

1 [Motion requesting that the Controller initiate a Community Audit for the Southeast
2 neighborhoods in San Francisco.]

3 **Motion directing that the City Controller initiate a Community Audit addressing needs**
4 **in the Southeast sector, to consider, document and evaluate community needs as well**
5 **as do an assessment of community benefit programs, City services and City-funded**
6 **programs.**

8 WHEREAS, The Southeast sector of the City has specific needs to be addressed with
9 consideration to the well-being and health of its residents; and,

10 WHEREAS, The Southeast community's needs and services have not been assessed
11 to determine whether City services and City-funded programs are adequately addressing
12 these needs to ensure a quality of life for Southeast sector residents comparable to that of
13 other neighborhoods throughout San Francisco; now, therefore, be it

14 MOVED, That the City Controller conduct a Community Audit to consider, document
15 and evaluate Southeast sector community needs, and be it

16 FURTHER MOVED, That the Controller also conduct an assessment of community
17 benefit programs, City services and City-funded programs; and, be it

18 FURTHER MOVED, That such a Community Audit shall make recommendations
19 where policies, funding and programs may be needed to allow a quality of life for Southeast
20 residents commensurate to that of other neighborhoods in the City.
