4 Ordinance appropriating \$1,923,629,194 of San Francisco Water Revenue Bond

authorized in 2002 to fund construction and financing costs for the San Francisco

Public Utilities Commission (SFPUC) Water System Improvement Program (WSIP) for

Fiscal Year 2008-2009, placing the entire appropriation by project on Controller's

reserve subject to SFPUC and Board of Supervisors' discretionary approvals following

completion of project-related analysis pursuant to California Environmental Quality Act

(CEQA), where required, and receipt of proceeds of indebtedness, adopting

environmental findings, placing on Budget and Finance Committee reserve any project

in excess of \$100,000,000 and authorizing the increase of the Water Commercial Paper

Program from \$250,000,000 to \$500,000,000 to facilitate projected WSIP financing

14 needs.

6	Total USES Appropriation			\$1,923,629,194	

Section 3: The total appropriation of \$1,923,629,194 is placed on Controller's Appropriation Reserve by project. Release of appropriation reserves by the Controller is subject to the prior occurrence of:1) the SFPUC's and the Board of Supervisors' discretionary adoption of CEQA Findings for projects, following review and consideration of completed project-related environmental analysis, pursuant to CEQA, the State CEQA Guidelines, and Chapter 31 of the San Francisco Administrative Code, where required, and 2) the Controller's certification of funds availability, including proceeds of indebtedness. Any project in excess of \$100,000,000 is placed on Budget and Finance Committee reserve pending review and reserve release by the Budget and Finance Committee.

Section 4: Findings.

(a) The Board of Supervisors makes the following findings in compliance with CEQA, California Public Resources Code Section 21000 et seq., the CEQA Guidelines, 14 Cal. Code of Regulations Sections 15000 et seq. (CEQA Guidelines), and San Francisco Administrative Code Chapter 31 (Chapter 31). (i) On October 30, 2008, the Planning Commission reviewed and considered the Water System Improvement Program Final Environmental Impact Report (WSIP Final EIR) by Motion No. 17734, and found that the contents of said report and the procedures through which the Final EIR was prepared, publicized, and reviewed, complied

1 with CEQA and Chapter 31; a copy of the motion is on file with the Clerk of the Board in File 2 No. _____ and is incorporated into this Ordinance by this reference; 3 (ii) On October 30, 2008, the SFPUC adopted Resolution Nos. 08-0200 and 08-0202 in which 4 the SFPUC: (A) approved the Phased Water System Improvement Program (Phased WSIP) and (B) authorized the SFPUC General Manager to request that the Mayor recommend 5 6 approval of a Supplemental Appropriation to the Board of Supervisors in the amount of 7 \$1,923,629,194. 8 SFPUC Resolution No. 08-0200 contained environmental findings and adopted a 9 mitigation monitoring and reporting plan (MMRP), the MMRP and environmental findings, 10 including exhibits, are collectively referred to herein as "SFPUC CEQA Findings" for the implementation of the Phased WSIP, as required by CEQA. SFPUC CEQA Findings included 11 12 extensive findings regarding the Phased WSIP potential environmental impacts, the 13 sufficiency of mitigation measures, responsibility for implementation of mitigation measures including a mitigation and monitoring report, and a statement of overriding considerations 14 15 regarding potentially significant and unavoidable impacts. The SFPUC CEQA Findings reflected the SFPUC's independent review and consideration of the relevant environmental 16 information contained in the WSIP Final EIR and the administrative record. The SFPUC 17 18 CEQA Findings are on file with the Clerk of the Board of Supervisors in File No. ____ 19 and are incorporated herein by reference. 20 (iv) The Board of Supervisors has had the opportunity to review and consider the Final EIR 21 and the administrative record, which are located at the Planning Department at 1650 Mission 22 Street, Suite 400, in file no. 2005.0159E. The Board of Supervisors has reviewed and 23 considered the Final EIR and the SFPUC CEQA Findings with respect to this Ordinance, 24 including the MMRP and Statement of Overriding Considerations adopted by the SFPUC on 25 October 30, 2008, and determined that said Findings remain valid for the actions

- 1 contemplated in this Ordinance; there are no changed circumstances or other factors present
- 2 that would require additional environmental review for this Ordinance.
- 3 (v) The Board hereby adopts as its own and incorporates the SFPUC CEQA Findings
- 4 contained in SFPUC Resolution No. 08-0200 by reference as though such findings were fully
- 5 set forth in this Ordinance.
- 6 (vi) The Board of Supervisors endorses the implementation of the mitigation measures
- 7 identified in the SFPUC CEQA Findings and recommends for adoption any mitigation
- 8 measures that are enforceable by agencies other than City agencies, all as set forth in the
- 9 SFPUC CEQA Findings, including the MMRP contained in the referenced SFPUC CEQA
- 10 Findings.
- 11 (vii) The Board of Supervisors finds on the basis of substantial evidence in light of the whole
- record that: (A) the WSIP Supplemental Appropriation reflected in this Ordinance before the
- 13 Board of Supervisors will not require revisions to the Final EIR due to the involvement of new
- 14 significant environmental effects or substantially increase in the severity of previously
- identified significant effects; (B) no substantial changes have occurred with respect to the
- 16 circumstances under which the Phased WSIP will be undertaken which would require major
- 17 revisions to the Final EIR due to the involvement of new significant environmental effects, or a
- 18 substantial increase in the severity of effects identified in the Final EIR; and (C) no new
- information of substantial importance to the Phased WSIP has become available which would
- 20 indicate (1) the Program will have significant effects not discussed in the Final EIR; (2)
- significant environmental effects will be substantially more severe; (3) mitigation measures or
- 22 alternatives found not feasible which would reduce one or more significant effects have
- become feasible; or (4) mitigation measures or alternatives which are considerably different
- from those in the Final EIR would substantially reduce one or more significant effects on the
- 25 environment.

- 1 Section 5. For purposes of budgetary control, five previously designated Stand-Alone
- 2 Projects will be monitored and spending controlled by the Controller as follows:

_	
2	
_	

Stand Alone Projects	Proposed Region for Budgetary Control
San Joaquin Pipeline System	San Joaquin Region
Crystal Springs/San Andreas Trans Upgrade	Peninsula Region
Irvington Tunnel/Alameda Siphons	Sunol Region
Calaveras Dam Replacement	Sunol Region
Bay Division Pipeline Reliability Upgrade	Bay Division Region
Groundwater Projects	Stand Alone
Recycled Water Project	Stand Alone
Programmatic Environmental Impact Project	Stand Alone
Bay Area Desalination	Stand Alone
WEIP - Watershed Management	Stand Alone
Program Management Services WSIP	Stand Alone

Section 6: The SFPUC is authorized to increase the Water Commercial Paper Program from \$250,000,000 to \$500,000,000 to facilitate WSIP financing needs.

Section 7. The approvals contained herein shall extend to any agreements, or any amendments to existing agreements, or certificates necessary or desirable for the purpose of implementing the issuance, sale and delivery of the Commercial Paper Notes and the Bank Notes, and shall be subject to compliance with Article V of Chapter 43 of the San Francisco Administrative Code, in consultation with the City Attorney.

1	Section 8. The Director of the Mayor'	s Office of Public Finance (the "Director"), the City		
2	Attorney, and all other appropriate officers, employees, representatives and agents of the City			
3	are hereby authorized and directed to do	everything necessary or desirable to provide for the		
4	issuance of the Commercial Paper Notes	s and the Bank Notes.
