10	Be it ordained by the People of the City and County of San Francisco:	
11	Section 1. Declaration of Emergency under Section 2.107 of the Sa	ın Francisco
12	Charter.	
13	Section 2.107 of the San Francisco Charter authorizes passage of an	emergency
14	ordinance in cases of public emergency affecting life, health, property, or for	the uninterrupted
15	operation of any City or County department or office required to comply with	time limitations
16	as established by law. The Charter provides that an emergency ordinance m	ay be reenacted
17	upon the same terms and conditions applicable to its initial enactment. The I	Board of
18	Supervisors hereby finds and declares that an actual emergency exists that r	equires the
19	passage of this Emergency Ordinance. This emergency declaration is based	I on the following:
20	1. The City and County of San Francisco and its departments are	engaged on an
21	ongoing basis in a large number of public services and projects that are vital	to the health,
22	safety and welfare of San Francisco and its citizens, such as the construction	and repair of
23	energy, water, and transportation equipment and facilities, and the provision	of social,

medical, public safety and other services to San Franciscans. Many of these services and

projects are required or authorized by law.

24

25

- 2. In order to perform these services and accomplish these projects, the City often enters into contracts with outside entities. The ability to bid, negotiate, award and enforce contracts in a timely manner is often critical to the accomplishment of public projects and services. In order to receive funding and/or secure or maintain legal authorization to proceed, the City may be under an obligation to execute projects or deliver services according to a determined timeline. Failure to meet these requirements may jeopardize receipt of funding or authority to proceed with a needed project or service. Failure to proceed in a timely manner with public projects and services may jeopardize public health and safety, or damage public property.
 - 3. On July 26, 2004, in Coral Construction, Inc. v. City and County of San Francisco (Sup. Ct. No. 421249), the San Francisco Superior Court entered an order enjoining the City from enforcing or attempting to enforce substantial provisions of the City's Minority/Women/Local Business Utilization Ordinance. The injunction became effective immediately.
 - 4. Because of uncertainty over the scope and effect of the injunction, and in order to continue contracting for vital public projects and services, the Board of Supervisors adopted an emergency ordinance establishing an interim Disadvantaged Business Enterprise Program.
 - 5. The Court subsequently denied the City's requests for an automatic or discretionary stay of the injunction. On August 23, 2004, the Court issued an order that clarified the scope of the injunction. As clarified, the injunction prohibits the City from enforcing identified sections of the 12D.A ordinance in conjunction with any contract for which "bids or proposals are advertised or solicited on or after July 26, 2004."
 - 6. The City is appealing the Superior Court's injunction. At the same time that the City is pursuing relief through the courts, the Mayor, the Board of Supervisors, and City

1	partments, along with interested members of the public, are working to develop a	
2	manent replacement for the Minority/Women/Local Business Utilization Ordinance to be	
3	sed if relief through the courts is not forthcoming. Because public contracting legislation	
4	aises complex issues of policy, administration and law, additional time is needed to finalize	
5	permanent legislation. Failure to extend the emergency ordinance will cause confusion and	
6	could disrupt vital contracting processes. Accordingly, the Board finds and declares that a	
7	continuing emergency exists that requires this ordinance to become effective immediately.	
8	This emergency ordinance will ensure that the City and its departments are able to comply	
9	with time limits established by law for entering into contracts and performing various public	
10	vorks and functions, and will safeguard public health, safety and property.	
11	Section 2. The following sections of emergency ordinance number 208-04, which	
12	was enacted on August 11, 2004, are hereby reenacted as provided under Section 2.107 of	
13	he San Francisco Charter: Section 1 (amending the San Francisco Administrative Code by	
14	adding Chapter 14A to establish a Disadvantaged Business Enterprise Program and suspend	
15	Chapter 12D.A), and Section 4 (providing for data collection to ensure nondiscrimination in	
16	City contracting).	
17	This ordinance shall become effective and operative immediately upon passage, and	
18	shall expire on the 61st day following passage unless reenacted as provided by Section 2.107	
19	of the San Francisco Charter.
