[Planning Code - Arts Activities and Nighttime Entertainment Uses in Historic Buildings]

**Ordinance amending the Planning Code to allow Arts Activities and Nighttime Entertainment as Principally Permitted Uses in historic buildings in the RCD (Regional Commercial District) district; affirming the Planning Department’s determination under the California Environmental Quality Act; making findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1; and adopting findings of public necessity, convenience, and general welfare under Planning Code, Section 302.**

Existing Law

Planning Code Section 703.9 allows specified uses to be permitted as of right in historic buildings that are located within the Folsom Street Neighborhood Commercial Transit District and the Regional Commercial District. Prior to the issuance of any necessary permits, the Zoning Administrator, with the advice of the Historic Preservation Commission, must determine that allowing the use will enhance the feasibility of preserving the building. The Historic Preservation Commission reviews the proposed project for compliance with the Secretary of the Interior’s Standards.

Amendments to Current Law

The proposed ordinance will authorize two additional uses permitted as of right – Arts Activities and Nighttime Entertainment – in the Regional Commercial District.
