Major initiatives

- The Office of Transgender Initiatives will implement the Mayor's Executive Directive on **trans-inclusive services** and forms, the LGBTQ Cultural Heritage Strategy, and the LGBTQ Immigrant professional development program.
- The Office of Cannabis is helping to ensure the socially responsible growth of the cannabis industry and the creation of living wage jobs and economic opportunities for communities hit hardest by the war on drugs. The proposed budget includes staff to **support equity applicants in navigating the cannabis permitting** process and regulatory system.
- ADM is overseeing a multi-year effort to open new facilities that will improve the **resilience and responsiveness of our core city services**. Oncoming buildings will create seismically safe replacements for the Hall of Justice, establish a customer-focused Permit Center at 49 South Van Ness, and modernize the services being provided to animals and people by Animal Care & Control.
