THIS SECOND AMENDMENT To Outside Lands Music and Arts Festival Use Permit (the "Second Amendment"), dated for reference purposes only as of \_\_\_\_\_\_, 20\_\_\_, is by and between the CITY AND COUNTY OF SAN FRANCISCO, a municipal corporation ("City"), acting by and through its Recreation and Park Department (the "Department"), and ANOTHER PLANET ENTERTAINMENT, LLC, a Delaware limited liability company ("Permittee").

#### **RECITALS**

A. City and Permittee entered into that certain Use Permit, dated for reference purposes as of April 1, 2009 (the "2009 Permit"), pursuant to which City granted to Permittee the right to hold an annual three-day music and arts festival in Golden Gate Park during 2010 and 2011, with an option to hold the festival in 2012 and 2013, all as more particularly described in the Use Permit. Permittee exercised the options to hold the festival under the Permit in both 2012 and 2013.

B. In 2012, City and Permittee executed a First Amendment to the Permit (the "First Amendment"), to amend the terms and conditions of the 2009 Permit to extend the term so that Permittee could hold additional events commencing 2014 and continuing through 2021, and to modify provisions regarding the fees payable and certain other provisions, all as set forth therein. The term "Permit" as used hereafter means the original 2009 Permit, as amended by the First Amendment, unless otherwise specified.

C. The annual festivals held pursuant to the Permit have been extremely successful and have provided revenue to benefit the park system, and the "Outside Lands Festival" has become an iconic event that is representative and resonant of both San Francisco and Golden Gate Park.

D. City and Permittee presently desire to amend the terms and conditions of the Permit to extend the term for an additional 10 years, and to update certain provisions related to rents and cost reimbursements based on cost of living and other increases, which updates shall take effect commencing with the 2019 Festival, all on the terms and conditions set forth below.

### AGREEMENT

NOW THEREFORE, City and Permittee hereby agree as follows:

1. Defined Terms.

Permittee shall hold an additional Festival on the Premises during each year commencing with 2019 and continuing through 2031. Each annual Festival shall be held between June 1<sup>st</sup> and August 31<sup>st</sup> on such dates as are mutually agreed to by City and Permittee by the date which is 30 days after the end of the prior year's Festival. Permittee accepts the Premises in their "as is" condition for the extended term, and the terms and conditions of the Permit, as amended by this Amendment, shall apply throughout the extended term. The dates on which the Premises will be made available to Permittee for each annual Festival, including the load-in and load-out dates required for set-up and take-down of Festival fixtures and equipment, shall be confirmed by the parties in writing, either as a supplemental Exhibit B to the Permit or such other format as the parties shall agree. The Permit shall expire on the date on which the load-out is to be completed for the 2031 Festival.

Notwithstanding the provisions of the Permit to the contrary, the Minimum Permit Fee payable for the 2019 Festival shall be \$2,500,000, which shall be increased by \$75,000 each year thereafter.

4. <u>Additional Rent</u>. The "Permit Fees and Financial Terms" section of Section 1 of the Permit shall be amended to provide that the Additional Rent per ticket sold by Permittee or its agents shall be shall be \$1.25 for the 2019 Festival; \$1.50 for the 2020-2023 Festivals; \$1.75 for the 2024-2027 Festivals, and \$2.00 for the 2028-2031 Festivals. # FIRST AMENDMENT TO OUTSIDE LANDS MUSIC AND ARTS FESTIVAL USE PERMIT

THIS FIRST AMENDMENT To Outside Lands Music and Arts Festival Use Permit (the "Amendment"), dated for reference purposes only as of  $\underline{\mathcal{D}_{ece}}_{acc}$ , 2012, is by and between the CITY AND COUNTY OF SAN FRANCISCO, a municipal corporation ("City" or "Landlord"), acting by and through its Recreation and Park Department (the "Department"), and ANOTHER PLANET ENTERTAINMENT, LLC, a Delaware limited liability company ("Permittee").

#### RECITALS

A. City and Permittee entered into that certain Use Permit, dated for reference purposes as of April 1, 2009 (the "Permit"), pursuant to which City granted to Permittee the right to hold an annual three-day music and arts festival in Golden Gate Park during 2010 and 2011, with an option to hold the festival in 2012 and 2013, all as more particularly described in the Use Permit.

B, Permittee exercised the options to hold the festival under the Permit in both 2012 and 2013. The annual festivals held pursuant to the Permit were extremely successful and provided revenue to benefit the park system, and the "Outside Lands Festival" has become an iconic event that is representative and resonant of both San Francisco and Golden Gate Park.

C. City and Permittee presently desire to amend the terms and conditions of the Permit to extend the term, modify provisions regarding the fees payable, and modify certain other provisions, all on the terms and conditions set forth below.

D. The Department has made only limited sections of the bleachers in the Polo Fields available for Permittee's use during prior Festivals and does not plan or intend to increase access to the bleachers for Permittee's use for future Festivals under this Permit unless renovations to the bleachers are made. Permittee has stated it is willing to consider renovating the bleachers at no cost to City in order to make the bleachers available for Festival seating, and the Department is prepared to consider plans and specifications for such renovation. If Permittee offers to renovate the bleachers as a gift-in-kind to the City, then the City's acceptance of such gift offer will be subject to the prior approval of the Board of Supervisors in its sole discretion. Before the Department will consider accepting any such gift, Permittee will prepare detailed plans and specifications to describe the proposed work and any terms and conditions relating to the proposed gift.

Sound will commence at noon on each Festival day. Sound will end Friday and Saturday evening at 10:00 PM and at 9:40 PM on Sunday. In the event that Permittee or Permittee's Agents or Permittee's Invitees cause a Release of Hazardous Material, Permittee shall, without cost to City and in accordance with all laws and regulations, return the Premises to the condition immediately prior to the Release. In connection therewith, Permittee shall afford City a full opportunity to participate in any discussion with governmental agencies regarding any settlement agreement, cleanup or abatement agreement, consent decree or other compromise proceeding involving Hazardous Material. 8. <u>Subject to Recreation and Park Department and City Uses</u>. Notwithstanding anything to the contrary in this Permit, Permittee's right to use the Premises hereunder shall be subject and subordinate to Recreation and Park Department and City's uses of the Premises for municipal purposes. In addition, Permittee acknowledges that the Golden Gate Park contains a variety of different event venues and outdoor public spaces and it is common for numerous events to be held at various venues in the park on the same day. Permittee shall donate to City, at no charge to City, a reasonable and customary number of general admission passes for each day of the Festival.

#### 9. <u>Petmit Fee</u>.

(a) <u>Minimum Permit Fee</u>. Permittee shall pay to Recreation and Park Department permit fees in the amount set forth in the Basic Permit Information for its use of the Premises as provided hereunder. Permittee will be able to set up only if the full Minimum Permit Fee has been paid to City as and when required hereunder. However, such permit fee shall be immediately returned by City to Permittee upon termination of this Permit for an event as specified under section 21 [Impossibility of Performance]. If such event as specified under Section 21 occurs during the Festival, then the Minimum Permit Fee amount to be returned will be prorated to reflect the percentage of the Festival not completed. If the event occurred after the first day but during the second day, City will return two thirds of the Minimum Permit Fee. Permittee shall pay all applicable City departments for the costs incurred by those departments in providing City employees, equipment, property and facilities in connection with this Permit.

Accordingly, if the Minimum Permit Fee is greater than the ten percent (10%) of the Gross Revenue, then there shall be no Percentage Rent for that Festival. Additional Rent shall be \$1.00 for each ticket sold by Permittee or its agents, and shall be paid to City in addition to the Minimum Permit Fee and Percentage Rent. Additional Rent and Percentage Rent shall be payable on the date that is ten (10) days after each Festival. The calculations for rent payments due hereunder shall be made separately for each Festival.

(c) <u>Revenue Reports</u>. On or before the day that is ten (10) days following each Festival, Permittee shall submit to City a report (the "Revenue Report") showing all gross ticket revenues received by Permittee and the total number of tickets sold by Permittee for such Festival as of such date, together with any such additional information as may be reasonably requested by City for purposes of

Within 30 days, Permittee agrees to make its books and records relating to ticket sales and revenues available to City, or to any City auditor, or to any auditor or representative designated by City (hereinafter collectively referred to as "City representative"). If an audit reveals that Permittee has understated ticket sales or revenues, Permittee shall pay City, promptly upon demand, the difference between the amount Permittee has paid and the amount it should have paid to City, together with interest at the rate of seven percent per annum. If Permittee understates its total tickets sold or revenues received by three percent or more the cost of the audit shall be borne by Permittee. If Permittee materially and intentionally understates its tickets sold or Gross Revenue received relating to the Festival, then such understatement shall be a default without notice or cute rights and entitle City to all remedies under this Permit. For purposes of this Section, any understatement equal to or greater than ten percent (10%) shall be deemed material unless such amount is less than Twenty-Five Thousand Dollars (\$25,000).

(f) Late Fee. Permittee hereby acknowledges that late payment by Permittee to City of the tent or other sums due hereunder will cause City to incur costs not contemplated by this Permit, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges. Accordingly, if the rent or any other sum due from Permittee, shall not be received by City within five (5) days after such amount shall be due, Permittee shall pay to City a late charge of Four Hundred Dollars (\$400). The parties hereby agree that such late charge represents a fair and reasonable estimate of the costs City will incur by reason of late payment by Permittee. Acceptance of such late charge by City neither constitutes a waiver of Permittee's default with respect to such overdue amount, nor prevents City from exercising any of the other rights and remedies available to City, including but not limited to the right to charge interest on such overdue amounts at the highest rate permitted by law.

Survey Results By: Jon Haveman, Principal Marin Economic Consulting The purpose of this study was to determine the economic impact on the City of San Francisco and the surrounding Bay Area from attendee spending related to the Outside Lands Festival (OL) held in Golden Gate Park, San Francisco, August 11-13, 2017.

This report takes evidence collected through both an on-site survey and an online survey of the demographic characteristics and spending patterns of Festival attendees. From this data, the authors of this study have created estimates of the amount of new spending that occurred as a result of the Festival. These estimates were then used to assess the overall economic impact in the form of increased output, incomes, and jobs for City and Bay Area businesses and residents.

Overall, it is estimated that the Festival generated new economic activity for the city of San Francisco in the amount of \$66.8 Million, and \$75 Million for the entire Bay Area respectively. The Festival also increased incomes by \$32.6 million, and created the equivalent of 700.4 full time yearlong jobs.

Sales impact on the City of San Francisco was \$66.8 Million, while for the entire Bay Area it was \$75 Million.

### Results

- Created an equivalent of 700.4 full time year-round jobs
- 65% of the respondents to the survey lived outside of the City of San Francisco (22.2% from CA but Outside the Bay Area), 35% were San Francisco residents
- 41% of non-residents stated OL was the only reason for their coming to San Francisco
- 96% were aware of OL prior to leaving home
- 99% of those staying overnight spent at least one night in San Francisco. 73% of those stayed 3 or more nights.
- 41,448 hotel nights were booked in the Bay Area that are closely linked to the Festival, approximately 41,309 of which were in San Francisco.
- Food/Beverages and Lodging were the two largest expenditure categories
- The gender of respondents to the survey were 59% female and 41% male

Utilizing this data, the total direct expenditures from the OL Festival in San Francisco were estimated to be \$29,995,144. Spending in the Bay Area outside of SF was \$2,596,099. This resulted in total direct expenditures in the entire Bay Area of \$32,591,244.

Through the use of an industry standard model (IMPLAN), we are able to ascertain the overall economic impact of the Festival on the City of San Francisco and the Broader Bay Area. The \$36.9 million in total spending by spectators and organizers turns into an economic benefit to, or increased output in, the City of San Francisco of \$66.8 million and \$75.0 million to the region as a whole.

Direct expenditures from OL were utilized to estimate the economic impact on San Francisco and the entire Bay Area. A key type of data is respondent home residence - this is later utilized in the calculation of economic impact shown in the table below.

Respondent Home Residence	Percent
San Francisco	35.0 %
Bay Area Outside San Francisco	32.5 %
California Outside Bay Area	22.2 %
USA Outside of California	9.9 %
Other Country	0.4%

\* Note that the Bay Area outside of San Francisco 32.5% constitutes the six counties outside of San Francisco.

Non-resident respondents were asked if they were aware of OL before going to San Francisco on their trip and over 40% responded that the Festival was their only reason to visit.

Aware of OSL Prior to Visit		Valid Percent
	Yes	. 96.0 %
	No	4.0 %

Of those attending from outside of the Bay Area and spending the night outside of a private residence, the vast majority stayed for three or more nights and attended all three days of the Festival.

The Festival does not create jobs that last for a year, but the hours worked to produce the goods and services related to putting on the Festival are equivalent to employing approximately 18,821 people for 40 hours each week during the course of the Festival.

Location Of Spending Impact	FTE Jobs *
Total in San Francisco	. 700.4

### \*Full time equivalent jobs. In the case of a 3 day event there are more short term and part time jobs created.

Does the project have the potential to emit substantial pollutant concentrations (e.g., backup diesel generators, heavy industry, diesel trucks, etc.)? (refer to EP_ArcMap > CEQA Catex Determination Layers > Air Pollution Exposure Zone)		
	Hazardous Materials: If the project site is located on the Maher map or is suspected of containing hazardous materials (based on a previous use such as gas station, auto repair, dry cleaners, or heavy manufacturing, or a site with underground storage tanks): Would the project involve 50 cubic yards or more of soil disturbance – or a change of use from industrial to residential? If yes, this box must be checked and the project applicant must submit an Environmental Application with a Phase I Environmental Site Assessment. Exceptions: do not check box if the applicant presents documentation of enrollment in the San Francisco Department of Public Health (DPH) Maher program, a DPH waiver from the Maher program, or other documentation from Environmental Planning staff that hazardous material effects would be less than significant (refer to EP_ArcMap > Maher layer).

### STEP 7: MODIFICATION OF A CEQA EXEMPT PROJECT

### TO BE COMPLETED BY PROJECT PLANNER

In accordance with Chapter 31 of the San Francisco Administrative Code, when a California Environmental Quality Act (CEQA) exempt project changes after the Approval Action and requires a subsequent approval, the Environmental Review Officer (or his or her designee) must determine whether the proposed change constitutes a substantial modification of that project. This checklist shall be used to determine whether the proposed changes to the approved project would constitute a "substantial modification" and, therefore, be subject to additional environmental review pursuant to CEQA.

### DETERMINATION IF PROJECT CONSTITUTES SUBSTANTIAL MODIFICATION

Compared to the approved project, would the modified project:

Result in expansion of the building envelope, as defined in the Planning Code;

Result in the change of use that would require public notice under Planning Code Sections 311 or 312;

Result in demolition as defined under Planning Code Section 317 or 19005(f)?

Is any information being presented that was not known and could not have been known at the time of the original determination, that shows the originally approved project may no longer qualify for the exemption?

If at least one of the above boxes is checked, further environmental review is required.

### DETERMINATION OF NO SUBSTANTIAL MODIFICATION

The proposed modification would not result in any of the above changes.

If this box is checked, the proposed modifications are categorically exempt under CEQA, in accordance with prior project approval and no additional environmental review is required. This determination shall be posted on the Planning Department website and office and malled to the applicant, City approving entities, and anyone requesting written notice.
