FILE NO. 081100

ORDINANCE NO.

| 1 | [Zoning – Providing for a Five Feet Special Height Exception for Active Ground Floor Uses in Neighborhood Commercial Districts.] |
|----------|---|
| 2 | Neighborhood Commercial Districts.] |
| 3 | Ordinance amending the San Francisco Planning Code by amending Section 263.20 to |
| 4 | provide for a special height exception for ground floor uses in the Neighborhood |
| 5 | Commercial Districts; amending Sections 703.1, 710.1, 711.1, 712.1, 713.1, 715.1, 716.1, |
| 6 | 717.1, 718.1, 719.1, 720.1, 721.1, 723.1, 724.1, 725.1, 726.1, 727.1, 728.1, 729.1, 730.1, |
| 7 | 731.1, 732.1, to refer to this special height exception; adopting findings, including |
| 8 | environmental findings and findings of consistency with the priority policies of |
| 9 | Planning Code Section 101.1 and the General Plan. |
| 10 11 | Note: Additions are <u>single-underline italics Times New Roman</u> ; |
| 12 | deletions are <i>strikethrough italics Times New Roman</i> . Board amendment additions are <u>double underlined</u> . Board amendment deletions are strikethrough normal . |
| 13 14 | Be it ordained by the People of the City and County of San Francisco: |
| 15 | Section 1. Findings. The Board of Supervisors of the City and County of San |
| 16 | Francisco hereby find and determine that: |
| 17 | (a) Pursuant to Planning Code Section 302, the Board of Supervisors finds that this |
| 18 | ordinance will serve the public necessity, convenience and welfare, for the reasons set forth in |
| 19 | Planning Commission Resolution No, and incorporates such reasons by this |
| 20 | reference thereto. A copy of said resolution is on file with the Clerk of the Board of |
| 21 | Supervisors in File No |
| 22 | (b) Pursuant to Planning Code Section 101.1, the Board of Supervisors finds that the |
| 23 | ordinance is consistent with the Priority Policies of Section 101.1(b) of the Planning Code and |
| 24 | with the General Plan and hereby incorporates a report containing those findings as if fully set |
| 25 | |

| 1 | forth herein. A copy of said report is on file with the Clerk of the Board of Supervisors in File |
|----|--|
| 2 | No |
| 3 | (c) The Planning Department concluded environmental review of this ordinance |
| 4 | pursuant to the California Environmental Quality Act, Public Resources Code Section 2100 et |
| 5 | seq. Documentation of that review is on file with the Clerk of the Board of Supervisors in File |
| 6 | No |
| 7 | Section 2. The San Francisco Planning Code is hereby amended by amending Section |
| 8 | 263.20, to read as follows: |
| 9 | SEC. 263.20. SPECIAL HEIGHT EXCEPTION: ADDITIONAL FIVE FEET HEIGHT |
| 10 | FOR GROUND FLOOR USES IN NCT NEIGHBORHOOD COMMERCIAL (NC) 40 X AND 50 |
| 11 | X HEIGHT AND BULK DISTRICTS. |
| 12 | (a) Intent. In order to encourage generous ground floor ceiling heights for commercial |
| 13 | and other active uses, encourage additional light and air into ground floor spaces, allow for |
| 14 | walk-up ground floor residential uses to be raised slightly from sidewalk level for privacy and |
| 15 | usability of front stoops, and create better building frontage on the public street, up to an |
| 16 | additional 5' of height is allowed along major streets in NCT districts for buildings that feature |
| 17 | either higher ground floor ceilings for non-residential uses or ground floor residential units |
| 18 | (that have direct walk-up access from the sidewalk) raised up from sidewalk level. |
| 19 | (b) Applicability. The special height exception described in this section shall only apply |
| 20 | to projects that meet all of the following criteria: |
| 21 | (1) for projects located in NCT districts, the project is located in a 40-X or 50-X Height and |
| 22 | Bulk District as designated on the Zoning Map; |
| 23 | (2) project is located in a# NCT district as designated on the Zoning Map; |
| 24 | |

- (3) project features ground floor commercial space or other active use as defined by Section 145.1(e) with clear ceiling heights in excess of ten feet from sidewalk grade, or in the case of residential uses, such walk-up residential units are raised up from sidewalk level;
- (4) said ground floor commercial space, active use, or walk-up residential use is primarily oriented along a right-of-way wider than 40 feet; <u>and</u>
- (5) except for projects located in NCT districts, the project sponsor has conclusively demonstrated that the project will not shadow any public open spaces.
- (c) One additional foot of height, up to a total of five feet, shall be permitted above the designated height limit for each additional foot of ground floor clear ceiling height in excess of 10 feet from sidewalk grade, or in the case of residential units, for each foot the unit is raised above sidewalk grade. *Such additional height shall not extend more than 70 feet in depth back from the right of way(s) described in (b)(4)*.

Section 3. The San Francisco Planning Code is hereby amended by amending Section 703.1, to read as follows:

SEC. 703.1. BUILDING STANDARDS.

Building standards are controls which regulate the general size, shape, character, and design of development in Neighborhood Commercial Districts. They are set forth or summarized and cross-referenced in the zoning control categories as listed in Paragraph (a) below in Sections 710.10 through 729.94 of this Code for each district class.

(a) Building Standard Categories. The building standard categories which govern

Neighborhood Commercial Districts are listed below by zoning control category and number

and cross-referenced to the Code Section containing the standard and the definition.

TABLE INSET:

| No. | Zoning Control Categories for Building Standards | Section Number of Standard | Section Number of Definition |
|-----|--|----------------------------------|-----------------------------------|
| .10 | Height and Bulk | Zoning Map | §§ 102.11, 102.18, 263.20, 270 |
| .11 | Lot Size [Per Development] | § 121.1 | §§ 121(c), 790.56 |

ground story and limitations on demolitions.

NC-1 Districts are intended to serve as local neighborhood shopping districts, providing

These NC-1 Districts are characterized by their location in residential neighborhoods,

convenience retail goods and services for the immediately surrounding neighborhoods

often in outlying areas of the City. The commercial intensity of these districts varies. Many of

these districts have the lowest intensity of commercial development in the City, generally

consisting of small clusters with three or more commercial establishments, commonly grouped

around a corner; and in some cases short linear commercial strips with low-scale,

compatible with the existing scale and character of these neighborhood areas. Commercial

development is limited to one story. Rear yard requirements at all levels preserve existing

convenience retail sales and services at the first story provided that the use size generally is

limited to 3,000 square feet. However, commercial uses and features which could impact

residential livability are prohibited, such as auto uses, financial services, general advertising

signs, drive-up facilities, hotels, and late-night activity; eating and drinking establishments are

districts. Existing residential units are protected by prohibitions of conversions above the

Housing development in new buildings is encouraged above the ground story in most

restricted, depending upon the intensity of such uses in nearby commercial districts.

Building controls for the NC-1 District promote low-intensity development which is

NC-1 commercial use provisions encourage the full range of neighborhood-serving

interspersed mixed-use (residential-commercial) development.

Planning Department that the reason for their lack of
continuous operation was not closure due to an actual
violation of federal, state or local law, may apply for a
medical cannabis dispensary permit in an NC-1 District.

Section 5. The San Francisco Planning Code is hereby amended by amending Section 711.1, to read as follows:

SEC. 711.1. NC-2 -- SMALL-SCALE NEIGHBORHOOD COMMERCIAL DISTRICT.

The NC-2 District is intended to serve as the City's Small-Scale Neighborhood Commercial District. These districts are linear shopping streets which provide convenience goods and services to the surrounding neighborhoods as well as limited comparison shopping goods for a wider market. The range of comparison goods and services offered is varied and often includes specialty retail stores, restaurants, and neighborhood-serving offices. NC-2 Districts are commonly located along both collector and arterial streets which have transit routes.

These districts range in size from two or three blocks to many blocks, although the commercial development in longer districts may be interspersed with housing or other land uses. Buildings typically range in height from two to four stories with occasional one-story commercial buildings.

The small-scale district controls provide for mixed-use buildings which approximate or slightly exceed the standard development pattern. Rear yard requirements above the ground story and at residential levels preserve open space corridors of interior blocks.

Most new commercial development is permitted at the ground and second stories. Neighborhood-serving businesses are strongly encouraged. Eating and drinking and entertainment uses, however, are confined to the ground story. The second story may be used by some retail stores, personal services, and medical, business and professional offices. Parking and hotels are monitored at all stories. Limits on late-night activity, drive-up facilities, and other automobile uses protect the livability within and around the district, and promote continuous retail frontage.

Housing development in new buildings is encouraged above the ground story. Existing residential units are protected by limitations on demolition and upper-story conversions.

17

18

Section 6. The San Francisco Planning Code is hereby amended by amending Section 712.1, to read as follows:

19

20

SEC. 712.1. NC-3 -- MODERATE-SCALE NEIGHBORHOOD COMMERCIAL DISTRICT.

2122

NC-3 Districts are intended in most cases to offer a wide variety of comparison and specialty goods and services to a population greater than the immediate neighborhood, additionally providing convenience goods and services to the surrounding neighborhoods.

24

23

| 1 | NC-3 Districts are linear districts located along heavily trafficked thoroughfares which also |
|--------|--|
| 2 | serve as major transit routes. |
| 3 | NC-3 Districts include some of the longest linear commercial streets in the City, some |
| 4 | of which have continuous retail development for many blocks. Large-scale lots and buildings |
| 5 | and wide streets distinguish the districts from smaller-scaled commercial streets, although the |
| 6 | districts may include small as well as moderately scaled lots. Buildings typically range in |
| 7 | height from two to four stories with occasional taller structures. |
| 8 9 | NC-3 building standards permit moderately large commercial uses and buildings. Rear |
| 10 | yards are protected at residential levels. |
| 11 | A diversified commercial environment is encouraged for the NC-3 District, and a wide |
| 12 | variety of uses are permitted with special emphasis on neighborhood-serving businesses. |
| 13 | Eating and drinking, entertainment, financial service and certain auto uses generally are |
| 14 | permitted with certain limitations at the first and second stories. Other retail businesses, |
| 15 | personal services and offices are permitted at all stories of new buildings. Limited storage and |
| 16 | administrative service activities are permitted with some restrictions. |
| 17 | Housing development in new buildings is encouraged above the second story. Existing |
| 18 | residential units are protected by limitations on demolitions and upper-story conversions. |
| 19 | |

Section 7. The San Francisco Planning Code is hereby amended by amending Section 713.1, to read as follows:

SEC. 713.1. NC-S -- NEIGHBORHOOD COMMERCIAL SHOPPING CENTER DISTRICT.

NC-S Districts are intended to serve as small shopping centers or supermarket sites which provide retail goods and services for primarily car-oriented shoppers. They commonly contain at least one anchor store or supermarket, and some districts also have small medical office buildings. The range of services offered at their retail outlets usually is intended to serve the immediate and nearby neighborhoods. These districts encompass some of the most recent (post-1945) retail development in San Francisco's neighborhoods and serve as an alternative to the linear shopping street.

Shopping centers and supermarket sites contain mostly one-story buildings which are removed from the street edge and set in a parking lot. Outdoor pedestrian activity consists

- 1 primarily of trips between the parking lot and the stores on-site. Ground and second stories
- 2 are devoted to retail sales and some personal services and offices.
- 3 The NC-S standards and use provisions allow for medium-size commercial uses in low-scale
- 4 buildings. Rear yards are not required for new development. Most neighborhood-serving retail
- 5 businesses are permitted at the first and second stories, but limitations apply to fast-food
- 6 restaurants and take-out food uses. Some auto uses are permitted at the first story. Limited
- 7 storage and administrative service activities are permitted with some restrictions.
- 8 Housing development in new buildings is permitted. Existing residential units are protected by
- 9 limitations on demolitions and prohibitions of upper-story conversions.

Section 8. The San Francisco Planning Code is hereby amended by amending Section 715.1, to read as follows:

SEC. 715.1. CASTRO STREET NEIGHBORHOOD COMMERCIAL DISTRICT.

The Castro Street District is situated in Eureka Valley, close to the geographic center of San Francisco between the Mission District, Twin Peaks, and Upper Market Street. The physical form of the district is a crossing at Castro and 18th Streets, the arms of which contain many small, but intensely active commercial businesses. The multi-purpose commercial district provides both convenience goods to its immediate neighborhood as well as comparison shopping goods and services on a specialized basis to a wider trade area. Commercial businesses are active both in the daytime and late into the evening and include a number of gay-oriented bars and restaurants, as well as several specialty clothing and gift stores. The district also supports a number of offices in converted residential buildings.

The Castro Street District controls are designed to maintain existing small-scale development and promote a balanced mix of uses. Building standards permit small-scale buildings and uses and protect rear yards above the ground story and at residential levels. In new buildings, most commercial uses are permitted at the ground and second stories. Special controls are necessary to preserve the existing equilibrium of neighborhood-serving convenience and specialty commercial uses. In order to maintain convenience stores and protect adjacent residential livability, controls prohibit additional eating and drinking

establishments and permit with certain limitations new late-night uses, adult and other entertainment, and financial service uses. The continuous retail frontage is maintained by prohibiting most automobile and drive-up uses.

Housing development in new buildings is encouraged above the second story. Existing housing units are protected by limitations on demolitions and upper-story conversions.

The Inner Clement Street Commercial District is located on Clement Street between Arguello Boulevard and Funston Avenue in the eastern portion of the Richmond District of

SEC. 716.1. INNER CLEMENT STREET NEIGHBORHOOD COMMERCIAL

Section 9. The San Francisco Planning Code is hereby amended by amending Section

716.1, to read as follows:

DISTRICT.

northwest San Francisco. The district provides a wide selection of convenience goods and services for the residents of the Inner Richmond neighborhood. Inner Clement Street has one of the greatest concentrations of restaurants of any commercial street in San Francisco, drawing customers from throughout the City and region. There are also a significant number of professional, realty, and business offices as well as financial institutions. The pleasant pedestrian character of the district is derived directly from the intensely active retail frontage on Clement Street.

The Inner Clement Street District controls are designed to promote development that is consistent with its existing land use patterns and to maintain a harmony of uses that supports the district's vitality. The building standards allow small-scale buildings and uses, protecting rear yards above the ground story and at residential levels. In new development, most commercial uses are permitted at the first two stories, although certain limitations apply to uses at the second story. Special controls are necessary to preserve the equilibrium of neighborhood-serving convenience and comparison shopping businesses and protect adjacent residential livability. These controls prohibit additional financial service and limit additional eating and drinking establishments, late-night commercial uses and ground-story entertainment uses. In order to maintain the street's active retail frontage, controls also prohibit most new automobile and drive-up uses.

Housing development is encouraged in new buildings above the ground story. Existing residential units are protected by prohibitions on upper-story conversions and limitations on demolitions.

| 10 | | | principally or conditionally permitted use, the Commission may |
| 11 | | | consider a new full-service restaurant or bar in accordance with |
| 12 | | | the terms of this Section. |

Section 10. The San Francisco Planning Code is hereby amended by amending Section 717.1, to read as follows:

SEC. 717.1. OUTER CLEMENT STREET NEIGHBORHOOD COMMERCIAL DISTRICT.

The Outer Clement Street Neighborhood Commercial District is located on Clement Street between 19th Avenue and 27th Avenue in the western portion of the Richmond District. The shopping area contains small-scale convenience businesses, as well as many restaurants and a movie theater. The district's restaurants serve a neighborhood and Citywide clientele during the evening hours, while convenience shopping uses cater for the most part to daytime neighborhood shoppers. Outer Clement Street contains many mixed-use buildings with some fully commercial and fully residential buildings interspersed between them.

The Outer Clement Street District controls are designed to promote development that is in keeping with the district's existing small-scale, mixed-use character. The building standards monitor large-scale development and protect rear yards at all levels. Future commercial growth is directed to the ground story in order to promote more continuous and active retail frontage. Additional eating and drinking establishments are prohibited, while ground-story entertainment and financial service uses are monitored in order to limit the problems of traffic, congestion, noise and late-night activity associated with such uses and to protect existing neighborhood-serving businesses. Other controls restricting late-night activity, hotels, automobile uses, and drive-up facilities are designed to preserve the low-intensity character of the district.

Housing development in new buildings is encouraged above the ground story. Existing residential units are protected by prohibitions of upper-story conversions and limitations on demolitions.

Section 11. The San Francisco Planning Code is hereby amended by amending Section 718.1, to read as follows:

SEC. 718.1. UPPER FILLMORE STREET NEIGHBORHOOD COMMERCIAL DISTRICT.

The Upper Fillmore Street Neighborhood Commercial District is situated in the south-central portion of Pacific Heights. It runs north-south along Fillmore Street from Jackson to Bush and extends west one block along California and Pine Streets. This medium-scaled, multi-purpose commercial district provides convenience goods to its immediate neighborhood as well as comparison shopping goods and services on a specialized basis to a wider trade area. Commercial businesses are active during both day and evening and include a number of bars, restaurants, specialty groceries, and specialty clothing stores.

The Upper Fillmore District controls are designed to protect the existing building scale and promote new mixed-use development which is in character with adjacent buildings. Building standards regulate large lot and use development and protect rear yards above the

ground story and at residential levels. Most commercial uses are permitted at the first two stories of new buildings. Special controls are designed to preserve the existing equilibrium of neighborhood-serving convenience and specialty commercial uses. In order to maintain convenience stores and protect adjacent livability, additional eating and drinking establishments are prohibited and ground-story entertainment and financial service uses are limited. In order to promote continuous retail frontage, drive-up and most automobile uses are prohibited.

Housing development in new buildings is encouraged above the second story. Existing residential units are protected by limitations on demolitions and upper-story conversions.

Section 12. The San Francisco Planning Code is hereby amended by amending Section 719.1, to read as follows:

SEC. 719.1. HAIGHT STREET NEIGHBORHOOD COMMERCIAL DISTRICT.

Northwest of the City's geographical center, the Haight Street Neighborhood Commercial District is located in the Haight-Ashbury neighborhood, extending along Haight Street between Stanyan and Central Avenue, including a portion of Stanyan Street between Haight and Beulah. The shopping area provides convenience goods and services to local Haight-Ashbury residents, as well as comparison shopping goods and services to a larger market area. The commercial district is also frequented by users of Golden Gate Park on weekends and by City residents for its eating, drinking, and entertainment places. Numerous housing units establish the district's mixed residential-commercial character.

The Haight Street District controls are designed to protect the existing building scale and promote new mixed-use development which is in character with adjacent buildings. The building standards regulate large-lot and use development and protect rear yards above the ground story and at residential levels. To promote the prevailing mixed-use character, most commercial uses are directed primarily to the ground story with some upper-story restrictions

in new buildings. In order to maintain the balanced mix and variety of neighborhood-serving commercial uses and regulate the more intensive commercial uses which can generate congestion and nuisance problems, special controls prohibit additional eating and drinking uses, restrict expansion and intensification of existing eating and drinking establishments, and limit entertainment and tourist hotels. Prohibitions of most automobile and drive-up uses protect the district's continuous retail frontage.

Housing development in new buildings is encouraged above the ground story. Existing residential units are protected by prohibition of upper-story conversions and limitations on demolitions.

SPECIFIC PROVISIONS FOR THE HAIGHT STREET DISTRICT

TABLE INSET:

| 11 | Article 7 Code Section | Other Code Section | Zoning Controls |
|---|--|-----------------------|--|
| 13141516 | § 719.40 § 719.41 § 719.42 § 719.43 § 719.44 | § 781.9 | Boundaries: The entire Haight Street Neighborhood Commercial District. Controls: Retail establishments selling off-sale or on-sale alcoholic beverages are not permitted pursuant to Section 781.9. |
| 18 19 | § 719.68 | § 249.35 | FRINGE FINANCIAL SERVICE RESTRICTED USE DISTRICT (FFSRUD) Boundaries: The FFSRUD includes, but is not limited to, the Haight Street Neighborhood Commercial District. Controls: Fringe financial services are NP pursuant to Section 249.35. |

Section 13. The San Francisco Planning Code is hereby amended by amending Section 720.1, to read as follows:

SEC. 720.1. HAYES-GOUGH NEIGHBORHOOD COMMERCIAL DISTRICT.

The Hayes-Gough Neighborhood Commercial District is located within walking distance of the Civic Center, lying west of Franklin Street and east of Laguna Street, with its southern tip resting at Lily Street. This mixed-use commercial district contains a limited range of retail commercial activity, which primarily caters to the immediate needs of the neighborhood. The few comparison goods that it does provide attract clientele from a wider area outside its neighborhood, mostly the Performing Arts and Civic Center workers and visitors. There are a number of restaurants and art galleries, but other types of retail activity are limited.

The Hayes-Gough District controls are designed to allow for growth and expansion that is compatible with the existing building and use scales. Building standards protect the moderate building and use size and require rear yards at residential levels. To maintain the mixed-use character of the district, most commercial uses are permitted at the first and second stories and housing is strongly encouraged at the third story and above. In order to encourage lively pedestrian-oriented commercial activity, but restrict certain sensitive and problematic uses, eating and drinking, and entertainment uses are directed to the ground story. Retail sales activity, especially neighborhood-serving businesses, is further promoted by restricting new ground-story medical, business and professional offices. To protect continuous frontage, drive-up and most automobile uses are prohibited.

Housing development in new buildings is encouraged above the second story. Existing residential units are protected by limitations on demolitions and upper-story conversions.

Section 14. The San Francisco Planning Code is hereby amended by amending Section 721.1, to read as follows:

SEC. 721.1. UPPER MARKET STREET NEIGHBORHOOD COMMERCIAL DISTRICT.

The Upper Market Street Neighborhood Commercial District, on Market Street from Church to Castro, and on side streets off Market, is situated at the border of the Eureka Valley, Buena Vista, and Duboce Triangle neighborhoods. Upper Market Street is a multipurpose commercial district that provides limited convenience goods to adjacent neighborhoods, but also serves as a shopping street for a broader trade area. A large number of offices are located on Market Street within easy transit access to downtown. The width of Market Street and its use as a major arterial diminish the perception of the Upper Market Street District as a single commercial district. The street appears as a collection of dispersed centers of commercial activity, concentrated at the intersections of Market Street with secondary streets.

The Upper Market Street district controls are designed to promote moderate-scale development which contributes to the definition of Market Street's design and character. They are also intended to preserve the existing mix of commercial uses and maintain the livability of

the district and its surrounding residential areas. Large-lot and use development is reviewed for consistency with existing development patterns. Rear yards are protected at residential levels. To promote mixed-use buildings, most commercial uses are permitted with some limitations above the second story. In order to maintain continuous retail frontage and preserve a balanced mix of commercial uses, ground-story neighborhood-serving uses are encouraged, and eating and drinking, entertainment, and financial service uses are limited. Continuous frontage is promoted by prohibitions of most automobile and drive-up uses.

Housing development in new buildings is encouraged above the second story. Existing upper-story residential units are protected by limitations on demolitions and upper-story conversions.

Section 15. The San Francisco Planning Code is hereby amended by amending Section 723.1, to read as follows:

SEC. 723.1. POLK STREET NEIGHBORHOOD COMMERCIAL DISTRICT.

Sitting in the gulch between Nob and Russian Hills and Pacific Heights, the Polk Street Neighborhood Commercial District extends for a mile as a north-south linear strip, and includes a portion of Larkin Street between Post and California Streets. Polk Street's dense mixed-use character consists of buildings with residential units above ground-story commercial use. The district has an active and continuous commercial frontage along Polk Street for almost all of its length. Larkin Street and side streets in the district have a greater proportion of residences than Polk Street itself. The district provides convenience goods and services to the residential communities in the Polk Gulch neighborhood and to the residents on the west slopes of Nob and Russian Hills. It has many apparel and specialty stores, as well as some automobile uses, which serve a broader trade area. Commercial uses also include offices, as well as movie theaters, restaurants, and bars which keep the district active into the evening.

2425

21

22

The Polk Street District controls are designed to encourage and promote development which is compatible with the surrounding neighborhood. The building standards monitor large-scale development and protect rear yards at residential levels. Consistent with Polk Street's existing mixed-use character, new buildings may contain most commercial uses at the first two stories. The controls encourage neighborhood-serving businesses, but limit new eating, drinking, other entertainment, and financial service uses, which can produce parking congestion, noise and other nuisances or displace other types of local-serving convenience goods and services. They also prohibit new adult entertainment uses. Restrictions on drive-up and most automobile uses protect the district's continuous retail frontage and prevent further traffic congestion.

Housing developed in new buildings is encouraged above the second story, especially in the less intensely developed portions of the district along Larkin Street. Existing housing units are protected by limitations on demolitions and upper-story conversions.

Section 16. The San Francisco Planning Code is hereby amended by amending Section 724.1, to read as follows:

SEC. 724.1. SACRAMENTO STREET NEIGHBORHOOD COMMERCIAL DISTRICT.

Located in the Presidio Heights neighborhood in north-central San Francisco, the Sacramento Street Neighborhood Commercial District functions as a small-scale linear shopping area. It extends along Sacramento Street between Lyon and Spruce. Interspersed among residential buildings and garages, the district's daytime-oriented retail stores provide a limited array of convenience goods to the immediate neighborhood. Sacramento Street also has many elegant clothing, accessory, and antique stores and services, such as hair salons, which attract customers from a wider trade area. Its numerous medical and business offices draw clients from throughout the City. Evening activity in the district is limited to one movie theater, a few restaurants, and some stores near Presidio Avenue.

The Sacramento Street District controls are designed to promote adequate growth opportunities for development that is compatible with the surrounding low-density residential neighborhood. The building standards monitor large-scale development and protect rear yards at the grade level and above. Most new commercial development is permitted at the first story; general retail uses are permitted at the second story only if such use would not involve conversion of any existing housing units. Special controls are designed to protect existing neighborhood-serving ground-story retail uses. New medical service offices are prohibited at

all stories. Personal and business services are restricted at the ground story and prohibited on upper stories. Limits on new ground-story eating and drinking uses, as well as new entertainment and financial service uses, are intended to minimize the environmental impacts generated by the growth of such uses. The daytime orientation of the district is encouraged by prohibiting bars and restricting late-night commercial activity. New hotels and parking facilities are limited in scale and operation to minimize disruption to the neighborhood. Most new automobile and drive-up uses are prohibited to promote continuous retail frontage.

Housing development in new buildings is encouraged above the second story. Existing residential units are protected by limitations on demolitions and prohibitions of upper-story conversions.

| 724.38 | 790.84 | Boundaries: Sacramento Street Neighborhood Commercial District Controls: A residential use may be converted to an Other Institution, Large, Educational Service use as defined by Section 790.50 as a conditional use, if, in addition to the criteria set forth in Section 303, the Planning Commission finds that: |
| | | 1) The residential use is comprised of a single dwelling unit in a building that is otherwise used for non-residential uses; and 2) No legally residing residential tenant will be displaced. |

Section 17. The San Francisco Planning Code is hereby amended by amending Section 725.1, to read as follows:

SEC. 725.1. UNION STREET NEIGHBORHOOD COMMERCIAL DISTRICT.

The Union Street Commercial District is located in northern San Francisco between the Marina and Pacific Heights neighborhoods. The district lies along Union Street between Van Ness Avenue and Steiner, including an arm extending north on Fillmore Street to Lombard. The shopping area provides limited convenience goods for the residents of sections of the Cow Hollow, Golden Gate Valley, and Pacific Heights neighborhoods immediately surrounding the street. Important aspects of Union Street's business activity are eating and drinking establishments and specialty shops whose clientele comes from a wide trade area. There are also a significant number of professional, realty, and business offices. Many restaurants and bars as well as the district's two movie theaters are open into the evening hours, and on weekends the street's clothing, antique stores and galleries do a vigorous business.

The Union Street District controls are designed to provide sufficient growth opportunities for commercial development that is in keeping with the existing scale and character, promote continuous retail frontage, and protect adjacent residential livability. Small-scale buildings and neighborhood-serving uses are promoted, and rear yards above the ground story and at all residential levels are protected. Most commercial development is permitted at the first two stories of new buildings, while retail service uses are monitored at the third story and above. Controls are necessary to preserve the remaining convenience businesses and to reduce the cumulative impacts which the growth of certain uses have on neighborhood residents. Such controls prohibit additional eating and drinking establishments and limit entertainment and financial service uses. Most automobile and drive-up uses are prohibited in order to maintain continuous retail frontage and minimize further traffic congestion.

Housing development in new buildings is encouraged above the second story. Existing residential units are protected by limitations on demolitions and upper-story conversions.

Section 18. The San Francisco Planning Code is hereby amended by amending Section 726.1, to read as follows:

SEC. 726.1. VALENCIA STREET NEIGHBORHOOD COMMERCIAL DISTRICT.

The Valencia Street Commercial District is located near the center of San Francisco in the Mission District. It lies along Valencia Street between 14th and Army Street, and includes a portion of 16th Street extending west towards Dolores Street. The commercial area provides a limited selection of convenience goods for the residents of sections of the Mission and Dolores Heights. Valencia Street also serves a wider trade area with its retail and wholesale home furnishings and appliance outlets. The commercial district also has several automobile-related businesses and large light manufacturing operations. Eating and drinking establishments contribute to the street's mixed-use character and activity in the evening hours. A number of upper-story professional and business offices are located in the district, some in converted residential units.

The Valencia Street District has a pattern of large lots and businesses, as well as a sizable number of upper-story residential units. Controls are designed to permit moderate-scale buildings and uses, protecting rear yards above the ground story and at residential levels. New neighborhood-serving commercial development is encouraged mainly at the ground story. While offices and general retail sales uses may locate at the second story of new buildings under certain circumstances, most commercial uses are prohibited above the second story. In order to protect the balance and variety of retail uses and the livability of adjacent uses and areas, most eating and drinking and entertainment uses at the ground story are limited. Continuous retail frontage is promoted by prohibiting drive-up facilities, some automobile uses, and new nonretail commercial uses.

Housing development in new buildings is encouraged above the ground story. Existing residential units are protected by prohibitions on upper-story conversions and limitations on demolitions.

Section 19. The San Francisco Planning Code is hereby amended by amending Section 727.1, to read as follows:

18 19

SEC. 727.1. 24TH STREET -- MISSION NEIGHBORHOOD COMMERCIAL DISTRICT.

2021

22

23

The 24th Street -- Mission Neighborhood Commercial District is situated in the Inner Mission District on 24th Street between Bartlett Street and San Bruno Avenue. This mixed-use district provides convenience goods to its immediate neighborhood as well as comparison shopping goods and services to a wider trade area. The street has a great number of Latin

American restaurants, grocery stores, and bakeries as well as other gift and secondhand stores. Most commercial businesses are open during the day while the district's bars, restaurants, and movie theater are also active in the evening. Dwelling units are frequently located above the ground-story commercial uses.

The 24th Street -- Mission District controls are designed to provide potential for new

The 24th Street -- Mission District controls are designed to provide potential for new development consistent with the existing scale and character. Small-scale buildings and neighborhood-serving uses are encouraged, and rear yard corridors above the ground story and at residential levels are protected. Most commercial uses are encouraged at the ground story, while service uses are permitted with some limitations at the second story. Special controls are necessary to preserve the unique mix of convenience and specialty commercial uses. In order to maintain convenience stores and protect adjacent livability, new bars and fast-food restaurants are prohibited, and limitations apply to the development and operation of ground-story full-service restaurants, take-out food and entertainment uses. Continuous retail frontage is maintained and encouraged by prohibiting most automobile and drive-up uses.

Housing development in new buildings is encouraged above the ground story. Existing housing units are protected by prohibitions on upper-story conversions and limitations on demolitions.

Mission Neighborhood Commercial District. Controls: Within

the FFSRUD and its 1/4 mile buffer, fringe financial services

are NP pursuant to Section 249.35. Outside the FFSRUD

and its 1/4 mile buffer, fringe financial services are P subject

to the restrictions set forth in Subsection 249.35(c)(3).

Section 20. The San Francisco Planning Code is hereby amended by amending Section 728.1, to read as follows:

SEC. 728.1. 24TH STREET -- NOE VALLEY NEIGHBORHOOD COMMERCIAL DISTRICT.

The 24th Street -- Noe Valley Neighborhood Commercial District is situated along 24th Street between Chattanooga and Diamond in the Noe Valley neighborhood of central San Francisco. This daytime-oriented, multi-purpose commercial district provides a mixture of convenience and comparison shopping goods and services to a predominantly local market area. It contains primarily retail sales and personal services at the street level, some office uses on the second story, and residential use almost exclusively on the third and upper stories.

The 24th Street -- Noe Valley District controls are designed to allow for development that is compatible with the existing small-scale, mixed-use neighborhood commercial character and surrounding residential area. The small scale of new buildings and neighborhood-serving uses is encouraged and rear yard open space corridors at all levels are protected. Most commercial uses are directed to the ground story and limited at the second

story of new buildings. In order to maintain the variety and mix of retail sales and services along the commercial strip and to control the problems of traffic, congestion, noise and latenight activity, certain potentially troublesome commercial uses are regulated. Additional eating and drinking establishments are prohibited, and ground-story entertainment and financial service uses are restricted to and at the ground story. Prohibitions on drive-up and most automobile uses help prevent additional traffic and parking congestion.

Housing development in new buildings is encouraged above the ground story. Existing housing units are protected by prohibitions on upper-story conversions and limitations on demolitions.

SPECIFIC PROVISIONS FOR THE 24TH STREET--NOE VALLEY

NEIGHBORHOOD COMMERCIAL DISTRICT

TABLE INSET:

| Article 7 Code Section | Other Code Section | Zoning Controls |
|------------------------------|---|---|
| | § 790.102(b) and (n) § 703.2(b)(1)(C) | 24TH STREET NOE VALLEY SPECIALTY RETAIL USES Boundaries: Only the area within the 24th Street Noe Valley Neighborhood Commercial District. The controls shall not apply to NC-1 Districts or nonconforming uses within 1/4 mile of this District asset forth in Code §§ 710.10 and 186. Controls: Retail coffee stores, as defined in Code § 790.102(n), are prohibited. Retail coffee stores and specialty |

| i | | | |
|----|----------|----------|--|
| 1 | | | groceries, defined in Code § 790.102(b), are |
| 2 | | | prohibited from establishing accessory take-out food |
| 3 | | | service use pursuant to Code § 703.2(b)(1)(C). |
| 4 | | | 24th STREETNOE VALLEY LIQUOR LICENSES |
| 5 | | | FOR FULL-SERVICE RESTAURANTS |
| 6 | | | Boundaries: Applicable to the 24th Street - Noe |
| 7 | | | Valley Neighborhood Commercial District |
| 8 | | | Controls: (a) In order to allow certain restaurants to |
| 9 | | | seek an ABC license type 47 so that liquor may be |
| 10 | | | served for drinking on the premises, a bar use, as |
| 11 | | | defined in § 790.22, may be permitted as a |
| 12 | | | conditional use on the ground level if, in addition to |
| 13 | | | the criteria set forth in Section 303, the Planning |
| 14 | § 728.41 | § 790.22 | Commission finds that: |
| 15 | | | (1) The bar function is operated as an integral |
| 16 | | | element of an establishment which is classified both |
| 17 | | | as: (A) a full-service restaurant as defined in § 790.92 |
| 18 | | | and (B) a bona-fide restaurant as defined in § |
| 19 | | | 781.8(c); and |
| 20 | | | (2) The establishment maintains only an ABC license |
| 21 | | | type 47. Other ABC license types, except those that |
| 22 | | | are included within the definition of a full-service |
| 23 | | | restaurant pursuant to § 790.92, are not permitted for |
| 24 | | | those uses subject to this Section. |

| no longer comply with any of the above criteria for any length of time. 24th STREET - NOE VALLEY FULL-SERVICE RESTAURANTS Boundaries: Applicable to the 24th Street - Noe Valley Neighborhood Commercial District Controls: (a) A full-service restaurant may be permitted as a conditional use on the ground level if, in addition to the criteria set forth in Section 303, the Planning Commission finds that: | | | | |
|--|----|-----------|----------|---|
| may consider immediate revocation of the previous conditional use authorization should an establishment no longer comply with any of the above criteria for any length of time. 24th STREET - NOE VALLEY FULL-SERVICE RESTAURANTS Boundaries: Applicable to the 24th Street - Noe Valley Neighborhood Commercial District Controls: (a) A full-service restaurant may be permitted as a conditional use on the ground level if, in addition to the criteria set forth in Section 303, the Planning Commission finds that: (1) The full-service restaurant does not occupy space that has been occupied by a basic neighborhood service since the effective date of this Section. For the purposes of this Section, a 'basic neighborhood service' shall be considered to include, but not necessarily be limited to, the following: hardware stores, shoe repair facilities, bookstores, and grocery stores that sell a wide variety of staple goods and collect less than 50% of gross receipts from the sale | 1 | | | (b) Subsequent to the granting of a conditional use |

Section 21. The San Francisco Planning Code is hereby amended by amending Section 729.1, to read as follows:

SEC. 729.1. WEST PORTAL AVENUE NEIGHBORHOOD COMMERCIAL DISTRICT.

14

15

16

17

18

19

20

21

22

23

Located in the southwestern part of the City, the West Portal Avenue Neighborhood Commercial District stretches for three long blocks along West Portal Avenue from Ulloa Street to 15th Avenue and extends one block east along Ulloa Street from the Twin Peaks Tunnel entrance to Claremont Boulevard. West Portal Avenue provides a selection of goods and services for customers coming mainly from the surrounding west of Twin Peaks and Sunset single-family residential neighborhoods. The lively, small-scale retail frontage is interrupted at several locations by large-scale financial institutions which take up a large amount of commercial ground-story frontage. More than half of the number of medical, professional and business offices are located at the ground level. Except for one three-movie theater complex, West Portal offers no entertainment uses and its restaurants are mainly family-oriented.

The West Portal Avenue District controls are designed to preserve the existing family-oriented, village character of West Portal Avenue. The building standards limit building heights to 26 feet and two stories and maintain the existing pattern of rear yards at the ground level and above. The height, bulk and design of new development, especially on large lots, should respect the small-scale character of the district and its surrounding residential neighborhoods. Lot mergers creating large lots are discouraged. Individual nonresidential uses require conditional use permits above 2,500 square feet and are restricted to 4,000 square feet as an absolute limit to conform with the existing small use sizes in the district.

Special controls on commercial uses are designed to protect the existing mix of ground-story retail uses and prevent further intensification and congestion in the district. No new financial services are permitted. Because the district and surrounding neighborhoods are well served by the existing number of eating and drinking establishments, new bars, restaurants and take-out food generally are discouraged: any proposed new establishment should be carefully reviewed to ensure that it is neighborhood-serving and family-oriented, and will not involve high-volume take-out food or generate traffic, parking, or litter problems. Large fast-food restaurants and small self-service restaurants are prohibited. Medical, business or professional services are permitted at the first two stories, but additional ground-story locations are to be closely monitored to ensure that the current balance between retail and office uses is maintained. Existing service stations are encouraged to continue operating, but changes in their size, operation, or location are subject to review. Other automotive uses are prohibited. The neighborhood-oriented, retail character of the district is further protected by prohibiting hotels and nonretail uses. The daytime orientation of the district is maintained by prohibitions of entertainment uses and late-night commercial operating hours.

Housing development is limited. Existing residential units are protected by limitations on demolition and prohibition of upper-story conversions; new construction is to be carefully reviewed to ensure appropriate scale, design and compatibility with adjacent development.

brokerages in the district, stock brokerages shall not be permitted.

Section 22. The San Francisco Planning Code is hereby amended by amending Section 730.1, to read as follows:

SEC. 730.1. INNER SUNSET NEIGHBORHOOD COMMERCIAL DISTRICT.

The Inner Sunset Neighborhood Commercial District is located in the Inner Sunset neighborhood, consisting of the NC-2 district bounded by Lincoln Way on the north, Fifth Avenue on the east, Kirkham Street on the south, and Nineteenth Avenue on the west. The shopping area provides convenience goods and services to local Inner Sunset residents, as well as comparison shopping goods and services to a larger market area. The commercial district is also frequented by users of Golden Gate Park on weekends and by City residents for its eating, drinking, and entertainment places. Numerous housing units establish the district's mixed residential-commercial character.

The Inner Sunset District controls are designed to protect the existing building scale and promote new mixed-use development which is in character with adjacent buildings. The building standards regulate large-lot and use development and protect rear yards above the ground story and at residential levels. To promote the prevailing mixed use character, most commercial uses are directed primarily to the ground story with some upper-story restrictions in new buildings. In order to maintain the balanced mix and variety of neighborhood-serving commercial uses and regulate the more intensive commercial uses which can generate congestion and nuisance problems, special controls prohibit additional eating and drinking uses, restrict expansion and intensification of existing eating and drinking establishments, and

limit entertainment and tourist hotels. Prohibitions of most automobile and drive-up uses protect the district's continuous retail frontage.

Housing development in new buildings is encouraged above the ground story. Existing residential units are protected by prohibition of upper-story conversions and limitations on demolitions.

SPECIFIC PROVISIONS FOR THE INNER SUNSET NEIGHBORHOOD COMMERCIAL DISTRICT

TABLE INSET:

| Article 7 Code Section | Other Code Section | Zoning Controls |
|------------------------|-----------------------|--|
| § 730.68 | § 249.35 | Fringe financial services are P subject to the restrictions set forth in Section 249.35, including, but not limited to, the proximity restrictions set forth in Subsection 249.35(c)(3). |

Section 23. The San Francisco Planning Code is hereby amended by amending Section 731.1, to read as follows:

SEC. 731.1. NCT-3 -- MODERATE-SCALE NEIGHBORHOOD COMMERCIAL TRANSIT DISTRICT.

NCT-3 Districts are transit-oriented moderate- to high-density mixed-use neighborhoods of varying scale concentrated near transit services. The NCT-3 Districts are mixed use districts that support neighborhood-serving commercial uses on lower floors and housing above. These districts are well-served by public transit and aim to maximize residential and commercial opportunities on or near major transit services. The district's form can be either linear along transit-priority corridors, concentric around transit stations, or

| broader areas where transit services criss-cross the neighborhood. Housing density is limited |
|---|
| not by lot area, but by the regulations on the built envelope of buildings, including height, bulk, |
| setbacks, and lot coverage, and standards for residential uses, including open space and |
| exposure, and urban design guidelines. Residential parking is not required and generally |
| limited. Commercial establishments are discouraged or prohibited from building accessory off- |
| street parking in order to preserve the pedestrian-oriented character of the district and prevent |
| attracting auto traffic. There are prohibitions on access (i.e. driveways, garage entries) to off- |
| street parking and loading on critical stretches of NC and transit streets to preserve and |
| enhance the pedestrian-oriented character and transit function. |

NCT-3 Districts are intended in most cases to offer a wide variety of comparison and specialty goods and services to a population greater than the immediate neighborhood, additionally providing convenience goods and services to the surrounding neighborhoods. NCT-3 Districts include some of the longest linear commercial streets in the City, some of which have continuous retail development for many blocks. Large-scale lots and buildings and wide streets distinguish the districts from smaller-scaled commercial streets, although the districts may include small as well as moderately scaled lots. Buildings may range in height, with height limits varying from four to eight stories.

NCT-3 building standards permit moderately large commercial uses and buildings. Rear yards are protected at residential levels.

A diversified commercial environment is encouraged for the NCT-3 District, and a wide variety of uses are permitted with special emphasis on neighborhood-serving businesses. Eating and drinking, entertainment, and financial service uses generally are permitted with certain limitations at the first and second stories. Auto-oriented uses are somewhat restricted. Other retail businesses, personal services and offices are permitted at all stories of new

buildings. Limited storage and administrative service activities are permitted with some
 restrictions.

Housing development in new buildings is encouraged above the second story. Existing residential units are protected by limitations on demolitions and upper-story conversions.

Section 24. The San Francisco Planning Code is hereby amended by amending Section 732.1, to read as follows:

SEC. 732.1. PACIFIC AVENUE NEIGHBORHOOD COMMERCIAL DISTRICT.

The Pacific Avenue Neighborhood Commercial District, on Pacific Avenue from just

east of Polk Street to all four corners of Pacific Avenue and Jones Street, is situated on the north slope of the Nob Hill neighborhood and south of the Broadway Tunnel. Pacific Avenue is a multi-purpose, small-scale mixed-use neighborhood shopping district on a narrow street that

provides limited convenience goods to the adjacent neighborhoods.

The Pacific Avenue Neighborhood Commercial District controls are designed to promote a small, neighborhood serving mixed-use commercial street that preserves the surrounding neighborhood residential character. These controls are intended to preserve

- 1 livability in a largely low-rise development residential neighborhood, enhance solar access on
- 2 a narrow street right-of-way and protect residential rear yard patterns at the ground floor.
- ³ (Added by Ord. 167-07, File. No. 070681, App. 7/20/2007)
