Nothing in this Agreement shall be construed as creating an employment or agency relationship between City and Contractor or any agent or employee of Contractor. Any terms in this Agreement referring to direction from City shall be construed as providing for direction as to policy and the result of Contractor's work only, and not as to the means by which such a result is obtained. City does not retain the right to control the means or the method by which Contractor performs work under this Agreement. Contractor agrees to maintain and make available to City, upon request and during regular business hours, accurate books and accounting records demonstrating Contractor's compliance with this section. Should City determine that Contractor, or any agent or employee of Contractor, is not performing in accordance with the requirements of this Agreement, City shall provide Contractor

with written notice of such failure. Within five (5) business days of Contractor's receipt of such notice, and in accordance with Contractor policy and procedure, Contractor shall remedy the deficiency. Notwithstanding, if City believes that an action of Contractor, or any agent or employee of Contractor, warrants immediate remedial action by Contractor, City shall contact Contractor and provide Contractor in writing with the reason for requesting such immediate action.

4.4.2 Payment of Employment Taxes and Other Expenses. Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Contractor is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Contractor which can be applied against this liability). City shall then forward those amounts to the relevant taxing authority. Should a relevant taxing authority determine a liability for past services performed by Contractor for City, upon notification of such fact by City, Contractor shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Contractor under this Agreement (again, offsetting any amounts already paid by Contractor which can be applied as a credit against such liability). A determination of employment status pursuant to the preceding two paragraphs shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, Contractor shall not be considered an employee of City. 4.6 Warranty. Contractor warrants to City that the Services will be performed with the degree of skill and care that is required by current, good and sound professional procedures and practices, and in conformance with generally accepted professional standards prevailing at the time the Services are performed so as to ensure that all Services performed are correct and appropriate for the purposes contemplated in this Agreement.

4.7 Liquidated Damages. Contractor acknowledges that certain Technology Marketplace Transactions may require that Contractor meet specific dates for providing Deliverables under the Agreement. In such cases, Contractor agrees that its failure to adhere to the schedule specified in the TMTPO may subject City to actual damages that are impractical or extremely difficult to ascertain. Contractor understands and agrees that City may specify in the TMTPO, as a reasonable estimate of the loss City will incur because of Contractor's delay, a daily rate of liquidated damages. By accepting the TMTPO, Contractor agrees that this sum shall not be considered a penalty and is an agreed upon sum of monetary damages sustained by City because of Contractor's failure to furnish Deliverables to City within the time period fixed or such extensions of time permitted in writing by City.

4.8 **Bonding Requirements.** The Contractor may be required on a case by case basis to furnish a performance bond on the form in a form acceptable to the City, to guarantee the faithful performance of this contract. Such modifications may include the type of insurance, the required minimum limits of insurance, as well as exclusions or inclusions related to coverage. Furthermore, the amount and type of insurance required for a particular purchase will be based on the types and amount of risk involved. Insurance policies that include coverage for both technology errors and omissions as well as cyber privacy are acceptable so long as they meet the limits the Risk Manager requires in the contract.

5.1.2 Ordering Departments shall contact the City's Risk Manager with any questions related to insurance requirements, and are encouraged to do this early in the contracting process. Any reductions below the amount of insurance coverage required, or any waivers of these coverages require the specific approval of the City's Risk Manager.

5.1.3 **Required Minimum Coverages.** Without in any way limiting Contractor's liability pursuant to the "Indemnification" section of this Agreement, Contractor must maintain in force, during the full term of the Agreement, insurance in the following amounts and coverages:

- (a) Workers' Compensation, in statutory amounts, with Employers' Liability Limits not less than \$1,000,000 each accident, injury, or illness; and

(a) Name as Additional Insured the City and County of San Francisco, its Officers, Agents, and Employees.

(b) That such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that insurance applies separately to each insured against whom claim is made or suit is brought.

5.1.5 All policies shall be endorsed to provide thirty (30) days' advance written notice to the City of cancellation for any reason, intended non-renewal, or reduction in coverages. Notices shall be sent to the City address set forth in Section 11.1, entitled "Notices to the Parties."

5.1.6 Should any of the required insurance be provided under a claims-made form, Contractor shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three years beyond the expiration of this Agreement, to the effect that, should occurrences during the contract term give rise to claims made after expiration of the Agreement, such claims shall be covered by such claims-made policies.

5.1.7 Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.

5.1.8 Should any required insurance lapse during the term of this Agreement, requests for payments originating after such lapse shall not be processed until the City receives satisfactory evidence of reinstated coverage as required by this Agreement, effective as of the lapse date. If insurance is not reinstated, the City may, at its sole option, terminate this Agreement effective on the date of such lapse of insurance.

5.1.9 Before commencing any Services, Contractor shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Approval of the insurance by City shall not relieve or decrease Contractor's liability hereunder.

5.1.10 The Workers' Compensation policy(ies) shall be endorsed with a waiver of subrogation in favor of the City for all work performed by the Contractor, its employees, agents and subcontractors.

5.1.11 If Contractor will use any subcontractor(s) to provide Services, Contractor shall require the subcontractor(s) to provide all necessary insurance and to name the City and County of San Francisco, its officers, agents and employees and the Contractor as additional insureds.

5.2 Indemnification. Contractor shall indemnify and hold harmless City and its officers, agents and employees from, and, if requested, shall defend them from and against any and all claims, demands, losses, damages, costs, expenses, and liability (legal, contractual, or otherwise) arising from or in any way connected with any: (i) injury to or death of a person, including employees of City or Contractor; (ii) loss of or damage to property; (iii) violation of local, state, or federal common law, statute or regulation, including but not limited to privacy or personally identifiable information, health information, disability and labor laws or regulations; (iv) strict liability imposed by any law or regulation; or (v) losses arising from Contractor's execution of subcontracts not in accordance with the requirements of this Agreement applicable to subcontractors; so long as such injury, violation, loss, or strict liability (as set forth in subsections (i) – (v) above) arises directly or indirectly from Contractor's performance of this Agreement, including, but not limited to, Contractor's use of facilities or equipment provided by City or others, regardless of the negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on City, except to the extent that such indemnity is void or otherwise unenforceable under applicable law, and except where such loss, damage, injury, liability or claim is the result of the active negligence or willful misconduct of City and is not contributed to by any act of, or by any omission to perform some duty imposed by law or agreement on Contractor, its subcontractors, or either's agent or employee. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City's costs of investigating any claims against the City.

In addition to Contractor's obligation to indemnify City, Contractor specifically acknowledges and agrees that it has an immediate and independent obligation to defend City from any claim which actually or potentially falls within this indemnification provision, even if the allegations are or may be groundless, false or fraudulent, which obligation arises at the time such claim is tendered to Contractor by City and continues at all times thereafter.

Contractor shall indemnify and hold City harmless from all loss and liability, including attorneys' fees, court costs and all other litigation expenses for any infringement of the patent rights, copyright, trade secret or any other proprietary right or trademark, and all other intellectual property claims of any person or persons arising directly or indirectly from the receipt by City, or any of its officers or agents, of Contractor's Services.

Article 6 Liability of the Parties

6.1 Liability of City. CITY'S PAYMENT OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE PAYMENT OF THE COMPENSATION PROVIDED FOR IN SECTION 3.3.1, "PAYMENT," OF THIS AGREEMENT. NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE SERVICES PERFORMED IN CONNECTION WITH THIS AGREEMENT.

6.2 Liability for Use of Equipment. City shall not be liable for any damage to persons or property as a result of the use, misuse or failure of any equipment used by Contractor, or any of its subcontractors, or by any of their employees, even though such equipment is furnished, rented or loaned by City.

6.3 Liability for Incidental and Consequential Damages. Contractor shall be responsible for incidental and consequential damages resulting in whole or in part from Contractor's acts or omissions.

Article 7 Payment of Taxes

7.1 Except for any applicable California sales and use taxes charged by Contractor to City, Contractor shall pay all taxes, including possessory interest taxes levied upon or as a result of this Agreement, or the Services delivered pursuant hereto. Contractor shall remit to the State of California any sales or use taxes paid by City to Contractor under this Agreement. Contractor agrees to promptly provide information requested by the City to verify Contractor's compliance with any State requirements for reporting sales and use tax paid by City under this Agreement.

7.2 Contractor acknowledges that this Agreement may create a "possessory interest" for property tax purposes. Generally, such a possessory interest is not created unless the Agreement entitles the Contractor to possession, occupancy, or use of City property for private gain. If such a possessory interest is created, then the following shall apply:

7.2.1 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that Contractor, and any permitted successors and assigns, may be subject to real property tax assessments on the possessory interest.

7.2.2 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that the creation, extension, renewal, or assignment of this Agreement may result in a "change in ownership" for purposes of real property taxes, and therefore may result in a revaluation of any possessory interest created by this Agreement. Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report on behalf of the City to the County Assessor the information required by Revenue and Taxation Code section 480.5, as amended from time to time, and any successor provision.

7.2.3 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that other events also may cause a change of ownership of the possessory interest and result in the revaluation of the possessory interest. (see, e.g., Rev. & Tax.

Code section 64, as amended from time to time). Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report any change in ownership to the County Assessor, the State Board of Equalization or other public agency as required by law.

7.2.4 Contractor further agrees to provide such other information as may be requested by the City to enable the City to comply with any reporting requirements for possessory interests that are imposed by applicable law.

Article 8 Termination and Default

8.1 Termination for Convenience

8.1.1 City shall have the option, in its sole discretion, to terminate this Agreement, at any time during the term hereof, for convenience and without cause. City shall exercise this option by giving Contractor written notice of termination. The notice shall specify the date on which termination shall become effective.

8.1.2 Upon receipt of the notice of termination, Contractor shall commence and perform, with diligence, all actions necessary on the part of Contractor to effect the termination of this Agreement on the date specified by City and to minimize the liability of Contractor and City to third parties as a result of termination. 8.1.3 Within 30 days after the specified termination date, Contractor shall submit to City an invoice, which shall set forth each of the following as a separate line item:

(a) The reasonable cost to Contractor, without profit, for all Services prior to the specified termination date, for which Services City has not already tendered payment. Reasonable costs may include a reasonable allowance for actual overhead, not to exceed a total of 10% of Contractor's direct costs for Services. Any overhead allowance shall be separately itemized. Contractor may also recover the reasonable cost of preparing the invoice.

(b) A reasonable allowance for profit on the cost of the Services described in the immediately preceding subsection (a), provided that Contractor can establish, to the satisfaction of City, that Contractor would have made a profit had all Services under this Agreement been completed, and provided further, that the profit allowed shall in no event exceed 5% of such cost.

Appendix A Administrative Procedures and Requirements

The following is a general guide for procedures for ordering Products and Services under the Technology Marketplace. Although they should be similar, procedures are subject to change and this guide is not intended to be a complete list of all work necessary under the Agreement.

The Technology Marketplace is a pool of IT contractors that provide Products and/or Services to City departments on an as-needed basis. Contractor is responsible for responding to City's requests for quotations, bids or proposals for products and services. When a Technology Marketplace Transaction results in a TMTPO, Contractor shall be responsible for procuring the Product or Service and for ensuring that all Products are delivered and Services provided in accordance with the City's specifications, terms and conditions. TMTPO's are awarded to Technology Marketplace contractors in accordance with the policies of the Office of Contract Administration ("OCA") and applicable laws and regulations of City as they may be amended from time to time.

The Technology Marketplace Contractors are divided into three tiers and organized by the Product and service categories for which each has qualified. Competitive solicitations will occur within each tier among contractors in the tier. A competitive solicitation will be required for all Technology Marketplace Transactions greater than a \$10,000 threshold, which may be revised during the term of this Agreement. OCA and Ordering Departments may solicit quotations, bids or proposals from within particular tiers and categories. Tier 1 Transactions shall not exceed \$2,500,000 unless otherwise authorized by the Purchaser, which limit may be revised during the term of this Agreement at the sole discretion of the City. No transaction exceeding \$2,500,000 may be procured through the Technology Marketplace. Tier 2 Transactions shall not exceed \$220,000 for a Commodities transaction, \$110,000 for a Professional Services transaction, and \$600,000 for a General Services transaction. Tier 3 Transactions shall not exceed \$110,000 for a Commodities transaction, \$110,000 for a Professional Services transaction, and \$600,000 for a General Services transaction. Commodities, Professional and General Services are defined according to the definitions provided in Chapter 21 of the San Francisco Administrative Code. The foregoing transaction limits may be revised during the term of the contract at the sole discretion of the City.

A. Summary of the quotation and ordering process

This section describes generally how the day-to-day operations of the Technology Marketplace work. This guide is subject to change. Below is a summary of the current quotation and ordering process:

1. Typically, a City Department emails the appropriate Technology Marketplace Tier and requests competitive written quotations for products or services from three (3) or more contractors as outlined below:
 - High-dollar purchases are defined as those orders exceeding the Minimum Competitive Amount which is currently set at \$110,000.00.

- The Minimum Competitive Amount could change during the life of the new contract.
- For Product requests in excess of the Minimum Competitive Amount, Purchasing requires Departments to seek at least one Product Quotation from the Technology Marketplace, and OCA will perform a Request For Quotes (RFQ) amongst the appropriate Marketplace Tier.
- For Service requests exceeding the Minimum Competitive Amount, Departments are required to perform a competitive Request For Proposals (RFP) amongst the appropriate Marketplace Tier. Additional Terms and Conditions, insurances, and subcontracting information may be required on a case by case basis.
- For all Product requests below the Minimum Competitive Amount, but greater than \$10,000.00, Departments are to solicit competitive Product Quotes from at least three (3) contractors from the appropriate Tier, and OCA will process the request without further solicitation.
- For all Service requests below the Minimum Competitive Amount, but greater than \$10,000.00, Departments are required to perform a competitive Request For Proposals (RFP) amongst the appropriate Marketplace Tier. Additional Terms and Conditions, insurances, and subcontracting information may be required on a case by case basis.
- For all Product and Service orders below \$10,000.00, Departments are encouraged to solicit competitive quotations from the appropriate Tiered contractors, but must provide at least a single quotations from one of the appropriate Technology Marketplace contractors, and OCA will process the request without further solicitation..
- For all appropriate Product & Service orders, Departments should first look to Micro LBEs in Tier 3 if possible for set aside contracting.

2. Under the conditions described above, the Contractor completes the quotation and e-mails it to the Department.

3. The Department submits the requisition supported by the quotations received to the Department of Technology (“DT”) for review. If the requisition contains any services, the request is sent to the Civil Service Commission or their designee for review and comment.

4. If a competitive bid is required, OCA will conduct the solicitation on behalf of the Department.

5. Once a requisition is approved, Purchasing creates the TMTPO in PeopleSoft and dispatches the PO to the contractor.

6. All requests for quotations, bids or proposals by a Department will be accompanied by special terms and conditions that apply to that particular procurement. Contractor may be required to execute a TMTPO containing additional contractual provisions as applicable and outlined in Appendix D.

B. Ordering, delivery, invoicing and related procedures

1. Preparing the Quotation

Contractor must provide written responses to requests for quotes within 48 hours (excluding weekends) for products only, and within 7 days (excluding weekends) for products and services, with one of the following: a quote, request for an extension of time (which may or may not be granted), or “no bid”.

2. Ordering

A. Products and services shall be ordered by the City by means of a TMTPO. All orders must be approved and issued by Purchasing or as authorized by Purchasing in writing.

C. Within three working days after receipt of an order, the Contractor must verify the accuracy of the order and provide written or electronic notification of Contractor's acceptance or rejection of the order and delivery dates.

D. Contractor shall not accept orders from any Department that has had its ordering privileges suspended. A list of Departments receiving such suspensions will be furnished to the Contractor by Purchasing.

E. If an item is discontinued, the Contractor must notify Purchasing and the end user Department within three working days of receipt of an order or upon notification by the manufacturer or distributor (whichever comes first) that the order cannot be filled. The Contractor must not fill the order with a substitute item without the prior written approval of Purchasing. Items that are substituted without approval may be returned at no cost to the City and the order cancelled.

3. Delivery

A. Contractor shall deliver products to Departments within ten City business days after receipt of the order, unless the product is not available from the manufacturer. Contractor must notify any Department placing an order within 72 hours if delivery of that order will be delayed beyond ten City business days. Contractor must keep Technology Marketplace customers apprised of changes in the delivery status of their delayed orders.

B. Contractor must deliver, free of charge, all products sold through the Technology Marketplace. All shipments of Products shall be made “FOB Destination” to all City delivery locations identified on the TMTPO. Some delivery locations may be outside of San Francisco City limits.

C. Orders must be delivered in total, unless a prior written authorization for partial shipment has been received from the Technology Marketplace customer placing the order.

D. All Products shall be delivered inside the building designated in the TMTPO.

E. If the Contractor fails to deliver an article or service of the quality, in the manner or within the time called for by this Agreement or an individual order, then City may cancel the order at no cost to the City and acquire such article or service from any source. If City pays a greater price than that named in the Agreement or order for such article or service, the excess price may be charged to and collected from Contractor and/or from the financial guarantee provided by Contractor; or, the City may treat the failure as a default subject to all applicable rights and remedies under the Agreement; or, the City may return deliveries already made and receive a refund from Contractor.

4. Invoicing

Invoices may be submitted only after delivery is complete. Invoices must clearly state the terms of any “prompt pay” discount. A packing slip must be included with each shipment of products and must show the order number, a complete list of items delivered, and the Department name and contact person. The order number must also appear on the outside of the package.

5. Return rights
