13 Be it ordained by the People of the City and County of San Francisco:

14 Section 1. General Findings.

15 (a) The Planning Department has determined that the actions contemplated in this
 16 ordinance comply with the California Environmental Quality Act (California Public Resources
 17 Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of
 18 Supervisors in File No. _____ and is incorporated herein by reference. The Board affirms
 19 this determination.

20 (b) On February 20, 2019, the Building Inspection Commission considered this
 21 ordinance at a duly noticed public hearing pursuant to Charter Section D3.750-5.

22 Section 2. Findings under Section 17958.7 of the California Health and Safety Code.

23 All rain water in San Francisco drains to the building drains and sewer. Unusual geology,
 24 occasional extremely high local rainfall amounts, and the configuration of the City as a
 25 peninsula restrict the installation of separate storm water and sewer systems. House traps not

1 only prevent the sewer gases from entering the house or commercial areas but also protect
2 the building from failures in the sewer systems in case of a stoppage, breakage, or the
3 overloading during a storm.

4 Section 3. Chapter 10 of the Plumbing Code is hereby amended by adding Section
5 1001.3, to read as follows:

6 **CHAPTER 10 – TRAPS AND INTERCEPTORS**

7 * * * *

8 **1001.3 Placement and Minimum Size of Building Sewer or Drain.** *The building sewer or*
9 *building drain shall have a building trap placed as near as possible to the curb line or immediately*
10 *inside any subsidewalk basement wall under the sidewalk. Trap size shall be a minimum of 4 inches*
11 *(101.6mm).*

12 Section 4. Effective Date. This ordinance shall become effective 30 days after
13 enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the
14 ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board
15 of Supervisors overrides the Mayor’s veto of the ordinance.

16 Section 5. Directions to Clerk. The Clerk of the Board of Supervisors is hereby
17 directed to forward a copy of this ordinance to the California Building Standards Commission
18 upon final passage.
