Amendments to Current Law

In recognition of the civic contributions of Tina Modotti as a woman of significance in the artistic and cultural history of San Francisco, this ordinance would approve the placement of a commemorative plaque in her honor on the sidewalk in the vicinity of 1952 Taylor Street, Ms. Modotti's home. This legislation would waive certain requirements of Public Works Code Sections 789 et seq. in regard to the plaque. This ordinance would accept as a gift to the City the installed plaque from the Tina Modotti Heritage Committee and would make environmental findings.
