13  
14 WHEREAS, The Property and Business Improvement District Law of 1994 (California  
15 Streets and Highways Code, Sections 36600 et seq., “1994 Act”), authorizes cities to  
16 establish property and business improvement districts within business districts to promote the  
17 economic revitalization and physical maintenance of such business districts; and

18 WHEREAS, Section 36603 of the 1994 Act recognizes the authority of Charter cities to  
19 adopt ordinances providing for different methods of levying assessments for similar or  
20 additional purposes from those set forth in the 1994 Act; and

21 WHEREAS, Article 15 of the San Francisco Business and Tax Regulations Code  
22 (“Article 15”) augments certain procedural and substantive requirements relating to the  
23 formation of property and business improvement districts and the assessments on real  
24 property or businesses within such districts; and

1           WHEREAS, The 1994 Act and Article 15 authorize the City to levy and collect  
2 assessments on real property within such districts for the purpose of providing improvements  
3 and promoting activities and property-related services that specially benefit parcels of real  
4 property located within such districts; and

5           WHEREAS, Article XIID of the California Constitution and Section 53753 of the  
6 California Government Code impose certain procedural and substantive requirements relating  
7 to assessments on real property; and

8           WHEREAS, The 1994 Act and Article 15 impose additional procedural and substantive  
9 requirements relating to assessments on real property within a proposed property and  
10 business improvement district, also known as a community benefit district ("CBD"); and

11           WHEREAS, The Board of Supervisors finds that the property-related services, activities  
12 and improvements to be funded with assessments on real property within the proposed district  
13 will confer special benefits on the assessed properties over and above the general benefit to  
14 the public at large from such services, activities and improvements; and

15           WHEREAS, The property owners who will pay 30% or more of the total amount of  
16 assessments on properties within the proposed district signed and submitted to the Clerk of  
17 the Board of Supervisors a petition ("Petition") requesting that the Board of Supervisors renew  
18 and expand the property-based community benefit district known as the "North of  
19 Market/Tenderloin Community Benefit District," and levy assessments on properties located in  
20 the proposed district to fund property-related services, activities, and improvements within the  
21 district; and

22           WHEREAS, A Management District Plan entitled "North of Market/Tenderloin  
23 Community Benefit District Management Plan" ("Management District Plan") containing  
24 information about the proposed district and assessments required by Section 36622 of  
25 the 1994 Act, including but not limited to a map showing all parcels located in the district, a

1 description of the boundaries of the district, the name of the district, the amount of the  
2 proposed assessment for each parcel, the total annual amount chargeable to the entire  
3 district, the duration of the payments, the property-related services, activities and  
4 improvements to be funded by the assessments for each year and the maximum cost thereof,  
5 the method and basis upon which the assessments are calculated in sufficient detail to allow  
6 each property owner to calculate the amount of the assessment to be levied against his or her  
7 property, a statement that no bonds will be issued, the time and manner of collecting the  
8 assessments, and a list of the properties to be assessed (including assessor parcel numbers),  
9 is on file with the Clerk of the Board of Supervisors in File No. 190363, which is hereby  
10 declared to be a part of this Resolution as if set forth fully herein; and

11 WHEREAS, A detailed engineer's report supporting the assessments within the  
12 proposed district, prepared by Terrance E. Lowell, California Registered Professional  
13 Engineer No. 13398, entitled "North of Market/Tenderloin Community Benefit District  
14 Engineer's Report" ("Engineer's Report") is on file with the Clerk of the Board of Supervisors  
15 in File No. 190363, which is hereby declared to be a part of this Resolution as if set forth fully  
16 herein; and

17 WHEREAS, A Proposed Boundaries Map, submitted pursuant to California Streets and  
18 Highways Code, Section 3110, is on file with the Clerk of the Board of Supervisors in File  
19 No. 190363, which is hereby declared to be a part of this Resolution as if set forth fully herein;  
20 now, therefore, be it

21 RESOLVED, That the Board of Supervisors declares as follows:

22 Section 1. Pursuant to Section 36621(a) of the 1994 Act and Article 15, the Board of  
23 Supervisors declares its intention to renew and expand the property and business  
24 improvement district known as the "North of Market/Tenderloin Benefit District" ("District") for a  
25 period of fifteen and one half (15 1/2) years, and to levy and collect assessments against all

1 parcels of real property in the District for fifteen of those years, commencing with fiscal year  
2 ("FY") 2019-2020, subject to approval by a majority of the property owners in the District who  
3 cast assessment ballots, which ballots shall be weighted according to the proportional  
4 financial obligations of the affected properties. No bonds will be issued. District operations  
5 are expected to commence on or about January 1, 2020, following collection of the  
6 assessments for FY2019-2020 and disbursement of the assessment proceeds to the nonprofit  
7 owners' association that will administer the property-related services, activities and  
8 improvements in the District pursuant to Section 36651 of the 1994 Act and a written  
9 agreement with the City.

10 Section 2. Nonpayment of assessments will have the same lien priority and delinquent  
11 payment penalties and be subject to the same enforcement procedures and remedies as the  
12 ad valorem property tax. All delinquent payment of assessments will be subject to interest  
13 and penalties. The City Treasurer and Tax Collector will enforce imposition of interest and  
14 penalties and collection of assessments pursuant to the 1994 Act, Article 15 and the San  
15 Francisco Business and Tax Regulation Code Article 6, as each may be amended from time  
16 to time.

17 Section 3. The Board of Supervisors hereby approves the Management District Plan  
18 and Engineer's Report, including the estimates of the costs of the property-related services,  
19 activities and improvements set forth in the plan, and the assessment of said costs on the  
20 properties that will specially benefit from such services, activities and improvements. The  
21 Clerk of the Board shall make the Management District Plan, Engineer's Report and other  
22 documents related to the District and included in the record before the Board of Supervisors  
23 available to the public for review during normal business hours, Monday through Friday 8:00  
24 a.m. through 5:00 p.m., excluding legal holidays.

1 Section 4. The Board of Supervisors hereby approves the Proposed Boundaries Map  
2 showing the boundaries of the District. The proposed District contains approximately 800  
3 identified parcels located on approximately 41 whole or partial blocks.

4 Specifically, the exterior District boundaries are:

- 5 • Polk Street from O'Farrell Street to Turk Street.
- 6 • Turk Street (north side only) from Polk Street to Larkin Street.
- 7 • Larkin Street (east side only) from Turk Street to McAllister Street.
- 8 • McAllister Street (north side only) from Larkin Street to Leavenworth.
- 9 • Market Street (north side only) from Charles J Brenham Place to Mason Street
- 10 • Mason Street (west side only) from Market Street to O'Farrell Street.
- 11 • O'Farrell Street (south side only) from Mason Street to Taylor Street.
- 12 • O'Farrell Street from Taylor Street to Larkin Street.
- 13 • O'Farrell Street from Larkin Street to Polk Street, excluding APN 0716-002.

14 Reference should be made to the detailed maps and the lists of parcels identified by  
15 Assessor Parcel Number that are contained in the Management District Plan, in order to  
16 determine which specific parcels are included in the North of Market/Tenderloin Community  
17 Benefit District.

18 Section 5. A public hearing on the renewal and expansion of the District, and the levy  
19 and collection of assessments starting with FY2019-2020 and continuing through  
20 FY2033-2034, shall be conducted before the Board of Supervisors sitting as a Committee of  
21 the Whole on June 18, 2019, at 3:00 p.m., or as soon thereafter as the matter may be heard  
22 in the Board's Legislative Chamber, Second Floor, City Hall, 1 Dr. Carlton B. Goodlett Place,  
23 San Francisco, California, 94102. At this public hearing, the Board of Supervisors will hear  
24 public testimony regarding the proposed formation of the District, assessments, and  
25 boundaries of the District, including testimony from all interested persons for or against

1 renewal and expansion of the District, the extent of the District, the levy of the assessments,  
2 the furnishing of specific types of property-related services, improvements and activities, and  
3 other matters related to the District. The Board of Supervisors may waive any irregularity in  
4 the form or content of any written protest, and at the public hearing may correct minor defects  
5 in the proceedings. All protests submitted by affected property owners and received prior to  
6 the conclusion of the public testimony portion of the public hearing shall be tabulated to  
7 determine whether a majority protest exists.

8 Section 6. The Board of Supervisors hereby approves the form of the Notice of Public  
9 Hearing and Assessment Ballot Proceeding, and Assessment Ballot, which are on file with the  
10 Clerk of the Board of Supervisors in File No. 190363; which are hereby declared to be a part  
11 of this Resolution as if set forth fully herein.

12 Section 7. The proposed property-related services, improvements and activities for the  
13 District include a Clean and Safe program, a Marketing and Economic Development program,  
14 a Branding, Administration, and Contingency and Reserve.

15  
16 **Clean and Safe:** The Clean portion of this program includes, but is not limited to,  
17 sidewalk cleaning, sidewalk pressure washing, trash collection, graffiti removal, landscape  
18 maintenance. The Safe portion of this program includes, but is not limited to, Safe Passage,  
19 block safety groups, a camera network, and public space activation.

20 **Marketing and Economic Development:** Marketing and Economic Development  
21 includes, but is not limited to, destination marketing, branding, events, media relations,  
22 website, and district stakeholder outreach.

23 **Administration:** Administration includes, but is not limited to, a professional staff to  
24 properly manage programs, communicate with stakeholders, to provide leadership, and  
25 represent the community with one clear voice. Also included are office expenses, professional

1 services, organizational expenses such as insurance, the cost to conduct a yearly financial  
2 review.

3 **Contingency/Reserve/City Fees:** Contingency/reserve/city fees include, but is not  
4 limited to, an operating reserve budget as a contingency for any payment of delinquencies,  
5 uncollectible assessments, Community Benefit District renewal efforts, and/or unseen budget  
6 adjustments

7 Section 8. Within the area encompassed by the proposed District, the City currently  
8 provides services at the same level provided to other similar areas of the City. It is the intent  
9 of the Board of Supervisors to continue to provide the area encompassed by the District with  
10 the same level of services provided to other similar areas of the City; formation of the District  
11 will not affect the City's policy to continue to provide the same level of service to the areas  
12 encompassed by the District as it provides to other similar areas of the City during the term of  
13 the District.

14 Section 9. The annual total assessments proposed to be levied and collected for the  
15 first year of the District (FY2019-2020) is estimated to be \$1,963,840.10. The amount of the  
16 total annual assessments to be levied and collected for years two through fifteen  
17 (FYs 2019-2020 through 2033-2034) may be increased from one year to the next due to  
18 changes to the consumer price index (CPI). Assessments may also increase based on  
19 development in the District. The determination of annual adjustments in assessment rates will  
20 be subject to the approval of the North of Market/Tenderloin Community Benefit District  
21 Owners' Association. Assessment rates may not increase by more than 4% or the CPI annual  
22 increase, whichever is greater.

23 Section 10. Environmental Findings. Following the approval of this Resolution, the  
24 Planning Department shall determine whether the actions contemplated in this Resolution are  
25 in compliance with the California Environmental Quality Act (California Public Resources

1 Code, Sections 21000 et seq.), and respond in writing to the Clerk of the Board of Supervisors  
2 prior to the Board's public hearing on the renewal and expansion of the District on  
3 June 18, 2019 at 3:00 p.m.

4 Section 11. The Clerk of the Board is directed to give notice of the public hearing as  
5 provided in California Streets and Highways Code, Section 36623, California Government  
6 Code, Section 53753, California Constitution Article XIID, Section 4, San Francisco Charter,  
7 Section 16.112, and San Francisco Administrative Code, Section 67.7-1.

## Section 1 Management District Plan Summary

The name of the property-based Community Benefit District is the North of Market/Tenderloin Community Benefit District (“North of Market/Tenderloin CBD”). The North of Market/Tenderloin CBD is being renewed and expanded pursuant to the California Constitution and the Property and Business Improvement District Law of 1994, as amended and augmented by Article 15 of the San Francisco Business and Tax Regulations Code.

Developed by the Tenderloin Renewal Steering Committee, the North of Market/Tenderloin CBD Management District Plan describes how the renewed and expanded North of Market/Tenderloin CBD will improve and convey special benefits to assessed parcels located within the North of Market/Tenderloin CBD area. The North of Market/Tenderloin CBD will provide activities consisting of Clean/Safe, Marketing, Economic Development, and Administration. Each of these programs is designed to meet the goals of the North of Market/Tenderloin CBD; to improve the safety of each individual assessed parcel within the North of Market/Tenderloin CBD, to increase building occupancy and lease rates, to encourage new business development, and attract ancillary businesses and services for assessed parcels within the North of Market/Tenderloin CBD.

<b>Location</b>	The North of Market/Tenderloin CBD consists of approximately 41 whole or partial blocks and approximately 800 parcels. In general, the North of Market/Tenderloin CBD is bounded by Polk Street and Larkin Street on the east, O’Farrell Street on the north, Mason Street on the west, and Market Street and McAllister Street on the south. The North of Market/Tenderloin CBD abuts three existing Community Benefit Districts and one Business Improvement District; the Central Market Community Benefit District and Civic Center Community Benefit District; Lower Polk Community Benefit District, and Union Square Business Improvement District.
<b>Boundary</b>	See Section 2, page 7 and map, page 8.
<b>Improvements, Activities, Services</b>	<p>The North of Market/Tenderloin CBD will finance activities and improvements that will be provided directly to the assessed parcels, to improve the District’s environment in the following ways:</p> <p><u>Clean and Safe</u></p> <ul style="list-style-type: none"> <li>• Clean Program to implement programs that may consist of, but are not limited to, the following: <ul style="list-style-type: none"> <li>- Sidewalk &amp; gutter sweeping</li> <li>- Sidewalk pressure washing</li> <li>- Graffiti &amp; handbill removal</li> <li>- Trash removal</li> </ul> </li> </ul>

- A North of Market/Tenderloin CBD Safe Program to implement programs that may consist of, but are not limited to, the following:
  - Safe Passage
  - Block Safety Groups
  - Camera Network
  - Public Space Activation

Marketing & Economic Development

Programs may consist of, but are not limited to, the following:

- Destination Marketing
- Branding
- Events
- Media Relations
- Website
- District Stakeholder Outreach

Administration

Administrative staff oversees the North of Market/Tenderloin CBD's services which are delivered seven days a week.

Contingency/Reserve/City Fees

An operating reserve is budgeted as a contingency for any payment of delinquencies, uncollectible assessments, Community Benefit District establishment and/or renewal efforts, and/or unforeseen budget adjustments.

**Budget**

EXPENDITURES	TOTAL BUDGET	% of Budget
Clean and Safe	\$1,356,618.00	66.77%
Marketing and Economic Development	\$315,950.00	15.55%
Administration	\$309,103.00	15.21%
Contingency and Reserve	\$50,000.00	2.46%
<b>Total Expenditures</b>	<b>\$2,031,671.00</b>	<b>100.00%</b>

	<b>REVENUES</b>		
	Assessment Revenues	\$1,963,840.10	96.66%
	Other Revenues (1)	\$67,830.90	3.34%
	<b>Total Revenues</b>	<b>\$2,031,671.00</b>	<b>100.00%</b>

**Method of Financing** Levy of assessments upon real property that specially benefit from improvements and activities.

**Assessments** Annual assessments are based on program costs allocated among the parcels based on assessable footage. Three property assessment variables, lot square footage, building square footage and linear front footage, will be used in the calculation. Estimated annual maximum assessment rates for the first year of the district follow:

Lot Square Foot Assessment Rate	\$0.2553
Building Square Foot Assessment Rate	\$0.0420
Front Foot Assessment Rate	\$16.4447

Because Marketing and Economic Development does not specially benefit privately-owned non-profits, those types of entities will pay a reduced rate that does not reflect the cost of those activities:

Non-Profit Lot Square Foot Assessment Rate	\$0.2033
Non-Profit Building Square Foot Assessment Rate	\$0.0333
Non-Profit Front Foot Assessment Rate	\$13.1700

**Annual Assessment Increase** Annual assessment increases due to inflation are not to exceed the greater of 4% or that year's increase in the

	consumer price index (CPI). Total assessment revenue may also increase based on development in the District. The determination of annual adjustments in assessment rates will be subject to the approval of the North of Market/Tenderloin CBD Owners' Association.
<b>City Services</b>	The City and County of San Francisco has established and documented the base level of pre-existing City services. The North of Market/Tenderloin will not replace any pre-existing general City services.
<b>Collection</b>	North of Market/Tenderloin CBD assessments appear as a separate line item on the San Francisco City and County property tax bills.
<b>District Governance</b>	The City may contract with the existing North of Market/Tenderloin CBD Owners' Association or another non-profit Owners' Association to provide the day-to-day operations and carry out the services as provided for in this Management District Plan.
<b>District Formation</b>	District formation requires submission of favorable petitions signed by property owners representing at least 30% of total assessments to be paid. Petitions are submitted to the San Francisco Board of Supervisors. If the 30% threshold is met, and the Board of Supervisors adopts a "resolution of intent" to form the District, the City will conduct further hearings and mail ballots to all North of Market/Tenderloin CBD property owners. At least 50% of the ballots returned, as weighted by assessments to be paid, must be in favor of the North of Market/Tenderloin CBD in order for the Board of Supervisors to consider approval.
<b>Duration</b>	The North of Market/Tenderloin CBD will have a 15-year life beginning January 1, 2020 and ending December 31, 2034.

## Section 2 North of Market/Tenderloin CBD Boundaries

The North of Market/Tenderloin CBD consists of approximately 41 whole or partial blocks and approximately 800 parcels. In general, the North of Market/Tenderloin CBD is bounded by Polk Street and Larkin Street on the east, O'Farrell Street on the north, Mason Street on the west, and Market Street and McAllister Street on the south. The North of Market/Tenderloin CBD abuts three existing Community Benefit Districts and one Business Improvement District; the Central Market Community Benefit District and Civic Center Community Benefit District; Lower Polk Community Benefit District, and Union Square Business Improvement District

The North of Market/Tenderloin CBD includes all parcels within the boundaries of:

- Polk Street from O'Farrell Street to Turk Street.
- Turk Street (north side only) from Polk Street to Larkin Street.
- Larkin Street (east side only) from Turk Street to McAllister Street.
- McAllister Street (north side only) from Larkin Street to Leavenworth.
- Market Street (north side only) from Charles J Brenham Place to Mason Street
- Mason Street (west side only) from Market Street to O'Farrell Street.
- O'Farrell Street (south side only) from Mason Street to Taylor Street.
- O'Farrell Street from Taylor Street to Larkin Street.
- O'Farrell Street from Larkin Street to Polk Street, excluding APN 0716-002.

The North of Market/Tenderloin CBD boundaries are illustrated by the map on page 8.

## Section 3 District Improvement and Activity Plan

### Process to Establish the Improvement and Activity Plan

---

In the spring and summer of 2018, the Renewal Steering Committee initiated a series of meetings to discuss renewing the Community Benefit District that would levy assessments to fund enhanced improvements and activities. The primary needs as determined by the parcel owners were: cleaning, safety, marketing, economic development, and administration. All of the services to be provided, such as the cleaning work provided by the Clean Team, are services that are over and above the City's baseline of services and are not provided by the City.

Due to their unique nature of focusing on the particular needs of each assessed parcel within the North of Market/Tenderloin CBD, these special services provide particular and distinct benefits to each of the assessed parcels within the North of Market/Tenderloin CBD. Each of the services provided by the North of Market/Tenderloin CBD are designed to meet the needs of the retail, residential, education, parking, non-profit, publicly-owned, office, and mixed-use parcels that make up the North of Market/Tenderloin CBD and provide special benefit to each of the assessed parcels. The services are provided only to the assessed parcels and are not provided to parcels outside the North of Market/Tenderloin CBD.

The total improvement and activity plan budget for the North of Market/Tenderloin CBD in 2020 is projected at \$2,031,671. Of the total budget, \$1,963,840.10 is attributable to providing special benefits and is therefore funded by property assessments. General benefit from the North of Market/Tenderloin CBD budget is calculated to be \$67,830.90 and is not funded by assessment revenue from North of Market/Tenderloin CBD parcels. The costs of providing each of the budget components were developed from actual experience obtained in providing these services to North of Market/Tenderloin CBD properties for the past 13 years. Actual service hours and frequency may vary in order to match varying District needs over the fifteen-year life of the North of Market/Tenderloin CBD. A detailed operation deployment for 2020 is available from the property owner's association. The budget is made up of the following components:

### **Clean and Safe**

---

#### **Clean Program**

In order to consistently deal with cleaning issues, a Clean Program will provide a multi-dimensional approach consisting of the following elements. These services are a form of special benefit because they will be provided directly to the assessed parcels. By receiving these special benefits, the parcels are expected to enjoy increased commercial activity, which directly relates to increases in lease rates and customer usage. The services may include, but are not limited to, the following:

- **Sidewalk Cleaning:** Uniformed, radio-equipped personnel sweep litter, debris and refuse from sidewalks and gutters of the North of Market/Tenderloin CBD. Paper signs and handbills that are taped or glued on property, utility boxes, poles and telephones are removed. Clean sidewalks support an increase in commerce and provides a special benefit to each individually assessed

parcel in the North of Market/Tenderloin CBD.

- **Sidewalk Pressure Washing:** North of Market/Tenderloin CBD personnel may pressure wash the sidewalks. Clean sidewalks support an increase in commerce and provide a special benefit to each individually assessed parcel in the North of Market/Tenderloin CBD.
- **Trash Collection:** Collector truck personnel collect trash from sidewalks as needed. They are also dispatched to collect large bulky items illegally dumped in the North of Market/Tenderloin CBD.
- **Graffiti Removal:** Painters remove graffiti by painting, using solvent and pressure washing. The North of Market/Tenderloin CBD maintains a zero-tolerance graffiti policy. An effort is made to remove all tags within 24 hours on weekdays.
- **Landscape Maintenance:** Weeding of District tree wells and sidewalk cracks. In addition, North of Market/Tenderloin CBD personnel may provide landscape maintenance to decorative planters.

The Clean Team will only operate within North of Market/Tenderloin CBD boundaries. By receiving these special benefits, the parcels are expected to enjoy increased commercial activity, which directly relates to increases in lease rates and customer usage. Dirty and unclean sidewalks deter pedestrians and commercial activity.

### **Safe Program**

The Safe Program will provide community-based safety services for the individual parcels located within the North of Market/Tenderloin CBD in the form of the continuation of the existing Safe Passage, Block Safety Group and Camera Network programs as well as lead or support initiatives that promote safety for people on the sidewalks and streets of the Tenderloin. The Safe Program will not include armed security forces and will not hire private security to remove people from the sidewalks. The Safe Program will support safe initiatives that acknowledge that everyone on the sidewalks deserves to be and feel safe, and that are initiated by the community and led by the community. The Safe Program will only provide its services within the North of Market/Tenderloin CBD boundaries. Providing these services directly to the parcels within the North of Market/Tenderloin CBD boundaries is expected to result in increased commercial activity which directly relates to increased building occupancy and customer usage. A District that is perceived as unsafe deters pedestrian and commercial activity.

- **Safe Passage:** An existing program to keep the North of Market/Tenderloin CBD safe and create safe walking groups for youth and seniors will be maintained and may be expanded.
- **Block Safety Groups:** An existing program to support residents and businesses as they seek to activate the sidewalks in front of their buildings will be maintained and may be expanded.
- **Camera Network:** An existing program will be maintained and may be expanded.
- **Public Space Activation:** A program to activate public spaces in the North of Market/Tenderloin CBD may be developed.

## **Marketing and Economic Development**

---

In order to communicate the changes that are taking place in the North of Market/Tenderloin CBD and to enhance the positive perception of the assessed parcels, a professionally developed marketing and communication program will be created. The program will help parcel owners in their efforts to attract tenants and support local commerce and investment and work to improve the positive perception of the North of Market/Tenderloin CBD. Decisions on where to shop, eat, work, and live are largely based on a perception of the place. These special benefits will result in increased commercial activity which directly relates to increases in lease rates and enhanced commerce.

The programs being considered include, but are not limited to, the following:

- Destination Marketing
- Branding
- Events
- Media Relations
- Website
- District Stakeholder Outreach

## **Administration**

---

The improvements and activities are managed by a professional staff that requires centralized administrative support. Administration staff oversees the North of Market/Tenderloin CBD's services, which are delivered seven days a week. Administration staff actively works on behalf of the North of Market/Tenderloin CBD parcels to ensure that City and County services and policies support the North of Market/Tenderloin CBD. Included in this item are office expenses, professional services, organizational expenses such as insurance, and the cost to conduct a yearly financial review. North of Market/Tenderloin CBD funds from Administration may be used for renewing the North of Market/Tenderloin CBD.

A well-managed North of Market/Tenderloin CBD provides necessary North of Market/Tenderloin CBD program oversight and guidance that produces higher quality and more efficient programs. Administration staff implement the programs and services of the North of Market/Tenderloin CBD. The special benefit to assessed parcels from these services is increased commercial activity, which directly relates to increased building occupancy and enhanced commerce.

## **Contingency/Reserve/City Fees**

---

An operating reserve is budgeted as a contingency for any payment of delinquencies, uncollectible assessments, North of Market/Tenderloin CBD renewal efforts, and/or unforeseen budget adjustments. District funds from Contingency/Reserve/City Fees may be used for renewing the District.

# **Section 4**

## **North of Market/Tenderloin CBD Assessment Budget**

## Fifteen-Year Operating Budget

A projected fifteen-year operating budget for the North of Market/Tenderloin CBD is provided below. The projections are based upon the following assumptions:

Annual assessments may increase each year due to inflation, in an amount not to exceed the greater of 4% or that year's increase in the consumer price index (CPI). Assessments may also increase based on development in the North of Market/Tenderloin CBD. Annual adjustments in assessment rates will be subject to the approval of the North of Market/Tenderloin CBD Owners' Association. The projections below illustrate a 4% annual increase as an example for all budget items for the purpose of this Management District Plan.

The cost of providing programs and services also may vary depending on the market cost for those programs and services. Expenditures may require adjustment up or down to continue the intended level of programs and services. The Owners' Association shall have the right to reallocate up to 10% by line item of the budget allocation within the budgeted categories. Any change beyond 10% will be subject to approval by the Owners' Association board of directors and submitted to the City and County of San Francisco within the CBD's annual planning report, pursuant to Section 36650 of the California Streets and Highways Code. The overall budget shall remain consistent with this Management District Plan. Each assessed parcel's assessment shall be no greater than its proportionate share of the special benefits received.

### **Future Development**

The above table is based on the North of Market/Tenderloin CBD's current development status and does not account for possible increases to assessments due to changes to the parcel characteristics that are used to allocate special benefits (e.g., building square footage). The amount of each parcel's assessment will depend on the existing assessment rates as well as the specific characteristics of the parcel, as explained in further detail below in Section 5. Each parcel will be assessed on a prorated basis from the date it receives a temporary and/or permanent certificate of occupancy. Thus, changes to a parcel may result in corresponding revisions to the assessments. Over time, the total assessments levied in the North of Market/Tenderloin CBD likely will increase as parcels are developed. Parcels may also see assessments change as a result of changes to or from non-profit status.

## Section 5

# Assessment Methodology

### General

---

This Management District Plan provides for the levy of assessments to fund services and activities that specially benefit real property in the North of Market/Tenderloin CBD. These assessments are not taxes for the general benefit of the City, but are assessments on the parcels in the North of Market/Tenderloin CBD that are receiving special benefits.

### Assessment Factors

---

Each parcel's proportional special benefit from the CBD activities is determined by analyzing three land use factors: Building Square Footage, Lot Square Footage, and Linear Street Frontage. These land use factors are an equitable way to identify the proportional special benefit that each of the parcels receive. Building square footage is relevant to the current use of a property and is also closely correlated to the potential pedestrian traffic from each parcel and the demand for CBD activities. A parcel's lot square footage reflects the long-term value implications of the improvement district. A parcel's linear street frontage is relevant to the street level usage of a parcel and the demand for CBD activities. Together, these land use factors serve as the basic unit of measure to calculate how much special benefit each parcel receives in relationship to the district as a whole, which is the basis to then proportionately allocate the cost of the special benefits.

**Building square footage** is defined as the total building square footage as determined by the outside measurements of a building. The gross building square footage is taken from the County of San Francisco Assessor's records. Twenty five percent (25%) of the assessment budget is allocated to the building square footage, to account for the special benefit to each parcel's current use and demand for district activities.

**Lot square footage** is defined as the total amount of area within the boundaries of the parcel. The boundaries of a parcel are defined on the County Assessor parcel maps. Forty percent (40%) of the assessment budget is allocated lot square footage to account for the special benefit to each parcel's long-term development potential.

**Linear Street Frontage** is defined as the number of linear feet of each parcel that directly fronts a street that will receive the CBD activities. Alley front frontage is also included in this definition, if a parcel is on an alley and the alley is within the District and accessible to the public. Corner lots or whole block parcels will be assessed for the sum of all the parcels' street frontage. Thirty five percent (35%) of the assessment budget is allocated to Linear street frontage to account for the special benefit received at the street level of each parcel.

#### Non-Profit Parcels

Non-profit owned properties specially benefit from the CBD activities but differently than all other assessed parcels. Non-profit parcels are defined as parcels being owned by 501 c3 organizations. They will receive special benefit from the Clean and Safe activities as well as the Administration and

Reserves and will be assessed fully for them. However, they do not specially benefit from the Marketing/Economic Development programs. The North of Market/Tenderloin CBD Marketing and Economic Development programs are designed to provide special benefit to the retail, residential, education, parking, publicly-owned, office, and mixed-use parcels in the form of increased customers, lease rate and commercial activity, none of which are a benefit to non-profit parcels. Thus, their assessment will not cover that portion of the costs.

## Special Benefit Analysis

---

The assessments outlined in this report are for property-related activities that are specifically intended for and directly benefitting each individual assessed parcel in the District. The activities provide special benefits because they affect the parcels in a way that is particular and distinct from how they affect other real property or the public at large. No parcel's assessment shall be greater than its proportionate share of the costs of the special benefits received.

Streets and Highways Code Section 36601(e) states that "Property and business improvement districts formed throughout this state have conferred special benefits upon properties and businesses within their districts and have made those properties and businesses more useful by providing the following benefits: (1) Crime reduction. A study by the Rand Corporation has confirmed a 12-percent reduction in the incidence of robbery and an 8-percent reduction in the total incidence of violent crimes within the 30 districts studied. (2) Job creation. (3) Business attraction. (4) Business retention. (5) Economic growth. (6) New investments."

The North of Market/Tenderloin CBD's goal is to fund activities and improvements to provide a cleaner, safer and more attractive and economically vibrant environment. The goal of improving the economic vitality is to improve the safety, cleanliness, appearance, and economic development of each individual specially benefitted parcel in an effort to increase commerce, to increase building occupancy and lease rates and to attract more customers, employees, tenants and investors.

Each parcel will specially benefit from:

- Cleaner sidewalks, streets and common areas
- Real and perceived public safety improvements
- Greater pedestrian traffic
- Enhanced rental incomes
- Improved business climate
- New business and investment
- Well-managed CBD programs and services

Specifically, each parcel specially benefits from the North of Market/Tenderloin CBD activities as defined below.

### ***Clean and Safe***

The enhanced cleaning and safety activities are special benefits provided directly to the assessed parcels. These activities will make the area more attractive and safer for businesses, customers, residents, and ultimately private investment. When business location decisions are made, "lower levels of public safety lead to increased uncertainty in decision making and can be perceived as a signal of a socio-institutional environment unfavorable for investment. Uncertainty affects the investment environment in general. But in particular, it increases the fear of physical damage to investment assets (or to people) or their returns... Almost universally, places with lower crime rates are perceived as

more desirable”.<sup>1</sup> As economic investment within the district grows, the assessed parcels will benefit from increased pedestrian traffic and commercial activity.

The Clean and Safe Program activities are expected to provide special benefits to the assessed parcels in a variety of ways. For example:

- Increased security through the Safe Passage, Block Safety Groups, and Security Camera programs provide a higher level of safety to property, residents, customers, employees and visitors as they pass through the North of Market/Tenderloin CBD;
- Maintaining and cleaning sidewalks in front of each parcel creates a cohesive environment and allows pedestrians to move freely throughout the North of Market/Tenderloin CBD. Sidewalks that are dirty and unkept deter pedestrians and commercial activity. “Walkable communities offer many financial benefits, such as a reduction in healthcare costs. Homes with sidewalks tend to sell for more money and in less time than similar homes without sidewalks. Businesses also benefit as residents are more likely to shop locally when there is increased connectivity between residential and business/commercial districts. The well-maintained sidewalks, accessibility, and inviting atmosphere of downtown helps to attract tourists.”<sup>2</sup>
- Removing graffiti from buildings to keep the aesthetic appeal uniform throughout the North of Market/Tenderloin CBD;

### ***Marketing and Economic Development***

The marketing activities consist of services provided directly to the assessed parcels: for example, the district will promote local businesses, help property owners attract high-paying tenants through advertising and neighborhood branding efforts, and highlight the special benefits that the assessed parcels are receiving through a website and district marketing and special events. These activities will specially benefit each assessed parcel by encouraging business development and investment and increased commercial activity (e.g., filling of vacant storefronts and offices, increased lease rates for retail and office space). Decisions on where to shop, eat or attend events are largely based on a perception of the place. If these activities were not communicated it would be a deterrent to pedestrian traffic, business and commerce for the assessed parcels.

### ***Administration***

The North of Market/Tenderloin CBD requires a professional staff to properly manage programs, communicate with stakeholders and provide leadership. Each parcel will specially benefit from the North of Market/Tenderloin CBD Administration staff that will ensure that the North of Market/Tenderloin CBD services are provided and deployed as specifically laid out in this Engineer’s Report and will provide leadership to represent the community with one clear voice.

### ***Contingency/Reserve/City Fees***

The North of Market/Tenderloin CBD services and activities include a contingency, reserve fund, and city fee collection fund that will allow the administration staff to allocate assessment revenues to activities that may have cost overruns or to cover unforeseen expenses. These are necessary to carry out the CBD activities that specially benefit each assessed parcel.

### ***Special Benefit Conclusion***

Based on the special benefits each assessed parcel receives from the North of Market/Tenderloin CBD activities, we conclude that each of the proposed activities provides special benefits to the real property within the North of Market/Tenderloin CBD and that each parcel's assessment is in direct relationship to and no greater than the special benefits received.

The special benefit to parcels from the proposed North of Market/Tenderloin CBD activities and improvements described in this report is the basis for allocating the proposed assessments. Each individual assessed parcel's assessment does not exceed the reasonable cost of the proportionate special benefit it receives from the North of Market/Tenderloin CBD activities.

### **General Benefit Analysis**

---

As required by the State Constitution Article XIID Section 4(a), the general benefits of an assessment district must be quantified and separated out so that the cost of the activities that are attributed to general benefit are deducted from the cost assessed against each specially benefitted parcel. General benefits are benefits from the North of Market/Tenderloin CBD activities and improvements that are not special in nature, are not "particular and distinct" and are not over and above the benefits that other parcels receive. This analysis will evaluate and determine the level of general benefits that (1) parcels inside of the North of Market/Tenderloin CBD, (2) parcels outside of the North of Market/Tenderloin CBD, and (3) the public at large may receive.

#### ***General Benefit to Parcels Inside the North of Market/Tenderloin CBD***

The North of Market/Tenderloin CBD provides funds for activities and improvements that are designed for and created to be provided directly to each individually assessed parcel within the North of Market/Tenderloin CBD. Each individual assessed parcel will specially benefit from these activities, thus 100% of the benefits conferred on these parcels are distinct and special in nature and 0% of the North of Market/Tenderloin CBD activities provide a general benefit to parcels in the North of Market/Tenderloin CBD boundary.

#### ***General Benefit to Parcels Outside of the North of Market/Tenderloin CBD***

All the North of Market/Tenderloin CBD activities and improvements are provided directly to each of the individual assessed parcels in the North of Market/Tenderloin CBD boundary. Each of the CBD activities is provided to the public right-of-ways (streets, sidewalks) adjacent to all specially benefitted parcels or tenants in the North of Market/Tenderloin CBD. None of the surrounding parcels will directly receive any of the North of Market/Tenderloin CBD activities. Any benefits these parcels may receive are incidental to providing special benefits to the assessed parcels, and thus any cost associated with the incidental benefits is not reduced from the cost of providing special benefit.

#### ***General Benefit to the Public At Large***

In addition to general benefit analysis to the parcels outside of the North of Market/Tenderloin CBD boundary, there may be general benefits to the public at large, i.e., those people that are either in the North of Market/Tenderloin CBD boundary and not specially benefitted from the activities, or people outside of the CBD boundary that may benefit from the CBD activities.

To calculate the general benefit the public at large may receive we determine the percentage of each North of Market/Tenderloin CBD activity budget that may benefit the general public. In this case, the Marketing and Economic Development activities are tailored to benefit and promote each assessed

parcel and are not intended to benefit the general public. Administration and Contingency/Reserve activities are to provide daily management of the North of Market/Tenderloin CBD solely for the benefit of the assessed parcels, and are not intended to benefit the general public. If there are any benefits to the general public, they are incidental and collateral to providing special benefits to the assessed parcels.

By contrast, the Clean and Safe activities may benefit the general public to some degree, as the general public may appreciate the enhanced level of maintenance and security as it passes through the North of Market/Tenderloin CBD. To quantify this, we first determine a general benefit factor for the Clean and Safe activities. The general benefit factor is a unit of measure that compares the special benefit that the assessed parcels receive compared to the general benefit that the general public receives. To determine the general benefit factor, we used previous districts that conducted intercept surveys in San Francisco (Union Square and West Portal) and Los Angeles (Historic Downtown, Leimert Park, Arts District, Downtown Industrial, Fashion District, and Sherman Oaks). The intent of the surveys was to determine what percentage of the general public was just passing through the district without any intent to engage in commercial activity. The surveys concluded that on average 1.4% of the respondents were within the district boundary with no intent to engage in any business activity. Here, since the North of Market/Tenderloin CBD is designed to promote a business and residential climate that encourages development, investment, and commerce, it follows that the benefits received by these pedestrians do not translate to a special benefit to the assessed parcels. In other words, based on the results of these surveys it is reasonable to conclude that 1.4% of the benefits from the Clean and Safe activities are general in nature. However, to be conservative and to account for any variance in district type, size and services provided, we applied a 5% general public benefit factor to account for these variances. The general benefit factor is then multiplied by the North of Market/Tenderloin CBD activity's budget to determine the overall general benefit for the Clean and Safe activities. The following table illustrates this calculation.

	A	B	C
ACTIVITY	Budget Amount	Relative Benefit Factor	General Benefit Allocation (A x B)
Clean and Safe	\$1,356,618	5.00%	\$67,831

This analysis indicates that \$67,831 of the Clean and Safe budget may be attributed to general benefit to the public at large, and must be raised from sources other than special assessments.

**Total General Benefits**

Using the sum of the three measures of general benefit described above, we find in year one that \$67,830.90 (5.0% of the Clean and Safe budget, which is equal to 3.34% of the total North of Market/Tenderloin CBD budget) may be general in nature and will be funded from sources other than special assessments.

**Calculation of Assessments**

The proportionate special benefit derived by each identified parcel shall be determined in relationship to the special benefits provided by the services across the entire North of Market/Tenderloin CBD. The proposed services are narrowly defined to confer a particular and distinct benefit to the parcels within the North of Market/Tenderloin CBD. To pay for these special benefits, these parcels will be assessed

at a rate that covers each parcel's proportionate share of the special benefits received. Only special benefits are assessable and these benefits must be separated from any general benefits. The Engineer's Report has calculated that 3.34% of the benefits provided by the North of Market/Tenderloin CBD are general in nature, and cannot be paid for with assessments. Assessments will cover the remaining 96.66% of the CBD budget. (See page 12 of the Engineer's Report for discussion of general and special benefits.)

**Assessable Footage**

	All Parcels (for-profit and non-profit)	For-Profit Parcels only
Lot Square Footage	3,242,362	2,430,071
Building Square Footage	12,369,615	9,068,088
Linear Street Frontage	43,794	33,769

**Benefit Zones**

Article XIID of the California Constitution requires that special assessments be levied according to the special benefit each individual parcel receives from the improvements. In order to match assessments to special benefits, the levels of appropriate service delivery were determined by analyzing the current conditions of the North of Market/Tenderloin CBD and quantifying the amount of clean and safe services that are needed to be delivered to parcels, and projecting future needs over the term of the North of Market/Tenderloin CBD, in order to produce a common level of safety and cleanliness for each parcel throughout the North of Market/Tenderloin CBD. Rather than use benefit zones, it was determined that all parcels within the North of Market/Tenderloin CBD will receive services and be assessed using the same assessment method and rate structure.

**Assessments**

Based on the special benefit factors and assessment methodology discussed in the Engineer's Report and herein, the following illustrates the first year's maximum annual assessment rates:

	A Clean and Safe, Administration, Contingency and Reserve (All Parcels)	B Additional Marketing/Economic Development (For- Profit Parcels only)	C Total for For- Profit Parcels only (Column A + B = C)
Lot Square Foot Rate	\$0.2033	\$0.0520	\$0.2553
Building Square Foot Rate	\$0.0333	\$0.0087	\$0.0420
Linear Street Frontage Foot Rate	\$13.1700	\$3.2747	\$16.4447

### Assessment Rate Calculation

The assessment rates are determined by the following calculations:

**All Parcels (for-profit and non-profit parcels) Clean & Safe, Administration, Contingency/Reserve Budget = \$1,647,890.10**

Assessment budget allocated to lot square footage @ 40% = \$659,156.04

Assessment budget allocated to building square footage @ 25% = \$411,972.53

Assessment budget allocated to linear street frontage @ 35% = \$576,761.54

Lot Square Footage Assessment Rate all parcels (for-profit and non-profit parcels):

Assessment budget \$659,156.04 / 3,242,362 lot sq. ft. = \$0.2033

Building Square Footage Assessment Rate all parcels (for-profit and non-profit parcels):

Assessment budget \$411,972.53 / 12,369,615 building sq. ft. = \$0.0333

Linear Street Frontage Assessment Rate all parcels (for-profit and non-profit parcels):

Assessment budget \$576,761.54 / 43,794 street front ft. = \$13.1700

**For-Profit Parcels only Marketing/Economic Development Budget = \$315,950.00**

Assessment budget allocated to lot square footage @ 40% = \$126,380.00

Assessment budget allocated to building square footage @ 25% = \$78,987.50

Assessment budget allocated to linear street frontage @ 35% = \$110,582.50

Lot Square Footage Assessment Rate (for-profit parcels only):

Assessment budget \$126,380.00 / 2,430,071 lot sq. ft. = \$0.0520

Building Square Footage Assessment Rate (for-profit parcels only):

Assessment budget \$78,987.50 / 9,068,088 building sq. ft. = \$0.0087

Linear Street Frontage Assessment Rate (for-profit parcels only):

Assessment budget \$110,582.50 / 33,769 street front ft. = \$3.2747

**Note:** The total For-Profit assessment rate consists of both of the above calculations (All Parcels Rate + For-Profit only Rate = Total For-Profit assessment rate).

### Sample Parcel Assessment

To calculate the assessment for a for-profit parcel with 5,000 square feet of lot footage, 5,000 square feet of building, and 50 linear feet of street front footage multiply the lot square footage (5,000) by the assessment rate (\$0.2553) = \$1,276.50 + multiply the building square footage (5,000) by the assessment rate (\$0.0420) = \$210 + multiply the street front footage (50) by the assessment rate (\$16.4447) \$822.24 = Initial annual parcel assessment \$2,308.74.

To calculate the assessment for a non-profit parcel with 5,000 square feet of lot footage, 5,000 square feet of building, and 50 linear feet of street front footage multiply the lot square footage (5,000) by the assessment rate (\$0.2033) = \$1,016.50 + multiply the building square footage (5,000) by the assessment rate (\$0.0333) = \$166.50 + multiply the street front footage (50) by the assessment rate (\$13.1700) \$658.50 = Initial annual parcel assessment \$1,841.50.

The assessment calculation is the same for every parcel in the CBD respective of its land use type.

**Maximum Annual Assessment Adjustments**

The cost of providing programs and services may vary depending on the market cost for those programs and services. Expenditures may require adjustment up or down to continue the intended level of programs and services. In addition, to cover inflation, assessments may also be subject to annual increases not to exceed the greater of 4% or that year’s increase in the Consumer Price Index (CPI). Assessments may also increase based on development in the North of Market/Tenderloin CBD. Annual adjustments in assessment rates will be subject to the approval of the North of Market/Tenderloin CBD Owners’ Association. Any change will be approved by the Owners’ Association Board of Directors and submitted to the City within its annual planning report, pursuant to Section 36650 of the California Streets and Highways Code.

As an example, the projections below illustrate a 4% annual increase for all assessment rates. Actual annual increases could be above 4% if the consumer price index exceeds 4% in any given year.

**Budget Adjustments**

Any annual budget surplus will be rolled into the following year’s North of Market/Tenderloin CBD

budget. The budget will be set accordingly, within the constraints of the Management North of Market/Tenderloin CBD Plan to adjust for surpluses that are carried forward. North of Market/Tenderloin CBD funds may also be used for renewal of the North of Market/Tenderloin CBD. Funds from an expired North of Market/Tenderloin CBD shall be rolled over into the new North of Market/Tenderloin CBD if one is established, or returned to the property owners if one is not established, in accordance with Streets and Highways Code section 36671.

If an error is discovered on a parcel's assessed square footages or building square footages, the North of Market/Tenderloin CBD may investigate and correct the assessed footages after confirming the correction with the San Francisco City and County Assessor Data. The correction will be made in accordance with the assessment methodology and may result in an increase or decrease to the parcel's assessment.

### **Future Development**

The above table is based on the North of Market/Tenderloin CBD's current development status and does not account for possible increases to assessments due to changes in parcel characteristics that are used to allocate special benefits (e.g., building square footage). The amount of each parcel's assessment will depend on the existing assessment rates as well as the specific characteristics of the parcel, as explained in further detail above in Section 4. Each parcel will be assessed on a prorated basis from the date it receives a temporary and/or permanent certificate of occupancy. Thus, changes to a parcel may result in corresponding revisions to the assessments. Over time the total assessments levied in the North of Market/Tenderloin CBD likely will increase as parcels are developed. Parcels may also see assessments change as a result of changes in to or from non-profit status. Parcels that experience a change in building square footage need to notify the North of Market/Tenderloin CBD of changes.

### **Assessment Roll Corrections**

A property owner who believes that the assessment roll contains an error (for example, if it overstates the amount of assessable square footage) may submit a written request for review to the Owners' Association prior to April 1 of each year. Corrections shall be limited to the current assessment year and will not be considered for prior years.

### **Time and Manner for Collecting Assessments**

As provided by State Law, the North of Market/Tenderloin CBD assessment will appear as a separate line item on the annual San Francisco County property tax bills, or by a special manual bill prepared by the North of Market/Tenderloin CBD, and either paid in one lump sum or in two equal installments. Laws for enforcement and collection of property taxes also apply to the North of Market/Tenderloin CBD assessment.

### **Disestablishment**

Each year that the North of Market/Tenderloin CBD is in existence, there will be a 30-day period during which property owners will have the opportunity to request disestablishment of the CBD. This 30-day period begins each year on the anniversary of the date the CBD was established. Within that 30-day period, if a written petition is submitted by the owners of real property who pay 50% or more of the assessments levied, the Board of Supervisors shall convene a hearing on whether to disestablish the North of Market/Tenderloin CBD by:

A majority of the Board of Supervisors (six members) may initiate disestablishment at any time based on misappropriation of funds, malfeasance, or violation of law in connection with management of the North of Market/Tenderloin CBD.

A supermajority (eight members) of the Board of Supervisors may initiate disestablishment proceedings for any reason. All outstanding bonds, financing leases, or similar obligations of the City payable from or secured by the CBD assessment must be paid prior to disestablishment of the CBD.

**Bond Issuance**

The North of Market/Tenderloin CBD will not issue Bonds.

**Public Property Assessments**

Proposition 218 provides that no parcel can be assessed for more than its fair share of special benefits, including public property. All publicly-owned parcels, including parcels owned by the State of California and City and County of San Francisco, will pay their proportional share of costs based on the special benefits conferred to those individual parcels. These parcels specially benefit from North of Market/Tenderloin CBD programs that provide an enhanced sense of safety and cleanliness, which makes employees and visitors, feel safe and increased use which translates into fulfilling their public service mission. Publicly-owned parcels also benefit from North of Market/Tenderloin CBD programs which increase exposure and awareness of North of Market/Tenderloin CBD amenities which in turn work to provide greater pedestrian traffic and increased use. The publicly-owned parcels and their assessments within the North of Market/Tenderloin CBD boundary are listed below.

## Section 6 Governance

The City and County of San Francisco may contract with a non-profit organization to provide the day-to-day operations of the North of Market/Tenderloin CBD. The non-profit organization will act as the Owners' Association and governing board for the North of Market/Tenderloin CBD. The role of the Owners' Association is consistent with similar Community Benefit Districts and management organizations throughout California. The Owners' Association determines budgets, assessment adjustments, and monitors service delivery.

The North of Market/Tenderloin CBD Owners' Association Board of Directors will represent a cross section of property owners found throughout the North of Market/Tenderloin CBD. The goal and spirit of the board's composition is to have a majority of property owners that pay Community Benefit District assessments, but also include representatives from businesses and residents. At least 50% of the Board members will be property owners that pay an assessment and, per City requirements, at least 20% of the members be non-property-owning business owners within the North of Market/Tenderloin CBD boundary. A nominating committee develops an annual slate of board nominations, and nominations are voted on at an annual meeting of North of Market/Tenderloin CBD property owners.

## Section 7 Implementation Timetable

The North of Market/Tenderloin CBD is expected to be established and begin implementation of the Management District Plan on January 1, 2020. The North of Market/Tenderloin CBD will have a fifteen-year life through December 31, 2034.

In order for the North of Market/Tenderloin CBD to meet the service begin date of January 1, 2020, the formation need to adhere to the following schedule:

**Formation Schedule****Dates**

Petitions distributed to property owners	January 2019
Petition Drive concludes	March 2019
Board of Supervisors accepts petition results/sets public hearing date	April 2019
Ballots mailed to property owners	April 2019
Board of Supervisors holds public hearing and tabulates ballots	June 2019

## ENGINEER'S STATEMENT

This Report is prepared pursuant to Article XIID of the California State Constitution (Proposition 218) and the State of California Property and Business Improvement District Law of 1994 as augmented by Article 15 of the San Francisco Business and Tax Regulations Code.

The North of Market/Tenderloin Community Benefit District ("North of Market/Tenderloin CBD") will provide activities that are either currently not provided or are above and beyond what the City of San Francisco provides. These activities will specially benefit each individual assessable parcel in the North of Market/Tenderloin CBD. Every individual assessed parcel within the North of Market/Tenderloin CBD receives special benefit from the activities identified under Section B of this Report. Only those individual assessed parcels within the North of Market/Tenderloin CBD receive the special benefit of these proposed activities; parcels contiguous to and outside the North of Market/Tenderloin CBD and the public at large may receive a general benefit, as outlined in Section E. The cost to provide general benefits, if any, will be funded from sources other than special assessments.

The duration of the proposed North of Market/Tenderloin CBD is fifteen (15) years, commencing January 1, 2020. An estimated budget for the North of Market/Tenderloin CBD improvements and activities is set forth in Section D. Assessments will be subject to an annual increase per year not to exceed the greater of 4% or the consumer price index (CPI). Any increase will be determined by the Owners' Association. Funding for the North of Market/Tenderloin CBD improvements and activities shall be derived from a property-based assessment of each specially benefitted parcel in the North of Market/Tenderloin CBD. A detailed description of the methodology for determining the proportional special benefit each individual assessable parcel receives from the service and the assessment for each parcel is set forth in Section G.

I hereby certify to the best of my professional knowledge that each of the identified assessable parcels located within the North of Market/Tenderloin CBD will receive a special benefit over and above the benefits conferred to those parcels outside of the North of Market/Tenderloin CBD boundary and to the public at large and that no parcel's assessment will exceed the reasonable cost of the proportional special benefits conferred on that parcel.

Respectfully submitted,

A handwritten signature in cursive script that reads "Terrance E. Lowell".

## SECTION A: LEGISLATIVE AND JUDICIAL REVIEW

### Property and Business Improvement District Law of 1994

Streets and Highways Code Section 36600 et seq. (the "1994 Act"), as augmented by Article 15 of the San Francisco Business and Tax Regulations Code, authorizes the City to levy assessments upon the real property for the purposes of providing improvements and activities that specially benefit each individual assessed parcel in the North of Market/Tenderloin CBD. The purpose of the North of Market/Tenderloin CBD is to encourage commerce, investment, business activities and improve residential serving uses. In order to meet these goals, CBDs typically fund activities and improvements, such as, enhanced safety and cleaning and enhancing the environment. Unlike other assessment districts which fund the construction of public capital improvements or maintenance thereof, CBDs provide activities and improvements "to promote the economic revitalization and physical maintenance of the business districts of their cities in order to create jobs, attract new businesses, and prevent the erosion of the business districts." (Streets and Highways Code Section 36601(b)). The improvements and activities funded through the North of Market/Tenderloin CBD are over and above those already provided by the City within the North of Market/Tenderloin CBD's boundaries. Each of the North of Market/Tenderloin CBD activities or improvements is intended to increase building occupancy and lease rates, to encourage new business development, attract residential serving businesses and services, and improve the quality of life for its residents.

Specifically, the 1994 Act defines "Improvements" and "Activities" as follows:

*"Improvement" means "the acquisition, construction, installation, or maintenance of any tangible property with an estimated useful life of five years..."<sup>1</sup>*

*"Activities" means, but is not limited to, all of the following that benefit businesses or real property in the district:*

- (a) Promotion of public events.*
- (b) Furnishing of music in any public place.*
- (c) Promotion of tourism within the district.*
- (d) Marketing and economic development, including retail retention and recruitment.*
- (e) Providing safety, sanitation, graffiti removal, street and sidewalk cleaning, and other municipal services supplemental to those normally provided by the municipality.*
- (f) Other services provided for the purpose of conferring special benefit upon assessed businesses and real property located in the district.<sup>2</sup>*

### Article XIID of the State Constitution

In 1996, California voters approved Proposition 218, codified in part as Article XIID of the State Constitution. Among other requirements, Article XIID changes the way local agencies enact local taxes and levy assessments on real property. It states, in relevant part, that:

<sup>1</sup> California Streets and Highways Code, Section 36610.

<sup>2</sup> California Streets and Highways Code, Section 36606.

(a) An agency which proposes to levy an assessment shall identify all parcels which will have a special benefit conferred upon them and upon which an assessment will be imposed. The proportionate special benefit derived by each identified parcel shall be determined in relationship to the entirety of the capital cost of a public improvement, the maintenance and operation expenses of a public improvement, or the cost of the property related service being provided. No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel. Only special benefits are assessable, and an agency shall separate the general benefits from the special benefits conferred on a parcel. Parcels within a district that are owned or used by any agency, the State of California or the United States shall not be exempt from assessment unless the agency can demonstrate by clear and convincing evidence that those publicly owned parcels in fact receive no special benefit.

(b) All assessments shall be supported by a detailed engineer's report prepared by a registered professional engineer certified by the State of California.<sup>3</sup>

"Special benefit" means a particular and distinct benefit over and above general benefits conferred on real property located in the district or to the public at large. General enhancement of property value does not constitute "special benefit."<sup>4</sup>

## Judicial Guidance

Since the enactment of Article XIII D, the courts have rendered opinions regarding various aspects of Article XIII D. Notable portions of cases that apply to assessment districts in general and this North of Market/Tenderloin CBD in particular are noted below.

"The engineer's report describes the services to be provided by the [district]; (1) security, (2) streetscape maintenance (e.g., street sweeping, gutter cleaning, graffiti removal), and (3) marketing, promotion, and special events. They are all services over and above those already provided by the City within the boundaries of the [district]. And they are particular and distinct benefits to be provided only to the properties within the [district], not to the public at large—they 'affect the assessed property in a way that is particular and distinct from [their] effect on other parcels and that real property in general and the public at large do not share."<sup>5</sup>

"...separating the general from the special benefits of a public improvement project and estimating the quantity of each in relation to the other is essential if an assessment is to be limited to the special benefits."<sup>6</sup>

"...the agency must determine or approximate the percentage of the total benefit conferred by the service or improvement that will be enjoyed by the general public and deduct that percentage of the total cost of the service or improvement from the special assessment levied against the specially benefitted property owners."<sup>7</sup>

<sup>7</sup> Golden Hill Neighborhood Association, Inc. v. City of San Diego (2011) 199 Cal.App. 4th 416, 438.

*"...even minimal general benefits must be separated from special benefits and quantified so that the percentage of the cost of services and improvements representing general benefits, however slight, can be deducted from the amount of the cost assessed against specially benefitting properties."<sup>8</sup>*

The contents of this Engineer's Report are prepared in compliance with the above noted authorizing legislation, the State Constitution and judicial opinions.

## SECTION B: IMPROVEMENTS AND ACTIVITIES

In 2005, the City established a community benefit district for the North of Market/Tenderloin area for a fifteen-year operational term. Based on the success of the original district, property owners, stakeholders, merchants, and residents have shown support to renew and expand the District.

The North of Market/Tenderloin CBD Steering Committee collectively determined the priority for improvements and activities that the renewed and expanded North of Market/Tenderloin CBD will deliver. The primary needs as determined by the property owners are Environmental Enhancements, such as Clean and Safe programs; and Economic Enhancements, such as marketing and business support. Specifically, the North of Market/Tenderloin CBD shall provide the following activities.

### Clean and Safe

#### *Clean Program*

In order to consistently deal with cleaning issues, a Clean Program will provide a multi-dimensional approach consisting of the following elements. These services are a form of special benefit because they will be provided directly to the assessed parcels. By receiving these special benefits, the parcels are expected to enjoy increased commercial activity, which directly relates to increases in lease rates and customer usage. The services may include, but are not limited to, the following:

- **Sidewalk Cleaning:** Uniformed, radio-equipped personnel sweep litter, debris and refuse from sidewalks and gutters of the North of Market/Tenderloin CBD. Paper signs and handbills that are taped or glued on property, utility boxes, poles and telephones are removed. Clean sidewalks support an increase in commerce and provides a special benefit to each individually assessed parcel in the North of Market/Tenderloin CBD.
- **Sidewalk Pressure Washing:** North of Market/Tenderloin CBD personnel may pressure wash the sidewalks. Clean sidewalks support an increase in commerce and provides a special benefit to each individually assessed parcel in the North of Market/Tenderloin CBD.
- **Trash Collection:** Collector truck personnel collect trash from sidewalks as needed. They are also dispatched to collect large bulky items illegally dumped in the North of Market/Tenderloin CBD.
- **Graffiti Removal:** Painters remove graffiti by painting, using solvent and pressure washing. The North of Market/Tenderloin CBD maintains a zero-tolerance graffiti policy. An effort is made to remove all tags within 24 hours on weekdays.
- **Landscape Maintenance:** Weeding of District tree wells and sidewalk cracks. In addition, North of Market/Tenderloin CBD personnel may provide landscape maintenance to decorative planters.

### **Safe Program**

The Safe Program will provide community-based safety services for the individual parcels located within the North of Market/Tenderloin CBD in the form of the continuation of the existing Safe Passage, Block Safety Group and Camera Network programs as well as lead or support initiatives that promote safety for people on the sidewalks and streets of the Tenderloin. The Safe Program will not include armed security forces and will not hire private security to remove people from the sidewalks. The Safe Program will support safe initiatives that acknowledge that everyone on the sidewalks deserves to be and feel safe, and that are initiated by the community and led by the community. The Safe Program will only provide its services within the North of Market/Tenderloin CBD boundaries. Providing these services directly to the parcels within the North of Market/Tenderloin CBD boundaries is expected to result in increased commercial activity which directly relates to increased building occupancy and customer usage. A District that is perceived as unsafe deters pedestrian and commercial activity.

- **Safe Passage:** An existing program to keep the North of Market/Tenderloin CBD safe and create safe walking groups for youth and seniors will be maintained and may be expanded.
- **Block Safety Groups:** An existing program to support residents and businesses as they seek to activate the sidewalks in front of their buildings will be maintained and may be expanded.
- **Camera Network:** An existing program will be maintained and may be expanded.
- **Public Space Activation:** A program to activate public spaces in the North of Market/Tenderloin CBD may be developed.

### **Marketing and Economic Development**

In order to communicate the changes that are taking place in the North of Market/Tenderloin CBD and to enhance the positive perception of the assessed parcels, a professionally developed marketing and communication program will be created. The program will help parcel owners in their efforts to attract tenants and support local commerce and investment and work to improve the positive perception of the North of Market/Tenderloin CBD. Decisions on where to shop, eat, work, and live are largely based on a perception of the place. These special benefits will result in increased commercial activity which directly relates to increases in lease rates and enhanced commerce.

The programs being considered include, but are not limited to, the following:

- Destination Marketing
  - Branding
  - Events
  - Media Relations
  - Website
  - District Stakeholder Outreach
  - Business Support
-

## **Administration**

---

The improvements and activities are managed by a professional staff that requires centralized administrative support. Administration staff oversees the North of Market/Tenderloin CBD's services which are delivered seven days a week. Administration staff actively works on behalf of the North of Market/Tenderloin CBD parcels to ensure that City and County services and policies support the North of Market/Tenderloin CBD. Included in this item are office expenses, professional services, organizational expenses such as insurance, and the cost to conduct a yearly financial review. North of Market/Tenderloin CBD funds from Administration may be used for renewing the North of Market/Tenderloin CBD.

A well-managed North of Market/Tenderloin CBD provides necessary North of Market/Tenderloin CBD program oversight and guidance that produces higher quality and more efficient programs. Administration staff implement the programs and services of the North of Market/Tenderloin CBD. The special benefit to assessed parcels from these services is increased commercial activity, which directly relates to increased building occupancy and enhanced commerce.

## **Contingency/Reserve/City Fees**

---

An operating reserve is budgeted as a contingency for any payment of delinquencies, uncollectible assessments, North of Market/Tenderloin CBD renewal efforts, and/or unforeseen budget adjustments. North of Market/Tenderloin CBD funds from Contingency/Reserve/City Fees may be used for renewing the North of Market/Tenderloin CBD.

## SECTION C: BENEFITTING PARCELS

### Overall Boundary

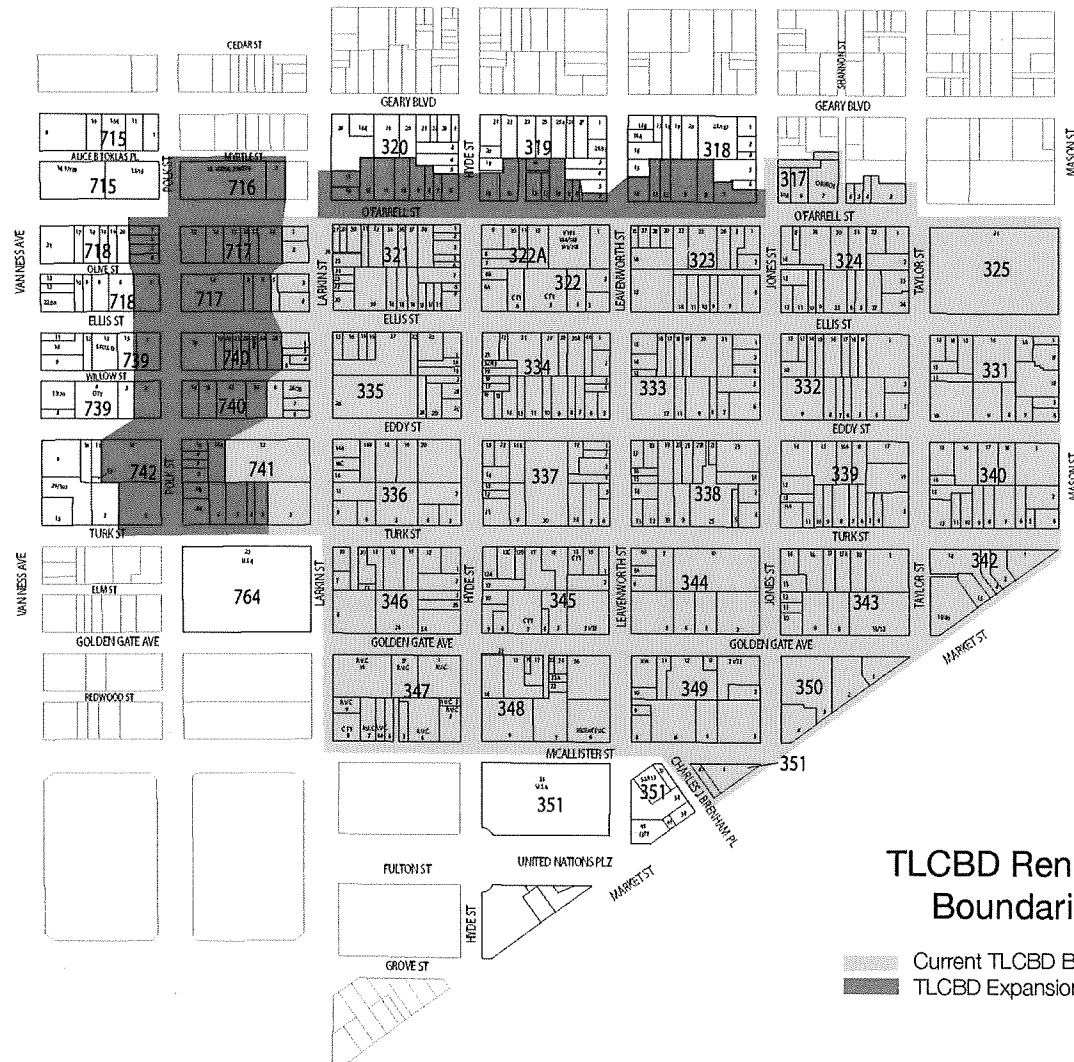

Article XIII D Section 4(a) of the State Constitution requires that the authorizing agency "Identify all parcels which will have a special benefit conferred upon them and upon which an assessment will be imposed."

The North of Market/Tenderloin CBD consists of approximately 41 whole or partial blocks and approximately 800 parcels. In general, the North of Market/Tenderloin CBD is bounded by Polk Street and Larkin Street on the east, O'Farrell Street on the north, Mason Street on the west, and Market Street and McAllister Street on the south. The North of Market/Tenderloin CBD abuts three existing Community Benefit Districts and one Business Improvement District; the Central Market Community Benefit District and Civic Center Community Benefit District; Lower Polk Community Benefit District, and Union Square Business Improvement District

The North of Market/Tenderloin CBD includes all parcels within the boundaries of:

- Polk Street from O'Farrell Street to Turk Street.
- Turk Street (north side only) from Polk Street to Larkin Street.
- Larkin Street (east side only) from Turk Street to McAllister Street.
- McAllister Street (north side only) from Larkin Street to Leavenworth.
- Market Street (north side only) from Charles Brenham Place to Mason Street
- Mason Street (west side only) from Market Street to O'Farrell Street.
- O'Farrell Street (south side only) from Mason Street to Taylor Street.
- O'Farrell Street from Taylor Street to Larkin Street.
- O'Farrell Street from Larkin Street to Polk Street, excluding APN 0716-002.

## SECTION D: PROPORTIONAL BENEFITS

### **Methodology**

Article XIII D Section 4(a) of the State Constitution states that "The proportionate special benefit derived by each identified parcel shall be determined in relationship to the entirety of the capital cost of the public improvement, the maintenance and operation expenses of a public improvement, or the cost of the property related service being provided."

Determining the proportionate special benefit among the parcels of real property within the proposed assessment North of Market/Tenderloin CBD which benefit from the proposed improvements, services, and activities is the result of a five-step process:

1. Defining the proposed activities.
2. Quantifying the degree to which the activities provide general versus special benefits.
3. Determining which parcels specially benefit from the proposed activities.
4. Determining the amount of special benefit each parcel receives.
5. Determining the proportional special benefit a parcel receives in relation to the amount of special benefit all other parcels in the District receive.

Each identified parcel within the North of Market/Tenderloin CBD will be assessed based upon the special benefits received by that parcel, as determined by analyzing each parcel's unique characteristics in relationship to all other specially benefitted parcels' characteristics. As a result of this analysis, each parcel will be assessed at a rate which is commensurate with the amount of special benefits received.

### **Land Use Considerations**

All parcels within the CBD specially benefit from the CBD activities but not to the same degree. The proportional special benefit and assessment methodology provides the following land use considerations for properties owned by non-profit organizations:

**Non-Profit Parcels:** Non-profit owned properties specially benefit from the CBD activities but differently than all other assessed parcels. Non-profit parcels are defined as parcels being owned by 501 c3 organizations. They will receive special benefit from the Clean and Safe activities as well as the Administration and Reserves and will be assessed fully for them. However, they do not specially benefit from the Marketing/Economic Development programs. The North of Market/Tenderloin CBD Marketing and Economic Development programs are designed to provide special benefit to the retail, residential, education, parking, publicly-owned, office, and mixed-use parcels in the form of increased customers, lease rate and commercial activity, none of which are a benefit to non-profit parcels. Thus, their assessment will not cover that portion of the costs.

### **Special Benefit Factors**

Each parcel's proportional special benefit from the CBD activities is determined by analyzing three land use factors: Building Square Footage, Lot Square Footage, and Linear Street Frontage. These land use factors are an equitable way to identify the proportional special benefit that each of the parcels receive. Building square footage is relevant to the current use of a property and is also closely correlated to the potential pedestrian traffic from each parcel and the demand for

CBD activities. A parcel's lot square footage reflects the long-term value implications of the improvement district. A parcel's linear street frontage is relevant to the street level usage of a parcel and the demand for CBD activities. Together, these land use factors serve as the basic unit of measure to calculate how much special benefit each parcel receives in relationship to the district as a whole, which is the basis to then proportionately allocate the cost of the special benefits.

**Building square footage** is defined as the total building square footage as determined by the outside measurements of a building. The gross building square footage is taken from the County of San Francisco Assessor's records. Twenty five percent (25%) of the assessment budget is allocated to the building square footage, to account for the special benefit to each parcel's current use and demand for district activities.

**Lot square footage** is defined as the total amount of area within the boundaries of the parcel. The boundaries of a parcel are defined on the County Assessor parcel maps. Forty percent (40%) of the assessment budget is allocated lot square footage to account for the special benefit to each parcel's long-term development potential.

**Linear street frontage** is defined as the number of linear feet of each parcel that directly fronts a street that will receive the CBD activities. Alley front frontage is also included in this definition, if a parcel is on an alley and the alley is within the District and accessible to the public. Corner lots or whole block parcels will be assessed for the sum of all the parcels' street frontage. Thirty five percent (35%) of the assessment budget is allocated to Linear street frontage to account for the special benefit received at the street level of each parcel.

Each one of these land use factors represents the benefit units allocated to each specially benefitted parcel. The total number of benefit units in the CBD are as follows:

Land Use Factor	Benefit Units	
	All Parcels (for-profit and non-profit)	For-Profit Parcels only
Lot Sq Ft	3,242,362	2,430,071
Building Sq Ft.	12,369,615	9,068,088
Linear Street Frontage	43,794	33,769

## SECTION E: SPECIAL and GENERAL BENEFITS

State Law requires that assessments be levied according to the estimated special benefit each assessed parcel receives from the activities and improvements. Article XIID Section 4(a) of the California Constitution in part states that "only special benefits are assessable," which requires that we separate the general benefits, if any, from the special benefits provided by the proposed activities and improvements.

As of January 1, 2015, the State Legislature amended the State Law to clarify and define both special benefit and general benefit as they relate to the improvements and activities these districts provide. Specifically, the amendment (Section 36615.5 of the Streets and Highways Code) defines special benefit as follows: "'Special benefit' means, for purposes of a property-based district, a particular and distinct benefit over and above general benefits conferred on real property located in a district or to the public at large. Special benefit includes incidental or collateral effects that arise from the improvements, maintenance, or activities of property-based districts even if those incidental or collateral effects benefit property or persons not assessed. Special benefit excludes general enhancement of property value."

In addition, the amendment (Section 36609.5 of the Streets and Highways Code) defines general benefit as follows: "'General benefit' means, for purposes of a property-based district, any benefit that is not a 'special benefit' as defined in Section 36615.5."

Furthermore, the amendment (Section 36601(h)(2)) states: "Activities undertaken for the purpose of conferring special benefits upon property to be assessed inherently produce incidental or collateral effects that benefit property or persons not assessed. Therefore, for special benefits to exist as a separate and distinct category from general benefits, the incidental or collateral effects of those special benefits are inherently part of those special benefits. The mere fact that special benefits produce incidental or collateral effects that benefit property or persons not assessed does not convert any portion of those special benefits or their incidental or collateral effects into general benefits."

### Special Benefit Analysis

All special benefits derived from the assessments outlined in this report are for property-related activities that are specifically intended for and directly benefitting each individual assessed parcel in the North of Market/Tenderloin CBD. The special benefit must affect the individual assessable parcel in a way that is particular and distinct from its effect on other parcels and that real property in general and the public at large do not share. No parcel's assessment shall be greater than its proportionate share of the costs of the special benefits received.

Streets and Highways Code Section 36601(e) states that "Property and business improvement districts formed throughout this state have conferred special benefits upon properties and businesses within their districts and have made those properties and businesses more useful by providing the following benefits: (1) Crime reduction. A study by the Rand Corporation has confirmed a 12-percent reduction in the incidence of robbery and an 8-percent reduction in the total incidence of violent crimes within the 30 districts studied. (2) Job creation. (3) Business attraction. (4) Business retention. (5) Economic growth. (6) New investments."

The North of Market/Tenderloin CBD's goal is to fund activities and improvements to provide a cleaner, safer and more attractive and economically vibrant environment as outlined in Section B. The goal of improving the economic vitality is to improve the safety, cleanliness, appearance, and economic development of each individual specially benefitted parcel in an effort to increase commerce, to increase building occupancy and lease rates and to attract more customers, employees, tenants and investors.

Each parcel will specially benefit from:

- Cleaner sidewalks, streets and common areas
- Real and perceived public safety improvements
- Greater pedestrian traffic
- Enhanced rental incomes
- Improved business climate
- New business and investment
- Well-managed CBD programs and services

Specifically, each parcel specially benefits from the North of Market/Tenderloin CBD activities as defined below.

### ***Clean and Safe***

The enhanced cleaning and safety activities are special benefits provided directly to the assessed parcels. These activities will make the area more attractive and safer for businesses, customers, residents, and ultimately private investment. When business location decisions are made, "lower levels of public safety lead to increased uncertainty in decision making and can be perceived as a signal of a socio-institutional environment unfavorable for investment. Uncertainty affects the investment environment in general. But in particular, it increases the fear of physical damage to investment assets (or to people) or their returns... Almost universally, places with lower crime rates are perceived as more desirable".<sup>9</sup> As economic investment within the district grows, the assessed parcels will benefit from increased pedestrian traffic and commercial activity.

The Clean and Safe Program activities are expected to provide special benefits to the assessed parcels in a variety of ways. For example:

- Increased security through the Safe Passage, Block Safety Groups, and Camera Network programs provide a higher level of safety to property, residents, customers, employees and visitors as they pass through the North of Market/Tenderloin CBD;
- Maintaining and cleaning sidewalks in front of each parcel creates a cohesive environment and allows pedestrians to move freely throughout the North of Market/Tenderloin CBD. Sidewalks that are dirty and unkept deter pedestrians and commercial activity. "Walkable communities offer many financial benefits, such as a reduction in healthcare costs. Homes with sidewalks tend to sell for more money and in less time than similar homes without sidewalks. Businesses also benefit as residents are more likely to shop locally when there is increased connectivity between residential and business/commercial districts. The well-maintained sidewalks, accessibility, and inviting atmosphere of downtown helps to attract tourists."<sup>10</sup>

- Removing graffiti from buildings to keep the aesthetic appeal uniform throughout the North of Market/Tenderloin CBD;

### ***Marketing and Economic Development***

The marketing activities consist of services provided directly to the assessed parcels: for example, the district will promote local businesses, help property owners attract high-paying tenants through advertising and neighborhood branding efforts, and highlight the special benefits that the assessed parcels are receiving through a website and district marketing and special events. These activities will specially benefit each assessed parcel by encouraging business development and investment and increased commercial activity (e.g., filling of vacant storefronts and offices, increased lease rates for retail and office space). Decisions on where to shop, eat or attend events are largely based on a perception of the place. If these activities were not communicated it would be a deterrent to pedestrian traffic, business and commerce for the assessed parcels.

### ***Administration***

The North of Market/Tenderloin CBD requires a professional staff to properly manage programs, communicate with stakeholders and provide leadership. Each parcel will specially benefit from the North of Market/Tenderloin CBD Administration staff that will ensure that the North of Market/Tenderloin CBD services are provided and deployed as specifically laid out in this Engineer's Report and will provide leadership to represent the community with one clear voice.

### ***Contingency/Reserve/City Fees***

The North of Market/Tenderloin CBD services and activities include a contingency, reserve fund, and city fee collection fund that will allow the administration staff to allocate assessment revenues to activities that may have cost overruns or to cover unforeseen expenses. These are necessary to carry out the CBD activities that specially benefit each assessed parcel.

### ***Special Benefit Conclusion***

Based on the special benefits each assessed parcel receives from the North of Market/Tenderloin CBD activities, we conclude that each of the proposed activities provides special benefits to the real property within the North of Market/Tenderloin CBD and that each parcel's assessment is in direct relationship to and no greater than the special benefits received.

The special benefit to parcels from the proposed North of Market/Tenderloin CBD activities and improvements described in this report is the basis for allocating the proposed assessments. Each individual assessed parcel's assessment does not exceed the reasonable cost of the proportionate special benefit it receives from the North of Market/Tenderloin CBD activities.

### ***General Benefit Analysis***

As required by the State Constitution Article XIID Section 4(a), the general benefits of an assessment district must be quantified and separated out so that the cost of the activities that are attributed to general benefit are deducted from the cost assessed against each specially benefitted parcel. General benefits are benefits from the North of Market/Tenderloin CBD activities and improvements that are not special in nature, are not "particular and distinct" and are not over and above the benefits that other parcels receive. This analysis will evaluate and determine the level of general benefits that (1) parcels inside of the North of Market/Tenderloin

CBD, (2) parcels outside of the North of Market/Tenderloin CBD, and (3) the public at large may receive.

***General Benefit to Parcels Inside the North of Market/Tenderloin CBD***

The North of Market/Tenderloin CBD provides funds for activities and improvements that are designed for and created to be provided directly to each individually assessed parcel within the North of Market/Tenderloin CBD. Each individual assessed parcel will specially benefit from these activities, thus 100% of the benefits conferred on these parcels are distinct and special in nature and 0% of the North of Market/Tenderloin CBD activities provide a general benefit to parcels in the North of Market/Tenderloin CBD boundary.

***General Benefit to Parcels Outside of the North of Market/Tenderloin CBD***

All the North of Market/Tenderloin CBD activities and improvements are provided directly to each of the individual assessed parcels in the North of Market/Tenderloin CBD boundary. Each of the CBD activities is provided to the public right-of-ways (streets, sidewalks) adjacent to all specially benefitted parcels or tenants in the North of Market/Tenderloin CBD. None of the surrounding parcels will directly receive any of the North of Market/Tenderloin CBD activities. Any benefits these parcels may receive are incidental to providing special benefits to the assessed parcels, and thus any cost associated with the incidental benefits is not reduced from the cost of providing special benefit.

***General Benefit to the Public At Large***

In addition to general benefit analysis to the parcels outside of the North of Market/Tenderloin CBD boundary, there may be general benefits to the public at large, i.e., those people that are either in the North of Market/Tenderloin CBD boundary and not specially benefitted from the activities, or people outside of the CBD boundary that may benefit from the CBD activities.

To calculate the general benefit the public at large may receive we determine the percentage of each North of Market/Tenderloin CBD activity budget that may benefit the general public. In this case, the Marketing and Economic Development activities are tailored to benefit and promote each assessed parcel and are not intended to benefit the general public. Administration and Contingency/Reserve activities are to provide daily management of the North of Market/Tenderloin CBD solely for the benefit of the assessed parcels, and are not intended to benefit the general public. If there are any benefits to the general public, they are incidental and collateral to providing special benefits to the assessed parcels.

By contrast, the Clean and Safe activities may benefit the general public to some degree, as the general public may appreciate the enhanced level of maintenance and security as it passes through the North of Market/Tenderloin CBD. To quantify this, we first determine a general benefit factor for the Clean and Safe activities. The general benefit factor is a unit of measure that compares the special benefit that the assessed parcels receive compared to the general benefit that the general public receives. To determine the general benefit factor, we used previous districts that conducted intercept surveys in San Francisco (Union Square and West Portal) and Los Angeles (Historic Downtown, Leimert Park, Arts District, Downtown Industrial, Fashion District, and Sherman Oaks). The intent of the surveys was to determine what percentage of the general public was just passing through the district without any intent to engage in commercial activity. The surveys concluded that on average 1.4% of the respondents were within the district boundary with no intent to engage in any business activity. Here, since the North of Market/Tenderloin CBD is designed to promote a business and residential climate that

encourages development, investment, and commerce, it follows that the benefits received by these pedestrians do not translate to a special benefit to the assessed parcels. In other words, based on the results of these surveys it is reasonable to conclude that 1.4% of the benefits from the Clean and Safe activities are general in nature. However, to be conservative and to account for any variance in district type, size and services provided, we applied a 5% general public benefit factor to account for these variances. The general benefit factor is then multiplied by the North of Market/Tenderloin CBD activity's budget to determine the overall general benefit for the Clean and Safe activities. The following table illustrates this calculation.

	A	B	C
<b>ACTIVITY</b>	<b>Budget Amount</b>	<b>Relative Benefit Factor</b>	<b>General Benefit Allocation (A x B)</b>
Clean and Safe	\$1,356,618	5.00%	\$67,831

This analysis indicates that \$67,831 of the Clean and Safe budget may be attributed to general benefit to the public at large, and must be raised from sources other than special assessments.

**Total General Benefits**

Using the sum of the three measures of general benefit described above, we find in year one that \$67,831 (5.0% of the Clean and Safe budget, which is equal to 3.34% of the total North of Market/Tenderloin CBD budget) may be general in nature and will be funded from sources other than special assessments.

## SECTION F: COST ESTIMATE

### 2020 Operating Budget

The North of Market/Tenderloin CBD's operating budget takes into consideration:

1. The improvements and activities needed to provide special benefits to each individual parcel within the North of Market/Tenderloin CBD boundary (Section B),
2. The parcels that specially benefit from said improvements and activities (Section C), and
3. The costs associated with the special and general benefits conferred (Section E).

EXPENDITURES	TOTAL BUDGET	% of Budget
Clean and Safe	\$1,356,618.00	66.77%
Marketing and Economic Development	\$315,950.00	15.55%
Administration	\$309,103.00	15.21%
Contingency, Reserve, City Fees	\$50,000.00	2.46%
<b>Total Expenditures</b>	<b>\$2,031,671.00</b>	<b>100.00%</b>
REVENUES		
Assessment Revenues	\$1,963,840.10	96.66%
Other Revenues (1)	\$67,830.90	3.34%
<b>Total Revenues</b>	<b>\$2,031,671.00</b>	<b>100.00%</b>

(1) Other non-assessment funding to cover the cost associated with general benefit.

#### **Budget Notation**

The cost of providing programs and services may vary depending on the market cost for those programs and services. Expenditures may require adjustment up or down to continue the intended level of programs and services. Annual assessment increases due to inflation are not to exceed the greater of 4% or the consumer price index (CPI). Total assessment revenue may also increase based on development in the North of Market/Tenderloin CBD. The determination of annual adjustments in assessment rates will be subject to the approval of the North of Market/Tenderloin CBD Owners' Association board of directors and submitted to the City within its annual planning report.

**Projected 15-Year Maximum Budgets**

The following table illustrates the North of Market/Tenderloin CBD's annual assessment budget for the North of Market/Tenderloin CBD's 15-year term. As an example, projections below detail a 4% annual assessment budget adjustment every fiscal year. Actual annual increases could be above 4% if the consumer price index exceeds 4% in any given year.

Fiscal Year	Total Budget
2019/20	\$2,031,671
2020/21	\$2,112,938
2021/22	\$2,197,455
2022/23	\$2,285,354
2023/24	\$2,376,768
2024/25	\$2,471,838
2025/26	\$2,570,712
2026/27	\$2,673,540
2027/28	\$2,780,482
2028/29	\$2,891,701
2029/30	\$3,007,369
2030/31	\$3,127,664
2031/32	\$3,252,771
2032/33	\$3,382,882
2033/34	\$3,518,197

**Future Development**

The above table is based on the North of Market/Tenderloin CBD's current development status and does not account for possible increases to assessments due to changes to the parcel characteristics that are used to allocate special benefits (e.g., building square footage). The amount of each parcel's assessment will depend on the existing assessment rates as well as the specific characteristics of the parcel, as explained in further detail below in Section D. Each parcel will be assessed on a prorated basis from the date it receives a temporary and/or permanent certificate of occupancy. Thus, changes to a parcel may result in corresponding revisions to the assessments. Over time the total assessments levied in the North of Market/Tenderloin CBD likely will increase as parcels are developed. Parcels may also see assessments change as a result of changes in for-profit or non-profit status.

**Bond Issuance**

The North of Market/Tenderloin CBD will not issue bonds.

## SECTION G: APPORTIONMENT METHOD

### Assessment Methodology

The CBD services and activities will be provided uniformly throughout the North of Market/Tenderloin CBD. The cost of the special benefits received from these services is apportioned in direct relationship to each parcel's use, lot square footage, building square footage and linear street frontage as discussed in Section D. Each parcel is assigned a proportionate benefit unit for each lot square foot, building square foot, and linear street front foot. The sum of the total special benefit units in the CBD is then divided into the assessment budget to determine the assessment rate for each benefit unit. See example below.

Land Use Factor	Benefit Units	
	All Parcels (for-profit and non-profit)	For-Profit Parcels only
Lot Sq Ft	3,242,362	2,430,071
Building Sq Ft.	12,369,615	9,068,088
Linear Street Frontage	43,794	33,769

### Calculation of Assessments

The assessment rates are determined by the following calculations:

**All Parcels (for-profit and non-profit parcels) Clean & Safe, Administration, Contingency/Reserve Budget = \$1,647,890.10**

Assessment budget allocated to lot square footage @ 40% = \$659,156.04

Assessment budget allocated to building square footage @ 25% = \$411,972.53

Assessment budget allocated to linear street frontage @ 35% = \$576,761.54

Lot Square Footage Assessment Rate all parcels (for-profit and non-profit parcels):

Assessment budget \$659,156.04 / 3,242,362 lot sq ft = \$0.2033

Building Square Footage Assessment Rate all parcels (for-profit and non-profit parcels):

Assessment budget \$411,972.53 / 12,369,615 building sq ft = \$0.0333

Linear Street Frontage Assessment Rate all parcels (for-profit and non-profit parcels):

Assessment budget \$576,761.54 / 43,794 street front ft = \$13.1700

**For-Profit Parcels only Marketing/Economic Development Budget = \$315,950.00**

Assessment budget allocated to lot square footage @ 40% = \$126,380.00

Assessment budget allocated to building square footage @ 25% = \$78,987.50

Assessment budget allocated to linear street frontage @ 35% = \$110,582.50

Lot Square Footage Assessment Rate (for-profit parcels only):

Assessment budget \$126,380.00 / 2,430,071 lot sq ft = \$0.0520

Building Square Footage Assessment Rate (for-profit parcels only):

Assessment budget \$78,987.50 / 9,068,088 building sq ft = \$0.0087

Linear Street Frontage Assessment Rate (for-profit parcels only):  
Assessment budget \$110,582.50 / 33,769 street front ft = \$3.2747

**Note:** The total For-Profit assessment rate consists of both of the above calculations  
(All Parcels Rate + For-Profit only Rate = Total For-Profit assessment rate).

**Assessment Rates**

Based on the special benefit factors and assessment methodology discussed herein, the following illustrates the first year's maximum annual assessment:

	<b>A</b> Clean and Safe, Administration, Contingency and Reserve (All Parcels)	<b>B</b> Additional Marketing/Economic Development (For- Profit Parcels only)	<b>C</b> Total for For- Profit Parcels only (Column A + B = C)
Lot Square Foot Rate	\$0.2033	\$0.0520	\$0.2553
Building Square Foot Rate	\$0.0333	\$0.0087	\$0.0420
Linear Street Frontage Foot Rate	\$13.1700	\$3.2747	\$16.4447

**Sample Parcel Assessment**

To calculate the assessment for a for-profit parcel with 5,000 square feet of lot footage, 5,000 square feet of building, and 50 linear feet of street front footage multiply the lot square footage (5,000) by the assessment rate (\$0.2553) = \$1,276.50 + multiply the building square footage (5,000) by the assessment rate (\$0.0420) = \$210 + multiply the street front footage (50) by the assessment rate (\$16.4447) \$822.24 = Initial annual parcel assessment \$2,308.74.

To calculate the assessment for a non-profit parcel with 5,000 square feet of lot footage, 5,000 square feet of building, and 50 linear feet of street front footage multiply the lot square footage (5,000) by the assessment rate (\$0.2033) = \$1,016.50 + multiply the building square footage (5,000) by the assessment rate (\$0.0333) = \$166.50 + multiply the street front footage (50) by the assessment rate (\$13.1700) \$658.50 = Initial annual parcel assessment \$1,841.50.

The assessment calculation is the same for every parcel in the CBD respective of its land use type.

**Public Property Assessments**

The North of Market/Tenderloin CBD will serve all parcels within its boundary, including those parcels owned by the City and County or the State of California. All publicly-owned parcels, with the exception of parcels owned by the federal government, will pay their proportional share of

costs based on the special benefits conferred to those individual parcels. Public owned parcels, such as the library and park will receive special benefit from North of Market/Tenderloin CBD services that lead to increased use which directly relates to fulfilling their public service mission. Article XIII D of the California Constitution was added in November of 1996 to provide for these assessments. It specifically states in Section 4(a) that "Parcels within a district that are owned or used by any agency...shall not be exempt from assessment unless the agency can demonstrate by clear and convincing evidence that those publicly owned parcels in fact receive no special benefit." Below are the publicly-owned parcels that specially benefit from the North of Market/Tenderloin CBD activities.

**Budget Adjustment**

Any annual budget surplus will be rolled into the following year's North of Market/Tenderloin CBD budget. The budget will be set accordingly, within the constraints of the management plan to adjust for surpluses that are carried forward. North of Market/Tenderloin CBD funds may be used to fund the cost of renewing the North of Market/Tenderloin CBD. Funds from an expired North of Market/Tenderloin CBD shall be rolled over into the new North of Market/Tenderloin CBD if one is established, or returned to the property owners if one is not established, in accordance with the Streets and Highways Code section 36671. North of Market/Tenderloin CBD rollover funds may be spent on renewal.

If an error is discovered on a parcel's assessed footages, the North of Market/Tenderloin CBD may investigate and correct the assessed footages after confirming the correction with the San Francisco City and County Assessor's office. The correction will be made in accordance with the assessment methodology and may result in an increase or decrease to the parcel's assessment.

The cost of providing programs and services may vary depending on the market cost for those programs and services. Expenditures may require adjustment up or down to continue the intended level of programs and services. The Owner's Association shall have the right to reallocate up to 10% by line item of the budget allocation within the budgeted categories. Any change will be approved by the Owners' Association board of directors and submitted to the City and County of San Francisco within its annual planning report, pursuant to Section 36650 of the California Streets and Highways Code. The overall budget shall remain consistent with this Management District Plan. Each assessed parcel pays for 100% of the special benefit received based on the level of benefit received.

## SECTION H: ASSESSMENT ROLL

The total assessment amount for FY 2019/2020 is \$1,963,840.10 apportioned to each individual assessed parcel, as follows.

**SUBJECT:**    Notice of Public Hearing and Assessment Ballot Proceeding to consider renewal and expansion of the property-based special assessment district, to be known as the "North of Market/Tenderloin Community Benefit District"

The purpose of this notice is to provide you with information about an assessment ballot proceeding and public hearing being conducted by the Board of Supervisors, and its effect on real property that you own. This notice is being sent to you in accordance with Resolution No. \_\_\_\_-\_\_\_\_, passed by the Board of Supervisors (a copy of which is enclosed), California Government Code Section 53753, and California Constitution Article XIID Section 4(c).

Please be advised of the following:

- The Board of Supervisors will hold a public hearing on the proposed assessment at 3:00 p.m. on June 18, 2019 or as soon thereafter as the matter may be heard, in the Board's Legislative Chambers, Second Floor, City Hall, 1 Dr. Carlton B. Goodlett Place, San Francisco, California, 94102. At this hearing, the Board will hear testimony regarding the proposed assessment. The reason for the assessment is to fund the property-based business improvement district (community benefit district) to be known as the "North of Market/Tenderloin Community Benefit District". The annual assessments would last for 15 years (July 1, 2019 – June 30, 2034) the services, activities, and improvements will be implemented through December 31, 2034. The boundaries of North of Market/Tenderloin Community Benefit District are described in the enclosed Resolution passed by the Board of Supervisors.
- The North of Market/Tenderloin Community Benefit District will fund the following services, activities, and improvements:
  - 1) Clean and Safe
  - 2) Marketing and Economic Development
  - 3) Administration
  - 4) Contingency/Reserve/City Fees
- Examples of services, activities, and improvements to be funded under the budget category "Clean and Safe" include: sidewalk and gutter sweeping, sidewalk pressure

washing, graffiti and handbill removal, trash removal, Safe Passage, block safety groups, a camera network, and public space activation.

- Examples of services, activities, and improvements to be funded under the budget category “Marketing and Economic Development” include: destination marketing, branding, events, media relations, website, and district stakeholder outreach.
- Examples of services, activities, and improvements to be funded under the budget category “Administration” include: an administrative staff to oversee the District’s services which are delivered 7 days a week, office expenses, professional services, organizational expenses such as insurance, the cost to conduct a yearly financial review.
- Examples of services, activities, and improvements to be funded under the budget category “Contingency/Reserve/City Fees” include: payment of delinquencies, uncollectible assessments, Community Benefit District renewal efforts, and/or unforeseen adjustments.

The proposed fiscal year 2019-2020 assessment for your parcel is «Voter\_Proportional».

The duration of the assessment district is 15 ½ years, the authority to levy assessments on your property would be fifteen (15) years (July 1, 2019 – June 30, 2034) with services to be implemented January 1, 2019 through December 31, 2034. The North of Market/Tenderloin Community Benefit District assessment will appear as a separate line item on the property tax bill. The final assessment would be collected on your property tax bill for fiscal year 2033-2034. The City will directly bill any Assessor’s Parcels which do not regularly receive a property tax bill from the City. The amount of the annual assessment for years 2 through 15 would be subject to annual adjustment by an amount not to exceed the change in the Consumer Price Index for All Urban Consumers in the San Francisco-Oakland-San Jose Consolidated Metropolitan Statistical Area, or 4%, whichever is greater. The amount of your assessment could also be reduced in a subsequent fiscal year if the amount collected during the prior fiscal year exceeded the costs incurred of providing authorized services in the district. In such a case, your assessment for the subsequent year would be reduced by the share of the excess funds collected that is allocable to your property.

The maximum amount chargeable to the entire assessment district would be a maximum of \$1,963,840.10 in the first year. The maximum amount assessed to the entire assessment district over the life of the district (*assuming an annual CPI adjustment of 4% in years 2 through 15*) would be a maximum of \$3,400,735.65. The maximum amount assessed to the entire assessment district for each of the fifteen fiscal years is set forth in the following table.

TOTAL MAXIMUM AMOUNT OF ASSESSMENTS ON ALL PARCELS INCLUDED IN THE PROPOSED DISTRICT FOR EACH FISCAL YEAR, ASSUMING AN ANNUAL CPI INCREASE OF 4% IN YEARS 2 THROUGH 15 ONLY. ASSESSMENT RATES MAY INCREASE MORE THAN 4% IF THE CPI ANNUAL INCREASE IS MORE THAN 4%.

YEAR	FISCAL YEAR	MAXIMUM ANNUAL ASSESSMENT
1	FY 2019-2020	\$1,963,840.10
2	FY 2020-2021	\$2,042,393.70
3	FY 2021-2022	\$2,124,089.45
4	FY 2022-2023	\$2,209,053.03
5	FY 2023-2024	\$2,297,415.15
6	FY 2024-2025	\$2,389,311.76
7	FY 2025-2026	\$2,484,884.23
8	FY 2026-2027	\$2,584,279.60
9	FY 2027-2028	\$2,687,650.78
10	FY 2028-2029	\$2,795,156.81
11	FY 2029-2030	\$2,906,963.08
12	FY 2030 - 2031	\$3,023,241.61
13	FY 2031 - 2032	\$3,144,171.27
14	FY 2032-2033	\$3,269,938.12
15	FY 2033 - 2034	\$3,400,735.65

- The first year annual assessment rate for each parcel is calculated at:

All Parcels (for-profit and non-profit parcels) Clean & Safe, Administration, Contingency/Reserve Budget = \$1,647,890.10

Assessment budget allocated to lot square footage @ 40% = \$659,156.04

Assessment budget allocated to building square footage @ 25% = \$411,972.53

Assessment budget allocated to linear street frontage @ 35% = \$576,761.54

Lot Square Footage Assessment Rate all parcels (for-profit and non-profit parcels):

Assessment budget \$659,156.04 / 3,242,362 lot sq ft = \$0.2033

Building Square Footage Assessment Rate all parcels (for-profit and non-profit parcels):

Assessment budget \$411,972.53 / 12,369,615 building sq ft = \$0.0333

Linear Street Frontage Assessment Rate all parcels (for-profit and non-profit parcels):

Assessment budget \$576,761.54 / 43,794 street front ft = \$13.1700

For-Profit Parcels only Marketing/Economic Development Budget = \$315,950.00

Assessment budget allocated to lot square footage @ 40% = \$126,380.00

Assessment budget allocated to building square footage @ 25% = \$78,987.50

Assessment budget allocated to linear street frontage @ 35% = \$110,582.50

Lot Square Footage Assessment Rate (for-profit parcels only):

Assessment budget \$126,380.00 / 2,430,071 lot sq ft = \$0.0520

Building Square Footage Assessment Rate (for-profit parcels only):

Assessment budget \$78,987.50 / 9,068,088 building sq ft = \$0.0087

Linear Street Frontage Assessment Rate (for-profit parcels only):

Assessment budget \$110,582.50 / 33,769 street front ft = \$3.2747

**Note:** The total For-Profit assessment rate consists of both of the above calculations (All Parcels Rate + For-Profit only Rate = Total For-Profit assessment rate).

In accordance with Section 67.7-1 of the San Francisco Administrative Code, persons who are unable to attend the hearing on this matter may submit written comments to the City prior to the time the hearing begins. These comments will be made a part of the official public record in this matter, and shall be brought to the attention of the Board of Supervisors. Written comments should be addressed to Angela Calvillo, Clerk of the Board, San Francisco Board of Supervisors, Room 244, City Hall, 1 Dr. Carlton B. Goodlett Place, San Francisco, California, 94102.

## **ASSESSMENT BALLOT PROCEDURES**

Enclosed with this notice, you will find an assessment ballot. Please follow the directions on the assessment ballot to express your view on the proposed assessment. The following is a summary of the procedures governing the return and tabulation of ballots. More detailed information concerning the ballot procedures is set forth in the enclosed "Procedures for the Completion, Return and Tabulation of Ballots," which is also available on the City's website at [www.sfelections.org](http://www.sfelections.org).

1. You may mail or deliver your ballot to the Director of Elections at the Post Office Box location shown on the ballot, or submit the ballot in person at the Department of Elections, located at City Hall Room 48.
2. Ballots may be sent or delivered to the Director of Elections at any time, but **MUST** be received by the Director of Elections not later than the conclusion of the public input portion of the public hearing on June 18, 2019 in the Board's Legislative Chambers, Second Floor, City Hall, 1 Dr. Carlton B. Goodlett Place, San Francisco, California, 94102, scheduled to commence at 3 p.m. or as soon thereafter as the matter may be heard. Depending on the nature and extent of public testimony, the public input portion of the hearing may not be concluded on that date, but may instead be continued to a later date.

At any time prior to the conclusion of the public input portion of the hearing, you may withdraw your ballot and submit a new or changed ballot in place of the ballot previously submitted. If the public input portion of the hearing is continued to a later date, the deadline for submission of ballots will likewise be extended until the close of public input on that date.

3. The Director of Elections will pick up mailed ballots at 12 o'clock noon from the designated Department of Elections Post Office box on the date scheduled for the public hearing. To ensure that mailed ballots are received by the Director of Elections prior to the conclusion of the public input portion of the hearing, mailed ballots must be received by the Director of Elections by 12 o'clock noon on June 18, 2019. Mailed ballots received after 12 o'clock noon on the date scheduled for the public hearing will only be counted if the public input portion of the hearing is continued to a later date and the ballots are received by the Director of Elections prior to the conclusion of the public input portion of the hearing.
4. Only ballots with original signatures - not photocopies of signatures - will be accepted.
5. The Director of Elections will not accept or tabulate a ballot:
  - which is a photocopy without an original signature;
  - which is unsigned;
  - which lacks an identifiable "yes" or "no" vote; or
  - which appears to have been tampered with based upon its appearance or method of delivery.
6. The assessment ballot shall be treated as a disclosable public record during and after the tabulation of the assessment ballots.
7. At the conclusion of the public input portion of the public hearing, the Director of Elections will tabulate the ballots, including those received during the public input portion of the public hearing. If the number of ballots received at the hearing is such that it is not feasible to accurately tabulate the ballots that day, the Board of Supervisors may continue the meeting to a later date for the purpose of obtaining the final tabulation.
8. The Board of Supervisors will not impose the assessment if there is a majority protest. A majority protest exists if, upon the conclusion of the hearing, ballots submitted in opposition to the assessment exceed the ballots submitted in favor of the assessment. Ballots shall be weighted according to the proposed financial obligation of the affected property.

**Should you have any questions, please call or write to:** Mr. Cuong Quach, Department of Elections, Room 48, City Hall, 1 Dr. Carlton B. Goodlett Place, San Francisco, California, 94102. Telephone: (415) 554-4342.

RE: North of Market/Tenderloin Community Benefit District – Proposed Renewal and Expansion

---

Enclosed please find the petitions representing 32.75% weighted support for the renewal and expansion of the North of Market/Tenderloin (NOMTLCBD). The petitions enclosed are consistent with the requirements of the City.

**PETITION TO THE SAN FRANCISCO BOARD OF SUPERVISORS**  
**TO RENEW AND EXPAND THE**  
**NORTH OF MARKET/TENDERLOIN COMMUNITY BENEFIT DISTRICT**

1. We are the owner(s) of property, or are authorized to represent the owner(s), within the proposed special assessment district to be named the "North of Market/Tenderloin Community Benefit District" (hereafter "North of Market/Tenderloin CBD" or "District"), the boundaries of which are shown on the attached map and in the Management Plan for the North of Market/Tenderloin CBD\* (hereafter "Plan").
2. We are or represent the persons and/or entities that would be obligated to pay the special assessments for the services, improvements and activities as described in the Plan. If the proposed District is established by the Board of Supervisors following the ballot election and public hearing, assessments would be collected for the first 15 years (July 1, 2019 – June 30, 2034). Expenditure of those collected assessments for up to 6 months after the end of the assessment collection period (December 31, 2034), at which point the District would terminate if not renewed.
3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 et sq. "Property and Business Improvement District Law of 1994" as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 "Business Improvement District Procedure Code").
4. We understand that upon receipt of this petition signed by property owners (or authorized representative of property owners) who will pay more than thirty percent (30%) of the proposed assessments, the Board of Supervisors may initiate proceedings to renew and expand the District. These proceedings will include balloting of property owners under which majority of weighted property owners who return a ballot may authorize the Board of Supervisors to renew and expand the District. This petition does not represent a final decision.

We are the owner(s) of property, or are authorized to represent the owner(s), within the proposed special assessment district to be named the "North of Market/Tenderloin Community Benefit District" (hereafter "North of Market/Tenderloin CBD" or "District"), the boundaries of which are shown on the attached map and in the Management Plan for the North of Market/Tenderloin CBD\* (hereafter "Plan").
2. We are or represent the persons and/or entities that would be obligated to pay the special assessments for the services, improvements and activities as described in the Plan. If the proposed District is established by the Board of Supervisors following the ballot election and public hearing, assessments would be collected for the first 15 years (July 1, 2019 – June 30, 2034). Expenditure of those collected assessments for up to 6 months after the end of the assessment collection period (December 31, 2034), at which point the District would terminate if not renewed.
3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 et sq. "Property and Business Improvement District Law of 1994" as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 "Business Improvement District Procedure Code").
4. We understand that upon receipt of this petition signed by property owners (or authorized representative of property owners) who will pay more than thirty percent (30%) of the proposed assessments, the Board of Supervisors may initiate proceedings to renew and expand the District. These proceedings will include balloting of property owners under which majority of weighted property owners who return a ballot may authorize the Board of Supervisors to renew and expand the District. This petition does not represent a final decision.

**PETITION TO THE SAN FRANCISCO BOARD OF SUPERVISORS**  
**TO RENEW AND EXPAND THE**  
**NORTH OF MARKET/TENDERLOIN COMMUNITY BENEFIT DISTRICT**

1. We are the owner(s) of property, or are authorized to represent the owner(s), within the proposed special assessment district to be named the "North of Market/Tenderloin Community Benefit District" (hereafter "North of Market/Tenderloin CBD" or "District"), the boundaries of which are shown on the attached map and in the Management Plan for the North of Market/Tenderloin CBD\* (hereafter "Plan").
2. We are or represent the persons and/or entities that would be obligated to pay the special assessments for the services, improvements and activities as described in the Plan. If the proposed District is established by the Board of Supervisors following the ballot election and public hearing, assessments would be collected for the first 15 years (July 1, 2019 – June 30, 2034). Expenditure of those collected assessments for up to 6 months after the end of the assessment collection period (December 31, 2034), at which point the District would terminate if not renewed.
3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 et sq. "Property and Business Improvement District Law of 1994" as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 "Business Improvement District Procedure Code").
4. We understand that upon receipt of this petition signed by property owners (or authorized representative of property owners) who will pay more than thirty percent (30%) of the proposed assessments, the Board of Supervisors may initiate proceedings to renew and expand the District. These proceedings will include balloting of property owners under which majority of weighted property owners who return a ballot may authorize the Board of Supervisors to renew and expand the District. This petition does not represent a final decision.

**PETITION TO THE SAN FRANCISCO BOARD OF SUPERVISORS**  
**TO RENEW AND EXPAND THE**  
**NORTH OF MARKET/TENDERLOIN COMMUNITY BENEFIT DISTRICT**

1. We are the owner(s) of property, or are authorized to represent the owner(s), within the proposed special assessment district to be named the “**North of Market/Tenderloin Community Benefit District**” (hereafter “North of Market/Tenderloin CBD” or “District”), the boundaries of which are shown on the attached map and in the Management Plan for the North of Market/Tenderloin CBD\* (hereafter “Plan”).
2. We are or represent the persons and/or entities that would be obligated to pay the special assessments for the services, improvements and activities as described in the Plan. If the proposed District is established by the Board of Supervisors following the ballot election and public hearing, assessments would be collected for the first 15 years (July 1, 2019 – June 30, 2034). Expenditure of those collected assessments for up to 6 months after the end of the assessment collection period (December 31, 2034), at which point the District would terminate if not renewed.
3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 et sq. “Property and Business Improvement District Law of 1994” as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 “Business Improvement District Procedure Code”).

**NORTH OF MARKET/TENDERLOIN COMMUNITY BENEFIT DISTRICT**

1. We are the owner(s) of property, or are authorized to represent the owner(s), within the proposed special assessment district to be named the "North of Market/Tenderloin Community Benefit District" (hereafter "North of Market/Tenderloin CBD" or "District"), the boundaries of which are shown on the attached map and in the Management Plan for the North of Market/Tenderloin CBD" (hereafter "Plan").
2. We are or represent the persons and/or entities that would be obligated to pay the special assessments for the services, improvements and activities as described in the Plan. If the proposed District is established by the Board of Supervisors following the ballot election and public hearing, assessments would be collected for the first 15 years (July 1, 2019 – June 30, 2034). Expenditure of those collected assessments for up to 6 months after the end of the assessment collection period (December 31, 2034), at which point the District would terminate if not renewed.
3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 et sq. "Property and Business Improvement District Law of 1994" as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 "Business Improvement District Procedure Code").
4. We understand that upon receipt of this petition signed by property owners (or authorized representative of property owners) who will pay more than thirty percent (30%) of the proposed assessments, the Board of Supervisors may initiate proceedings to renew and expand the District. These proceedings will include balloting of property owners under which majority of weighted property owners who return a ballot may authorize the Board of Supervisors to renew and expand the District. This petition does not represent a final decision.

**PETITION TO THE SAN FRANCISCO BOARD OF SUPERVISORS**  
**TO RENEW AND EXPAND THE**  
**NORTH OF MARKET/TENDERLOIN COMMUNITY BENEFIT DISTRICT**

1. We are the owner(s) of property, or are authorized to represent the owner(s), within the proposed special assessment district to be named the "North of Market/Tenderloin Community Benefit District" (hereafter "North of Market/Tenderloin CBD" or "District"), the boundaries of which are shown on the attached map and in the Management Plan for the North of Market/Tenderloin CBD\* (hereafter "Plan").
2. We are or represent the persons and/or entities that would be obligated to pay the special assessments for the services, improvements and activities as described in the Plan. If the proposed District is established by the Board of Supervisors following the ballot election and public hearing, assessments would be collected for the first 15 years (July 1, 2019 – June 30, 2034). Expenditure of those collected assessments for up to 6 months after the end of the assessment collection period (December 31, 2034), at which point the District would terminate if not renewed.
3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 et sq. "Property and Business Improvement District Law of 1994" as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 "Business Improvement District Procedure Code").
4. We understand that upon receipt of this petition signed by property owners (or authorized representative of property owners) who will pay more than thirty percent (30%) of the proposed assessments, the Board of Supervisors may initiate proceedings to renew and expand the District. These proceedings will include balloting of property owners under which majority of weighted property owners who return a ballot may authorize the Board of Supervisors to renew and expand the District. This petition does not represent a final decision.

2. We are or represent the persons and/or entities that would be obligated to pay the special assessments for the services, improvements and activities as described in the Plan. If the proposed District is established by the Board of Supervisors following the ballot election and public hearing, assessments would be collected for the first 15 years (July 1, 2019 – June 30, 2034). Expenditure of those collected assessments for up to 6 months after the end of the assessment collection period (December 31, 2034), at which point the District would terminate if not renewed.
3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 et sq. "Property and Business Improvement District Law of 1994" as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 "Business Improvement District Procedure Code").
4. We understand that upon receipt of this petition signed by property owners (or authorized representative of property owners) who will pay more than thirty percent (30%) of the proposed assessments, the Board of Supervisors may initiate proceedings to renew and expand the District. These proceedings will include balloting of property owners under which majority of weighted property owners who return a ballot may authorize the Board of Supervisors to renew and expand the District. This petition does not represent a final decision.

**PETITION TO THE SAN FRANCISCO BOARD OF SUPERVISORS**  
**TO RENEW AND EXPAND THE**  
**NORTH OF MARKET/TENDERLOIN COMMUNITY BENEFIT DISTRICT**

1. We are the owner(s) of property, or are authorized to represent the owner(s), within the proposed special assessment district to be named the “North of Market/Tenderloin Community Benefit District” (hereafter “North of Market/Tenderloin CBD” or “District”), the boundaries of which are shown on the attached map and in the Management Plan for the North of Market/Tenderloin CBD\* (hereafter “Plan”).
2. We are or represent the persons and/or entities that would be obligated to pay the special assessments for the services, improvements and activities as described in the Plan. If the proposed District is established by the Board of Supervisors following the ballot election and public hearing, assessments would be collected for the first 15 years (July 1, 2019 – June 30, 2034). Expenditure of those collected assessments for up to 6 months after the end of the assessment collection period (December 31, 2034), at which point the District would terminate if not renewed.
3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 et sq. “Property and Business Improvement District Law of 1994” as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 “Business Improvement District Procedure Code”).
4. We understand that upon receipt of this petition signed by property owners (or authorized representative of property owners) who will pay more than thirty percent (30%) of the proposed assessments, the Board of Supervisors may initiate proceedings to renew and expand the District. These proceedings will include balloting of property owners under which majority of weighted property owners who return a ballot may authorize the Board of Supervisors to renew and expand the District. This petition does not represent a final decision.

3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 et sq. "Property and Business Improvement District Law of 1994" as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 "Business Improvement District Procedure Code").
4. We understand that upon receipt of this petition signed by property owners (or authorized representative of property owners) who will pay more than thirty percent (30%) of the proposed assessments, the Board of Supervisors may initiate proceedings to renew and expand the District. These proceedings will include balloting of property owners under which majority of weighted property owners who return a ballot may authorize the Board of Supervisors to renew and expand the District. This petition does not represent a final decision.

**PETITION TO THE SAN FRANCISCO BOARD OF SUPERVISORS**  
**TO RENEW AND EXPAND THE**  
**NORTH OF MARKET/TENDERLOIN COMMUNITY BENEFIT DISTRICT**

1. We are the owner(s) of property, or are authorized to represent the owner(s), within the proposed special assessment district to be named the “**North of Market/Tenderloin Community Benefit District**” (hereafter “North of Market/Tenderloin CBD” or “District”), the boundaries of which are shown on the attached map and in the Management Plan for the North of Market/Tenderloin CBD\* (hereafter “Plan”).
2. We are or represent the persons and/or entities that would be obligated to pay the special assessments for the services, improvements and activities as described in the Plan. If the proposed District is established by the Board of Supervisors following the ballot election and public hearing, assessments would be collected for the first 15 years (July 1, 2019 – June 30, 2034). Expenditure of those collected assessments for up to 6 months after the end of the assessment collection period (December 31, 2034), at which point the District would terminate if not renewed.
3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 et seq. “Property and Business Improvement District Law of 1994” as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 “Business Improvement District Procedure Code”).
4. We understand that upon receipt of this petition signed by property owners (or authorized representative of property owners) who will pay more than thirty percent (30%) of the proposed assessments, the Board of Supervisors may initiate proceedings to renew and expand the District. These proceedings will include balloting of property owners under which majority of weighted property owners who return a ballot may authorize the Board of Supervisors to renew and expand the District. This petition does not represent a final decision.

3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 et sq. "Property and Business Improvement District Law of 1994" as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 "Business Improvement District Procedure Code").
4. We understand that upon receipt of this petition signed by property owners (or authorized representative of property owners) who will pay more than thirty percent (30%) of the proposed assessments, the Board of Supervisors may initiate proceedings to renew and expand the District. These proceedings will include balloting of property owners under which majority of weighted property owners who return a ballot may authorize the Board of Supervisors to renew and expand the District. This petition does not represent a final decision.

**NORTH OF MARKET/TENDERLOIN COMMUNITY BENEFIT DISTRICT**

1. We are the owner(s) of property, or are authorized to represent the owner(s), within the proposed special assessment district to be named the “**North of Market/Tenderloin Community Benefit District**” (hereafter “North of Market/Tenderloin CBD” or “District”), the boundaries of which are shown on the attached map and in the Management Plan for the North of Market/Tenderloin CBD\* (hereafter “Plan”).
2. We are or represent the persons and/or entities that would be obligated to pay the special assessments for the services, improvements and activities as described in the Plan. If the proposed District is established by the Board of Supervisors following the ballot election and public hearing, assessments would be collected for the first 15 years (July 1, 2019 – June 30, 2034). Expenditure of those collected assessments for up to 6 months after the end of the assessment collection period (December 31, 2034), at which point the District would terminate if not renewed.
3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 et sq. “Property and Business Improvement District Law of 1994” as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 “Business Improvement District Procedure Code”).

1. We are the owner(s) of property, or are authorized to represent the owner(s), within the proposed special assessment district to be named the “**North of Market/Tenderloin Community Benefit District**” (hereafter “North of Market/Tenderloin CBD” or “District”), the boundaries of which are shown on the attached map and in the Management Plan for the North of Market/Tenderloin CBD\* (hereafter “Plan”).
2. We are or represent the persons and/or entities that would be obligated to pay the special assessments for the services, improvements and activities as described in the Plan. If the proposed District is established by the Board of Supervisors following the ballot election and public hearing, assessments would be collected for the first 15 years (July 1, 2019 – June 30, 2034). Expenditure of those collected assessments for up to 6 months after the end of the assessment collection period (December 31, 2034), at which point the District would terminate if not renewed.
3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 et sq. “Property and Business Improvement District Law of 1994” as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 “Business Improvement District Procedure Code”).
4. We understand that upon receipt of this petition signed by property owners (or authorized representative of property owners) who will pay more than thirty percent (30%) of the proposed assessments, the Board of Supervisors may initiate proceedings to renew and expand the District. These proceedings will include balloting of property owners under which majority of weighted property owners who return a ballot may authorize the Board of Supervisors to renew and expand the District. This petition does not represent a final decision.

**PETITION TO THE SAN FRANCISCO BOARD OF SUPERVISORS**  
**TO RENEW AND EXPAND THE**  
**NORTH OF MARKET/TENDERLOIN COMMUNITY BENEFIT DISTRICT**

1. We are the owner(s) of property, or are authorized to represent the owner(s), within the proposed special assessment district to be named the "North of Market/Tenderloin Community Benefit District" (hereafter "North of Market/Tenderloin CBD" or "District"), the boundaries of which are shown on the attached map and in the Management Plan for the North of Market/Tenderloin CBD\* (hereafter "Plan").
2. We are or represent the persons and/or entities that would be obligated to pay the special assessments for the services, improvements and activities as described in the Plan. If the proposed District is established by the Board of Supervisors following the ballot election and public hearing, assessments would be collected for the first 15 years (July 1, 2019 – June 30, 2034). Expenditure of those collected assessments for up to 6 months after the end of the assessment collection period (December 31, 2034), at which point the District would terminate if not renewed.
3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 et sq. "Property and Business Improvement District Law of 1994" as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 "Business Improvement District Procedure Code").
4. We understand that upon receipt of this petition signed by property owners (or authorized representative of property owners) who will pay more than thirty percent (30%) of the proposed assessments, the Board of Supervisors may initiate proceedings to renew and expand the District. These proceedings will include balloting of property owners under which majority of weighted property owners who return a ballot may authorize the Board of Supervisors to renew and expand the District. This petition does not represent a final decision.

**PETITION TO THE SAN FRANCISCO BOARD OF SUPERVISORS**  
**TO RENEW AND EXPAND THE**  
**NORTH OF MARKET/TENDERLOIN COMMUNITY BENEFIT DISTRICT**

1. We are the owner(s) of property, or are authorized to represent the owner(s), within the proposed special assessment district to be named the "North of Market/Tenderloin Community Benefit District" (hereafter "North of Market/Tenderloin CBD" or "District"), the boundaries of which are shown on the attached map and in the Management Plan for the North of Market/Tenderloin CBD\* (hereafter "Plan").
2. We are or represent the persons and/or entities that would be obligated to pay the special assessments for the services, improvements and activities as described in the Plan. If the proposed District is established by the Board of Supervisors following the ballot election and public hearing, assessments would be collected for the first 15 years (July 1, 2019 – June 30, 2034). Expenditure of those collected assessments for up to 6 months after the end of the assessment collection period (December 31, 2034), at which point the District would terminate if not renewed.
3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 et sq. "Property and Business Improvement District Law of 1994" as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 "Business Improvement District Procedure Code").
4. We understand that upon receipt of this petition signed by property owners (or authorized representative of property owners) who will pay more than thirty percent (30%) of the proposed assessments, the Board of Supervisors may initiate proceedings to renew and expand the District. These proceedings will include balloting of property owners under which majority of weighted property owners who return a ballot may authorize the Board of Supervisors to renew and expand the District. This petition does not represent a final decision.

We are the owner(s) of property, or are authorized to represent the owner(s), within the proposed special assessment district to be named the “North of Market/Tenderloin Community Benefit District” (hereafter “North of Market/Tenderloin CBD” or “District”), the boundaries of which are shown on the attached map and in the Management Plan for the North of Market/Tenderloin CBD\* (hereafter “Plan”).
2. We are or represent the persons and/or entities that would be obligated to pay the special assessments for the services, improvements and activities as described in the Plan. If the proposed District is established by the Board of Supervisors following the ballot election and public hearing, assessments would be collected for the first 15 years (July 1, 2019 – June 30, 2034). Expenditure of those collected assessments for up to 6 months after the end of the assessment collection period (December 31, 2034), at which point the District would terminate if not renewed.
3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 et sq. “Property and Business Improvement District Law of 1994” as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 “Business Improvement District Procedure Code”).
4. We understand that upon receipt of this petition signed by property owners (or authorized representative of property owners) who will pay more than thirty percent (30%) of the proposed assessments, the Board of Supervisors may initiate proceedings to renew and expand the District. These proceedings will include balloting of property owners under which majority of weighted property owners who return a ballot may authorize the Board of Supervisors to renew and expand the District. This petition does not represent a final decision.

**PETITION TO THE SAN FRANCISCO BOARD OF SUPERVISORS**  
**TO RENEW AND EXPAND THE**  
**NORTH OF MARKET/TENDERLOIN COMMUNITY BENEFIT DISTRICT**

1. We are the owner(s) of property, or are authorized to represent the owner(s), within the proposed special assessment district to be named the “**North of Market/Tenderloin Community Benefit District**” (hereafter “North of Market/Tenderloin CBD” or “District”), the boundaries of which are shown on the attached map and in the Management Plan for the North of Market/Tenderloin CBD\* (hereafter “Plan”).
2. We are or represent the persons and/or entities that would be obligated to pay the special assessments for the services, improvements and activities as described in the Plan. If the proposed District is established by the Board of Supervisors following the ballot election and public hearing, assessments would be collected for the first 15 years (July 1, 2019 – June 30, 2034). Expenditure of those collected assessments for up to 6 months after the end of the assessment collection period (December 31, 2034), at which point the District would terminate if not renewed.
3. We petition the Board of Supervisors to initiate special assessment district proceedings in accordance with applicable state and local laws (California Streets and Highways Code Sections 36600 et sq. “Property and Business Improvement District Law of 1994” as augmented by the City and County of San Francisco Business and Tax Regulation Code Article 15 “Business Improvement District Procedure Code”).
4. We understand that upon receipt of this petition signed by property owners (or authorized representative of property owners) who will pay more than thirty percent (30%) of the proposed assessments, the Board of Supervisors may initiate proceedings to renew and expand the District. These proceedings will include balloting of property owners under which majority of weighted property owners who return a ballot may authorize the Board of Supervisors to renew and expand the District. This petition does not represent a final decision.

COMMITTEE REPORT

---

Pursuant to Board Rule 4.20, as Chair of the Government Audit and Oversight Committee, I have deemed the following matters are of an urgent nature and request it be considered by the full Board on Tuesday, April 23, 2019, as Committee Reports:

**File No. 190361 [Petitions for City Parcels - Renew and Expand the Proposed Civic Center Community Benefit District]**

Resolution authorizing the Mayor to sign petitions in the affirmative for the proposed renewal and expansion of a property and business improvement district to be named the Civic Center Community Benefit District, with respect to certain parcels of real property owned by the City that would be subject to assessment in said district.

**File No. 190363 [Resolution of Intention - Renewal and Expansion - North of Market/Tenderloin Community Benefit District]**

Resolution declaring the intention of the Board of Supervisors to renew and expand a property-based business improvement district known as the "North of Market/Tenderloin Community Benefit District" and levy a multi-year assessment on all parcels in the district; approving the management district plan and engineer's report and proposed boundaries map for the district; ordering and setting a time and place for a public hearing of the Board of Supervisors, sitting as a Committee of the Whole, on June 18, 2019, at 3:00 p.m.; approving the form of the Notice of Public Hearing and Assessment Ballot Proceeding, and Assessment Ballot; directing environmental findings; and directing the Clerk of the Board of Supervisors to give notice of the public hearing and balloting, as required by law.

These matters will be heard in the Government Audit and Oversight Committee on April 18, 2019, at 10:00 a.m.
