# **ADMINISTRATIVE PROVISIONS**

#### **SECTION 3. General Authority.**

The Controller is hereby authorized and directed to set up appropriate accounts for the items of receipts and expenditures appropriated herein.

#### **SECTION 3.1 Two-Year Budget.**

For departments for which the Board of Supervisors has authorized, or the Charter requires, a fixed two-year budget appropriations in this ordinance shall be available for allotment by the Controller on July 1st of the fiscal year in which appropriations have been approved. The Controller is authorized to adjust the two year budget to reflect transfers and substitutions consistent with City's policies and restrictions for such transfers. The Controller is further authorized to make adjustments to the second year budgets consistent with Citywide estimates for salaries, fringe benefits, and work orders.

#### **SECTION 4. Interim Budget Provisions.**

All funds for equipment and new capital improvements shall be held in reserve until final action by the Board of Supervisors. No new equipment or capital improvements shall be authorized during the interim period other than equipment or capital improvements that, in the discretion of the Controller, is reasonably required for the continued operation of existing programs or projects previously approved by the Board of Supervisors. Authorization for the purchase of such equipment may be approved by the Board of Supervisors.

During the period of the interim annual appropriation ordinance and interim annual salary ordinance, no transfer of funds within a department shall be permitted without approval of the Controller, Mayor's Budget Director and the Budget Analyst of the Board of Supervisors.

When the Budget Committee reserves selected expenditure items pending receipt of additional information from departments, upon receipt of the required information to the satisfaction of a financial committee, the Controller may release the previously reserved funds with no further action required by the Board of Supervisors.

If the Budget Committee of the Board of Supervisors recommends a budget that increases funding that was deleted in the Mayor's Budget, the Controller shall have the authority to continue to pay these expenses until final passage of the budget by the Board of Supervisors, and approval of the budget by the Mayor.

#### SECTION 4.1 Interim Budget - Positions.

No new position may be filled in the interim period with the exception of those positions which in the discretion of the Controller are critical for the operation of existing programs or for projects previously approved by the Board of Supervisors or are required for emergency operations or where such positions would result in a net increase in revenues or where such positions are required to comply with law. New positions shall be defined as those positions that are enumerated in the Mayor's budget for the current fiscal year but were not enumerated in the appropriation and salary ordinances for the prior fiscal year, as amended, through June 30 of the prior fiscal year. In the event the Mayor has approved the reclassification of a position in the department's budget for the current fiscal

year, the Controller shall process a temporary or "tx" requisition at the request of the department and subject to approval of the Human Resources Director. Such action will allow for the continued employment of the incumbent in his or her former position pending action by the Board of Supervisors on the proposed reclassifications.

If the Budget Committee of the Board of Supervisors recommends a budget that reinstates positions that were deleted in the Mayor's Budget, the Controller and the Director of Human Resources shall have the authority to continue to employ and pay the salaries of the reinstated positions until final passage of the budget by the Board of Supervisors, and approval of the budget by the Mayor.

#### **SECTION 5. Transfers of Functions and Duties.**

Where revenues for any fund or department are herein provided by transfer from any other fund or department, or where a duty or a performance has been transferred from one department to another, the Controller is authorized and directed to make the related transfer of funds, provided further, that where revenues for any fund or department are herein provided by transfer from any other fund or department in consideration of departmental services to be rendered, in no event shall such transfer of revenue be made in excess of the actual cost of such service.

Where a duty or performance has been transferred from one department to another or departmental reorganization is effected as provided in the Charter, in addition to any required transfer of funds, the Controller and Human Resources Director are authorized to make any personnel transfers or reassignments between the affected departments and appointing officers at a mutually convenient time, not to exceed 100 days from the effective date of the ordinance transferring the duty or function. The Controller, Director of Human Resources and Clerk of the Board of Supervisors, with assistance of the City Attorney, are hereby authorized and directed to make such changes as may be necessary to conform all applicable ordinances to reflect said reorganization, transfer of duty or performance between departments.

#### **SECTION 5.1 Agencies Organized under One Department.**

Where one or more departments or agencies are organized under a single appointing officer or department head, the component units can continue to be shown as separate agencies for budgeting and accounting purposes to facilitate reporting. However, the entity shall be considered a single department for purposes of employee assignment and seniority, position transfers, and transfers of monies among funds within the Department of Public Health, and reappropriation of funds.

#### **SECTION 5.2 Continuing Funds Appropriated.**

In addition to the amount provided from taxes, the Controller shall make available for expenditure the amount of actual receipts from special funds whose receipts are continuously appropriated as provided in the Administrative and Municipal Codes.

#### SECTION 5.3 Multi-Year Revenues.

In connection with money received in one fiscal year for departmental services to be performed in a subsequent year, the Controller is authorized to establish an account for depositing revenues which are applicable to the ensuing fiscal year, said revenue shall be carried forward and become a part of the funds available for appropriation in said ensuing fiscal year.

#### **SECTION 5.4 Contracting Funds.**
