

LEGISLATIVE DIGEST

[Administrative Code - Indigenous Peoples Day]

Ordinance amending the Administrative Code to update and revise the legislative findings in support of Indigenous Peoples Day.

Existing Law

The City's Administrative Code recognizes the second Monday in October as Indigenous Peoples Day. The Code requires all official City communications to refer to that day as Indigenous Peoples Day. The Code also includes several factual findings about the history and contributions of indigenous peoples.

Amendments to Current Law

The proposed ordinance would update and revise the factual findings in the Administrative Code. The ordinance would not change existing law.
