Juvenile Probation Department
City and County of San Francisco

Mission and Strategic Goals

Mission

- Serve the needs of youths and families brought before the juvenile justice system and provide evidence-based supervision strategies for all individuals under the Department's jurisdiction.
- Engage in culturally competent approaches for the assessment, education, treatment, and rehabilitation of youth charged with criminal offenses.

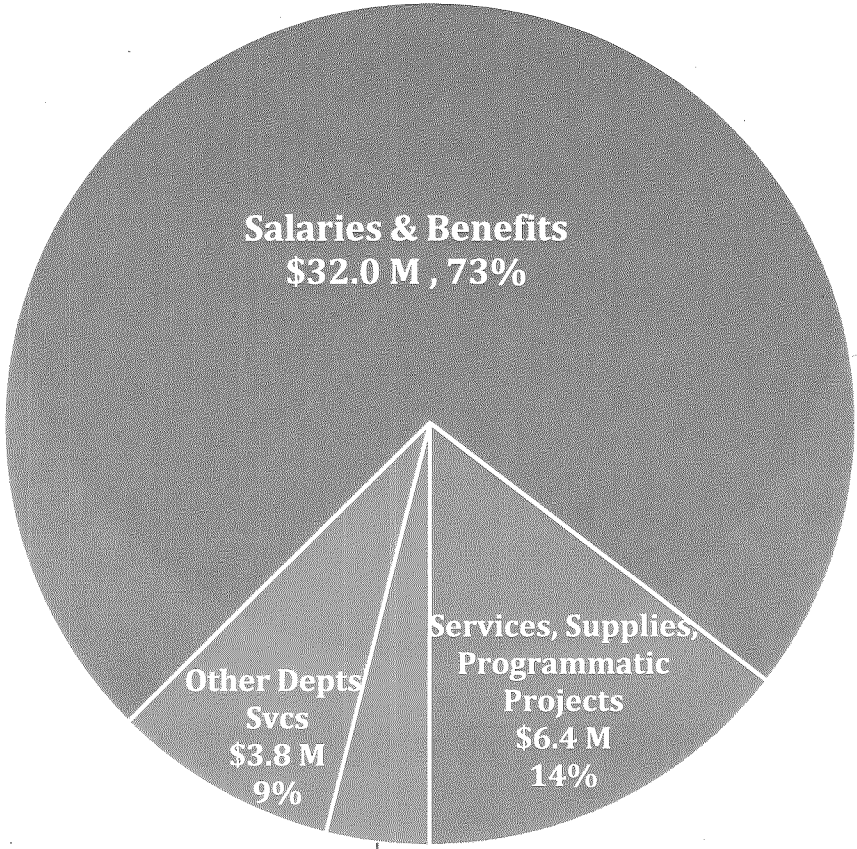

Strategic Goals

- Identify and respond to the individual risks and needs presented by each youth and provide linkages to programs and support.
- Utilize probation and community resources to assist youth to successfully navigate and complete community supervision.
- Identify and utilize the least restrictive interventions and placements that do not compromise public safety.
- Improve the quality of services to youth and their families.
- Provide a safe and secure environment for staff and youth in custody.

Key Performance Measures – Probation Services

Probation Services provides services from initial police contact through disposition up to dismissal for minors arrested in the City and County of San Francisco. After arrest, each youth is assigned a probation officer who investigates the circumstances of the arrest and all relevant social and family issues.

FY 2017-18 Snapshot

564 Youth active on probation on 5/31/19

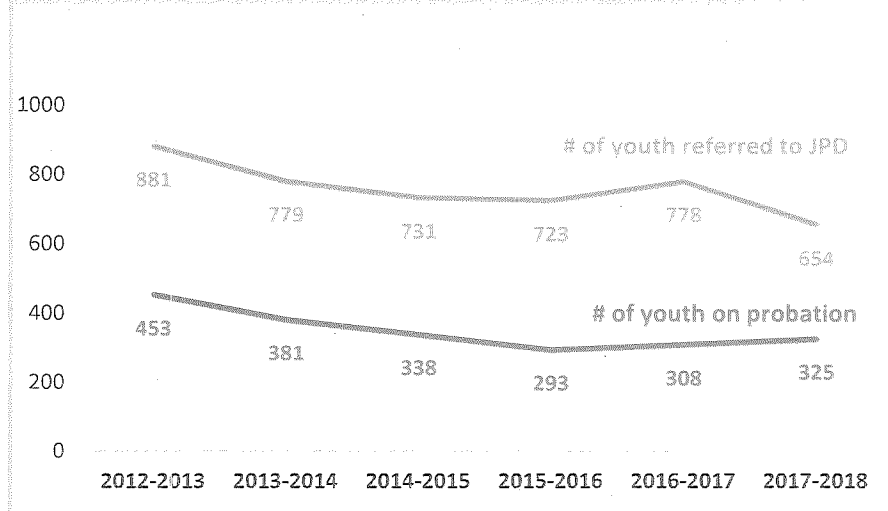

74% Percent of youth on probation did not commit a new law violation within 9 months from start of probation

(based on 43 youth placed on probation from 07/01/17 – 08/31/17)

NOTE:

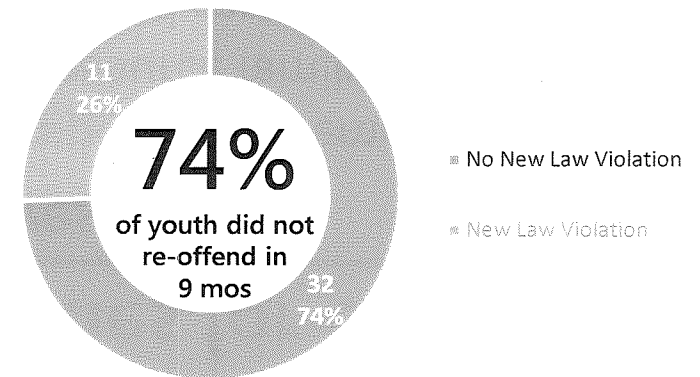

* Re-offend is defined as having committed an offense which was sustained or “found true” by the Court within 9 months of being placed on probation.

The number of individual/unduplicated youth referred to JPD and on probation relatively steady since FY 2015-16.

Equitable Outcomes for Everyone

New Grant Funded Programs and Initiatives

- Foster Parent Recruitment, Retention, and Support - Implement new child/youth centered caregiver processes and resource family approvals, conduct home environment assessments, family and care giver training, caregiver coordination, and ongoing child and family support.
- Commercially Sexually Exploited Children (CSEC) - Training, prevention, and intervention services for those who work with youth who are, or at risk of becoming commercially sexually exploited.
- Law Enforcement Services - Mandated juvenile justice prevention, reentry, reunification, permanency planning, and/or life skills and transition towards independence.

Youth Employment at JPD

- Project Pull Promise - Launched Project Pull Promise in Juvenile Hall, in partnership with PUC, so detained youth experience summer employment, financial literacy training, and job readiness skill development.
- Project Pull - Expanded Project Pull Program to provide additional City youth with summer employment opportunities.
