additional foot of height, up to a
24 maximum of an additional five feet at the ground floor, exclusively to provide a minimum 14-
25 foot (floor to ceiling) ground floor ceiling height.

1 (5) **Zoning Modifications.** 100 Percent Affordable Housing Bonus Projects

2 may select any or all of the following zoning modifications:

3 (A) **Rear Yard:** The required rear yard per Section 134 or any applicable
4 special use district may be reduced to no less than 20% of the lot depth or 15 feet, whichever
5 is greater. Corner properties may provide 20% of the lot area at the interior corner of the
6 property to meet the minimum rear yard requirement, provided that each horizontal dimension
7 of the open area is a minimum of 15 feet; and that the open area is wholly or partially
8 contiguous to the existing midblock open space, if any, formed by the rear yards of adjacent
9 properties.

10 (B) **Dwelling Unit Exposure:** The dwelling unit exposure requirements
11 of Section 140(a)(2) may be satisfied through qualifying windows facing an unobstructed open
12 area that is no less than 15 feet in every horizontal dimension, and such open area is not
13 required to expand in every horizontal dimension at each subsequent floor.

14 (C) **Off Street Loading:** No off-street loading spaces under Section 152.

16 street residential and commercial automobile parking requirement under Article 1.5 of this
17 Code.

18 (E) **Open Space:** Up to a 10% reduction in common open space
19 requirements if required by Section 135, but no less than 36 square feet of open space per
20 unit.

21 (F) **Inner Courts as Open Space:** In order for an inner court to qualify
22 as useable common open space, Section 135(g)(2) requires it to be at least 20 feet in every
23 horizontal dimension, and for the height of the walls and projections above the court on at
24 least three sides (or 75% of the perimeter, whichever is greater) to be no higher than one foot
25 for each foot that such point is horizontally distant from the opposite side of the clear space in

1 the court. 100 Percent Affordable Housing Bonus Projects may instead provide an inner court
2 that is at least 25 feet in every horizontal dimension, with no restriction on the heights of
3 adjacent walls. All area within such an inner court shall qualify as common open space under
4 Section 135.

5 (d) **Implementation.**

6 (1) **Application.** The following procedures shall govern the processing of a
7 request for a project to qualify under the 100 Percent Affordable Housing Bonus Program.

8 (A) An application to participate in the 100 Percent Affordable Housing
9 Bonus Program shall be submitted with the first application for approval of a Housing Project
10 and processed concurrently with all other applications required for the Housing Project. The
11 application shall be submitted on a form prescribed by the City and shall include at least the
12 following information:

13 (i) A full plan set including a site plan, elevations, sections and

15 any applicable funding sources;

16 (ii) The requested development bonuses from those listed in
17 subsection (c);

18 (iii) Unit size and distribution of multi-bedroom units:

19 (iv) Documentation that the applicant has provided written

22 priority processing similar to the Department's Community Business Priority Processing
23 Program, as adopted by the Planning Commission on February 12, 2015 under Resolution
24 Number 19323 to support relocation of such business in concert with access to relevant local
25 business support programs. In no case may an applicant receive a site permit or any

1 demolition permit prior to 18 months from the date of written notification required by this
2 subsection 206.4(d)(1)(B); and

3 (v) Documentation that the applicant shall comply with any
4 applicable provisions of the State Relocation Law or Federal Uniform Relocation Act when a
5 parcel includes existing commercial tenants.

6 (2) **Conditions.** Entitlements of 100 Percent Affordable Housing Bonus Projects
7 approved under this Section shall be valid for 10 years from the date of *Planning Commission or*
8 *Planning Department* approval.

9 ~~(3) **Notice and Hearing.** 100 Percent Affordable Housing Bonus Projects shall comply~~

14
15 Section 3. The Planning Code is hereby amended by revising Section 315 to read as
16 follows:

17 **SEC. 315 AFFORDABLE HOUSING PROJECT AUTHORIZATION**

18 * * * *

19 **SEC. 315.1 100 PERCENT AFFORDABLE HOUSING BONUS PROJECT AUTHORIZATION.**

20 (a) **Purpose.** The purpose of this Section 315.1 is to ensure that all 100 Percent Affordable
21 Housing Bonus projects pursuant to Planning Code Section 206.4 are reviewed in coordination with
22 Priority Processing available for certain projects with 100% affordable housing. While most projects
23 in the 100 Percent Affordable Housing Bonus Program will likely be somewhat larger than their
24 surroundings in order to facilitate higher levels of affordable housing, the Planning Director and
25 Department shall review each project for consistency with the Affordable Housing Bonus Design

1 Guidelines and any other applicable design guidelines, as adopted and periodically amended by the
2 Planning Commission, so that projects respond to their surrounding context, while still meeting the
3 City's affordable housing goals.

4 (b) **Applicability.** This Section 315.1 applies to all 100 Percent Affordable Housing Bonus
5 Projects that meet the requirements described in Section 206.4.

6 (c) **Design Review.** The Planning Department shall review and evaluate all physical aspects of
7 a 100 Percent Affordable Housing Bonus Project as follows.

8 (1) The Planning Director may, consistent with the Affordable Housing Bonus Program
9 Design Guidelines and any other applicable design guidelines, make minor modifications to a project
10 to reduce the impacts of a 100 Percent Affordable Housing Bonus Project on surrounding buildings.
11 The Planning Director may also apply the standards of Section 261.1 to bonus floors for all projects on
12 narrow streets and alleys in order to ensure that these streets do not become overshadowed, including
13 potential upper story setbacks, and special consideration for the southern side of East-West streets, and
14 Mid-block passages, as long as such setbacks do not result in a smaller number of residential units.

15 (2) As set forth in subsection (d) below, the Planning Director may also grant minor
16 exceptions to the provisions of this Code. However, such exceptions should only be granted to allow
17 building mass to appropriately shift to respond to surrounding context, and only when such
18 modifications do not substantially reduce or increase the overall building envelope permitted by the
19 Program under Section 206.4. All modifications and exceptions should be consistent with the
20 Affordable Housing Bonus Program Design Guidelines and any other applicable design guidelines. In
21 case of a conflict with other applicable design guidelines, the Affordable Housing Bonus Program
22 Design Guidelines shall prevail.

23 (3) The Planning Director may require these or other modifications or conditions in
24 order to achieve the objectives and policies of the Affordable Housing Bonus Program or the purposes
25 of this Code. This review shall be limited to design issues including the following:

1 (A) whether the bulk and massing of the building is consistent with the
2 Affordable Housing Bonus Design Guidelines.

3 (B) whether building design elements including, but not limited to, architectural
4 treatments, facade design, and building materials, are consistent with the Affordable Housing Bonus
5 Program Design Guidelines and any other applicable design guidelines.

6 (C) whether the design of lower floors, including building setback areas,
7 commercial space, townhouses, entries, utilities, and parking and loading access is consistent with the
8 Affordable Housing Bonus Program Design Guidelines, and any other applicable design guidelines.

9 (D) whether the required streetscape and other public improvements such as
10 tree planting, street furniture, and lighting are consistent with the Better Streets Plan, and any other
11 applicable design guidelines.

12 (d) **Exceptions.** As a component of the review process under this Section 315.1, the Planning
13 Director may grant minor exceptions to the provisions of this Code as provided below, in addition to
14 the development bonuses granted to the project in Section 206.4(c). Such exceptions, however, should
15 only be granted to allow building mass to appropriately shift to respond to surrounding context, and
16 only when the Planning Director finds that such modifications do not substantially reduce or increase
17 the overall building envelope permitted by the Program under Section 206.4, and the project, with the
18 modifications and exceptions, is consistent with the Affordable Housing Bonus Design Guidelines.

19 These exceptions may include:

20 (1) Exception from residential usable open space requirements per Section 135, or any
21 applicable special use district.

22 (2) Exception from satisfaction of loading requirements per Section 152.1, or any
23 applicable special use district.

24 (3) Exception for rear yards, pursuant to the requirements of Section 134, or any
25 applicable special use district.

1 (4) Exception from dwelling unit exposure requirements of Section 140, or any
2 applicable special use district.

3 (5) Exception from satisfaction of accessory parking requirements per Section 152.1, or
4 any applicable special use district.

5 (6) Where not specified elsewhere in this subsection (d), modification of other Code
6 requirements that could otherwise be modified as a Planned Unit Development (as set forth in Section
7 304), irrespective of the zoning district in which the property is located, and without requiring
8 conditional use authorization.

9 (e) **Required Findings.** In reviewing any project pursuant to this Section 315.1, the Planning
10 Director shall make the following findings:

11 (1) the use complies with the applicable provisions of this Code and is consistent with
12 the General Plan;

13 (2) the use provides development that is in conformity with the stated purpose of the
14 applicable Use District; and,

15 (3) the use contributes to the City's affordable housing goals as stated in the General
16 Plan.

17 (4) If a 100 Percent Affordable Housing Bonus Project otherwise would require a
18 conditional use authorization due only to (1) a specific land use or (2) a use size limit, the Planning
19 Director shall make all findings and consider all criteria required by this Code for such use or use size
20 as part of this 100 Percent Affordable Housing Bonus Project Authorization and no conditional use
21 authorization shall be required.

22 (f) **Decision and Imposition of Conditions.** The Planning Director may authorize, disapprove
23 or approve subject to conditions, the project and any associated requests for exceptions and shall make
24 appropriate findings. The Director may impose additional conditions, requirements, modifications, and
25 limitations on a proposed project in order to achieve the objectives, policies, and intent of the General

1 Plan or of this Code. This administrative review shall be identical in purpose and intent to any
2 Planning Commission review that would otherwise be required by Section 206.4 of the Planning Code.

3 (g) **Discretionary Review.** As long as the Planning Commission has delegated its authority to
4 the Planning Department to review applications for an Affordable Housing Project, the Planning
5 Commission shall not hold a public hearing for discretionary review of a 100 Percent Affordable
6 Housing Bonus project that is subject to this Section.

7 (h) **Appeals.** The Planning Director’s administrative determination regarding a 100 Percent
8 Affordable Housing Bonus Project pursuant to this Section 315.1 shall be considered part of a related
9 building permit. Any appeal of such determination shall be made through the associated building
10 permit.

11
12 Section 4. The Planning Code is hereby amended by revising Sections 303 and 328 to
13 read as follows:

14 **SECTION 303. CONDITIONAL USES**

15 * * * *

16 (v) **Affordable Housing Bonus Projects.** The purpose of this Section 303(v) is to
17 ensure that ~~all HOME SF Projects under Section 206.3 and~~ all Analyzed State Density Bonus
18 Program Projects under Section 206.5 are reviewed in coordination with priority processing
19 available for certain projects with greater levels of affordable housing. While most projects in
20 the Program will likely be somewhat larger than their surroundings in order to facilitate higher
21 levels of affordable housing, the Planning Commission and Department shall ensure that each
22 project is consistent with the Affordable Housing Bonus Design Guidelines and any other
23 applicable design guidelines, as adopted and periodically amended by the Planning
24 Commission, so that projects respond to their surrounding context, while still meeting the
25 City’s affordable housing goals.

1 (1) **Planning Commission Design Review:** The Planning Commission shall
2 review and evaluate all physical aspects of a ~~HOME-SF or~~ State Analyzed Project at a public
3 hearing. The Planning Commission recognizes that most qualifying projects will need to be
4 larger in height and mass than surrounding buildings ~~in order~~ to achieve the Affordable
5 Housing Bonus Program’s affordable housing goals. However, the Planning Commission may,
6 consistent with the Affordable Housing Bonus Program Design Guidelines, and any other
7 applicable design guidelines, and upon recommendation from the Planning Director, make
8 minor modifications to a project to reduce the impacts of such differences in scale.

9 ~~Additionally, as set forth in subsection (2) below, for HOME-SF Projects the Planning Commission~~
10 ~~may grant minor exceptions to the provisions of this Code. However, such exceptions should only be~~
11 ~~granted to allow building mass to appropriately shift to respond to surrounding context, and only when~~
12 ~~such modifications do not substantially reduce or increase the overall building envelope permitted by~~
13 ~~the Program under Section 206.3. All modifications and exceptions should be consistent with the~~
14 ~~Affordable Housing Bonus Program Design Guidelines and any other applicable design guidelines. In~~
15 ~~case of a conflict with other applicable design guidelines, the Affordable Housing Bonus Program~~
16 ~~Design Guidelines shall prevail. The Planning Commission may require these or other modifications or~~
17 ~~conditions, or disapprove a project, in order to achieve the objectives and policies of the Affordable~~
18 ~~Housing Bonus Program or the purposes of this Code. This review shall be limited to design issues~~
19 ~~including the following:~~

20 (A) ~~whether the bulk and massing of the building is consistent with the~~
21 ~~Affordable Housing Program Bonus Design Guidelines.~~

22 (B) ~~whether building design elements including, but not limited to architectural~~
23 ~~treatments, façade design, and building materials, are consistent with the Affordable Housing Bonus~~
24 ~~Program Design Guidelines and any other applicable design guidelines.~~

1 (C) ~~whether the design of lower floors, including building setback areas,~~
2 ~~commercial space, townhouses, entries, utilities, and parking and loading access is consistent with the~~
3 ~~Affordable Housing Bonus Program Design Guidelines, and any other applicable design guidelines.~~

4 (D) ~~whether the required streetscape and other public improvements such as~~
5 ~~tree planting, street furniture, and lighting are consistent with the Better Streets Plan, and any other~~
6 ~~applicable design guidelines.~~

7 (2) ~~**Exceptions.** This subsection (v)(2) shall not apply to State Analyzed projects. As a~~
8 ~~component of the review process under this Section 303(v), the Planning Commission may grant minor~~
9 ~~exceptions to the provisions of this Code as provided for below, in addition to the development bonuses~~
10 ~~granted to the project in Section 206.3(d). Such exceptions, however, should only be granted to allow~~
11 ~~building mass to appropriately shift to respond to surrounding context, and only when the Planning~~
12 ~~Commission finds that such modifications: (1) do not substantially reduce or increase the overall~~
13 ~~building envelope permitted by the Program under Section 206.3; and (2) are consistent with the~~
14 ~~Affordable Housing Bonus Design Guidelines. These exceptions may include:~~

15 (A) ~~Exception from residential usable open space requirements per Section 135,~~
16 ~~or any applicable special use district.~~

17 (B) ~~Exception from satisfaction of loading requirements per Section 152.1, or~~
18 ~~any applicable special use district.~~

19 (C) ~~Exception for rear yards, pursuant to the requirements of Section 134, or~~
20 ~~any applicable special use district.~~

21 (D) ~~Exception from dwelling unit exposure requirements of Section 140, or any~~
22 ~~applicable special use district.~~

23 (E) ~~Exception from satisfaction of accessory parking requirements per Section~~
24 ~~152.1, or any applicable special use district.~~

1 ~~(F) Where not specified elsewhere in this subsection (v)(2), modification of other~~
2 ~~Code requirements that could otherwise be modified as a Planned Unit Development (as set forth in~~
3 ~~Section 304), irrespective of the zoning district in which the property is located.~~

4 ~~(G) Exception from active ground floor use requirements under 145.1(e)(3).~~

5 ~~(3)(2)~~ **Additional Criteria.** In addition to the criteria set forth in subsection
6 (c)(2), the Planning Commission shall consider the extent to which the following criteria are
7 met:

8 (A) whether the project would require the demolition of an existing
9 building;

10 (B) whether the project would remove existing commercial or retail uses;

11 (C) If the project would remove existing commercial or retail uses, how
12 recently the commercial or retail uses were occupied by a tenant or tenants;

13 (D) whether the project includes commercial or retail uses;

14 (E) whether there is an adverse impact on the public health, safety, and
15 general welfare due to the loss of commercial or retail uses in the district where the project is
16 located; and

17 (F) whether any existing commercial or retail use has been designated,
18 or is eligible to be designated, as a Legacy Business under Administrative Code Section
19 2A.242; or is a formula retail business.

20 ~~(4)(3)~~ In no case may a project receive a site permit or any demolition permit
21 prior to 18 months from the date of written notification required by ~~206.5(d)(7).-206.3(e)(1)(D).~~

22 * * * *

23 Section 5. The Planning Code is hereby amended by deleting Section 328 as follows:

24 **~~SEC. 328. 100 PERCENT AFFORDABLE HOUSING BONUS HOME-SF PROJECT~~**
25 **~~AUTHORIZATION.~~**

1 (a) Purpose. The purpose of this Section 328 is to ensure that all HOME-SF_100
2 *Percent Affordable Housing Bonus* projects under Section 206.4 206.3 are reviewed in a timely
3 manner *coordination with priority processing available for certain projects with 100 Percent*
4 *affordable housing*. While most projects in the *100 Percent Affordable Housing Bonus* HOME-SF
5 Program will likely be somewhat larger than their surroundings in order to facilitate higher
6 levels of affordable housing, the Planning Commission and Department shall ensure that each
7 project is consistent with the Affordable Housing Bonus Design Guidelines and any other
8 applicable design guidelines, as adopted and periodically amended by the Planning
9 Commission, so that projects respond to their surrounding context, while still meeting the
10 City's affordable housing goals.

11 (b) Applicability. This Section 328 applies to all qualifying HOME-SF *100 Percent*
12 *Affordable Housing Bonus* Projects that meet the requirements described in Section 206.4
13 206.3.

14 (c) Planning Commission Design Review. The Planning Commission shall review and
15 evaluate all physical aspects of a *100 Percent Affordable Housing Bonus* HOME-SF Project at a
16 public hearing. The Planning Commission recognizes that most qualifying projects will need to
17 be larger in height and mass than surrounding buildings in order to achieve *the 100%*
18 *Affordable Housing Bonus Program's* HOME-SF's affordable housing goals. However, the
19 Planning Commission may, consistent with the Affordable Housing Bonus Program Design
20 Guidelines, and any other applicable design guidelines, and upon recommendation from the
21 Planning Director, make minor modifications to a project to reduce the impacts of such
22 differences in scale. The Planning Commission, upon recommendation of the Planning
23 Director, may also apply the standards of Section 261.1 to bonus floors for all projects on
24 narrow streets and alleys in order to ensure that these streets do not become overshadowed,
25 including potential upper story setbacks, and special consideration for the southern side of

1 East-West streets, and Mid-block passages, as long as such setbacks do not result in a
2 smaller number of residential units.

3 Additionally, as set forth in subsection (d) below, the Planning Commission may grant
4 minor exceptions to the provisions of this Code. However, such exceptions should only be
5 granted to allow building mass to appropriately shift to respond to surrounding context, and
6 only when such modifications do not substantially reduce or increase the overall building
7 envelope permitted by the Program under Section 206.3206.4. All modifications and
8 exceptions should be consistent with the Affordable Housing Bonus Program Design
9 Guidelines and any other applicable design guidelines. In case of a conflict with other
10 applicable design guidelines, the Affordable Housing Bonus Program Design Guidelines shall
11 prevail.

12 The Planning Commission may require these or other modifications or conditions, or
13 disapprove a project, in order to achieve the objectives and policies of the Affordable Housing
14 Bonus Programs or the purposes of this Code. This review shall limited to design issues
15 including the following:

16 (1) whether the bulk and massing of the building is consistent with the
17 Affordable Housing Bonus Design Guidelines.

18 (2) whether building design elements including, but not limited to architectural
19 treatments, facade design, and building materials, are consistent with the Affordable Housing
20 Bonus Program Design Guidelines and any other applicable design guidelines.

21 (3) whether the design of lower floors, including building setback areas,
22 commercial space, townhouses, entries, utilities, and parking and loading access is consistent
23 with the Affordable Housing Bonus Program Design Guidelines, and any other applicable
24 design guidelines.

1 ~~(4) whether the required streetscape and other public improvements such as~~
2 ~~tree planting, street furniture, and lighting are consistent with the Better Streets Plan, and any~~
3 ~~other applicable design guidelines.~~

4 ~~(5) if the project involves the merging of two or more lots resulting in more than~~
5 ~~125 feet in lot frontage on any one street, whether the project is consistent with the Affordable~~
6 ~~Housing Bonus Program Design Guidelines, and any other applicable design guidelines.~~

7 ~~(d) Exceptions. As a component of the review process under this Section 328, the~~
8 ~~Planning Commission may grant minor exceptions to the provisions of this Code as provided~~
9 ~~for below, in addition to the development bonuses granted to the project in Section 206.3~~
10 ~~206.4(e). Such exceptions, however, should only be granted to allow building mass to~~
11 ~~appropriately shift to respond to surrounding context, and only when the Planning~~
12 ~~Commission finds that such modifications do not substantially reduce or increase the overall~~
13 ~~building envelope permitted by the HOME-SF Program under Section 206.3 206.4, and also~~
14 ~~are consistent with the Affordable Housing Bonus Design Guidelines. These exceptions may~~
15 ~~include:~~

16 ~~(1) Exception from residential usable open space requirements per Section 135,~~
17 ~~or any applicable special use district.~~

18 ~~(2) Exception from satisfaction of loading requirements per Section 152.1, or~~
19 ~~any applicable special use district.~~

20 ~~(3) Exception for rear yards, pursuant to the requirements of Section 134, or~~
21 ~~any applicable special use district.~~

22 ~~(4) Exception from dwelling unit exposure requirements of Section 140, or any~~
23 ~~applicable special use district.~~

24 ~~(5) Exception from satisfaction of accessory parking requirements per Section~~
25 ~~152.1, or any applicable special use district.~~

1 ~~(6) Where not specified elsewhere in this subsection (d), modification of other~~
2 ~~Code requirements that could otherwise be modified as a Planned Unit Development (as set~~
3 ~~forth in Section 304), irrespective of the zoning district in which the property is located.~~

4 ~~(e) Required Findings. In its review of any project pursuant to this Section 328, the~~
5 ~~Planning Commission shall make the following findings:~~

6 ~~(1) the use as proposed will comply with the applicable provisions of this Code~~
7 ~~and is consistent with the General Plan; and~~

8 ~~(2) the use as proposed will provide development that is in conformity with the~~
9 ~~stated purpose of the applicable Use District.; and,~~

10 ~~(3) the use as proposed will contribute to the City's affordable housing goals as stated~~
11 ~~in the General Plan.~~

12 ~~(f) Additional Criteria. The Planning Commission shall consider the extent to which the~~
13 ~~following criteria are met:~~

14 ~~(1) whether the project would require the demolition of an existing~~
15 ~~building;~~

16 ~~(2) whether the project would remove existing commercial or retail uses;~~

17 ~~(3) If the project would remove existing commercial or retail uses, how~~
18 ~~recently the commercial or retail uses were occupied by a tenant or tenants;~~

19 ~~(4) whether the project includes commercial or retail uses;~~

20 ~~(5) whether there is an adverse impact on the public health, safety, and~~
21 ~~general welfare due to the loss of commercial or retail uses in the district where the project is~~

16 Section 6. The Planning Code is hereby amended by adding Section 328 to read as
17 follows:

18 **SEC. 328. HOME-SF PROJECT AUTHORIZATION.**

19 (a) Purpose. The purpose of this Section 328 is to ensure that all HOME-SF projects
20 under Section 206.3 are reviewed in a timely manner. While most projects in the HOME-SF
21 Program will likely be somewhat larger than their surroundings in order to facilitate higher
22 levels of affordable housing, the Planning Commission and Department shall ensure that each
23 project is consistent with the Affordable Housing Bonus Design Guidelines and any other
24 applicable design guidelines, as adopted and periodically amended by the Planning
25

1 Commission, so that projects respond to their surrounding context, while still meeting the
2 City's affordable housing goals.

3 (b) Applicability. This Section 328 applies to all qualifying HOME-SF Projects that meet
4 the requirements described in Section 206.3.

5 (c) Planning Commission Design Review. The Planning Commission shall review and
6 evaluate all physical aspects of a HOME-SF Project at a public hearing. The Planning
7 Commission recognizes that most qualifying projects will need to be larger in height and mass
8 than surrounding buildings in order to achieve HOME-SF's affordable housing goals.

9 However, the Planning Commission may, consistent with the Affordable Housing Bonus
10 Program Design Guidelines, and any other applicable design guidelines, and upon
11 recommendation from the Planning Director, make minor modifications to a project to reduce
12 the impacts of such differences in scale. The Planning Commission, upon recommendation of
13 the Planning Director, may also apply the standards of Section 261.1 to bonus floors for all
14 projects on narrow streets and alleys to ensure that these streets do not become
15 overshadowed, including potential upper story setbacks, and special consideration for the
16 southern side of East-West streets, and Mid-block passages, as long as such setbacks do not
17 result in a smaller number of residential units.

18 Additionally, as set forth in subsection (d) below, the Planning Commission may grant
19 minor exceptions to the provisions of this Code. However, such exceptions should only be
20 granted to allow building mass to appropriately shift to respond to surrounding context, and
21 only when such modifications do not substantially reduce or increase the overall building
22 envelope permitted by the Program under Section 206.3. All modifications and exceptions
23 should be consistent with the Affordable Housing Bonus Program Design Guidelines and any
24 other applicable design guidelines. In case of a conflict with other applicable design
25 guidelines, the Affordable Housing Bonus Program Design Guidelines shall prevail.

1 The Planning Commission may require these or other modifications or conditions, or
2 disapprove a project, in order to achieve the objectives and policies of the Affordable Housing
3 Bonus Programs or the purposes of this Code. This review shall limited to design issues
4 including the following:

5 (1) whether the bulk and massing of the building is consistent with the
6 Affordable Housing Bonus Design Guidelines.

7 (2) whether building design elements including, but not limited to architectural
8 treatments, facade design, and building materials, are consistent with the Affordable Housing
9 Bonus Program Design Guidelines and any other applicable design guidelines.

10 (3) whether the design of lower floors, including building setback areas,
11 commercial space, townhouses, entries, utilities, and parking and loading access is consistent
12 with the Affordable Housing Bonus Program Design Guidelines, and any other applicable
13 design guidelines.

14 (4) whether the required streetscape and other public improvements such as
15 tree planting, street furniture, and lighting are consistent with the Better Streets Plan, and any
16 other applicable design guidelines.

17 (5) if the project involves the merging of two or more lots resulting in more than
18 125 feet in lot frontage on any one street, whether the project is consistent with the Affordable
19 Housing Bonus Program Design Guidelines, and any other applicable design guidelines.

20 (d) Exceptions. As a component of the review process under this Section 328, the
21 Planning Commission may grant minor exceptions to the provisions of this Code as provided
22 for below, in addition to the development bonuses granted to the project in Section 206.3.
23 Such exceptions, however, should only be granted to allow building mass to appropriately
24 shift to respond to surrounding context, and only when the Planning Commission finds that
25 such modifications do not substantially reduce or increase the overall building envelope

1 permitted by the HOME-SF Program under Section 206.3, and also are consistent with the
2 Affordable Housing Bonus Design Guidelines. These exceptions may include:

3 (1) Exception from residential usable open space requirements per Section 135,
4 or any applicable special use district.

5 (2) Exception from satisfaction of loading requirements per Section 152.1, or
6 any applicable special use district.

7 (3) Exception for rear yards, pursuant to the requirements of Section 134, or
8 any applicable special use district.

9 (4) Exception from dwelling unit exposure requirements of Section 140, or any
10 applicable special use district.

11 (5) Exception from satisfaction of accessory parking requirements per Section
12 152.1, or any applicable special use district.

13 (6) Where not specified elsewhere in this subsection (d), modification of other
14 Code requirements that could otherwise be modified as a Planned Unit Development (as set
15 forth in Section 304), irrespective of the zoning district in which the property is located.

16 (e) Required Findings. In its review of any project pursuant to this Section 328, the
17 Planning Commission shall make the following findings:

18 (1) the use as proposed will comply with the applicable provisions of this Code
19 and is consistent with the General Plan; and

20 (2) the use as proposed will provide development that is in conformity with the
21 stated purpose of the applicable Use District.

22 (f) Additional Criteria. The Planning Commission shall consider the extent to which the
23 following criteria are met:

24 (1) whether the project would require the demolition of an existing
25 building;

1 (2) whether the project would remove existing commercial or retail uses;

2 (3) If the project would remove existing commercial or retail uses, how
3 recently the commercial or retail uses were occupied by a tenant or tenants;

4 (4) whether the project includes commercial or retail uses;

5 (5) whether there is an adverse impact on the public health, safety, and
6 general welfare due to the loss of commercial or retail uses in the district where the project is
7 located; and

8 (6) whether any existing commercial or retail use has been designated,
9 or is eligible to be designated, as a Legacy Business under Administrative Code Section
10 2A.242; or is a formula retail business.

11 (g) If a HOME-SF Project otherwise requires a conditional use authorization due only
12 to (1) a specific land use, (2) use size limit, or (3) requirement adopted by the voters, then the
13 Planning Commission shall make all findings and consider all criteria required by this Code for
14 such use or use size as part of this HOME-SF Project Authorization.

15 (h) Hearing and Decision.

16 (1) Hearing. The Planning Commission shall hold a public hearing for all
17 projects that are subject to this Section 328 within 180 days of submittal of a complete project
18 application, unless the Environmental Review Officer determines that an environmental
19 impact report is required for the project under Administrative Code Section 31.09.

20 (2) Notice of Hearing. Notice of such hearing shall be provided pursuant to the
21 same requirements for Conditional Use requests, as set forth in Sections 306.3 and 306.8.

22 (3) Director's Recommendations on Modifications and Exceptions. At the
23 hearing, the Planning Director shall review for the Commission key issues related to the
24 project based on the review of the project pursuant to subsection (c) and recommend to the
25 Commission modifications, if any, to the project and conditions for approval as necessary. The

1 Director shall also make recommendations to the Commission on any proposed exceptions
2 pursuant to subsection (d).

3 (4) Decision and Imposition of Conditions. The Commission, after public hearing
4 and, after making appropriate findings, may approve, disapprove, or approve subject to
5 conditions, the project and any associated requests for exceptions. As part of its review and
6 decision, the Planning Commission may impose additional conditions, requirements,
7 modifications, and limitations on a proposed project in order to achieve the objectives,
8 policies, and intent of the General Plan or of this Code.

9 (5) Appeal. The decision of the Planning Commission may be appealed to the
10 Board of Appeals by any person aggrieved within 15 days after the date of the decision by
11 filing a written notice of appeal with the Board of Appeals, setting forth wherein it is alleged
12 that there was an error in the interpretation of the provisions of this Section 328 or abuse of
13 discretion on the part of the Planning Commission. The procedures and requirements for
14 appeals in Section 309(e)(3) and (4) shall apply to appeals to the Board of Appeals under this
15 Section 328.

16 (6) Discretionary Review. No requests for discretionary review shall be
17 accepted by the Planning Department or heard by the Planning Commission for projects
18 subject to this Section 328.

19 (7) Change of Conditions. Once a project is approved, authorization of a
20 change in any condition previously imposed by the Planning Commission shall require
21 approval by the Planning Commission subject to the procedures set forth in this Section 328.

22 (8) In no case may a project approved or approved with conditions under this
23 Section 328 receive a site permit or any demolition permit prior to 18 months from the date of
24 written notification required by 206.3(e)(1)(D).

1 Section 57. Effective Date. This ordinance shall become effective 30 days after
2 enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the
3 ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board
4 of Supervisors overrides the Mayor’s veto of the ordinance.

5
6 Section 68. Scope of Ordinance. In enacting this ordinance, the Board of Supervisors
7 intends to amend only those words, phrases, paragraphs, subsections, sections, articles,
8 numbers, punctuation marks, charts, diagrams, or any other constituent parts of the Municipal
9 Code that are explicitly shown in this ordinance as additions, deletions, Board amendment
10 additions, and Board amendment deletions in accordance with the “Note” that appears under
11 the official title of the ordinance.
