RE: Authorization of Mayor to Cast Assessment Ballots for Civic Center Community Benefit District

---

Dear Mayor Breed,

Enclosed for your review and legislative submittal are the materials related to the proposed authorization for the Mayor or her designee to cast assessment ballots in the affirmative on behalf of the City and County of San Francisco as the owner of fifteen parcels of real property over which the Board of Supervisors has jurisdiction that would be subject to assessment in the proposed renewed and expanded Civic Center Community Benefit District, those materials include:

- Resolution of Authorization for the Mayor or her designees to cast assessment ballots in the affirmative (2 originals)

This piece of legislation follows two other pieces of legislation you have introduced regarding the Civic Center Community Benefit District renewal and expansion allowing you to petition on behalf of City owned parcels and authorizing the CBD's special election. Supervisors Brown and Haney co-sponsored both pieces of previous legislation.

If you should have any questions regarding the materials enclosed or the formation process please do not hesitate to contact me. I look forward to the introduction of the Resolution on Tuesday June 4, 2019.
