### Board of Supervisors

Shelter Monitoring Committee

San Francisco, CA

Hello,

Thank you for allowing me to express my interest in becoming part of the Shelter Monitoring Committee through the tone and voice of another person.

My name is Gabriela Avalos and I would be honored to be part of the Shelter Monitoring Committee and hold a chair with the Board of Supervisors. I am currently employed by Lutheran Social Services and hold the position of Lead Caseworker for the Direct Access to Housing program (DAH) supporting clients with money management.

My work is with client who are housed, but very often clients share their experiences about San Francisco Shelters while I am processing an intake or simply reminiscing about the days when they were homeless and in need of a shelter. I've learned many things about San Francisco shelters from my clients, such as:

- Shelters allow an individual and families some peace of mind and to sleep peacefully, but sometimes not because of many variables; nervousness, anxiousness, or caring for a child and feeling the need to stay awake and alert.
- Shelters provide lots of resources but sometimes not because Caseworkers or Case managers may not always be available to support.
- Shelters give stability, even if it thirty days, but sometimes not because waiting lists can be long or the beds are on a first come first serve basis.

As a San Francisco native and single mother of a 10 year old daughter, it is very important to me that everyone in San Francisco have the opportunity to be housed, but if this is not the case, then a calm environment should be provided. During the day, most individuals who are homeless get by...children are at school and adults are seeking employment and housing. Then the night comes and what happens? This is what I am interested in being part of, the night. The peace, the ease, and support clients need to remain positive and confident that permanent housing and jobs will come. That children and adults are rested and prepared for the next day.

If I were selected to hold a chair on the Shelter Monitoring Committee, I would be committed to upholding all expectations of fulfilling the duties of the committee. I would love to collaborate and work in partnership with the public to make San Francisco shelters as just as they can be. A shelter is defined as a place which provides safety, protection, and, accommodation. I would grateful to be part of the San Francisco Shelter Monitoring Committee who understands and values these beliefs.

Thank you for your time and consideration.

Kind regards, Gabriela Avalos Lutheran Social Services 191 Golden Gate Avenue San Francisco, CA 94102 (415) 967-6718 (415) 581-0891 x118

### To Whom It May Concern,

Gabriela Avalos has been a Case Worker for our Money Management programs in San Francisco for 2 years. The work she does with our clients who are part of the DAH housing program is an essential part of successful housing retention for our clients who are all formerly homeless and at risk of returning to homelssness.

She has demonstrated uncommon understanding and compassion for the needs of others and is keenly aware of the challenges faced by those whose lives have been impacted by homelessness. During her time with LSS Gabriela has developed a substantial breadth of understanding of the causes and challenges of homelessness. She is committed to serving this community in San Francisco.

I am convinced that Gabriela would be an invaluble addition to any endevour she is a part of. We fully support her participation in the work of the Shelter Monitoring Committee.

Sincerely,

Milsen

Nancy Nielsen, Deputy Director

I believe I am qualified to understand the plight of homeless San Franciscans and the complexities, nuances, and benefits of the City's homeless services system, as I am responsible for managing one of the City's two Shelter Reservation Centers. On a daily basis I engage with shelter seekers, each presenting with their own unique life stressors, who often have relevant feedback and opinions about their stays at the City's homeless I have an empathic understanding of their struggles based on my experiences and daily engagement with the City's homeless residents.

To Whom It May Concern:

I am writing this letter to wholeheartedly endorse Vixen Yvonne for consideration as member of the Shelter Monitoring Committee. I have known Ms. Yvonne since September of 2017, and have had the opportunity to witness and applaud her tenacity and good humor in dealing with her own challenges with homelessness, as well as her compassion and concern for others struggling to find stable housing and a fulfilling life. She has been an active volunteer in the community and a job seeker, and is able to appreciate the good things in life, even when facing obstacles and difficulties.

Ms. Yvonne is quick to point out how useful her college degree in political science has been as she navigates perplexing city systems and advocates for herself and for others. She would be a strong and enthusiastic member of the Committee and she would find it a joy to be able to contribute to the city in this way. Please call me if you need any other information about this remarkable woman.

Sincerely,

yorchon, CCSW

From

To Whom It May Concern:

My name is Kelly Lloyd, I am a Behavioral Health Specialist for SF-START (Shelter Treatment Access & Resource Team) at Episcopal Community Services. Our program provides counseling and case management to homeless and marginally housed individuals in San Francisco.

I am writing in support of Ron Summers joining the board of the Shelter Monitoring Committee. Over the past few months I have gotten to know Romand can attest that he would be a wonderful fit for the position. Ron is a fierce and outspoken advocate for shelter residents and the homeless community. Ron is very passionate about his involvement in the community and is never afraid to stand up for something he believes to be unjust. I have also observed Ron to be warm and welcoming to his fellow shelter residents. Ron is committed to serving the community and has expressed that he is very excited about this opportunity. I believe that Ron would be a great addition to the organization and many would benefit from his involvement.

Please feel free to contact me if you have any questions.

Sincerely,

To Whom It May Concern:

I have known Traci Watson for the past nine years as a friend and as member of the *recovering* community. She has asked me to write a letter of reference in support for her application for the *Shelter Monitoring Committee*. I am honored to do so. Ms. Watson has been a great contributor to her community and highly motivated to succeed.

I am currently the Director of Forensics providing services for San Francisco most vulnerable populations. My relationship with Ms. Watson stems from a part of the recovering community and collaborated on community projects.

I am aware of her past personal problems with substance use and the criminal justice system in which she has continuously strived to distant herself from. She has done this by being an extremely reliable individual, honest, gainfully employed and being highly responsible and utilizing her experiences to others in need. She has been committed and demonstrates integrity.

As a friend, Traci is a standout. She is a loyal, honest, considerate, and supportive individual who has the ability to see and understand things from another person's perspective. She is a great direct communicator and knows how to raise and discuss common living issues and problems in a non-threatening manner. She is hyper-sensitive and is always tuned into how another person might "feel" in a given situation.

To tell the truth, I really can't think of anything of consequence on the negative side of the personality ledger when it comes to Traci. All in all, I would have to say that Traci Watson is a fine, well-balanced person with an abundance of positive qualities.

I have absolutely no question regarding Ms. Watson's ability to maintain these attributes. I can give you my highest recommendation for this individual.

Sincerely

Cedric G. Akbar Director of Forensics
