

## PUBLIC UTILITIES COMMISSION

City and County of San Francisco

RESOLUTION NO. 19-0058

WHEREAS, The San Francisco Public Utilities Commission (SFPUC) and the National Park Service (NPS) desire to continue their cooperative efforts in protecting source water quality using funding provided by the SFPUC to assist NPS in its implementation of watershed protection, environmental stewardship and security programs in Yosemite National Park; and

WHEREAS, SFPUC and NPS desire to enter into the Memorandum of Agreement (MOA), a copy of which is on file with the Commission Secretary, with a term of four years starting July 1, 2020 and ending June 30, 2024; and

WHEREAS, The estimated cost of services to be provided by the NPS under the MOA is \$33,257,629; and

WHEREAS, All work to be performed by the NPS under this MOA will be performed by the NPS within its jurisdiction and should funding authorized under the subject MOA involve activities other than personnel-related functions, approval and implementation of those activities by the National Park Service would be subject to compliance with the National Environmental Policy Act (NEPA); and

WHEREAS, Funds will be available from the Hetch Hetchy Water and Power operating budget as appropriated through the City and County of San Francisco's budget process, subject to approval during the City and County of San Francisco's budget cycle and certification by the City Controller; now, therefore, be it

RESOLVED, That this Commission hereby authorizes the General Manager of the San Francisco Public Utilities Commission to execute a Memorandum of Agreement with the Department of the Interior, National Park Service, for comprehensive management, collaborative environmental stewardship, and security for the Watersheds within Yosemite National Park supplying the San Francisco Regional Water System, for an amount not to exceed \$33,257,629 and with a total duration of four years, subject to approval by the Board of Supervisors pursuant to San Francisco Charter Section 9.118.

*I hereby certify that the foregoing resolution was adopted by the Public Utilities Commission at its meeting of March 26, 2019.*
