ARTICLE I - REPRESENTATION

1. This Memorandum of Understanding (hereinafter “MOU”) is entered into by the City and County of San Francisco (hereinafter “City”) through its designated representative acting on behalf of the Mayor and the Union of American Physicians and Dentists (hereinafter “Union”).

I.A. RECOGNITION

2. The City acknowledges that the Union has been certified by the Civil Service Commission as the recognized employee representative, pursuant to the provisions set forth in the City’s Employee Relations Ordinance for the following classifications:

2233 Supervising Physician Specialist – Unit 17

I.B. INTENT

3. It is the intent of the parties signatory hereto that the provisions of this MOU shall not become binding until formally adopted or accepted by the Board of Supervisors in accordance with procedures, terms and provisions of the Charter applicable thereto. Moreover, it is the intent of the Mayor acting on behalf of the City to agree to wages, hours, and other terms and conditions of employment as are within the Mayor’s jurisdiction, powers, and authority to act as defined by the Charter, state law, California Constitution and other applicable bodies of the law. The Mayor does not intend nor attempt to bind any board, commission or officer to any provisions of this agreement over which the Mayor has no jurisdiction.

I.C. OBJECTIVE OF THE CITY

4. It is agreed that the delivery of municipal services in the most efficient, effective, and courteous manner is of paramount importance to the City and its employees. Such achievement is recognized to be a mutual obligation of the parties to this MOU within their respective roles and responsibilities. The Union recognizes the City’s right to establish and/or revise performance standards or norms notwithstanding the existence of prior performance levels, norms or standards. Such standards, developed by usual work measurement procedures, may be used to determine acceptable performance levels, prepare work schedules, and to measure the performance of each employee or group of employees. Employees who work at less than acceptable levels of performance may be subject to disciplinary measures in accordance with applicable Charter provisions and rules and regulations of the Civil Service Commission and this MOU. It is recognized that standards of performance which relate to medical practice are to be established or revised only by the medical staff as outlined in the peer review process of the Medical Staff Bylaws.

I.D. RESPONSIBILITIES OF THE CITY

5. It shall be the exclusive responsibility of the Appointing Officer to determine the mission, merit, necessity and organization of any service or activity within the Department, to set standards of service and to direct the work force in meeting those standards, as set forth in the Charter of the City and County of San Francisco, Meyers-Milias-Brown Act and various ordinances of the City and County of San Francisco. It shall be the responsibility of the Appointing Officer to determine and implement administrative policies consistent with the intent of the Charter and other appropriate Federal, State and City and County boards, commissions, and officers. The Appointing Officer shall also be responsible for taking disciplinary action, reducing the forces under the Appointing Officer's jurisdiction to conform to the needs of the work of the Department, and for determining the methods, means and personnel by which the Department's operations are to be conducted. These rights will be exercised in accordance with the provisions of this MOU.
6. The Appointing Officer agrees to notify the Union by certified mail, return receipt requested when contracting out of an existing Department service staffed by covered employees is contemplated. However the Employer may at its sole discretion, enter into a contract, subcontract, partnership, or other business arrangement whereby one, some or all of the job functions or work presently performed under this Agreement at the Department of Public Health may be provided, in whole or in part, by another employer or entity that is not a party to this Agreement.
7. In the event an employee is laid off or terminated solely because the Employer has entered into a contract, subcontract, partnership, or other business arrangement whereby the job functions or work presently provided under this Agreement at the Department of Public Health are to be provided, in whole or in part, by another employer or entity not party to this Agreement, and the employee is not offered a position with the contractor, subcontractor, partnership, or other business arrangement, such employee shall receive severance pay in accordance with the following formula:

 - Twenty (20) years or more of service: 14% of the highest annual salary within the last five (5) years.
8. In the event an employee is laid off or terminated solely because the Employer has entered into a contract, subcontract, partnership, or other business arrangement whereby the job functions or work presently provided under this Agreement at the Department of Public Health are to be provided, in whole or in part by another employer or entity not party to this Agreement, and the employee is offered a position with the contractor, subcontractor, partnership, or other business arrangement, and the employee does not accept this offer

9. Such severance pay shall be in addition to any vacation pay, holiday pay, or other compensation which the employee has earned and is entitled to be paid under this Agreement, but which has not been paid.
10. If the Employer enters into a contract, subcontract, partnership, or other business arrangement as provided in this Section, the Employer's sole obligation shall be as set forth in the severance pay provisions.
11. The employer may at its discretion consider contract services with any organization including an organization which may be formed by members covered by this Agreement.

I.E. NO STRIKE PROVISION

12. The City will not lock out the employees who are covered by this agreement. I.F. GRIEVANCE PROCEDURE

Introduction

13. This section is intended to establish a procedural method by which grievances, as defined herein, may be resolved in an expeditious and orderly manner.

Definition

14. A grievance is defined as and is limited to an allegation by an employee, a group of employees, or the employee organization, which is the recognized employee organization for the grievant's classification, as to any or all of the following:
 15. a. That any Department with employees represented by this MOU has failed to implement a condition of employment as specifically set forth in an existing ordinance or resolution of the Board of Supervisors, or in a then-current ratified MOU between and for the Board of Supervisors and the employee organization,

which is recognized for the grievant's classification, provided that such condition of employment is within the scope of representation as defined in California Government Section 3504 and provided further that such condition of employment is within the Charter authority of the Board of Supervisors to or Mayor to so implement.

16. b. That any Department has failed to implement a condition of employment specifically set forth in this duly executed MOU, or an allegation that a Department has misinterpreted or misapplied a written department policy, rule or regulation provided that such written policy, rule or regulation concerns a condition of employment which is within the scope of representation as defined in California Government Code Section 3504.
17. c. Any problem or question of interpretation on issues within the definitions contained above.

Exclusion of Civil Service Matters

18. The Grievance Procedure herein established shall have no application to matters within the jurisdiction of the Civil Service Commission as set forth in the City Charter or to any rules adopted by the Commission pursuant to its Charter Authorities.

Definition of Working Day

19. A working day is any period of twenty-four hours excluding Saturdays, Sundays and holidays.

Filing of Grievances

20. All grievances shall be filed and processed as follows:

Informal Discussion

21. Any employee having a grievance shall first discuss it with the employee's immediate supervisor in an effort to resolve the grievance in an informal manner.

STEP ONE – Immediate Supervisor

22. If a solution to the grievance, satisfactory to the employee and the immediate supervisor, is not accomplished by informal discussion, the grievant shall have the right to consult with, and be assisted by, a representative of the grievant's own choice in this and all succeeding steps of the Grievance Procedure. If the grievant desires to pursue the grievance further, the grievant, or the grievant's representative, shall fourteen (14) calendar days of the informal discussion with immediate supervisor, submit the grievance in writing to the grievant's immediate supervisor with copies to parties specified in the City's official Grievance Form. The immediate supervisor shall, within five working days of receipt of the written grievance, respond in writing to the grievance with the immediate supervisor's decision and specifying the reasons for concurring with or denying the grievance.

STEP TWO – Appointing Officer

23. If the decision of the immediate supervisor is unsatisfactory to the grievant, the grievant or the grievant’s representative shall, within fourteen (14) calendar days of receipt of the intermediate supervisor’s decision, submit the written grievance to the Appointing Officer. The Appointing Officer shall, within fourteen (14) calendar days of receipt of the written grievance, hold a hearing on the grievance unless such hearing is waived by both parties and shall respond thereafter, in writing to the grievance with the Appointing Officer’s decision and specifying the reasons for concurring with or denying the grievance.

STEP THREE – Director, Employee Relations/Hearing Officer

24. a. If the decision of the Appointing Officer is unsatisfactory, the grievant and/or the grievant’s representative shall, within ten working days of receipt of the Appointing Officer’s decision submit the written grievance to the Employee Relations Director so that the grievance may be heard and resolved by a hearing officer. Prior to the selection of a hearing officer, the Employee Relations Director shall informally review the grievance and attempt to resolve the grievance to the mutual satisfaction of the grievant and the Appointing Officer. The Director, Employee Relations shall have seven (7) working days after the receipt of the written grievance in which to review and seek resolution of the grievance.
25. b. If the Director, Employee Relations is unable to informally resolve the grievance to the mutual satisfaction of the grievant and the Appointing Officer, the Union reserves the exclusive right to submit and advance the grievance to a hearing officer. The hearing officer shall be selected by mutual agreement between the Union and the Appointing Officer or designee. If the Union and the Appointing Officer (or designee) are unable to agree on the selection of a hearing officer, they shall jointly request the State Conciliation Service to submit a list of five (5) hearing officers who have had considerable experience as a hearing officer in public employment disputes. The Union and the Appointing Officer (or designee) shall then alternately delete names from such list until only one (1) name remains; and that person shall serve as the hearing officer. Whether the Union or Appointing Officer deletes the first name in the alternating process of deleting names, shall be determined by lot.
26. c. Except when a statement of facts mutually agreeable to the Union and the Appointing Officer is submitted to the hearing officer, it shall be the duty of the hearing officer to hear and consider facts submitted by the parties.
27. d. It shall be the duty of the hearing officer to hold said hearing within forty-five (45) calendar days of written acceptance of appointment as the hearing officer. If the hearing officer is unable to hold the hearing within 45 calendar days, the parties may mutually agree to select another arbitrator.

Article IV - Working Conditions

- 28. e. After said hearing, or review of mutually agreeable statement of facts, it shall be the duty of the hearing officer to render a written decision, including written finding of fact(s) upon which the decision is based, to the parties.
- 29. f. The decision of the hearing officer shall be final and binding upon the grievant/ Union and the Appointing Officer.
- 30. g. The hearing officer's authority pursuant to the provisions of this Grievance Procedure shall be limited to a decision, based on submitted facts and applicable law, of whether or not the Department has improperly acted or failed to act as provided in paragraphs 14-17 hereinabove. Further, the hearing officer shall have no power to amend or to recommend an amendment of a Board of Supervisor's ratified MOU, ordinance or resolution or a written departmental policy, rule, regulation or this duly executed departmental MOU.
- 31. h. Each party (employee, group of employees, or employee organization and the Appointing Officer) to a hearing before a hearing officer shall bear its own expenses in connection therewith. All fees and expenses of the hearing officer, and a reporter, if any, shall be borne equally by the parties.

The Effect of Failure of Timely Action

- 32. Failure of the grievant to submit an appeal within the required time limit at any step shall constitute an abandonment of the grievance. Failure of the Department to respond within the time limit in any step shall result in an automatic advance of the grievance to the next step.

Timeliness of the Grievance

- 33. A grievance filed pursuant to Section I.F. paragraph 15, hereinabove shall be raised with the immediate supervisor within forty-five (45) calendar days from the date on which the Department has allegedly failed to implement a condition of employment, or within forty-five (45) calendar days from the time the grievant might reasonably have been expected to have learned of such alleged failure to implement a condition of employment. In no event shall any grievance include a claim for money relief for more than forty-five (45) calendar days plus such forty-five (45) calendar day reasonable discovery period.
- 34. A grievance filed pursuant to Section I.F. paragraph 16, hereinabove shall be raised within fourteen (14) calendar days of its being known or within fourteen (14) calendar days of when the grievant might reasonably have been expected to have learned of the grounds for the grievance.
- 35. A grievance filed pursuant to Section I.F. paragraph 17, hereinabove shall be submitted within the same time limits set forth in paragraphs 15 and 16, as appropriate to the subject matter of the question of interpretation. Time limits established herein may be extended by written mutual agreement between the parties.

Article IV - Working Conditions

36. The grievance may be advanced to a higher step or returned to a lower step of the procedure by written mutual agreement between the parties.
37. This procedure is the sole procedure for resolution of grievances as defined herein during the life of the MOU.

Rights of the Employee Organization Recognized to Represent the Grievant's Classification

38. An employee may pursue a grievance under this procedure, through step 3, with the assistance of the employee's recognized exclusive representative or said employee may represent the employee with the assistance, if the employee so elects, of counsel or other representative. As used herein, counsel or other representative shall not include any other employee organization or the representative(s) or employee(s) of any other employee organization.
39. In those grievances in which the employee represents the employee, or arranges for representation by other than the recognized exclusive representative as set forth above, the Department shall make no resolution or award which shall be inconsistent with the terms and conditions of a ratified MOU which covers the grievant's classification. In the event the recognized exclusive representative determines that such an inconsistent resolution or award has been made, the recognized exclusive representative, on its own behalf, may file a grievance at Step Three (3) for the purpose of amending such inconsistent resolution or award.

I.G. OFFICIAL REPRESENTATIVES AND STEWARDS

Representatives

40. The Union may elect as many as one (1) employee member of such organization from the appropriate unit represented by such organization, to attend, during regular duty or work hours without loss of compensation, meetings scheduled with the Employee Relations Director to meet and confer on matters within the scope of representation affecting such appropriate unit and to participate in the discussion, deliberation and decisions at such meetings. The selection of such employee members, or substitutions or replacements therefore, and their attendance at meetings during their regular duty or work hours, shall be subject to the following:
 41. The organization duly authorized representative shall inform in writing the department head or officer under whom each selected employee member is employed that such employee has been selected.
 42. No selected employee member shall leave duty or work station or assignment without specific approval of the employee's department head or other authorized executive management official.

Article IV - Working Conditions

43. In scheduling meetings, due consideration shall be given to the operating needs and work schedules of the department, division, or section in which the employee members are employed.

Stewards

44. The Union shall furnish the City with an accurate list of shop stewards in designated units. The Union may submit amendments to this list at any time because of the permanent absence of a designated shop steward. If a shop steward is not officially designated in writing by the Union, none will be recognized for that area or shift.
45. The Union recognizes that it is the responsibility of the shop steward to assist in the resolution of grievances at the lowest possible level.
46. If, in the judgment of the supervisor, permission cannot be granted immediately to the shop steward to present a grievance during on duty time, such permission shall be granted by the supervisor no later than the next working day from the date the shop steward was denied permission.
47. In emergency situations, where immediate disciplinary action must be taken because of a violation of law or a City or departmental rule (intoxication, theft, etc.) the shop steward shall, if possible, be granted immediate permission to leave the steward's post of duty to assist in the grievance procedure.
48. Shop stewards shall not interfere with the work of an employee.
49. A steward shall not represent an employee in a disciplinary matter if the steward is a witness or otherwise personally involved in the matter.
50. Union agrees that a steward shall not log compensatory time or premium pay time for the time spent performing any function of a steward.
51. Except in cases of emergency, management will give at least two (2) calendar weeks notice if a shop steward is to be transferred to another work shift or location.

Union Access

52. The City shall provide Union reasonable access to all work locations to verify compliance with the terms and conditions of this Agreement and to confer with represented employees, provided that such access is subject to the rules and regulations immediately below.
53. Union agrees that its access to work locations will not disrupt or interfere with a City department's mission and services or the work of employees, or involve any political activities.
54. Union representatives must identify themselves upon arrival at a City department. Union representatives may use City meeting space with a reasonable amount of advance notice and approval from the City department, subject to availability.

55. The City may require a department representative to escort Union representatives when the Union representative seeks access to a work area where confidential or secure work is taking place, when the department would require an escort for other non-employees.
56. Nothing in this Section is intended to disturb existing City departmental Union access policies. Further, City departments may implement additional rules and regulations after meeting and conferring with the Union.

I.H. UNION SECURITY

1. Authorization for Payroll Deductions

57. a. The Union shall submit any request to initiate, change, or cancel deductions of Contributions from represented employees' pay according to the Controller's "Union Deductions Procedure" ("Procedure"), which the Controller may amend from time to time with reasonable notice to the Union. "Contributions" as used in this Section I.H. means Union membership dues, initiation fees, political action funds, other contributions, and any special membership assessments, as established and as may be changed from time to time by the Union.
58. b. The City shall deduct Contributions from a represented employee's pay upon submission by the Union of a request, in accordance with the Procedure. The Procedure shall include, and the Union must provide with each request, a certification by an authorized representative of the Union, confirming that for each employee for whom the Union has requested deduction of Contributions, the Union has and will maintain a voluntary written authorization signed by that employee authorizing the deduction. If the certification is not properly completed or submitted with the request, the City shall notify the Union, and make the requested deduction changes only upon receipt of a proper certification.
59. c. The Procedure is the exclusive method for the Union to request the City to initiate, change, or cancel deductions for Contributions.
60. d. The City shall implement new, changed, or cancelled deductions the pay period following the receipt of a request from the Union, but only if the Union submits the request by noon on the last Friday of a pay period. If the Controller's Office receives the request after that time, the City will implement the changes in two following pay periods.
61. e. If an employee asks the City to deduct Contributions, the City shall direct the employee to the Union to obtain the Union authorization form. The City will not maintain a City authorization form for such deductions. If a represented employee hand delivers the official Union form authorizing such deductions to the Controller's Payroll Division, the City shall process the authorization and begin the deduction within thirty (30) days. The City will send the Union a copy of any authorization form that it receives directly from a represented employee.

62. f. Except as otherwise provided in this subsection, each pay period, the City shall remit Contributions to the Union, after deducting the fee under San Francisco Administrative Code Section 16.92. In addition, the City will make available to the Union a database that includes the following information for each represented employee: name; DSW number; classification; department; work location; work, home, and personal cellular telephone number; personal email address if on file with the City; home address; and any Contributions amount deducted.
63. g. Except as otherwise provided in this subsection, the City shall continue to deduct and remit Contributions until it receives notice to change or cancel deductions from the Union in accordance with the Procedure, or it receives an order from a court or administrative body directing the City to change or cancel the deductions for one or more employees.
64. h. With the exception of subsection (e) above, the Union is responsible for all decisions to initiate, change, and cancel deductions, and for all matters regarding an employee's revocation of an authorization, and the City shall rely solely on information provided by the Union on such matters. The City shall direct all employee requests to change or cancel deductions, or to revoke an authorization for deductions, to the Union. The City shall not resolve disputes between the Union and represented employees about Union membership, the amount of Contributions, deductions, or revoking authorizations for deductions. The City shall not provide advice to employees about those matters, and shall direct employees with questions or concerns about those matters to the Union. The Union shall respond to such employee inquiries within no less than 10 business days.

2. Indemnification

65. The Union shall indemnify, hold harmless, and defend the City against any claim, including but not limited to any civil or administrative action, and any expense and liability of any kind, including but not limited to reasonable attorney's fees, legal costs, settlements, or judgments, arising from or related to the City's compliance with this Section I.H. The Union shall be responsible for the defense of any claim within this indemnification provision, subject to the following: (i) the City shall promptly give written notice of any claim to the Union; (ii) the City shall provide any assistance that the Union may reasonably request for the defense of the claim; and (iii) the Union has the right to control the defense or settlement of the claim; provided, however, that the City shall have the right to participate in, but not control, any litigation for which indemnification is sought with counsel of its own choosing, at its own expense; and provided further that the Union may not settle or otherwise resolve any claim or action in a way that obligates the City in any manner, including but not limited to paying any amounts in settlement, taking or omitting to take any actions, agreeing to any policy change on the part of the City, or agreeing to any injunctive relief or consent decree being entered against the City, without the consent of the City. This duty to indemnify, hold harmless, and defend shall not apply to actions related to compliance with this Section

I.H. brought by the Union against the City. This subsection 2 shall not apply to any claim against the City where the City failed to process a timely, properly completed request to change or cancel a Contributions deduction, as provided in subsection 1.

II. DISCIPLINE OR RELEASE OF EXEMPT EMPLOYEES EXCEPT DUE TO LAYOFF

66. This section applies only to those employees who are exempt from the Civil Service provisions of the Charter of the City and County of San Francisco. This section shall apply to disciplinary and non-disciplinary releases. This section shall not apply to layoffs. It shall not apply to voluntary resignations. In cases of a non-disciplinary release, a represented employee has the option of either utilizing the procedures set forth below in this section or receiving a severance payment as set forth in section II.E. in this memorandum of understanding.
66. The Appointing Officer may terminate the employment of, or discipline, or release exempt employees. In the event that termination or discipline or release of an exempt employee is recommended to the Appointing Officer, the exempt employee shall be entitled to the following due process prior to the execution of such termination or discipline or release:
67. a. The employee shall receive written notice of the reasons for the termination or discipline or release and supporting documentation, if any.
68. b. The employee shall be notified of their right to submit a written response including the written statements of any individuals supporting the employee's position. The written answer must be submitted within ten (10) working days of the date of notice of termination or discipline or release in order to be reviewed.
69. c. After the expiration of the period of time designated for the exempt employee to submit their statement, the Appointing Officer shall review all documents provided and shall notify the employee in writing of their decision within twenty (20) working days.
70. d. Upon issuance of the Appointing Officer's decision, the employee may request that an impartial, fact-finding panel be convened. Such a request shall be made in writing to the Appointing Officer within five (5) working days of the date of issuance of the Appointing Officer's decision. Upon receipt of the request, the Appointing Officer shall appoint an impartial fact-finding panel of three (3) members, one of whom is to be nominated by the Union, to perform in an advisory capacity to the Appointing Officer in release, termination or other disciplinary proceedings. The members of the fact-finding panel are required to be licensed medical doctors only for cases in which the charges for termination or other discipline pertain to a doctor's professional practice of medicine. The panel is required to provide its findings and recommendation within five (5) working days. The procedures described in this section apply to clinical and non-clinical issues

and is advisory only. The report of the fact-finding panel is not binding in any way upon the Appointing Officer.

71. For exempt employees who are members of organized medical staffs with established Medical Staff Bylaws, termination or other discipline for reasons which pertain to the doctor's licensed professional competency shall be subject to the due process set forth in the relevant sections of the Medical Staff Bylaws.
72. The Appointing Officer shall have the right to take whatever actions they deem appropriate in an emergency or when there is a danger to the public, the exempt employee, or their co-workers.

I.J. PERFORMANCE APPRAISAL

Advancement through the increment steps of the salary grade shall accrue and become due and payable on the next day following completion of required service as a permanent appointee in the class; provided that the above procedure for advancement to the salary grade increment steps is modified as follows:
179. d. An employee who (1) has completed probation in a permanent position, (2) is “Laid Off” from said position, (3) is immediately and continuously employed in another classification with the City either permanent or temporary, and (4) is thereafter employed in a permanent position without a break in service, shall, for the purposes of determining salary increments, receive credit for the time served while laid off from the employee’s permanent position.

180. When an employee changes from a permanent status (e.g., PEX) to temporary status (e.g., TEX) with no break in service, the employee shall be appointed to the corresponding salary step in the temporary status position.

181. An employee’s step in their permanent appointment shall carry forward for any service performed in a temporary appointment.

III.H. PROFESSIONAL DEVELOPMENT LEAVE

Employees who are employed on a part-time basis shall be allowed a proportionate amount of the fifty (50) hours of professional development leave if they have been employed at least an average of twenty (20) hours per week during the preceding six (6) months. Eligible employees may use professional development leave to study for Board certification and recertification examination during the six-month period before their examination date.

III.I. USE OF PERSONAL VEHICLES

183. The City shall reimburse an employee who is required by an authorized supervisor to use the employee’s own vehicle for City business at the rate set by the Controller pursuant to Administrative Code Section 10.34 and shall, in addition, reimburse the employee for all necessary parking meter, authorized parking lot, and toll expenses incurred while in the field. For those days on which the employee is required to use his own vehicle for City business, the City will reimburse the employee for the cost of parking the vehicle at an approved parking lot near the employee’s work site. DPH will attempt, to arrange with the appropriate City departments, including the Police Department, for the recognition of cars on official City business so as to avoid the imposition of parking tickets when parking meter times are exceeded. No employee using the employee’s own vehicle will be required to transport a patient in said vehicle. UAPD agrees that it shares the responsibility for these efforts, as do City employees.

III.J. PROFESSIONAL SERVICES REIMBURSEMENT

184. Each employee in paid status shall receive quarterly payments as allowance for professional services expenses for FY 2019-2020 and FY 2020-2021, in the amount of \$375 per quarter, less all applicable federal, state and local withholdings. In FY 2021-2022, each employee in paid status shall receive quarterly payments as allowance for professional services expenses, in the amount of \$400 per quarter, less all applicable federal, state and local withholdings. These payments will be made at the end of each quarter. These payments are provided in lieu of a Tuition Reimbursement Program.
185. This allowance is intended to cover all professional, job-related expenditures, including but not limited to:
- a. Medical board and other professional certifications;
 - b. Professional coursework where CME credits are obtained;
 - c. Membership fees or dues for medical professional organizations of the member’s choosing;
 - d. Medical Board legal consultation insurance; and
 - e. Equipment, including handheld devices.

186. This allowance is considered covered gross pay but is not pensionable.

III.K. REIMBURSEMENT FOR DRUG ENFORCEMENT ADMINISTRATION REGISTRATION AND PROVISION OF PRESCRIPTION PADS

187. If the federal exemption from payment of the Drug Enforcement Administration (DEA) registration fee for employees of municipal government institutions is discontinued, the City will reimburse the full cost of the application fee for such registration for any employee who is required as part of the employee’s official duties to administer, dispense or prescribe controlled substances and who is regularly scheduled for a minimum of twenty (20) hours per week.

188. This provision excludes employees who perform such official duties under the registration of a hospital or other institution and therefore are not required to be individually registered by the Drug Enforcement Administration.
189. The City shall provide the legally mandated tamper-resistant prescription pads to employees who are required as part of their official duties to administer, dispense or prescribe controlled substances.

III.L. REIMBURSEMENT FOR FEDERAL AND STATE MANDATED LICENSE FEES

190. The City will reimburse employees working twenty (20) hours or more per week for the cost of mandated Federal and State Medical license(s).

III.M. STATE DISABILITY INSURANCE

191. All employees covered by this Agreement shall be covered by State Disability Insurance, the cost of which coverage is to be borne by the individual employee.

III.N. HEALTH AND WELFARE

192. The City shall contribute annually for employee health benefits, the contribution required under the Charter. Any contributions the City makes shall not be considered as part of an employee's compensation for the purpose of computing straight time earnings, compensation for overtime worked, premium pay, or retirement benefits, nor shall such contributions be taken into account in determining the level of any other benefit which is a function of or percentage of salary.

a. Health Coverage Effective January 1, 2015

193. The contribution model for employee health insurance premiums will be based on the City's contribution of a percentage of those premiums and the employee's payment of the balance (Percentage-Based Contribution Model), as described below:

1) Employee Only:

194. For medically single employees (Employee Only) who enroll in any health plan offered through the Health Services System, the City shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the City's contribution shall be capped at ninety-three percent (93%) of the Employee Only premium of the second-highest-cost plan.

2) Employee Plus One:

195. For employees with one dependent who elect to enroll in any health plan offered through the Health Services System, the City shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the City's contribution shall be

capped at ninety-three percent (93%) of the Employee Plus One premium of the second-highest-cost plan.

3) Employee Plus Two or More:

196. For employees with two or more dependents who elect to enroll in any health plan offered through the Health Services System, the City shall contribute eighty-three percent (83%) of the total health insurance premium, provided however, that the City’s contribution shall be capped at eighty-three percent (83%) of the Employee Plus Two or More premium of the second-highest-cost plan.

4) Contribution Cap

197. In the event HSS eliminates access to the current highest cost plan for active employees, the City contribution under this agreement for the remaining two plans shall not be affected.

5) Average Contribution Amount

198. For purposes of this agreement, to ensure that all employees enrolled in health insurance through the City’s Health Services System (HSS) are making premium contributions under the Percentage-Based Contribution Model, and therefore have a stake in controlling the long term growth in health insurance costs, it is agreed that, to the extent the City’s health insurance premium contribution under the Percentage-Based Contribution Model is less than the “average contribution,” as established under Charter section A8.428(b), then, in addition to the City’s contribution, payments toward the balance of the health insurance premium under the Percentage-Based Contribution Model shall be deemed to apply to the annual “average contribution.” The parties intend that the City’s contribution toward employee health insurance premiums will not exceed the amount established under the Percentage-Based Contribution Model.

b. Other Agreements

199. Should the City and any recognized bargaining unit reach a voluntarily bargained agreement that results in City contributions to health insurance premiums exceeding those provided by the Percentage-Based Contribution Model, the City agrees to offer the entire alternate model to the Union as a substitute.

c. Dental Benefits

200. Each employee and dependent family member covered by this Agreement shall be eligible to participate in the City dental program at no additional cost.
201. Notwithstanding the provisions of paragraph 200 above, employees who enroll in the Delta Dental PPO Plan shall pay the following premiums for the respective coverage levels: \$5/month for employee-only, \$10/month for employee + 1 dependent, or \$15/month for employee + 2 or more dependents.

d. Benefits While On Unpaid Leave

202. As set forth in Administrative Code Section 16.701(b), covered employees who are not in active service for more than twelve weeks, shall be required to pay the Health Service System for the full premium cost of membership in the Health Service System to continue benefits, unless the employee is on sick leave, workers' compensation leave, mandatory administrative leave, approved personal leave following family care leave, disciplinary suspensions or on a layoff holdover list where the employee verifies that they have no alternative coverage.

e. Life Insurance

203. When an employee becomes eligible to participate in the Health Services System under San Francisco Administrative Code Section 16.700, the City shall provide that employee with term life insurance in the amount of \$50,000.

III.O. LONG TERM DISABILITY

204. The City, at its own cost, shall provide to employees with six (6) months continuous service (at twenty (20) hours or more a week), a Long Term Disability (LTD) benefit that provides, after a one hundred eighty (180) day elimination period, sixty percent (60%) salary (subject to integration) up to age sixty-five. Employees who are receiving or who are eligible to receive LTD shall be eligible to participate in the City's Catastrophic Illness Program only to the extent allowed for in the ordinance governing the program.
205. Effective January 1, 2016, the City, at its own cost, shall provide to employees with six (6) months continuous service (at twenty (20) hours or more per week), a Long Term Disability (LTD) benefit that provides, per the plan document, after a ninety (90) day elimination period, sixty-six and two thirds percent (66 2/3%) salary (subject to integration and to maximum monthly benefits in the LTD policy) up to age sixty-five. Employees who are receiving or who are eligible to receive LTD shall be eligible to participate in the City's Catastrophic Illness Program only to the extent allowed for in the ordinance governing the program.

III.P. RETIREMENT

206. Represented employees agree to pay their own employee retirement contribution to SFERS. For employees who became members of SFERS prior to November 2, 1976 (Charter Section A8.509 Miscellaneous Plan), the City shall pick up one-half percent (0.5%) of the employee retirement contribution to SFERS.
207. Any City pick-up of an employee's retirement contributions shall not be considered as part of an employee's compensation for the purpose of computing straight time earnings, compensation for overtime worked, premium pay, or retirement benefits, nor shall such contributions be taken into account in determining the level of any other benefit which is a function of or percentage of salary.

208. The parties acknowledge that the San Francisco Charter establishes the levels, terms and conditions of retirement benefits for members of the San Francisco Employees Retirement System (SFERS). The fact that a MOU does not specify that a certain item of compensation is excluded from retirement benefits should not be construed to mean that the item is included by the Retirement Board when calculating retirement benefits.
209. Subject to development, availability and scheduling by SFERS, employees shall be allowed not more than one day during the life of this Agreement to attend a pre-retirement planning seminar sponsored by SFERS.
210. Employees must provide at least two weeks advance notice of their desire to attend a retirement planning seminar to the appropriate supervisor. An employee shall be released from work to attend the seminar unless staffing requirements or other Department exigencies require the employee's attendance at work on the day or days such seminar is scheduled. Release time shall not be unreasonably denied.
211. All such seminars must be located within the Bay Area.
212. The Retirement provisions shall not be subject to the grievance procedure.

III.Q. VACATIONS

213. Vacation benefits shall be administered pursuant to the Vacation Ordinance in the Administrative Code, Chapter 16, Article II. The maximum number of vacation hours an employee may accrue is set forth in Administrative Code §16.12(e).

215. After five (5) years continuous service, fifteen (15) working days.
216. After fifteen (15) years continuous service, twenty (20) working days.
217. Vacation pay for employees working less than full time shall be computed proportionately.

 - First Monday in September (Labor Day)
 - The second Monday in October (Columbus Day)
 - November 11 (Veteran's Day)
 - Thanksgiving Day

- the day after Thanksgiving
- December 25 (Christmas Day)

219. Non-“Z” employees will still be eligible to earn holiday pay (HP) at the one-and-one-half time rate if they work on the holiday, but will not earn pay for the legal holiday (LH).
220. Provided further, if January 1, July 4, November 11 or December 25 falls on a Sunday, the Monday following is a holiday.
221. In addition, included shall be any day declared to be a holiday by proclamation of the Mayor after such day has heretofore been declared a holiday by the Governor of the State of California or the President of the United States.
222. Employees are granted five (5) floating holidays in each fiscal year to be taken on days selected by the employee subject to the approval of the Appointing Officer. Employees hired on an as-needed, part-time, intermittent, or seasonal basis shall not receive the additional floating holidays. Floating holidays may not be carried forward from one fiscal year to the next and no compensation of any kind shall be earned or granted for floating holidays not taken.
223. Employees who have established initial eligibility for floating holidays and who subsequently separate from City employment, may, at the sole discretion of the appointing authority, be granted those floating holiday(s) to which the separating employee was eligible and had not yet taken.
224. For those employees assigned to a work week of Monday through Friday, and in the event a legal holiday falls on Saturday, the preceding Friday shall be observed as a holiday; provided, however, that except where the Governor declares that such preceding Friday shall be a legal holiday, each department head shall make provision for the staffing of public offices under the department head’s jurisdiction on such preceding Friday so that said public offices may serve the public as provided in Section 16.4 of the Administrative Code. Those employees who work on a Friday which is observed as a holiday in lieu of a holiday falling on a Saturday shall be allowed a day off in lieu thereof as scheduled by the appointing officer in the current fiscal year.

III.S. HOLIDAY COMPENSATION FOR TIME WORKED

225. Executive, administrative and professional employees designated in the Annual Salary Ordinance with the “Z” symbol shall not receive extra compensation for holiday work but may be granted time off equivalent to the time worked at the rate of one-and-one-half times for work on the holiday.

III.T. HOLIDAYS FOR EMPLOYEES ON WORK SCHEDULES OTHER THAN MONDAY THRU FRIDAY

226. Employees assigned to seven-day operation departments or employees working a five-day work week other than Monday through Friday shall be allowed another day off if a

holiday falls on one of their regularly scheduled days off. Employees whose holidays are changed because of shift rotations shall be allowed another day off if a legal holiday falls on one of their days off. Employees regularly scheduled to work on a holiday which falls on a Saturday or Sunday shall observe the holiday on the day it occurs, or if required to work shall receive holiday compensation for work on that day. Holiday compensation shall not be paid for work on the Friday preceding a Saturday holiday nor on the Monday following a Sunday holiday.

227. Notwithstanding the provisions of paragraph 226 above, employees assigned to seven (7) day-operation departments or employees working a workweek other than Monday through Friday shall be required to take the first work day after the holiday off unpaid if one of the unpaid legal holidays referenced in paragraph 218 falls on one of their regularly scheduled days off unless operational impact makes that infeasible. In such an instance, the employee will be scheduled for another unpaid day off in the pay period in which the holiday falls.
228. If the provisions of this Section deprive an employee of the same number of holidays that an employee receives who works Monday through Friday, the employee shall be granted additional days off to equal such number of holidays. The designation of such days off shall be by mutual agreement of the employee and the appropriate supervisor with the approval of the appointing officer. Such days off must be taken within the fiscal year. In no event shall the provisions of this Section result in such employee receiving more or less holiday entitlement than an employee on a Monday through Friday work schedule.

III.U. HOLIDAY PAY FOR EMPLOYEES LAID OFF

229. An employee who is laid off at the close of business the day before a holiday who has worked not less than five previous consecutive work days shall be paid for the holiday.

III.V. EMPLOYEES NOT ELIGIBLE FOR HOLIDAY COMPENSATION

230. Persons employed for holiday work only, or persons employed on a part-time work schedule which is less than twenty (20) hours in a bi-weekly pay period, or persons employed on an intermittent part-time works schedule (not regularly scheduled), or persons employed on as-needed, seasonal, or project basis for less than six (6) months continuous service, or persons on leave without pay status both immediately preceding and immediately following the legal holiday shall not receive holiday pay.

III.W. PART-TIME EMPLOYEES ELIGIBLE FOR HOLIDAYS

231. Part-time employees, including employees on a reduced work week schedule, who regularly work a minimum of twenty (20) hours in a bi-weekly pay period shall be entitled to holidays as provided herein on a proportionate basis.
232. Regular full-time employees, are entitled to 8/80 or 1/10 time off when a holiday falls in a bi-weekly pay period, therefore, part-time employees, as defined in the immediately preceding paragraph, shall receive a holiday based upon the ratio of 1/10 of the total hours

regularly worked in a bi-weekly pay period. Holiday time off shall be determined by calculating 1/10 of the hours worked by the part-time employee in the bi-weekly pay period immediately preceding the pay period in which the holiday falls. The computation of holiday time off shall be rounded to the nearest hour.

233. The proportionate amount of holiday time off shall be taken in the same fiscal year in which the holiday falls. Holiday time off shall be taken at a time mutually agreeable to the employee and the appointing officer.

III.X. TIME OFF FOR VOTING

234. If an employee does not have sufficient time to vote outside of working hours, the employee may request so much time off as will allow time to vote, in accordance with the State Election Code.

III.Y. RETURN TO WORK

235. The City will make a good faith effort to return an employee, who is pregnant or who has sustained an injury or illness and whose doctors certify that the employee is temporarily unable to perform specified aspects of the employee's regular job duties, to temporary modified duty within the employee's medical restrictions. Duties of the modified assignment may differ from the employee's regular job duties and/or from job duties regularly assigned to employees in the injured employee's class, provided, however, that no bargaining unit member shall be assigned to work in any classification other than those represented by the Union. After a period of three (3) months, the parties shall evaluate the modified duty assignment in conjunction with the employee's medical restrictions. It is understood that modified duty assignments are temporary only.
236. An employee who is absent because of an occupational or non-occupational disability and who is receiving Temporary Disability, vocational Rehabilitation Maintenance Allowance, State Disability Insurance, may request that the amount of disability indemnity payment be supplemented with salary to be charged against the employee's accumulated unused sick leave with pay credit balance at the time of disability, compensatory time off, or vacation, so as to equal the normal salary the employee would have earned for the regular work schedule.
237. An employee who wishes not to supplement, or who wishes to supplement with compensatory time or vacation, must submit a written request to the Appointing Officer or designee within seven (7) calendar days following the first date of absence. Written requests made subsequent to this time shall be effective at the start of the payroll period following the request. Disability indemnity payments will be automatically supplemented with sick pay credits (if the employee has sick pay credits and is eligible to use them) to provide up to the employee's normal salary unless the employee makes an alternative election as provided in this section.
238. Salary may be paid on regular time-rolls and charged against the employee's sick leave with pay, vacation, or compensatory time credit balance during any period prior to the

determination of eligibility for disability indemnity payment without requiring a signed option by the employee.

239. Sick leave with pay, vacation, or compensatory time credits shall be used to supplement disability indemnity pay at the minimum rate of one (1) hour units.
240. The City reserves the right to take any action necessary to comply with its obligations under the Americans with Disabilities Act, the Fair Employment and Housing Act and all other applicable federal, state and local disability anti-discrimination statutes. Any employee required to appear in court, hearing, or deposition to give testimony directly related to the performance of the employee's job duties outside the employee's normal working hours shall be compensated for such time in accordance with the compensation provisions of this MOU. Any witness or other fee payable by a third party for the testimony of any employee directly related to the performance of the employee's job duties shall be paid directly to the City where the employee is compensated for such time by the City.
243. Employees assigned to jury duty whose regular work assignments are swing, graveyard, or weekend shifts shall not be required to work those shifts when serving jury duty, provided the employee gives prior notice of the jury duty to the supervisor.
244. To receive leave with pay for jury duty, employees must (1) provide written proof of jury service from the court to verify actual appearance for each day of jury duty, and (2) decline any payment from the court for jury duty.
245. If an employee is required to call-in during the work day for possible midday jury duty, the employee shall coordinate in advance with the employee's supervisor about whether and when to report to work.

ARTICLE IV – WORKING CONDITIONS

IV.A. HEALTH & SAFETY CONDITIONS

246. The Department shall attempt to provide a safe and healthy work place for City employees. UAPD agrees that it shares the responsibility for these efforts, as do City employees.
247. When an employee, in good faith, believes that a hazardous and unsafe condition exists, and that continuing to work under such conditions pose risks beyond those normally associated with good medical/dental practice, and is outside accepted norms for practice, the employee shall so notify the Department’s Safety Committee and/or Safety Officer. If the Department agrees the assignment is hazardous or unsafe, the employee shall be reassigned, if possible, until the hazard is eliminated. If there is no concurrence, the matter may be submitted to the Grievance Procedure for final resolution. The employee’s assignment shall be continued until the dispute is resolved.

By mutual agreement, the number of committee members may increase, depending on the subjects to be discussed. The committee members may change depending on the subjects to be discussed. Release time for UAPD members shall be subject to approval by the appropriate supervisor and based on operational needs.
253. Meetings shall be conducted on a quarterly basis, four (4) times in a year and each meeting shall not exceed two (2) hours in length. Additional meetings may be scheduled by mutual agreement. Meetings may also be cancelled by mutual agreement. The Union shall submit topics for the agenda ten (10) working days prior to the quarterly meetings and shall identify the UAPD members to ensure that appropriate release time can be arranged. Upon receiving the Union's agenda, management shall notify the Union of the management representatives who will attend the meeting.
254. Neither the provisions of this Joint Labor Management Committee section nor the topics or issues discussed at the meetings are grievable. Nothing in this section shall prevent a member from filing a grievance under another provision of this MOU which provides for a grievance process.

Therefore, the parties agree that such terms will be read as if they accurately referenced the same sections in their newly codified form as of July 1, 2003.

V.A. REOPENER IN THE EVENT OF CHARTER AMENDMENT OR COURT DECISION

SECTION 2: SICK LEAVE - GENERAL PROVISIONS

Eligibility for Sick Leave

Subject to the provisions herein, employees and officers (hereinafter called "employees") who are absent from their duties because of illness or disability are eligible for sick leave.

Verification of Sick Leave

The appointing officer or designee to whom application for sick leave is made may make such independent investigation as to the necessity for sick leave as is deemed proper and may require certification for any period of sick leave, provided that the employee has been previously notified in writing that such certification for absence of less than five working days shall be required.

The Human Resources Director may at any time make such independent investigation as may be deemed proper regarding the illness of any person on sick leave.

Retirement Automatically Terminates Sick Leave

Sick leave shall automatically terminate on the effective date of an employee's retirement.

Abridgment of Sick Leave

Sick leaves granted in excess of five working days may be abridged if the employee presents to the appointing officer or designee medical evidence of capability to resume all the duties of the position.

Types of Sick Leave

Sick Leave - Medical Reasons

Sick Leave - Quarantine

Bereavement

Absence because of the death of the employee's spouse or domestic partner, parents, step parents, grandparents, parents-in-law or parents of a domestic partner, sibling, child, step child, adopted child, a child for whom the employee has parenting responsibilities, aunt or uncle, legal guardian, or any person who is permanently residing in the household of the employee. Such leave shall not exceed three working days and shall be taken within 30 calendar days after the date of death; however, two additional working days shall be granted in conjunction with the bereavement leave if travel outside the State of California is required as a result of the death.

For absence because of the death of any other person to whom the employee may be reasonably deemed to owe respect; leave shall be for not more than one working day; however, two additional working days shall be granted if travel outside the State of California is required as a result of the person's death.

Sick Leave - Maternity

Maternity leave shall not exceed six months provided that such leave may be extended for permanent employees if a physician certifies that a longer convalescence period is required. Such extensions shall be subject to the provisions of this section governing sick leave without pay.

Sick Leave - Illness or Medical Appointment of Child

Absence because of the illness, injury, or medical or dental appointment of a biological or adoptive child, or child for whom the employee has parenting or child rearing responsibilities.

Sick Leave - Compulsory

Leave imposed by an appointing officer due to an employee's medical inability or incapacity to perform all the duties of the position as provided elsewhere in this section.

SECTION 3: SICK LEAVE WITH PAY

Sick Leave with Pay Eligibility

Sick leave with pay may be granted to employees who have earned sick leave with pay credits and who have served a total of six continuous months of regularly scheduled paid service except that supplemental disability credits may be used to supplement disability indemnity payments as provided elsewhere in this section regardless of length of service and except that an authorized leave of absence with or without pay granted under this section shall not be considered as a break in the continuous service of an employee.

A break in service of more than six continuous months by any employee other than an employee designated as a "holdover" will cause prior accumulated sick leave with pay credits to be canceled and eligibility for sick leave with pay must be re-established.

Sick leave with pay credits will continue to accrue at the normal rate while an employee is on either furlough or voluntary unpaid time off in accordance with this provision, for a maximum of up to ten days per fiscal year for imposed furlough or 20 days per fiscal year for voluntary unpaid time off.

Sick Leave with Pay - Maximum Accumulation of Credits

Sick leave with pay credits shall be cumulative but the accumulated balance of unused sick leave with pay credits shall not exceed the equivalent of six months which is the hourly equivalent of 130 working days based on the regular daily work schedule as defined, provided that in no case may the total accumulated unused sick leave with pay credit balance exceed 1040 hours for any employee. Maximum accumulated sick leave with pay credits shall be reduced proportionately for employees entering a class or position where the regular work schedule is less than the class exiting if such employees have accumulated unused sick leave with pay credits in excess of the maximum allowable for the new class or position. Such employees shall have all such credits restored upon return to a class or position with an increased regular work schedule.

Sick Leave with Pay - Restrictions

An appointing officer or designee may require proof of incapacitation before granting sick leave with pay for any period of time and may withhold pay for failure to submit such proof provided that the employee had been previously notified in writing that such proof would be required for absences of less than five working days.

The rate of earning and accumulating sick leave with pay credits and authorization for its use under this provision shall in no way inhibit or restrict the right of an appointing officer to establish standards of attendance.

Prohibition Against Employment While on Sick Leave with Pay

Employees are prohibited from working in any other employment while on sick leave with pay unless, after considering the medical reason for the sick leave with pay, the appointing officer with the approval of the Human Resources Director, grants permission for the employee to engage in a secondary employment subject to the provisions of the Civil Service Rules governing such employment.

Violators of this section are subject to disciplinary action as provided in the Charter.

Calculation of Sick Leave with Pay Credits

Sick leave with pay credits shall be earned at the rate of .05 hours for each hour of regularly scheduled paid service excluding, overtime exceeding 40 hours per week and holiday pay, except that an employee on disability leave shall earn sick leave with pay credits at the normal rate.

Disbursement of Sick Leave with Pay Credits

Sick leave with pay credits shall be used and deducted at the minimum rate in units of one hour for those employees whose credits are calculated in hours.

Conversion of Sick Leave with Pay Credits from Days to Hours

Sick leave with pay credit balances shall be converted from days to hours based on the equivalent number of hours in such employee's sick leave with pay credit balances.

Employees Injured by Battery

Sick leave with pay under this section shall be known as "leave due to battery" and shall be subject to approval by the Human Resources Director. The Human Resources Director shall make such investigation as is deemed appropriate and may include medical examinations by a physician(s) designated by the Human Resources Director.

Authorized sick leave under this section shall not be charged against earned sick leave with pay credits.

Denial of Sick Leave with Pay

Denial of sick leave with pay to an appointee who is eligible and qualified for such leave is subject to the grievance procedure.

Reimbursement of Vested and Unused Accumulated Sick Leave with Pay Credits Balance

Schedule of Service Requirements and Allowances for Reimbursement of Vested and Unused Accumulated Sick Leave with Pay Credit Balance at the Time of Retirement, Separation Because of Accident or Death	
Service Requirement	Amount of Cash Reimbursement
15 or more years of service	100%
More than 5 continuous years but less than 15 continuous years of service	50%
Up to and including 5 continuous years of service	33.3%

Reimbursement for the vested and unused accumulated sick leave with pay credit balance shall be further subject to the following:

1. The Human Resources Director shall administer the provisions of this section.
2. Deduction shall be made from the unused accumulated sick leave with pay credit balance which existed on December 5, 1978, in an amount proportional to any credits used of that balance. Reimbursement shall be made only for the adjusted amount with all credits from the December 5, 1978, balance subsequently used being deducted.
3. Reimbursement for the vested and unused accumulated sick leave with pay credit balance shall be payable at the time of retirement, separation caused by industrial accident or death, or at a later date when so selected by the employee, but within one year of such retirement, separation or death.
4. Reimbursement is to be computed at the base rate of pay of an employee's permanent class, at the base rate of pay of the class of a temporary or provisional employee with no permanent status, or at the base rate of pay in a temporary or provisional appointment of an employee with permanent status in another class who has held such temporary or provisional appointment continuously for one or more years at the time of separation.
5. No reimbursement shall be made for unused sick leave with pay credits earned on or after December 6, 1978.
6. The enactment of this section is not intended to constitute additional compensation, nor be a part of the rate of pay of the employee, but is reimbursement for the vested and unused accumulated sick leave with pay credit balance to which an employee would have been entitled if the employee had not retired, separated due to industrial injury or died.

SECTION 4: SICK LEAVE WITHOUT PAY

Sick Leave without Pay - Eligibility

Subject to the provisions of this section, sick leave without pay may be granted to employees who are not eligible for sick leave with pay or, subject to the approval of the appointing officer or designee, employees may choose not to use their sick leave with pay credits.

Sick Leave without Pay - Temporary and Provisional Employees

Sick leave without pay may be granted to temporary or provisional employees. Such leave shall be renewed monthly and shall not be extended beyond three calendar months except for sick leave - maternity.

Sick Leave without Pay - Permanent Employees

Sick leave without pay may be approved for permanent employees for the period of the illness provided that requests for prolonged leave shall be renewed every three months and provided further that such leave shall not be extended beyond a period of one continuous year.

Prohibition Against Employment While on Sick Leave Without Pay

Employees are prohibited from working in any other employment when on sick leave without pay unless, after considering the medical reason for the sick leave without pay, the appointing officer with the approval of the Human Resources Director, grants permission for the employee to engage in outside employment.

Violators of this section are subject to disciplinary action.

SECTION 5: COMPULSORY SICK LEAVE

Compulsory Sick Leave

An appointing officer or designee who has reason to believe that an employee is not medically or physically competent to perform assigned duties, and if allowed to continue in employment or return from leave may represent a risk to co-workers, the public and the employee, may require the employee to present a medical report from a physician designated by the Human Resources Director certifying the employee's medical or physical competency to perform the required duties.

If the employee refuses to obtain such physician's certificate or if as a result of a medical evaluation, the employee is found not to be medically or physically competent, the appointing officer or designee may place the employee on compulsory sick leave and shall immediately report such action to the Human Resources Director.

An employee shall remain on compulsory sick leave until such time as the employee is found to be competent to return to duty by a physician designated by the Human Resources Director, but such leave shall not exceed the maximum period of sick leave provided in this provision.

An employee placed on compulsory sick leave may appeal the imposition of compulsory sick leave to the Human Resources Director within fifteen (15) calendar days of the effective date of the leave. The Human Resources Director shall appoint a medical specialist not in the City and County service who practices in the City and County of San Francisco, to conduct an evaluation and to report the findings. This evaluation shall be conducted at the cost of the City and County. The decision of the medical specialist shall be final and no further appeal shall be allowed. If the medical specialist confirms the compulsory sick leave, the specialist shall specify the duration of the leave.

SECTION 6: DISABILITY LEAVE

Use of Sick Leave with Pay Credits to Supplement State Disability Insurance

Sick leave with pay credits shall be used to supplement State Disability Insurance (SDI) at the minimum rate in units of one hour.

SDI payments to an employee who qualifies and who has accumulated and is eligible to use sick leave with pay credits shall be supplemented with sick leave with pay credits so that the total of SDI and sick leave with pay calculated in units of one-hour provides up to, but does not exceed, the regular gross salary the employee would have received for the normal work schedule excluding overtime.

An employee who wishes not to supplement, or who wishes to supplement with compensatory time or vacation, must submit a written request on a form prescribed by the Human Resources Director to the appointing officer or designee within seven calendar days following the first date of absence.

Employees who are supplementing SDI earn sick leave with pay credits at the normal rate only for those hours of sick leave with pay credits used.

SECTION 7: MILITARY, WAR EFFORT AND SEA DUTY LEAVES

Military Leave

Military leave is governed by the provisions of applicable Federal and State laws, by Charter provision and by this provision.

Military Leave - Time of War

Leaves of absence shall be granted to officers and employees for service in the armed forces of the United States or the State of California or for service on ships operated by or for the United States government in time of war and for a period not to exceed three months after the conclusion of such service, but not later than one year after the cessation of hostilities, except in case of disability incurred while in active service with the armed forces or the merchant marines when such disability shall extend beyond such period.

Military Leave - Time of Peace

Whenever any officer or employee shall, by order of the government of the United States or by lawful order of any of its departments or officers, or by lawful order of the State of California, or any of its departments or officers, be directed in time of peace to report and serve in the armed forces of the United States, or in the armed forces of the State of California, said officer or employee shall be entitled to a leave of absence from the employee's office or position during the time of such service and for a period not to exceed three months after the expiration thereof.

Military Leave - Permanent Appointees

Any officer or employee on military leave, who prior to such leave has been appointed to a permanent position in the City and County service, shall be entitled to resume such position at the expiration of the leave, and in determining and fixing rights, seniority, salary and otherwise which have accrued and shall inure to the benefit of such officer or employee, the term of military leave shall be considered and accounted as part of the employee's service to the City and County.

Military Leave - Proof of Duty

Officers and employees requesting military leave shall file with the Human Resources Director a copy of the orders necessitating such service prior to the effective date of the leave of absence and upon return from such leave shall submit a copy of the discharge or release.

Military Leave - Salary While on Temporary Leave

Employees who have been employed by the City and County or any other public agency or have been on military duty for a period of not less than one year continuously prior to the date upon which temporary military leave not exceeding 180 calendar days begins shall, as required by the State of California Military and Veterans' Code (Section 395), receive their regular salary or compensation for a period not to exceed 30 calendar days of such military leave in any fiscal year or more than 30 calendar days during any period of continuous military leave.

War Effort Leave

The Board of Supervisors may provide by ordinance that leaves of absence shall be granted to officers and employees during time of war for service directly connected with the prosecution of the war or national defense or preparedness.

Leave for Sea Duty as Licensed Officers

In time of war or while any act authorizing compulsory military service or training is in effect, the Board of Supervisors may provide by ordinance that leaves of absence shall be granted to officers and employees for sea duty as licensed officers aboard ships operated by or for the United States government.

SECTION 8: UNPAID ADMINISTRATIVE LEAVE OR FURLOUGH

General Provisions

Notwithstanding the layoff and involuntary leave provisions or any other provisions of this agreement, an appointing officer is authorized to impose unpaid administrative leave (furlough) on any employee within that appointing officer's jurisdiction as provided in this section. The imposition of furloughs shall be subject to receipt of a Projected Deficit Notice (PDN) from the Controller stating that the department's budget will be insufficient to support the department's level of spending through the end of the fiscal year.

The authority of the appointing officer to impose furloughs shall be limited to those furloughs necessary to correct the projected deficit identified by the Controller.

No provision of Layoff and Involuntary Leave, including but not limited to any provision regarding the order of layoff, displacement of less senior employees, or reinstatement, shall be applicable to any employees furloughed hereunder.

Voluntary Unpaid Time Off

Prior to imposing a furlough on any employee, an appointing officer shall attempt to determine, to the extent feasible and with due consideration for the time constraints which may exist for eliminating the projected deficit, the interest of employees within the appointing officer's jurisdiction in taking unpaid personal time off on a voluntary basis.

The appointing officer shall have full discretion to approve or deny requests for voluntary unpaid time off based on the operational needs of the department and any court decrees or orders pertinent thereto. The decision of the appointing officer shall be final except in cases where requests for voluntary unpaid time off in excess of ten working days are denied. In such cases, an employee may appeal in accordance with the procedures provided below for appealing imposition of furlough.

An employee shall be entitled to take up to ten unpaid days per fiscal year at the rate of no more than five days in a three month period, at the employee's discretion, upon at least 15 calendar days prior written notice to the employee's appointing officer. Such request shall not be denied except for the reason of a requirement that such position be filled on an overtime or premium pay basis, for essential operational needs or the requirements of a court decree or order.

Furloughs

Appointing officers are encouraged to furlough entire operational units within departments rather than individual employees; or stagger work hours within an operational unit on a reduced hours basis. The decision of the appointing officer to impose furloughs under this subsection, and the appointing officer's determination of what constitutes an operational unit, shall be final.

Where, in the discretion of the appointing officer, furlough of an operational unit as prescribed above is not feasible, individual employees within an operational unit may be furloughed.

To the extent practicable, furlough shall be equitably distributed among all of the employees in the affected department or operational unit to which the Projected Deficit Notice (PDN) has application; and, all of the employees in the affected class(es).

In determining which employees to furlough, an appointing officer shall consider citywide seniority within a class as well as considering the operational needs of the department.

In no event shall furlough be imposed upon an employee for more than four days in any three month period or ten days in any fiscal year. Voluntary time off not to exceed a total of five days per quarter or ten days per year, approved pursuant to this section, shall be credited toward the maximum number of furlough days which may be imposed pursuant to this provision.

Employees placed on furlough pursuant to this section shall be notified in writing at least 15 calendar days in advance of the effective date for the furlough.

The decision to furlough an individual employee within an operational unit shall be final except that an employee given notice of a furlough, which taken together with an employee's prior furloughs in the same fiscal year would exceed five working days within any six month period, may file an appeal. Such appeals must be in writing and filed within three calendar days of the date of the notice of furlough with the Human Resources Director with a copy to the appointing officer. Within three calendar days after receiving the appeal, the Department of Human Resources shall refer the written appeal and the appointing officer's written comments, if any, for determination to the Human Resources Director, the Mayor and the Controller, or their designees, who shall meet on no less than 24 hours public notice. The determination regarding the appeal shall be rendered within seven calendar days of the date of the appeal. This decision is final and shall not be reconsidered by the Civil Service Commission. The Human Resources Director shall notify the employee and the appointing officer of the decision prior to the effective date of the furlough.

Restrictions on Use of Paid Time Off While on Voluntary Unpaid Time Off or Furlough

All voluntary unpaid time off or furlough imposed or granted pursuant to this section shall be without pay.

Employees granted voluntary unpaid time off or placed on furlough are precluded from using sick leave with pay credits, vacation credits, compensatory time off credits, floating holidays, training days or any other form of pay for the time period involved.

Imposition of Furlough - Fair Labor Standards Act (FLSA) Restrictions

Furlough for employees who are non-exempt under the Fair Labor Standards Act (FLSA) shall be imposed in minimum increments of one hour.

Furlough for employees who are exempt under the Fair Labor Standards Act (FLSA) shall be imposed in minimum increments of one day.

Vacation and Sick Leave with Pay Accruals While on Voluntary Unpaid Time Off or Furlough

Subject to passage of necessary ordinances by the Board of Supervisors, vacation and sick leave with pay accruals shall continue during a maximum of ten days of furlough in any fiscal year, or a maximum of 20 days for approved voluntary unpaid time off taken pursuant to this Section in any fiscal year.

Duration and Revocation of Voluntary Unpaid Time Off or Furlough

Furlough imposed upon an employee shall remain in force for the period specified in the written notice unless sooner revoked by written notice from the appointing officer. Approved voluntary unpaid time off taken pursuant to this section may not be changed by the appointing officer without the employee's consent.

Resolution of Disputes

Except as provided elsewhere in this section, the Human Resources Director shall act on all disputes arising out of the application or implementation of the provisions of this section. The decision of the Human Resources Director shall be final.

SECTION 9: OTHER LEAVES OF ABSENCE

Leave to Accept Other City and County Position

Leave by an employee who has completed the probationary period to accept exempt or temporary appointment in the City and County service may be approved for the duration of such appointment.

Denial of such leave by the appointing officer is appealable as provided elsewhere in this section.

Educational Leave

Educational leave may be approved for permanent appointees for a period of up to one year. Requests for educational leave of longer than one year must be renewed each year.

Denial of educational leave is appealable as provided elsewhere in this section.

An employee on educational leave shall not accept other employment without approval of the appointing officer and the Human Resources Director, except for employment in vacant positions with the City and County during school vacations.

As soon as records are available, the employee shall periodically present to the appointing officer a record of completed educational work. These records shall be maintained in such a manner as to be readily available for audit by Department of Human Resources staff. Failure to submit an acceptable record of completed educational work shall subject the employee to disciplinary action.

Leave for Civilian Service in the National Interest

Such leave may be approved for permanent appointees for a period of up to one year. Requests for such leave of longer than one year must be renewed each year.

Denial of such leave is appealable as provided elsewhere in this section.

Leave for Employment as an Employee Organization Officer or Representative

Leave for permanent appointees may be approved for the duration of such service.

Denial of such leave is appealable as provided elsewhere in this provision.

Family Care Leave

Permanent employees who have one or more years of continuous service in any status may be granted up to one year of unpaid family care leave for the following reasons:

1. The birth of a biological child of the employee;

2. The assumption by the employee of parenting or child rearing responsibilities. Family care leave does not apply to an employee who temporarily cares for a child for compensation, such as a paid child care worker;
3. The serious illness or health condition of a family member of the employee, the employee's spouse or domestic partner, a parent of the employee or the employee's spouse or domestic partner, the biological or adoptive child of the employee, or a child for whom the employee has parenting or child rearing responsibilities; or
4. The mental or physical impairment of a family member of the employee, the employee's spouse or domestic partner, a parent of the employee or the employee's spouse or domestic partner, the biological or adoptive child of the employee, or a child for whom the employee has parenting or child rearing responsibilities, which impairment renders that person incapable of self-care.

Family care leave is unpaid leave. Such leave may be granted in addition to accumulated compensatory time off, vacation time, floating holiday time or sick leave as specified under Sick Leave - Illness or Medical Appointment of Child.

Denial of family care leave is appealable as provided elsewhere in this section.

Vacation Leave

Vacation leave shall be as provided in the Charter and by ordinance of the Board of Supervisors.

Involuntary Leave of Absence

Whenever it becomes necessary to effect a reduction in force due to lack of work or lack of funds which shall result in the displacement of a permanent or probationary appointee from the City and County service, an appointing officer, notwithstanding other provisions of these Rules governing leaves of absence, shall place such employees on a leave of absence of an involuntary nature unless the employee elects to be laid off.

Such reductions in force shall be effected by the provisions of this section governing seniority and order of layoff.

Leaves of absence imposed under the provisions of this section shall expire upon the return to duty of the holdover, upon the expiration of holdover status, or upon written request of the employee to elect to be laid off while on involuntary leave.

Religious Leave

Religious leave shall be without pay unless the employee elects to use accumulated compensatory time off, vacation time, or floating holiday time.

Denial of religious leave is appealable as provided elsewhere in this section.

Personal Leave

Personal leave for permanent employees may be approved for a period of up to 12 months within any two-year period. Personal leave for temporary or provisional employees may be approved only if replacement of the employee is not required and for a maximum of one month.

On the request of an appointing officer, the Human Resources Director, may for reasons deemed to be in the best interest of the service approve extension of personal leave for permanent employees beyond a 12 month period.

SECTION 10: APPEAL PROCEDURES

Appeal Procedures

Appeals concerning furloughs or voluntary unpaid time off are excluded from appeal under this section and are appealable as provided elsewhere in this Agreement.

Unless otherwise provided, a dispute concerning the application or implementation of the provisions of this section shall be processed in accordance with the grievance procedure.

APPENDIX A – UNION ACCESS TO NEW EMPLOYEES PROGRAM

I. Purpose

The purpose of this agreement is to memorialize the rights and obligations of the City and the Union in accordance with CA Government Code Sections 3555-3559, through the creation of a single, City-wide Union Access to New Employees Program applicable to all City Agencies and all City Employee Unions.

II. Notice and Access

- A. The City shall provide the Union written notice of, and access to, new employee orientations (hereinafter NEOs) as set forth below. It is the City's policy that NEOs are mandatory for all newly-hired employees. It is the City's intent that NEOs take place as promptly as possible after the first day of employment. Within thirty (30) calendar days of the start of employment, newly-hired employees will be scheduled to attend the next available NEO. NEOs shall be scheduled during an employee's regularly scheduled, paid time. In the event that a newly-hired employee's regular schedule is outside of a scheduled NEO, the Department may make a one-time adjustment to the employee's work schedule in order to accommodate this requirement.

In the event an employee does not attend the NEO that the employee was scheduled to attend, said employee will be automatically enrolled to attend the next available NEO. If the employee does not attend the subsequently scheduled NEO, the Union NEO Coordinator may contact the Departmental NEO coordinator to arrange a meeting with the employee pursuant to Section F., below.

- B. Application: New employees include, but are not limited to, newly-hired employees whose positions are permanent, temporary, full-time, part-time, per diem, seasonal, provisional, or as-needed.

C. Notice

1. Single Point of Contact: The Union agrees to provide the City with a single point of contact (hereinafter, Union NEO Coordinator) and the City agrees to provide the Union with a single point of contact for each Department (hereinafter, Departmental NEO Coordinator), which will be updated by the City and the Union on an as-needed basis.
2. Notice of Schedule: For any NEO that takes place on a regular, recurring schedule, the sponsoring Department shall be responsible for providing annual notice to the Union. For NEOs that are not offered on a regular, recurring schedule, the sponsoring Department shall provide no less than ten (10) business days' notice. Said notices shall be provided by email, to the Union NEO Coordinator. This requirement shall apply to all NEOs in which City personnel provide newly-hired employees with information regarding employment status, rights, benefits, duties, responsibilities, or any other employment-related matters.
3. Notice of Enrollment: Notice shall include a list of new employees represented by the Union scheduled to attend the NEO. If practical, the City agrees to provide additional identifying information including, but not limited to, classification and department. Six

months from enactment, in the event the City is unable to provide classification and department information in the Notice of Enrollment, the Union can reopen this Agreement for the sole purpose of meeting and conferring over the identifying information provided in this Section II.C.3 Notice of Enrollment. Said meeting and conferring shall not be subject to the impasse procedures in Government Code Section 3557. The Department sponsoring the NEO shall provide the foregoing information no less than five (5) business days prior to the NEO taking place. The Department will make best efforts to notify the Union NEO Coordinator of any last-minute changes. Onboarding of individual employees for administrative purposes is excluded from this notice requirement.

- D. Citywide and Departmental NEOs: New employees in those Departments identified in Attachment A shall attend a citywide NEO, sponsored by the Department of Human Resources. This citywide NEO shall take place at minimum on a monthly basis. Departments identified in Attachment B will conduct respective Departmental NEOs. At the City's discretion, Departments may be added to or removed from either Attachment A or Attachment B. For the citywide NEO, DHR will adhere to the Department notice requirements in Section C., above. The City will provide the Union with thirty (30) calendar days' notice prior to moving a Department from Attachment A to B, or vice versa. Every City Department shall be listed on either Attachment A or Attachment B.
- E. Access and Presentation: At all NEOs, the Union shall be afforded thirty (30) minutes to meet with represented new employees who are present, unless the Union's Memorandum of Understanding (MOU) provides for more than thirty (30) minutes. The right of the Union to meet with newly-hired employees is limited to only those employees whose classifications fall within the Union's bargaining unit. The City shall ensure privacy for the Union's orientation, and it shall take place without City representatives present. This requirement can be met by providing either a private room or a portion of a room with sufficient distance from other activities in the room to limit disruption. The Department responsible for scheduling the NEO shall be responsible for including Union presentations on the agenda. The Union's presentation shall occur prior to any meal break, and will not be conducted during a scheduled break time. One (1) of the Union's representatives may be a Union member designated by the Union. Such member(s) shall be released to attend under the terms and conditions specified in the MOU. If not otherwise provided for in the MOU, the Union may request release of a Union-designated member to attend the NEO. Release time shall not be unreasonably withheld. Said request shall be made to the Employee Relations Division no less than three (3) business days in advance of the scheduled NEO. The Union agrees to limit its presentation to only those matters stated in Section H., below.
- F. Alternate Procedures: In the event the Union identifies one or more new employees who did not attend the Union's presentation as described in Section E., above, the Union may contact the Departmental NEO coordinator to schedule a mutually-agreeable fifteen (15) minute time slot for the Union to meet privately with the new employee(s). If the number of such identified employees is five (5) or more at a particular location, the Union NEO Coordinator and Departmental NEO Coordinator will work together to schedule a mutually agreeable thirty (30) minute time slot for the private meeting. One (1) of the Union's representatives may be a Union member designated by the Union, and such member shall be released to attend under the terms and conditions specified in the MOU. If not otherwise provided for in the MOU, the Union may request release of a Union-designated member as provided for in Section E., above. This alternate

procedure shall also apply to any employee who has promoted or transferred into the bargaining unit.

1. The Union NEO Coordinator shall coordinate with the new employee(s) referenced in the preceding paragraph and the Departmental NEO Coordinator to schedule a fifteen (15) minute meeting during normally scheduled hours, which shall not be during employee's break or meal period, for the Union representative(s) to meet privately with, and provide materials and information to, the new employee(s). City representatives shall not be present during said meeting. The Union agrees to limit its presentation to only those matters stated in Section H., below.
2. In the event the proposed time cannot be accommodated, the Union NEO Coordinator and the Departmental NEO Coordinator shall work together to find a mutually agreeable time within ten (10) business days of the Union's request.
3. Department of Elections: Any new employee of the Department of Elections who is classified as Temporary Exempt (Category 16), whose duration of appointment is one (1) pay period or less, and works on an as-needed work schedule will receive written materials provided by the Union in lieu of attending a Citywide or Departmental NEO, a private meeting with the Union as provided for in Section F., above, or a Periodic Union Orientation as provided for in Section G., below.

G. Process for Periodic Union Orientations: By mutual agreement, the Union NEO Coordinator and the Departmental NEO Coordinator may schedule periodic thirty (30) minute Union orientations. Periodic Union orientations may be scheduled on an every-other-month, quarterly, or other basis.

The following Departments shall maintain existing Union orientation arrangements: Department of Emergency Management; Sheriff's Department; and Police Department.

The 311 Customer Service Call Center shall maintain existing practice with respect to Union access to 311 Customer Service Agent Training.

H. Union Orientation Presentations: The Union agrees to limit its presentation to a general introduction to its organization, history, by-laws, and benefits of membership. The Union agrees not to engage in campaigning on behalf of an individual running for public elected office and ballot measures during the NEO, or other topics that would be considered beyond general discussion on the benefits of Union membership.

III. Data Provisions

Subject to the limitations contained in CA Government Code Section 3558, the City shall provide the Union with all required information on newly-hired employees to the extent it is made available to the City. In addition, within ten (10) business days of the conclusion of each NEO, the City agrees to provide the Union with a stand-alone report containing a list of employees, including classification code and division, who were scheduled to, but did not attend each NEO.

IV. Hold Harmless

The Union agrees to hold the City harmless for any disputes that arise between the Union and any new employee over application of this Agreement.
