2. We are or represent the persons and/or entities that would be obligated to pay the special assessments for the services, improvements and activities as described in the Plan. Expenditure of those collected assessments for up to 6 months after the end of the assessment collection period (December 31, 2034), at which point the District would terminate if not renewed.

1. We are the owner(s) of property, or are authorized to represent the owner(s), within the proposed special assessment district to be named the "North of Market/Tenderloin Community Benefit District" (hereafter "North of Market/Tenderloin CBD" or "District"), the boundaries of which are shown on the attached map and in the Management Plan for the North of Market/Tenderloin CBD* (hereafter "Plan").
2. We are or represent the persons and/or entities that would be obligated to pay the special assessments for the services, improvements and activities as described in the Plan. Expenditure of those collected assessments for up to 6 months after the end of the assessment collection period (December 31, 2034), at which point the District would terminate if not renewed.

"Property and Business Improvement District Law of 1994" as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 "Business Improvement District Procedure Code").
4. PETITION TO THE SAN FRANCISCO BOARD OF SUPERVISORS
TO RENEW AND EXPAND THE
NORTH OF MARKET/TENDERLOIN COMMUNITY BENEFIT DISTRICT

1. We are the owner(s) of property, or are authorized to represent the owner(s), within the proposed special assessment district to be named the **"North of Market/Tenderloin Community Benefit District"** (hereafter "North of Market/Tenderloin CBD" or "District"), the boundaries of which are shown on the attached map and in the Management Plan for the North of Market/Tenderloin CBD* (hereafter "Plan").
2. We are or represent the persons and/or entities that would be obligated to pay the special assessments for the services, improvements and activities as described in the Plan. If the proposed District is established by the Board of Supervisors following the ballot election and public hearing, assessments would be collected for the first 15 years (July 1, 2019 – June 30, 2034). Expenditure of those collected assessments for up to 6 months after the end of the assessment collection period (December 31, 2034), at which point the District would terminate if not renewed.
3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 et sq. "Property and Business Improvement District Law of 1994" as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 "Business Improvement District Procedure Code").
4. We understand that upon receipt of this petition signed by property owners (or authorized representative of property owners) who will pay more than thirty percent (30%) of the proposed assessments, the Board of Supervisors may initiate proceedings to renew and expand the District. These proceedings will include balloting of property owners under which majority of weighted property owners who return a ballot may authorize the Board of Supervisors to renew and expand the District. This petition does not represent a final decision.
