With regards to management monitoring, the Program Director reports progress/status towards each contract objective in the monthly report to executive management (including Deputy Chief/Director of Clinical Services and Chief Executive Officer). If the projected progress has not been achieved for the given month, the Program Director identifies barriers and develops a plan of action. The data reported in the monthly report is on-goingly collected, with its methodology depending on the type of information. In addition, the Division management monitors service delivery progress (engagement, level of accomplishing service goals/objectives), and termination reasons.

b. Documentation quality, including a description of any internal audits

RAMS utilizes various mechanisms to review documentation quality. Case/chart reviews are conducted by Division management; based on these reviews, determinations/recommendations are provided relating to frequency and modality/type of services, and the match to client's progress & needs. Feedback is provided to direct staff members while general feedback and summaries on documentation and quality of programming are integrated throughout staff meetings and other discussions.

Trainings are from field experts on various topics. Professional development is further supported by weekly group supervision. Furthermore, RAMS annually holds an agency-wide cultural competency training. Training topics are identified through various methods, primarily from direct service staff suggestions and pertinent community issues.

facilitate referrals and linkages to health and social services (e.g. health fairs, street outreach, speaking engagements).

#### 6. Methodology

A. Outreach, recruitment, promotion, and advertisement as necessary

RAMS is uniquely positioned well and has the expertise to promote & outreach to and recruit program participants of culturally & linguistically diverse consumers, underrepresented constituents, and community organizations. As a service provider, RAMS comes into contact with significant numbers of consumers and families with each year serving approximately 18,000 adults, children, youth and families offering over 30 programs (integrated into 11 core programs) and reaching to over 90 sites (schools, childcare centers, child development centers, and neighborhood and cultural centers) throughout San Francisco. In particular, RAMS is also operating the Peer-to-Peer Employment Program (integrated in the SFDPH BHS Consumer Employment section) for which targeted outreach and recruitment will be conducted. It is through these close partnerships with BHS and the other community-based organizations, that RAMS may leverage existing relationships to promote and effectively recruit a student body that reflects the target population. Furthermore, RAMS maintains Peer Counselor positions and Consumer Advisory Boards, all of which actively engage in the Certificate Program. RAMS also outreaches within the Summer Bridge Project (aimed to foster the interest of health care field within high school-aged youth) while utilizing its connections with consumer advocacy groups (e.g. Mental Health Association of SF, National Alliance on Mental Illness). RAMS actively participates in and are members of various culturally-focused community coalitions and/or committees and utilizes these networks as well as funder entities for outreach & promotion. Moreover, since the inception of the program in 2010, RAMS has developed additional relationships with members in the behavioral health community who have promoted and recruited participants from their client-base. Some of these members include: SOMA Mental Health, Conard House, UCSF Citywide Case Management, Progress Foundation, HealthRight 360, Behavioral Health Court, SF First, Larkin Street Youth, etc.

RAMS maintains program promotional material (e.g. brochures, flyers for Open House, etc.) that are available for distribution throughout the year. These materials are also available for download at the program's webpage. The program engages in additional promotional efforts when recruiting applicants for a new cohort and community trainings. During these times, announcement emails are sent to all of the program affiliates and networks. Many organizations are specifically targeted, as their constituents are those of the underserved and underrepresented communities identified in the contract. Program enrollment and registration also becomes available on the RAMS blog and Facebook. Additionally, RAMS conducts presentations and table events about the program when relevant opportunities are available.

1. Consumer participation/engagement: Programs must identify how participants and/or their families are engaged in the development, implementation and/or evaluation of programs. This can include peer-employees, advisory committees, etc.

Program Evaluation: The program engages participants in planning, implementation, and evaluation by conducting an evaluation session at the conclusion of each Entry and Advanced Level Certificate cohort. All participants are strongly encouraged to attend these sessions to provide feedback on their experience and generate ideas to improve program successes. At the evaluation session, a written survey is given to each of the participants to provide quantitative as well as qualitative feedback on the program. The written evaluation is then followed by a focus group format discussion led by RAMS administrators. The Program Manager/Course Instructor is not involved in this evaluation process to ensure open and objective feedback from the participants. For the Leadership Academy, written evaluations would also be administered for training sessions.

Results of these evaluations are presented to the program Advisory Committee during its quarterly meetings. Advisory members then consider ways of programmatic improvements to meet the needs of participants. Various changes have been made to the program since its inception based on information obtained from these evaluations.

Advisory Committee: The program maintains two seats that are held by graduates of the program on the Advisory Committee, which is a standalone, multi-disciplinary committee that reflects the diversity of the community. Membership includes former program participants (graduates), guest lecturers, San Francisco State University as well as various systems involved in the workforce development (e.g. RAMS Hire-Ability Vocational Services, California State Department of Rehabilitation, etc.). All advisory members are encouraged to provide input during the meetings. The program continues to accept one participant from each cohort to sit on the Advisory Committee to ensure that each cohort has the opportunity to provide feedback as the program continues to develop. Peer advisory members are committed to sit on the committee for one year and the committee meets on a quarterly basis.

<u>Teaching Assistant Position</u>: This position may be held by a program graduate. The intent of this position is to further engage past participants in the program and to facilitate student success. The teaching assistant provides academic support to students and administrative assistance to the Program Manager. The teaching assistant meets with participants regularly on a one-on-one basis as well as conducts review sessions outside of formal class time.

2. MHSA Vision: The concepts of recovery and resilience are widely understood and evident in the programs and service delivery

The fundamental objectives and principles of the program are based on concepts of Wellness and Recovery for consumers of behavioral health services. In providing consumers the skills and training to become providers of services that they have once received themselves, the program takes strengths-based approach that promotes a sense of empowerment, self-direction, and hope, which are all fundamental components of the wellness and recovery model. The program operates on the basis that consumers can recover from their struggles and not only have the ability to find a stable vocation, but the ability to commit to a very noble vocation of helping those who are experiencing similar circumstances as they had in the past. Moreover, the program intends for graduates to continue to grow professionally far beyond this training. Some graduates have experienced the Peer Specialist Mental Health Certificate program as a first step to a life-long commitment to helping others and have moved onto being enrolled in Masters-level programs in the field of human services.

Additionally, the curriculum content is based on Wellness and Recovery principles. In fact, for the Entry Level Certificate component, the very first lecture of the program is an overview of the Wellness and Recovery Model. Throughout the rest of the course, Wellness and Recovery concepts are tightly integrated into the instructions on how to provide counseling and other services as peer counselors. Some of the specific topics that embody wellness and recovery concepts include: WRAP, Bio-psychosocial approach to case management, stages of change model, harm reduction treatment principles, holistic interventions options, self-care, and mental health, and employment. Furthermore, the required textbook used for the program, "Voices of Recovery" is also based on Wellness and Recovery principles. The program intends for the materials to not only further promote recovery among participants of the program, but also for participants to practice this approach while working with clients as providers in the community behavioral health system.

# 8. Continuous Quality Assurance and Improvement

A. Achievement of contract performance objectives and productivity

RAMS continuously monitors progress towards contract performance objectives and has established information dissemination and reporting mechanisms to support achievement. All staff (including direct service providers) are informed about objectives and the required documentation related to the activities and service delivery outcomes. With regards to management monitoring, the Program Director reports progress/status towards each contract objective in the monthly report to executive management (including Deputy Chief/Director of Clinical Services and Chief Executive Officer). If the projected progress has not been achieved for the given month, the Program Director identifies barriers and develops a plan of action. The data reported in the monthly report is on-goingly collected, with its methodology depending on the type of information. In addition, the Program Director monitors service delivery progress (engagement, level of accomplishing service goals/objectives), and termination reasons (graduation, etc.).

# B. Documentation quality, including a description of any internal audits

RAMS utilizes various mechanisms to review documentation quality. Documentation reviews are conducted by Division Director throughout the program cohort duration; based on these reviews, determinations/recommendations are provided relating to any needed adjustments to match to the cohorts' progress & workforce development needs. Feedback is provided to direct staff members while general feedback and summaries on documentation and quality of programming are integrated throughout staff meetings and other discussions.

C. Measurement of cultural competency of staff and services

RAMS philosophy of care reflect values that recovery & rehabilitation are more likely to occur where the mental health systems, services, and providers have and utilize knowledge and skills that are culturally competent and compatible with the backgrounds of consumers and their families and communities, at large. The agency upholds the Culturally and Linguistically Appropriate Services (CLAS) standards. The following is how RAMS monitors, enhances, and improves service quality:

- Ongoing professional development and enhancement of cultural competency practices are
  facilitated through a regular training schedule, which includes in-service trainings on various
  aspects of cultural competency/humility and service delivery (including holistic &
  complementary health practices, wellness and recovery principles). Trainings are from field
  experts on various topics. Professional development is further supported by weekly group
  supervision. Furthermore, RAMS annually holds an agency-wide cultural competency training.
  Training topics are identified through various methods, primarily from direct service staff
  suggestions and pertinent community issues.
- Ongoing review of services indicators is conducted by the Program Director (and reported to executive management) on monthly basis
- Client's culture, preferred language for services, and provider's expertise are strongly considered during the case assignment process. RAMS also maintains policies on Client Language Access to Services; Client Nondiscrimination and Equal Access; and Welcoming and Access.
- Development of objectives based on cultural competency principles; as applicable, progress on
  objectives is reported by Program Director to executive management in monthly report. If the
  projected progress has not been achieved for the given month, the Division Director identifies
  barriers and develops a plan of action.
- Strengthening and empowering the roles of consumers and their families by soliciting feedback on service delivery and identifying areas for improvement (see Section D. Client Satisfaction);
- RAMS maintains policies and procedures to recruit, retain, and promote at all levels a diverse staff and leadership (including Board of Directors) that reflect the multi-cultural, multi-lingual diversity of the community. Other retention strategies include soliciting staff feedback on agency/programmatic improvements (service delivery, staffing resources); this is continuously solicited by the Division Director and, at least annually, the CEO meets with each program to solicit feedback for this purpose. The agency annually administers a staff satisfactions survey and Human Resources also conducts exit interviews with departing staff. All information is gathered and management explores implementation, if deemed appropriate; this also informs the agency's strategic plan.
- RAMS Quality Assurance Council meets quarterly and is designed to advise on program quality
  assurance and improvement activities; chaired by the RAMS Director of Operations, the
  membership includes an administrator, director, clinical supervisor, peer counselor, and direct
  services staff. Programs may also present to this council to gain additional feedback on quality
  assurance activities and improvement.
- To ensure accountability at all levels, the RAMS CEO submits a monthly written report to RAMS Board of Directors on agency and programs' activities and matters

#### D. Measurement of client satisfaction

The Peer Specialist Mental Health Certificate program, for each cohort, conducts a written participant satisfaction survey and focus group. The surveys and focus groups are facilitated by RAMS administrators; collected data is tabulated and summarized. The Division Director compiles, analyzes, and presents the results of surveys to staff, RAMS Executive Management, and the RAMS Quality Council. The Program Director also collaborates with staff, RAMS Executive Management, and Quality

The amount of the initial payment recovered each month shall be calculated by dividing the total initial payment for the fiscal year by the total number of months for recovery. Any termination of this Agreement, whether for cause or for convenience, will result in the total outstanding amount of the initial payment for that fiscal year being due and payable to the CITY within thirty (30) calendar days following written notice of termination from the CITY.

CONTRACTOR understands that, of this maximum dollar obligation \$1,298,106 is included as a contingency amount and is neither to be used in Appendix B, Budget, or available to CONTRACTOR without a modification to this Agreement executed in the same manner as this Agreement or a revision to Appendix B, Budget, which has been approved by the Director of Health. CONTRACTOR further understands that no payment of any portion of this contingency amount will be made unless and until such modification or budget revision has been fully approved and executed in accordance with applicable CITY and Department of Public Health laws, regulations and policies/procedures and certification as to the availability of funds by the Controller. CONTRACTOR agrees to fully comply with these laws, regulations, and policies/procedures.

- (1) For each fiscal year of the term of this Agreement, CONTRACTOR shall submit for approval of the CITY's Department of Public Health a revised Appendix A, Description of Services, and a revised Appendix B, Program Budget and Cost Reporting Data Collection form, based on the CITY's allocation of funding for SERVICES for the appropriate fiscal year. CONTRACTOR shall create these Appendices in compliance with the instructions of the Department of Public Health. These Appendices shall apply only to the fiscal year for which they were created. These Appendices shall become part of this Agreement only upon approval by the CITY.
- (2) CONTRACTOR understands that, of the maximum dollar obligation stated above, the total amount to be used in Appendix B, Budget and available to CONTRACTOR for the entire term of the contract is as follows, not withstanding that for each fiscal year, the amount to be used in Appendix B, Budget and available to CONTRACTOR for that fiscal year shall conform with the Appendix A, Description of Services, and a Appendix B, Program Budget and Cost Reporting Data Collection form, as approved by the CITY's Department of Public Health based on the CITY's allocation of funding for SERVICES for that fiscal year.

In event that such reimbursement is terminated or reduced, this Agreement shall be terminated or proportionately reduced accordingly. In no event will CONTRACTOR be entitled to compensation in excess of these amounts for these periods without there first being a modification of the Agreement or a revision to Appendix B, Budget, as provided for in this section of this Agreement.
- C. CONTRACTOR agrees to comply with its Budget as shown in Appendix B in the provision of SERVICES. Changes to the budget that do not increase or reduce the maximum dollar obligation of the CITY are subject to the provisions of the Department of Public Health Policy/Procedure Regarding Contract Budget Changes. CONTRACTOR agrees to comply fully with that policy/procedure.
- D. No costs or charges shall be incurred under this Agreement nor shall any payments become due to CONTRACTOR until reports, SERVICES, or both, required under this Agreement are received from CONTRACTOR and approved by the DIRECTOR as being in accordance with this Agreement. CITY may withhold payment to CONTRACTOR in any instance in which CONTRACTOR has failed or refused to satisfy any material obligation provided for under this Agreement.
  - E In no event shall the CITY be liable for interest or late charges for any late payments.
- F. CONTRACTOR understands and agrees that should the CITY'S maximum dollar obligation under this Agreement include State or Federal Medi-Cal revenues, CONTRACTOR shall expend such revenues in the provision of SERVICES to Medi-Cal eligible clients in accordance with CITY, State, and Federal Medi-Cal regulations. Should CONTRACTOR fail to expend budgeted Medi-Cal revenues herein, the CITY'S maximum dollar obligation to CONTRACTOR shall be proportionally reduced in the amount of such unexpended revenues. In no event shall State/Federal Medi-Cal revenues be used for clients who do not qualify for Medi-Cal reimbursement.

If an individual or an individual's representative submits a request for an accounting directly to BA or its agents or subcontractors, BA shall forward the request to CE in writing within five (5) calendar days.

- i. Access to Protected Information. BA shall make Protected Information maintained by BA or its agents or subcontractors in Designated Record Sets available to CE for inspection and copying within (5) days of request by CE to enable CE to fulfill its obligations under state law [Health and Safety Code Section 123110] and the Privacy Rule, including, but not limited to, 45 C.F.R. Section 164.524 [45 C.F.R. Section 164.504(e)(2)(ii)(E)]. If BA maintains Protected Information in electronic format, BA shall provide such information in electronic format as necessary to enable CE to fulfill its obligations under the HITECH Act and HIPAA Regulations, including, but not limited to, 42 U.S.C. Section 17935(e) and 45 C.F.R. 164.524.
- j. Amendment of Protected Information. Within ten (10) days of a request by CE for an amendment of Protected Information or a record about an individual contained in a Designated Record Set, BA and its agents and subcontractors shall make such Protected Information available to CE for amendment and incorporate any such amendment or other documentation to enable CE to fulfill its obligations under the Privacy Rule, including, but not limited to, 45 C.F.R Section 164.526. If an individual requests an amendment of Protected Information directly from BA or its agents or subcontractors, BA must notify CE in writing within five (5) days of the request and of any approval or denial of amendment of Protected Information maintained by BA or its agents or subcontractors [45 C.F.R. Section 164.504(e)(2)(ii)(F)].
- k. Governmental Access to Records. BA shall make its internal practices, books and records relating to the use and disclosure of Protected Information available to CE and to the Secretary of the U.S. Department of Health and Human Services (the "Secretary") for purposes of determining BA's compliance with HIPAA [45 C.F.R. Section 164.504(e)(2)(ii)(I)]. BA shall provide CE a copy of any Protected Information and other documents and records that BA provides to the Secretary concurrently with providing such Protected Information to the Secretary.
- I. Minimum Necessary. BA, its agents and subcontractors shall request, use and disclose only the minimum amount of Protected Information necessary to accomplish the intended purpose of such use, disclosure, or request. [42 U.S.C. Section 17935(b); 45 C.F.R. Section 164.514(d)]. BA understands and agrees that the definition of "minimum necessary" is in flux and shall keep itself informed of guidance issued by the Secretary with respect to what constitutes "minimum necessary" to accomplish the intended purpose in accordance with HIPAA and HIPAA Regulations.
- m. Data Ownership. BA acknowledges that BA has no ownership rights with respect to the Protected Information.
- n. Notification of Breach. BA shall notify CE within 5 calendar days of any breach of Protected Information; any use or disclosure of Protected Information not permitted by the BAA; any Security Incident (except as otherwise provided below) related to Protected Information, and any use or disclosure of data in violation of any applicable federal or state laws by BA or its agents or subcontractors. any other available information that CE is required to include in notification to the individual, the media, the Secretary, and any other entity under the Breach Notification Rule and any other applicable state or federal laws, including, but not limited, to 45 C.F.R. Section 164.404 through 45 C.F.R. Section 164.408, at the time of the notification required by this paragraph or promptly thereafter as information becomes available. BA shall take (i) prompt corrective action to cure any deficiencies and (ii) any action pertaining to unauthorized uses or disclosures required by applicable federal and state laws. [42 U.S.C. Section 17921; 42 U.S.C. Section 17932; 45 C.F.R. 164.410; 45 C.F.R. Section 164.504(e)(2)(ii)(C); 45 C.F.R. Section 164.308(b)]

o. Breach Pattern or Practice by Business Associate's Subcontractors and Agents. Pursuant to 42 U.S.C. Section 17934(b) and 45 C.F.R. Section 164.504(e)(1)(iii), if the BA knows of a pattern of activity or practice of a subcontractor or agent that constitutes a material breach or violation of the subcontractor or agent's obligations under the Contract or this BAA, the BA must take reasonable steps to cure the breach or end the violation. If the steps are unsuccessful, the BA must terminate the contractual arrangement with its subcontractor or agent, if feasible. BA shall provide written notice to CE of any pattern of activity or practice of a subcontractor or agent that BA believes constitutes a material breach or violation of the subcontractor or agent's obligations under the Contract or this BAA within five (5) calendar days of discovery and shall meet with CE to discuss and attempt to resolve the problem as one of the reasonable steps to cure the breach or end the violation.

## 3. Termination.

- a. Material Breach. A breach by BA of any provision of this BAA, as determined by CE, shall constitute a material breach of the Agreement and this BAA and shall provide grounds for immediate termination of the Agreement and this BAA, any provision in the AGREEMENT to the contrary notwithstanding. [45 C.F.R. Section 164.504(e)(2)(iii).]
- b. Judicial or Administrative Proceedings. CE may terminate the Agreement and this BAA, effective immediately, if (i) BA is named as defendant in a criminal proceeding for a violation of HIPAA, the HITECH Act, the HIPAA Regulations or other security or privacy laws or (ii) a finding or stipulation that the BA has violated any standard or requirement of HIPAA, the HITECH Act, the HIPAA Regulations or other security or privacy laws is made in any administrative or civil proceeding in which the party has been joined.
- c. Effect of Termination. Upon termination of the Agreement and this BAA for any reason, BA shall, at the option of CE, return or destroy all Protected Information that BA and its agents and subcontractors still maintain in any form, and shall retain no copies of such Protected Information. If return or destruction is not feasible, as determined by CE, BA shall continue to extend the protections and satisfy the obligations of Section 2 of this BAA to such information, and limit further use and disclosure of such PHI to those purposes that make the return or destruction of the information infeasible [45 C.F.R. Section 164.504(e)(2)(ii)(J)]. If CE elects destruction of the PHI, BA shall certify in writing to CE that such PHI has been destroyed in accordance with the Secretary's guidance regarding proper destruction of PHI.

- d. Civil and Criminal Penalties. BA understands and agrees that it is subject to civil or criminal penalties applicable to BA for unauthorized use, access or disclosure or Protected Information in accordance with the HIPAA Regulations and the HITECH Act including, but not limited to, 42 U.S.C. 17934 (c).
- e. Disclaimer. CE makes no warranty or representation that compliance by BA with this BAA, HIPAA, the HITECH Act, or the HIPAA Regulations or corresponding California law provisions will be adequate or satisfactory for BA's own purposes. BA is solely responsible for all decisions made by BA regarding the safeguarding of PHI.

## 4. Amendment to Comply with Law.

The parties acknowledge that state and federal laws relating to data security and privacy are rapidly evolving and that amendment of the Agreement or this BAA may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to implement the standards and requirements of HIPAA, the HITECH Act, the HIPAA regulations and other applicable state or federal laws relating to the security or confidentiality of PHI. The parties understand and agree that CE must receive satisfactory written assurance from BA that BA will adequately safeguard all Protected Information. Upon the request of either party, the other party agrees to promptly enter into negotiations concerning the terms of an amendment to this BAA embodying written assurances consistent with the updated standards and requirements of HIPAA, the HITECH Act, the HIPAA regulations or other applicable state or federal laws. CE may terminate the Agreement upon thirty (30) days written notice in the event (i) BA does not promptly enter into negotiations to amend the Agreement or this BAA when requested by CE pursuant to this section or (ii) BA does not enter into an amendment to the Agreement or this BAA providing assurances regarding the safeguarding of PHI that CE, in its sole discretion, deems sufficient to satisfy the standards and requirements of applicable laws.

## 5. Reimbursement for Fines or Penalties.

In the event that CE pays a fine to a state or federal regulatory agency, and/or is assessed civil penalties or damages through private rights of action, based on an impermissible access, use or disclosure of PHI by BA or its subcontractors or agents, then BA shall reimburse CE in the amount of such fine or penalties or damages within thirty (30) calendar days from City's written notice to BA of such fines, penalties or damages.
