Lisa Gibson
Environmental Review Officer
Planning Department
1650 Mission Street, Ste. 400
San Francisco, CA 94103

Dear Ms. Gibson:

On September 18, 2018, Supervisor Kim submitted the proposed legislation:

File No. 180914

Ordinance amending the Planning Code to add new items to the list of standard required streetscape improvements under the Better Streets Plan; modifying the triggers that would require project sponsors to construct streetscape improvements in the public right-of-way; clarifying the recommended sidewalk width for street types; expanding curb cut restrictions for off-street parking and loading to most zoning districts and certain designated streets, including those on the Citywide Transit Network and any officially adopted Class II Bikeways (bicycle lanes and buffered bike lanes) or Class IV Bikeways (protected bicycle lanes), and requiring a Conditional Use authorization or a Section 309 or 329 exception for new or expanded curb cuts in the applicable area; adding criteria for the Planning Commission to consider when granting a Conditional Use authorization or an exception as part of a Downtown C-3-O(SD) (Downtown, Office (Special Development)) or large project authorization in mixed-use districts for such curb cuts; prohibiting new curb cuts in bus stops and on Folsom Street between Essex and Second Street; eliminating minimum off-street parking requirements for projects subject to the curb cut restrictions or prohibitions; and making findings under the California Environmental Quality Act, findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1, and findings of public necessity, convenience and welfare under Planning Code, Section 302.

This legislation is being transmitted to you for environmental review.
