To Whom it May Concern,

My name is Carlos Jimenez. I am a homeowner in the Crocker Amazon district of San Francisco, a resident of the city since 1986, and a long-time acquaintance of Ike Kwon. Ike and I served together as volunteers for several years, where he worked under my leadership. During that time and in subsequent years, I have come to know him and his family well. Ike is a man of good character, who lives and acts with integrity, and who knows how to balance work, family and community commitments. I observed this during his recent term on the San Francisco Public Utilities Commission.

Accordingly, I would recommend him without hesitation to serve with the Treasure Island Development Authority.

Sincerely,

Carlos Jimenez

RE: Appointment of Ike Kwon to the Treasure Island Development Authority

Dear TIDA Committee

I'm Adar Halil, a San Francisco resident and an owner of a small business here in the city. I wholeheartedly support Ike Kwon's appointment to TIDA.

Being in the Inner Sunset I've had the privilege of getting to know Ike. It was clear from the beginning he was compassionate, considerate, thoughtful and committed to public service. Ike's personality, knowledge and skillset would be a valuable asset to the Treasure Island Development Authority.

I hope to see his appointment go through.

Thank you for your time,

Adar Halil

In my capacity as a longtime San Francisco resident and community activist, including working alongside Ike Kwon as Co-Chairs of the Inner Sunset Green Benefit District Formation Committee, I've had the opportunity to work closely with Ike on several projects over the past five years. These projects have included improvements both inside Golden Gate Park and the Inner Sunset neighborhood located along the park's southeast boundary.

Ike has provided consistent leadership to these projects and has proven that his interest and commitment has not been limited to the California Academy of Sciences' visitor population but to the vibrancy and livability of the neighborhoods surrounding the Academy. In particular, he has shown the ability to generate and embrace solutions that may be outside the standard approach, supporting the concept of a Green Benefit District as a platform for neighborhood advocacy during its earliest stages. Ike's willingness to look at long term solutions vs short term 'band aids' has been particularly important to the success of our work efforts. He is deeply invested in the people who live, work and play in the park and the surrounding neighborhoods.

I was happy to hear that Ike's being considered for the Treasure Island Development Authority board and I think he can provide value to the organization.

Sincerely,

Andrea Jadwin
