**Subject:** Letter of Support for Ike Kwon/TIDA

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

In my capacity as a longtime San Francisco resident and community activist, including working alongside Ike Kwon as Co-Chairs of the Inner Sunset Green Benefit District Formation Committee, I've had the opportunity to work closely with Ike on several projects over the past five years. These projects have included improvements both inside Golden Gate Park and the Inner Sunset neighborhood located along the park's southeast boundary.

Ike has provided consistent leadership to these projects and has proven that his interest and commitment has not been limited to the California Academy of Sciences' visitor population but to the vibrancy and livability of the neighborhoods surrounding the Academy. In particular, he has shown the ability to generate and embrace solutions that may be outside the standard approach, supporting the concept of a Green Benefit District as a platform for neighborhood advocacy during its earliest stages. Ike's willingness to look at long term solutions vs short term 'band aids' has been particularly important to the success of our work efforts. He is deeply invested in the people who live, work and play in the park and the surrounding neighborhoods.

I was happy to hear that Ike's being considered for the Treasure Island Development Authority board and I think he can provide value to the organization.

Sincerely,

Andrea Jadwin
