APPEARANCES

For the City and County of San Francisco:

Jennifer Stoughton
Deputy City Attorney

San Francisco, CA 94102

For San Francisco Deputy Sheriffs' Association:

David Mastagni
Mastagni Holstedt
1912 I St
Sacramento, CA 95811

The parties to this matter are the City and County of San Francisco (“City” or “CCSF”) and the San Francisco Deputy Sheriffs’ Association (“Union” or “DSA”). DSA represents approximately 700 deputy sheriffs and senior deputy sheriffs in the Sheriff’s Department.

This proceeding was convened pursuant to Section A8.590-5 of the Charter of the City and County of San Francisco. The parties met and conferred in an attempt to reach agreement regarding a successor memorandum of understanding (“MOU”) on multiple occasions in February, March, and April 2019. Although they reached tentative agreements on several issues, they were unable to reach agreement on wages and many other issues. The parties engaged in the mediation/arbitration process consistent with Section A8.590-5(c) on April 23, 24, 25, 30 and May 1, 2019.

The Arbitrator grants the City’s Request for Arbitral Notice filed May 9, 2019.

A. DSA Proposals:

1. POST Premium
2. Uniforms

B. City Proposals:

1. Zipper Clause

Charter Section A8.590-5(d) requires the arbitration board to determine each issue by selecting the last best offer that most nearly conforms to “those factors traditionally taken into consideration in the determination of wages, hours, benefits and terms and conditions of public and private employment,” including but not limited to:

- changes in the average consumer price index for goods and services
- compensation and terms and conditions of employees performing similar services
- compensation and terms and conditions of other CCSF employees
- formulas provided in the Charter for the establishment and maintenance of compensation and terms and condition of employment
- financial condition of the City
- the City’s ability to meet the costs of the decision of the Arbitration Board

Not all factors are relevant to every issue. The relevant factors and their relative weight are discussed with respect to each issue below.

Note: Throughout its proposals, DSA proposes changing the current term “bargaining unit member(s)” to “employee(s).” The Arbitration Board will not discuss this aspect of the proposals in each instance.

ISSUE 1: POST PREMIUM

DSA proposes that Paragraph 155 be amended as follows:

155. ~~Bargaining unit members~~Employees who possess an intermediate POST certificate shall, upon presenting documentation to the Department, receive an additional premium of four percent (4.0%) ~~percent~~ of their base rate of pay. ~~Professional achievement pay shall be paid commencing with the first pay period following said presentation.~~ Employees who possess an advanced POST certificate shall, upon presentation to the Department, receive an additional premium of six seven and a half percent (6.07.5%) ~~percent~~ of their base rate of pay. POST premium

shall be paid commencing with the first pay period following said presentation. The maximum POST premium shall be seven and a half percent (7.5%). Deputies hired prior to 1975 shall be entitled to receive either premium if (s)he has met the equivalent standard for either certificate. This payment shall not be considered "regular" pay for purposes of overtime.

The City opposes any language changes and counters with an increase to the advanced POST premium from 6% to 6.5 % of the base rate of pay.

Relevant Charter factors include internal and external comparability, the City's financial condition, and its ability to meet the costs of the arbitration award.

DSA argues that the City's last MOU with the POA increased premiums paid to officers who have obtained intermediate and advanced Peace Officer Standards and Training (POST) certificates by 2%. A 1.5% increase would reward longer-term employees who have advanced training.

The City is offering a 6.5% premium for advanced POST certificates to this unit, which it based on the average of POST premiums for sheriff's deputies in the comparator agencies, which is 6.18% (City Exhibit 25) The interest arbitration award for the CCSF-POA MOU explained that the POST premium increase for POA was necessary because the POA total compensation for longer-term officers was not comparable to that in comparator agencies. (DSA Ex. 77) Importantly, the MOU of the Sheriff's Managers and Supervisors Association, which represents the unit of Sergeants, Lieutenants and Captains, does not provide a 7.5% POST premium. If the DSA proposal were accepted, it would effectively cause compaction of compensation among the ranks in the Sheriff's Department.

The City's recent revenues have been sufficiently strong that the City shows increasing ending fund balances over the last several years and has large reserves. While the revenues are projected to remain strong for the short term, employee costs — as well as other expenditures — are increasing faster than revenues. There is a growing need for social services for the homeless and to administer services, such as In-Home Supportive Services, that the state performed but that recently have been "realigned" to local governments. Thus, while the revenue side of the picture is very positive and projected to expand, the City's expenditures on current policies and programs will lead to deficit spending if expenditures are not sufficiently constrained.

The City has already agreed to base wage increases of 3% on July 1, 2019, and an

additional 1% on December 28, 2019. Subject to certain contingencies, this unit will receive raises of 3% in July 2020, .5% in December 2020, 3% in July 2021, and .5% in January 2022. These increases are higher than the average of projections of the California Department of Finance and Moody's San Francisco Metropolitan Statistical Area CPI. Those projections are 2.97% in 2019-20, and 2.79% and 2.94% in the following years. Since approximately 51% of the unit has the advanced POST certificate, the Union's proposal would cost the City an additional \$566,705 more than the City's proposal each year. (See CXs 4, 14)

In sum, external and internal comparability factors, as well as consideration of the City's financial projections, the new wage agreement, and other demands for use of City revenues, weigh against the DSA's proposal.

The Board finds that DSA's proposal is not warranted by Charter factors.

ISSUE 2: UNIFORMS AND EQUIPMENT

DSA proposes changing the language in Article IV.A. as follows:

281. 1. Uniform Allowance. Employees shall receive forty-two dollars, thirty cents (\$42.30) per pay period for the purchase and maintenance of uniforms. The City agrees to provide a sum of Nine Hundred and Fifty (\$950) dollars in the payroll that includes September 1 as a uniform allowance to represented employees who have been continuously employed in the Sheriff's Department. An employee shall be considered "continuously employed" if he/she was on duty status cumulatively for ten (10) of the twelve (12) months immediately preceding September 1 each year of this contract. Employees who were on duty status less than ten (10) of the twelve (12) months shall be paid a pro-rata uniform allowance, calculated on a twelve (12) month basis. However, to receive this allowance, an employee must be in paid status or on approved leave on September 1. If an employee is not on duty status or on approved leave on September 1, the employee will not receive any allowance. Any eligible employee hired on or after March 1 will receive fifty percent (50%) of the uniform allowance that year.
282. 2. BulletproofBallistic Vests. The City agrees to shall refurbish, repair or replace bulletproof vestsballistic vests for each represented employee. The City shall provide employee's voucher for a replacement vest ninety-days (90) months prior to the manufacture's expiration date, as appropriate and in accordance with manufacturer's specifications. All bBulletproofBallistic vests provided to employees remain the property of the City and must be returned to the City when an employee is issued a replacement vest.

The City counters with language in Paragraphs 281 and 282 as follows:

281. 1. Uniform Allowance. The City agrees to provide a sum of ~~Nine Hundred and Fifty (\$950)~~ One Thousand dollars (\$1,000) in the payroll that includes September 1 as a uniform allowance to represented employees who have been continuously employed in the Sheriff's Department. An employee shall be considered "continuously employed" if he/she was on duty status cumulatively for ten (10) of the twelve (12) months immediately preceding September 1 each year of this contract. Employees who were on duty status less than ten (10) of the twelve (12) months shall be paid a pro-rata uniform allowance, calculated on a twelve (12) month basis. However, to receive this allowance, an employee must be in paid status or on approved leave on September 1. If an employee is not on duty status or on approved leave on September 1, the employee will not receive any allowance. Any eligible employee hired on or after March 1 will receive fifty percent (50%) of the uniform allowance that year.
282. 2. ~~Bulletproof~~ Ballistic Vests. The City ~~agrees to~~ shall refurbish, repair or replace ~~bulletproof ballistic vests~~ ballistic vests for each represented employee, ~~as appropriate and in accordance with manufacturer's specifications. An employee may request a replacement vest three (3) months before the manufacturer's expiration date and the City will provide a voucher for a replacement vest before that date. All~~ bulletproof Ballistic vests provided to employees remain the property of the City and must be returned to the City when an employee is issued a replacement vest.

Relevant Charter factors include the City's financial condition, its ability to meet the costs of the arbitration award, and internal and external comparability.

The City argues that the unit's uniform allowance is higher than the average paid by comparator agencies, which is \$760 per year. (City Ex. 26) However, Deputy Jason Moore testified that the recurring annual costs for deputies to purchase and maintain their uniforms is approximately \$1,400. This does not include purchases of duty belts, rain gear, and Class B uniforms that deputies replace every several years. In addition, the City provides the POA unit with a uniform allowance of \$1,100. (City Ex. 9, p. 38) The difference in cost between the two offers is \$72,555 annually. The City can afford to increase this allowance to cover deputies' out-of-pocket costs.

The Board finds that DSA's proposal is warranted by internal comparability and other Charter factors, including factors traditionally taken into consideration in the determination of terms and conditions of employment.

ISSUE 3: ZIPPER CLAUSE

The City proposes the addition of the following language to Article V.

V.B. AMENDMENT OR MODIFICATION

311. This Agreement may be amended or modified, but only in writing, upon the mutual consent of the parties-, subject to any necessary approvals.

V.C. ZIPPER CLAUSE

312. The parties agree that the current Memorandum of Understanding shall continue in full force and effect for its stated term, and that any successor ~~Departmental~~ Memorandum of Understanding ~~negotiated during the term of this Agreement~~ will be negotiated as provided in Section A8.590-5 of the Charter.

313. Except as may be amended through the procedure provided in Article V.B. above, this Agreement sets forth the full and entire understanding of the parties regarding the matters herein and any other prior or existing understanding or agreements by the parties, whether formal or informal, regarding the matters covered by this Agreement are hereby superseded or terminated in their entirety.

Each party hereto voluntarily and unqualifiedly waives its rights to negotiate, and agrees that the other party shall not be required to negotiate, with respect to any matter covered herein during the term of this Agreement. Nothing in this section shall preclude the parties from mutually agreeing to meet and confer on any issues within the scope of representation during the term of this Agreement.

The DSA is opposed to any change in the current language.

The relevant Charter factors include internal comparability of terms and conditions of other CCSF employees and traditional factors such as labor relations law and principles.

The primary reason the City gives in justification for this proposal is that the proposed new language is common in other City MOUs, in particular the Deputy Probation Officers' MOU (CX 41). However, no such language is in the POA's MOU (CX 9); nor is it in the Firefighters' MOU (CX 10) or MSA's MOU (CX 8). The Deputy Probation Officer's MOU did not exclude any past practices until those practices were identified and arbitrated.

Here, despite the DSA's request, the City did not provide SFDSA with sufficient information to know what side letters will be voided if its proposal is adopted. DSA is legally entitled to such information so that it may fully analyze and respond to proposals during negotiations. And the Board is unable to assess the import of the City's proposal if it does not

know what side agreements and past practices are to be excluded.

The Board finds that the City's proposal is not warranted by internal comparability or other Charter factors, including factors traditionally taken into consideration in the determination of terms and conditions of employment.

CONCLUSION

A majority of the Board decided each issue discussed above. Panel member Whitehouse dissented on Issues 2 and 3. Panel member Jarvis dissented on Issue 1.

AWARD

- 1. The Board awards the City's last, best and final offer to increase the advanced POST premium to 6.5% as described above.**
- 2. The Board awards DSA's last, best and final offer on Uniform Allowance as described above.**
- 3. The Board finds the City's proposal to change Articles V.B and V.C unwarranted by the Charter factors.**

Dissenting Opinion of Michael Jarvis:

The DSA respectfully dissents from the Arbitration Board's decision on POST premiums. Given that the City increased the POA's pay attributable to both the intermediate and advanced POST certificates by two (2) percent each in the last round of bargaining, the DSA believes that

an increase in pay attributable to only the advanced certificate of 1.5% is the more reasonable proposal. Indeed, even if the City adopted the DSA's proposal, DSA members would still receive 0.5% less than POA members for the same degree by the time the contract is implemented (7.5% vs 8.0%). (*Id.*) Parity with the POA with respect to the value of POST pay is imperative.

Moreover, an increase in POST pay is an inexpensive way to increase the DSA's standing in the Parties' total compensation survey at a lower cost to the City because not all DSA members are eligible for the advanced certificate. In short, the DSA's proposal was a win/win for both Parties.

The Association shall not strike, cause, encourage, or condone a work stoppage, slowdown, or sympathy strike (collectively "strike activity") during the term of this Agreement. If the Association learns that bargaining unit employees intend to engage in strike activity, either through notice from the City or through other means, the Association will send a notice to all bargaining unit employees, with a copy to the Employee Relations Director, indicating (1) the strike activity is not authorized or supported by the Association; and (2) strike activity may violate City or Departmental rules and result in disciplinary action.

I.D. OBJECTIVE OF THE CITY

7. It is the intent of the parties signatory hereto that the provisions of this Agreement shall become binding on the dates agreed to herein. The City may also relieve City employees from duty due to lack of work or funds, and may determine the methods, means and personnel by which the City's operations are to be conducted. However, the exercise of such rights does not preclude employees from utilizing the grievance procedure to process grievances regarding the practical consequence of any such actions on wages, hours, benefits or other terms and conditions of employment specified in this Agreement.

Though the resolution of disputes outside the Grievance Procedure is desired, it is understood by the Association that, in order to preserve its claims for monetary relief, it will file a grievance upon having knowledge of the aggrieved event and, should resolution outside the Grievance Procedure appear probable, request an abeyance of the Grievance Procedure time limits, as set forth in section 2, above. 36. a. *Step 1.* If the grievance is not resolved within seven (7) calendar days after contact with the immediate supervisor, the grievant will submit the grievance in writing to the facility or division commander no later than seventeen (17) calendar days of the facts or event giving rise to the grievance. The grievance will be submitted on a mutually agreeable grievance form. The grievance will set forth the facts of the grievance, the terms and conditions of the Agreement claimed to have been violated, misapplied or misinterpreted, and the remedy or solution being sought by the grievant. The grievance must include the following:
37. 1. The specific reason or reasons for the grievance, including the date of the incident giving rise to the grievance, an explanation of the harm that occurred, and the name, classification, and assigned post of the affected employee or employees;

39. 3. The remedy or solution being sought by the grievant.

41. The facility or division commander shall respond in writing within fifteen (15) calendar days following receipt of the written grievance.
42. b. *Step 2.* A grievant dissatisfied with the facility or division commander's response at Step 1 may appeal to the Sheriff, or designee, in writing, within fifteen (15) calendar days of receipt of the Step 1 answer. ARTICLE I - REPRESENTATION

Sheriff, or designee, shall respond in writing within fifteen (15) calendar days of the meeting or receipt of the grievance, whichever is later.

c. *Step 3.*

43. (1) *For Contract Interpretation grievances only.* The Association dissatisfied with the Sheriff's response at Step 2 may appeal to the Employee Relations Director, or designee ("ERD"), in writing, within fifteen (15) calendar days of receipt of the Step 2 response. The Step 3 grievance shall contain a specific description of the basis for the grievance, the resolution desired, and the specific reason or reasons for rejecting the lower step response and advancing the grievance to the next step. The grievance shall contain copies of all earlier correspondence and materials reviewed at the earlier steps. ERD may convene a grievance meeting within fifteen (15) calendar days with the grievant and/or the grievant's Association representative. ERD shall have fifteen (15) calendar days after the receipt of the written grievance, or if a meeting is held, fifteen (15) calendar days after the meeting, whichever is later, to review and seek resolution of the grievance and respond in writing.
44. (2) *For Disciplinary Appeals.* The Association may appeal imposed discipline to binding arbitration under this Article.
45. 6. *Step 4 --- Arbitration.* If the Association is dissatisfied with the Step 3 response it may appeal by notifying ERD, in writing, within fifteen (15) calendar days of its receipt of the Step 3 response, that arbitration is being invoked. Only the Association may submit a grievance to arbitration under this Article.
46. 7. *Expedited Arbitration.* By written mutual agreement entered into before or during Step 3 of the Grievance Procedure, the parties may submit any grievance to the Expedited Arbitration process.
47. a. *Selection of the Arbitrator for Expedited Arbitration.* The parties will first attempt to mutually agree on an arbitrator within seven (7) days of the invocation of Expedited Arbitration. If the parties are unable to agree on a selection within the seven (7) days, either party may request a list of seven (7) appropriately experienced arbitrators from the California State Mediation and Conciliation Service (CSMCS). As a condition of appointment to the CSMCS panel, each of the panelists must certify that the panelist will be available to hear the Expedited Arbitration in not greater than thirty (30) days from selection.

ARTICLE I - REPRESENTATION

48. The parties will alternately strike panelists until a single name remains. Should the remaining panelist be unable to preside over the Expedited Arbitration within thirty (30) days, the last name stricken from the panel will be contacted, and continuing, if necessary, in reverse order of the names being stricken, until a panelist is selected who can preside over the Expedited Arbitration within thirty (30) days. Whether the Association or City strikes the first name in the alternating process shall be determined by lot.
49. b. *Proceeding.* No briefs will be used in Expedited Arbitration. Testimony and evidence will be limited consistent with the expedited format, as deemed appropriate by the arbitrator. There will be no court reporter or transcription of the proceeding, unless either party or the arbitrator requests one. At the conclusion of the Expedited Arbitration, the arbitrator will make a bench decision. Every effort shall be made to have a bench decision followed by a written decision. Expedited arbitration decisions will be non-precedential except in future issues regarding the same employee.
50. c. *Costs.* Each party shall bear their own legal expenses and costs for grievances in connection with the presentation of its case. Fees and expenses of the arbitrator shall be borne and shared equally by the parties. The costs of a court reporter and the transcription of the proceeding, if any, shall be paid by the party requesting such, unless requested by the arbitrator, which will then be borne and equally shared by the parties. In the event that an Expedited Arbitration hearing is canceled resulting in a cancellation fee, the party initiating the request or causing the cancellation shall bear the full cost of the cancellation fee, unless the parties agree otherwise.
51. 8. *Selection of an Arbitrator (not Expedited Arbitration).* Each July, the parties agree to establish a list of at least seven (7) but not more than ten (10) arbitrators to serve as the panel for that fiscal year to hear grievances arising under the terms of this Agreement. If the parties do not establish such a panel, then the prior year panel continues.
52. When a matter is appealed to arbitration the parties shall first attempt to mutually agree on an arbitrator. In the event no agreement is reached within ten (10) calendar days, the parties shall strike arbitrators alternately from the panel until one arbitrator remains to hear each particular case. The parties shall flip a coin to determine who strikes first.
53. *Authority of the Arbitrator.* The decision of the arbitrator (for both Arbitration and Expedited Arbitration) shall be final and binding, unless challenged under

ARTICLE I - REPRESENTATION

applicable law. The arbitrator shall have no authority to add to, ignore, modify or amend the terms of this Agreement.

54. *Costs of Arbitration.* The direct expenses of the arbitration including the fees and expenses of the arbitrator and any court reporter shall be borne and shared equally by the parties. In the event that an arbitration is canceled resulting in a cancellation fee from the arbitrator and/or the court reporter, the party initiating the request or causing the cancellation shall bear the full cost of the cancellation fee, unless the parties agree otherwise.
55. *Hearing Dates and Date of Award.* Except for the Expedited Arbitration procedure described above, hearing dates shall be scheduled within thirty (30) working days of selection of an arbitrator or on the next practicable date mutually agreeable to the parties. Awards shall be due forty-five (45) calendar days following the receipt of closing arguments. As a condition of appointment to the permanent panel, arbitrators shall be advised of this requirement and shall certify their willingness to abide by these time limits.

The Procedure shall include, and the Association must provide with each request, a certification by an authorized representative of the Association, confirming that for each employee for whom the Association has requested deduction of Contributions, the Association has and will maintain a voluntary written authorization signed by that employee authorizing the deduction. If the certification is not properly completed or submitted with the request, the City shall notify the Association, and make the requested deduction changes only upon receipt of a proper certification.

58. c. The Procedure is the exclusive method for the Association to request the City to initiate, change, or cancel deductions for Contributions.
59. d. The City shall implement new, changed, or cancelled deductions the pay period following the receipt of a request from the Association, but only if the Association submits the request by noon on the last Friday of a pay period. If the Controller's Office receives the request after that time, the City will implement the changes in two following pay periods.
60. e. If an employee asks the City to deduct Contributions, the City shall direct the employee to the Association to obtain the Association authorization form. The City will not maintain a City authorization form for such deductions. If a represented employee hand delivers the official Association form authorizing such deductions to the Controller's Payroll Division, the City shall process the authorization and begin the deduction within thirty (30) days. The City will send the Association a copy of any authorization form that it receives directly from a represented employee.
61. f. 63. h. With the exception of subsection (e) above, the Association is responsible for all decisions to initiate, change, and cancel deductions, and for all matters regarding an employee's revocation of an authorization, and the City shall rely solely on information provided by the Association on such matters. The City shall direct all employee requests to change or cancel deductions, or to revoke an authorization for deductions, to the Association. The City shall not resolve disputes between the

ARTICLE I - REPRESENTATION

Association and represented employees about Association membership, the amount of Contributions, deductions, or revoking authorizations for deductions. The City shall not provide advice to employees about those matters, and shall direct employees with questions or concerns about those matters to the Association. The Association shall respond to such employee inquiries within no less than 21 calendar days.

2. Indemnification

64. The Association shall indemnify, hold harmless, and defend the City against any claim, including but not limited to any civil or administrative action, and any expense and liability of any kind, including but not limited to reasonable attorney's fees, legal costs, settlements, or judgments, arising from or related to the City's compliance with this Section. The Association shall be responsible for the defense of any claim within this indemnification provision, subject to the following: (i) the City shall promptly give written notice of any claim to the Association; (ii) the City shall provide any assistance that the Association may reasonably request for the defense of the claim; and (iii) the Association has the right to control the defense or settlement of the claim; provided, however, that the City shall have the right to participate in, but not control, any litigation for which indemnification is sought with counsel of its own choosing, at its own expense; and provided further that the Association may not settle or otherwise resolve any claim or action in a way that obligates the City in any manner, including but not limited to paying any amounts in settlement, taking or omitting to take any actions, agreeing to any policy change on the part of the City, or agreeing to any injunctive relief or consent decree being entered against the City, without the consent of the City. This duty to indemnify, hold harmless, and defend shall not apply to actions related to compliance with this section brought by the Association against the City. This subsection 2 shall not apply to any claim against the City where the City failed to process a timely, properly completed request to change or cancel a Contributions deduction, as provided in subsection 1.

65. *Bulletin Boards.* The City shall reserve a reasonable amount of space on bulletin boards within City buildings for the distribution of Association literature. All posted literature shall be dated, identified by affiliation, and neatly displayed, and removed from the bulletin board by the Association when no longer timely. Except as stated below, the City agrees that identifiable Association literature shall not be removed from said bulletin boards without first consulting with the representative of the Association to determine if the literature should remain for an additional period of time. The Association shall not post literature that violates City policies prohibiting discrimination, harassment, retaliation, or mistreatment of persons, that involves any political candidate or ballot measure, or that

ARTICLE I - REPRESENTATION

67. b. The Association agrees that its access to work locations will not disrupt or interfere with a City department's mission and services or the work of employees, or involve any political activities.
68. c. Association representatives must identify themselves upon arrival at a City department. Association representatives may use City meeting space with a reasonable amount of advance notice and approval from the City department, subject to availability.
69. d. The City may require a department representative to escort Association representatives when the Union representative seeks access to a work area where confidential or secure work is taking place, when the department would require an escort for other non-employees. This paragraph shall not be construed to restrict or proscribe any rule, policy, procedure, order, action, determination or practice taken to ensure compliance with applicable laws.

In the event that more than one administrative remedy is offered by the City and County of San Francisco, the Association and the employee shall elect only one. That election is irrevocable. It is understood that this paragraph shall not foreclose the election by an affected employee of any administrative or statutory remedy provided by law.
73. c. Neither the City nor the Association shall interfere with, intimidate, restrain, or coerce or discriminate against any employee because of the exercise of rights granted pursuant to the Meyers-Milias-Brown-Act.

77. Placement on the Civil Service Commission holdover roster falls within the jurisdiction of the Civil Service Commission pursuant to Charter Sections A8.409 *et seq.* and is not therefore subject to grievance or arbitration.

ARTICLE II – EMPLOYMENT CONDITIONS

78. When involuntarily removing or releasing from employment a represented employee, the employee shall receive the severance pay due under paragraph 78, in exchange for a release signed by the employee and DSA of any and all claims arising out of employee's employment or termination of that employment (including claims arising under this Agreement) that the employee or DSA may have against the City including any officer or employee thereof.
79. If no minimum adjustment is provided, the rates used shall be those in effect when the survey is conducted.
114. The parties shall consult regarding the survey results. Any disputes regarding the results of the survey or its methodology shall be submitted to Expedited Arbitration under the Grievance Procedure.
115. The surveyed data shall be reported by each county and for each category, and as an average. The difference between the average total amount of all survey data points and the total amount for San Francisco Deputy Sheriffs for the identical data points shall be calculated as a percentage and the difference, if any, shall be the basis for market wage adjustments.

However, employees who are moving from one shift or one work schedule to another may be required to work in excess of five (5) working days in conjunction with changes in their work shifts or schedules.
120. 3. *Alternate Work Schedule.* By mutual agreement, the City and the Association may enter into cost equivalent alternate work schedules for some or all represented employees. Such alternate work schedules may include, but are not limited to, core hours flex-time; full-time work weeks of less than five (5) days; or a combination of features mutually agreeable to the parties. Such changes in the work schedule shall not alter the basis for, nor entitlement to, receiving the same rights and privileges as those provided to employees on five (5) day, forty (40) hour a week schedules.

III.C. ADDITIONAL COMPENSATION

121. Each premium or additional compensation set forth below shall be separately calculated based on an employee’s base rate of pay.
1. Shift Differential.
122. Swing Shift. Employees who, as part of their regularly scheduled work shift, are routinely and consistently required to work any hours between 4:00 p.m. and 11:00 p.m. shall receive a premium of eight and one-half percent (8.5%) of the employee’s base rate of pay for all hours worked between 4:00 p.m. and 11:00 p.m.

124. Excluded from these provisions are those employees who participate in an authorized flex-time program where the work shift includes hours to be worked between the hours of 5:00 p.m. and 7:00 a.m. Day shift employees assigned to work during the night duty premium hours are not eligible for night duty premium.

2. Stand-by Pay.

125. Employees who as part of the duties of their positions are required by the Sheriff in writing to standby when normally off duty to be instantly available on call for immediate emergency service for the performance of their regular duties, shall be paid ten (10) percent of their regular straight time rate of pay for the period of such standby service when outfitted by the Department with a cellular telephone, pager, or other electronic communication device. When such employees are called to perform their regular duties in emergencies during the period of such standby service, they shall be paid while engaged in such emergency service the usual rate of pay for such service as provided herein. However, standby pay shall not be allowed in classes or positions whose duties are primarily administrative in nature, as designated by the Sheriff.

3. Call Back Pay.

126. Employees ordered back to work following the completion of their work day and departure from their place of employment shall be granted a minimum of four (4) hours pay at the applicable rate or shall be paid for all hours actually worked at the applicable rate, whichever is greater. For employees covered by this Agreement, call-back means being ordered to work in an emergency, as a witness in a criminal matter, or when ordered for other reasons. Call-back does not mean continuing duty that does not have a substantial break, court appearances as a result of off-duty employment or personal reasons, voluntary prescheduled overtime, or employees called in to duty when on standby status.

4. Special Skills & Duties.

127. a. *Officer Training Duties.* Employees represented by the Association who are assigned training officer duties shall be paid an additional five dollars (\$5.00) per hour when such duties are actually performed.

129. c. *Emergency Services Unit.* Employees shall receive a premium of three percent (3%) of their base rate of pay when assigned to the Emergency Services Unit. To be entitled to this premium, employees assigned to the Emergency Services Unit must agree to carry a cellular telephone or other electronic communication device, while off-duty and to respond immediately when contacted. While assigned to this Unit, employees are not eligible to receive standby pay under Article III.C. of this Agreement for any service related to the Emergency Services Unit. The Department will bear no burden for the cost of any electronic communication device.

5. Bilingual Premium.

130. Employees who have been certified by the Department of Human Resources as having proficiency in Spanish, Cantonese, Mandarin, Tagalog, Arabic, sign language for the hearing impaired and Braille for the visually impaired shall be paid bilingual pay in the amount of fifty dollars (\$50) bi-weekly for routinely and consistently using their bilingual skills during the performance of their duties. Members certified by the Department of Human Resources as having proficiency in other languages shall, upon the approval of the Sheriff, receive this bilingual premium.

Effective January 1, 2020, at the City's discretion, the City may require an employee to recertify not more than once annually to continue receiving a bilingual premium.

6. Acting Assignment Pay.

131. a. Employees assigned by the Sheriff or designee to perform a substantial portion of the duties and responsibilities of a higher classification shall receive acting assignment pay if all of the following conditions are met: (1) The assignment shall be in writing; (2) The position to which the employee is assigned must be a budgeted position; and (3) The employee is assigned to perform the duties of a higher classification for longer than ten (10) consecutive working days.
132. Upon written approval by the Sheriff or designee, beginning on the eleventh (11th) day of an acting assignment under this section and retroactive to the first (1st) day of the assignment, an employee shall be paid five percent (5%) above the employee's base salary but such pay shall not exceed the maximum step of the salary schedule of the class to which temporarily

ARTICLE III – PAY, HOURS AND BENEFITS

133. Requests for classification or reclassification review shall not be governed by this provision.

134. b. *Watch Commander Premium.* An 8304/8504 Deputy Sheriff or 8306/8506 Senior Deputy Sheriff when assigned to the duties of a higher ranking supervisor who is the Watch Commander during the absence of the Watch Commander during the employee's normal shift, at Jails #1, 2, 4, 5, Hall of Justice Courts (in the absence of an 8310), Community Programs, Station Transfer Unit, Sheriff's Patrol Unit, Civic Center Courts, Juvenile Justice Center, the General Hospital Security wing, Department of Emergency Management, the Central Records and Warrants Unit (CRWU), City Hall Security, Transportation, the Training Unit, the Internal Affairs Unit, Laguna Honda Hospital, Hall of Justice Security, Medical Examiner's Office, or the Classification Unit, shall receive seven and one-half percent (7.5%) of the employee's base rate of pay.

137. b. The supervisor must actually supervise the technical content of subordinate work and possess education and/or experience appropriate to the technical assignment.

138. c. The organization is a permanent one approved by the Sheriff, chief administrative officer, Board or Commission, where applicable, and is a matter of record based upon review and investigation by the Human Resources Department.

139. d. The classifications of both the supervisor and the subordinate are appropriate to the organization and have a normal, logical relationship to each other in terms of their respective duties and levels of responsibility and accountability in the organization.

ARTICLE III – PAY, HOURS AND BENEFITS

140. e. The compensation schedule of the supervisor is less than one full step (approximately 5%) over the compensation schedule, exclusive of extra pay, of the employee supervised. In determining the compensation schedule of a classification being paid a flat rate, the flat rate will be converted to a bi-weekly rate and the compensation schedule the top step of which is closest to the flat rate so converted shall be deemed to be the compensation schedule of the flat rate classification.
141. The adjustment of the compensation schedule of the supervisor shall not exceed five percent (5%) over the compensation exclusive of extra pay, of the employee supervised.
142. f. If the application of this section adjusts the compensation schedule of an employee in excess of their immediate supervisor, the pay of such immediate supervisor shall be adjusted to an amount one dollar (\$1) bi-weekly in excess of the base rate of the supervisor's highest paid subordinate, provided that the applicable conditions of this section are also met.
143. g. In no event will the Sheriff approve a supervisory salary adjustment in excess of two (2) full steps (approximately 10%) over the supervisor's current basic compensation. If in the following fiscal year a salary inequity continues to exist, the Sheriff may again review the circumstances and may grant an additional salary adjustment not to exceed two (2) full steps (approximately 10%).
144. h. The Sheriff shall review any changes in the conditions or circumstances that were and are relevant to the request for salary adjustment under this section either acted upon by or pending before the Human Resources Director.
8. Other Additional Compensation.
145. a. *Canine Pay.* Member(s) assigned to canine duty shall receive pay, as calculated below, as compensation for the average time authorized and expended in the exercise, care, feeding, grooming, and training of the assigned canine.
146. This amount has been calculated by the parties to represent approximately 52 minutes per day or approximately 6 hours of overtime per week. These hours will be compensated at the greater of the following:
- (1) one and one-half times the hourly rate of the federal minimum wage; or

ARTICLE III – PAY, HOURS AND BENEFITS

(2) one and one-half times the hourly rate achieved by the following calculation: $0.2222 \times \text{Employee's base rate}$

147. This extra compensation is for activities outside normal working hours and is not to be considered base pay, premium pay, nor shall it be included for purposes of retirement benefit calculations or contributions, except as required by law. Members assigned to canine duty shall also be reimbursed for canine related expenses in the amount of \$150.00 per month, calculated by the parties to represent food and other expenses reasonably and customarily incurred in the maintenance and care of the dog. This reimbursement is non receipted.
148. b. *Professional Achievement/POST Premium.* Bargaining unit members who possess an intermediate POST certificate shall, upon presenting documentation to the Department, receive a premium of four (4.0%) percent of their base rate of pay. Professional achievement pay shall be paid commencing with the first pay period following said presentation. Employees who possess an advanced POST certificate shall, upon presentation to the Department, receive a premium of six and a half percent (6.5%) of their base rate of pay. Deputies hired prior to 1975 shall be entitled to receive either premium if they met the equivalent standard for either certificate. This payment shall not be considered "regular" pay for purposes of overtime.
149. c. *Longevity Pay.*
150. (i.) Members hired by the Department on or before June 30, 2014 shall receive two percent (2%) longevity pay upon completion of more than five (5) years of service as a sworn member of the Department.

152. (iii.) Longevity pay shall be included for purposes of retirement benefit calculations and contributions.

III.D. OVERTIME COMPENSATION

153. The Sheriff may require employees to work longer than the regular work day or the regular work week. Any time worked under proper authorization or suffered to be worked by an employee, exclusive of part-time employees, in excess of actual paid work on a regular

ARTICLE III – PAY, HOURS AND BENEFITS

work day or week shall be designated as overtime and shall be compensated at one-and-one-half (1-1/2) times the base hourly rate which may include a night differential if applicable; provided that employees working in classifications that are designated as having a regular work day of less than eight (8) hours or a regular work week of less than forty (40) hours shall not be entitled to overtime compensation for work performed in excess of said specified regular hours until they exceed eight (8) hours per day and forty (40) hours per week, provided further, that employees working in a flex-time program shall be entitled to overtime compensation as provided herein when required to work more than eighty (80) hours per payroll period. Overtime shall be calculated and paid on the basis of the total number of straight-time hours worked in a day and a week. For the purposes of this section, statutory holidays and in-lieu holidays shall be counted as hours worked. Overtime compensation so earned shall be computed subject to all the provisions and conditions set forth herein.

154. Notwithstanding the foregoing paragraph, overtime worked by employees required to participate in a regular daily briefing period shall be paid at a straight time rate for the first one-quarter hour in excess of eight hours per day.
155. Employees occupying Fair Labor Standards Act (FLSA) exempt (executive, administrative, or professional) positions shall not be paid for overtime worked but may be granted compensatory time off.
156. Employees covered by the FLSA who are required to work overtime shall be paid at a rate of one and one-half times (1-1/2) the regular rate, except by mutual agreement an employee may earn up to 160 hours of compensatory time each fiscal year.
157. Employees shall give the Department five (5) days advance written notice of a request to use compensatory time off. The Department shall grant permission to use the compensatory time off unless doing so would unduly disrupt the operation of the Department. The Department may grant an employee's request to use compensatory time off with less than the required five (5) days advance written notice at its sole discretion.
158. Employees may not accumulate a balance of compensatory time in excess of 160 hours.
159. Subject to the maximum number of compensatory time hours an employee may earn each fiscal year and subject to the maximum compensatory time balance an employee may accumulate, as set forth above, employees who work a 12-hour shift shall be able to elect, at the beginning of each fiscal year, to be paid in compensatory time for working hours 81 through 84 of their two week pay period. Implementation of this provision is subject to confirmation by the City that it complies with state and federal law.
160. A non-"Z" or "L" classified employee who is appointed to a position in a higher, non-"Z" or "L"-designated classification or who is appointed to a position in a "Z" designated

ARTICLE III – PAY, HOURS AND BENEFITS

classification shall have their entire compensatory time balances paid out at the rate of the lower classification prior to promotion or said non-“Z” or “L” classified employee, at their option, may carry over forty (40) hours of accrued compensatory time to the position in a higher classification within the department.

161. A non-“Z” or “L” classified employee who is appointed to a position in another department shall have their entire compensatory time balances paid out at the rate of the underlying classification prior to appointment.
162. Upon transfer to another City department or upon separation of employment through resignation, retirement or termination, a bargaining unit member who is designated “non-Z” or whose “Z” symbol has been waived, shall be entitled to payout of all hours of compensatory time that the member has earned but not used at the time of transfer or separation, less any applicable deductions and withholdings. A bargaining unit member who transfers from Sheriff’s Department to another City department shall provide written notice to the Sheriff’s Department, prior to separation from the member’s classification, of the member’s desire to receive payout of all hours of compensatory time available under this section. At the direction of the Sheriff’s Department, an employee shall be required to use compensatory time before transferring from another Department.
163. The parties acknowledge that for purposes of calculating overtime under the Fair Labor Standards Act (FLSA), the work period now in effect for all sworn members, regardless of the member’s assignment or shift, is a 14-day period (86 hours) under 29 USC Section 207k (e.g., Saturday, July 2, 2005 at 0001 hours to Friday, July 15, 2005 at 2400 hours; Saturday, July 16, 2005 at 0001 hours to Friday, July 29, 2005 at 2400 hours).
164. The Department and DSA acknowledge that the San Francisco Administrative Code currently limits overtime worked by employees of the City and County of San Francisco to five hundred and twenty (520) hours. The parties agree that prior to the Sheriff submitting a formal written request for an exemption from the overtime limitation to the Director of the Department of Human Resources, the Sheriff, or their designee, will consult with the DSA.

Third Party Requests for Law Enforcement Services

165. The parties acknowledge that the provisions of Section 18.13-1(c) of the San Francisco Administrative Code, which is set forth below for informational purposes, apply to overtime worked by bargaining unit members:

Admin. Code Sec. 18.13-1(c): “The provisions of Subsection (a) [limiting overtime to 520 hours each year] shall not apply to overtime worked by any employee where the City and County of San Francisco incurs no direct or indirect additional costs and where the employee acquires no right to compensatory time off. 167. In addition, any day declared to be a holiday by proclamation of the Mayor after such day has heretofore been declared a holiday by the Governor of the State of California or the President of the United States.
168. Provided further, if January 1, July 4, November 11 or December 25 falls on a Sunday, the Monday following is a holiday.
169. The City shall accommodate religious belief or observance of employees as required by law.
170. Three additional floating days off to be taken on days selected by the employee, subject to prior scheduling approval of the Sheriff. Employees (both full-time and part-time) must complete three (3) months continuous service to establish initial eligibility for the floating days off. Employees hired on an as-needed, part-time, intermittent or seasonal basis shall not receive the additional floating days off. Floating days off may not be carried forward from one fiscal year to the next. No compensation of any kind shall be earned or granted for floating days off not taken.

granted those floating day(s) off to which the separating employee was eligible and had not yet taken off.

2. Holidays That Fall On A Saturday.

172. For those employees assigned to a work week of Monday through Friday, and in the event a legal holiday falls on Saturday, the preceding Friday shall be observed as a holiday; provided, however, that except where the Governor declares that such preceding Friday shall be a legal holiday, each department head shall make provision for the staffing of public offices under their jurisdiction on such preceding Friday so that said public offices may serve the public as provided in Section 7.702 of the Charter. Those employees who work on a Friday which is observed as a holiday in lieu of a holiday falling on Saturday shall be allowed a day off in lieu thereof as scheduled by the Sheriff in the current fiscal year. The City shall provide one week's advance notice to employees scheduled to work on the observed holiday, except in cases of unforeseen operational needs.

3. Holiday Compensation For Time Worked.

173. Employees required to work on any of the above-specified holidays excepting Fridays observed as holidays in-lieu of holidays falling on Saturday, shall be paid extra compensation at time and one-half (1-1/2) the usual rate; provided, however, that at an employee's request and with the approval of the Sheriff, an employee may be granted compensatory time off in-lieu of paid overtime.
174. Employees occupying positions which are exempt from the FLSA (executive, administrative and professional) shall not receive extra compensation for holiday work but may be granted time off.

4. Holidays For Employees On Work Schedules Other Than Monday Through Friday.

176. b. Employees whose holidays are changed because of shift rotations shall be allowed another day off if a legal holiday falls on one of their days off.
177. c. Employees required to work on a holiday which falls on a Saturday or Sunday shall receive holiday compensation for work on that day. Holiday compensation shall not then be additionally paid for work on the Friday preceding a Saturday holiday, nor on the Monday following a Sunday holiday.

**COLLECTIVE BARGAINING AGREEMENT
SAN FRANCISCO DEPUTY SHERIFFS' ASSOCIATION
JULY 1, 2019 – JUNE 30, 2022**

ARTICLE III – PAY, HOURS AND BENEFITS

178. d. Subsections b. and c., above, shall apply to part-time employees on a pro-rata basis. If the provisions of this section deprive an employee of the same number of holidays that an employee receives who works Monday through Friday, they shall be granted additional days off to equal such number of holidays. The designation of such days off shall be by mutual agreement of the employee and the appropriate employer representative. Such days off must be taken within the fiscal year. In no event shall the provisions of this section result in such employee receiving more or less holidays than an employee on a Monday through Friday work schedule.
5. Holiday Pay For Employees Laid Off.
179. An employee who is laid off at the close of business the day before a holiday who has worked not less than five (5) previous consecutive workdays shall be paid for the holiday at their normal rate of compensation.
6. Employees Not Eligible For Holiday Compensation.
180. Persons employed for holiday work only, or persons employed on a part-time work schedule which is less than twenty (20) hours in a bi-weekly pay period, or persons employed on an intermittent part-time work schedule (not regularly scheduled), or persons employed on as-needed, seasonal or project basis for less than six (6) months continuous service, or persons on leave without pay status both immediately preceding and immediately following the legal holiday shall not receive holiday pay.
7. Part-Time Employees Eligible For Holidays.
181. Part-time employees who regularly work a minimum of twenty (20) hours in a bi-weekly pay period shall be entitled to holiday pay on a proportionate basis.
182. Regular full-time employees are entitled to 8/80 or 1/10 time off when a holiday falls in a bi-weekly pay period, therefore, part-time employees, as defined in the immediately preceding paragraph, shall receive a holiday based upon the ratio of 1/10 of the total hours regularly worked in a bi-weekly pay period. Holiday time off shall be determined by calculating 1/10 of the hours worked by the part-time employee in the bi-weekly pay period immediately preceding the pay period in which the holiday falls. The computation of holiday time off shall be rounded to the nearest hour.
183. The proportionate amount of holiday time off shall be taken in the same fiscal year in which the holiday falls. Holiday time off shall be taken at a time mutually agreeable to the employee and the appropriate employer representative.

189. a. If the employee is receiving a salary in their present classification equal to or above the entrance step of the promotive class, the employee's salary in the promotive class shall be adjusted two steps in the compensation schedule over the salary received in the lower class but not above the maximum of the salary range of the promotive classification.

The proper step shall be determined in the bi-weekly compensation schedule and shall not be above the maximum of the salary range of the promotive class.
191. For purpose of this Section, appointment of an employee as defined herein to a position in any class the salary schedule for which is higher than the salary schedule of the employee's class shall be deemed promotive.

201. c. *Reemployment in a Formerly Held Classification.* An employee who has completed the probationary period in an entrance appointment who is laid off and is returned to a classification formerly held on a permanent basis shall receive a salary based upon the original appointment date in the classification to which the employee is returned. 205. a. A fraction of less than one-half (1/2) shall be dropped and the amount reduced to the next full cent.

remaining steps will be re-numbered, making eleven (11) steps in the 8304/8504 salary range.

208. b. Upon promotion to Class 8304/8504, employees in classification 8302 shall move to Step 1 of the 8304/8504 salary range. This will result in no change in pay.

209. c. All employees in classification 8304/8504 will advance to each successive step upon completion of the six (6) months of required service with the following exception. If the Sheriff agrees that a performance appraisal should be marked lower than competent and effective, the increment may be withheld at the Sheriff's sole discretion.

2. *Supervisory Ranks (8306/8506 Employees)*

210. a. All employees in classifications 8306/8506 shall be paid at the top step of their salary range.

III.I. WORKERS' COMPENSATION & RETURN TO WORK

213. 1. *Workers' Compensation.* An employee who is absent because of an occupational disability and who is receiving Temporary Disability, Vocational Rehabilitation Maintenance Allowance, State Disability Insurance, may request that the amount of disability indemnity payment be supplemented with salary to be charged against the employee's accumulated unused sick leave with pay credit balance at the time of disability, compensatory time off, or vacation, so as to equal the normal salary the employee would have earned for the regular work schedule. Use of compensatory time requires the employee's appointing officer's approval.

214. An employee who wishes not to supplement, or who wishes to supplement with compensatory time or vacation, must submit a written request to the appointing

ARTICLE III – PAY, HOURS AND BENEFITS

officer or designee within seven (7) calendar days following the first date of absence. Disability indemnity payments will be automatically supplemented with sick pay credits (if the employee has sick pay credits and is eligible to use them) to provide up to the employee's normal salary unless the employee makes an alternative election as provided in this section.

- 215. Employee supplementation of workers compensation payment to equal the full salary the employee would have earned for the regular work schedule in effect at the commencement of the workers compensation leave shall be drawn only from an employee's paid leave credits including vacation, sick leave balance, or other paid leave as available. An employee returning from disability leave will accrue sick leave at the regular rate and not an accelerated rate.
- 216. Salary may be paid on regular time-rolls and charged against the employee's sick leave with pay, vacation, or compensatory time credit balance during any period prior to the determination of eligibility for disability indemnity payment without requiring a signed option by the employee.
- 217. Sick leave with pay, vacation, or compensatory time credits shall be used to supplement disability indemnity pay at the minimum rate of one (1) hour units.
- 218. The parties agree that this provision clarifies and supersedes any conflicting provision of the Civil Service Rules which are within the authority of the Board of Supervisors and subject to bargaining and arbitration pursuant to Charter Section A8.409 *et seq.*
- 219. Entitlements afforded represented employees under Labor Code Section 4850 and Article II.D.4. of this Agreement shall not be affected by this provision.

III.J. VACATION

- 220. Vacations will be administered pursuant to the Administrative Code, Article II, Sections 16.10 through 16.16.
- 221. *Vacation Slots Formula*
- 222. The Department shall provide all represented members with an opportunity to utilize all vacation earned and accrued each year. The parties agree that the following is sufficient to ensure that the represented members have the opportunity to use vacation:
 - 223. 1. The Department shall establish sufficient vacation slots to ensure that all members' vacation accruals in the upcoming year shall be accommodated.

ARTICLE III – PAY, HOURS AND BENEFITS

224. 2. Vacation slots shall be established for all represented members regardless of whether they are on, or anticipated to be on, leaves or absent from their assigned facility or work site.
225. 3. Represented members who have been away from their assignment ninety (90) calendar days or more may participate in vacation sign up through the Sheriff's Department Personnel Unit.
226. 4. The following formula shall be used to determine the required number of vacation slots for a specific watch/team at a selected facility/unit during the annual vacation sign-up for that watch/team:

227.

Number of represented members assigned to the watch	Number of slots per day per watch/team
7 represented members and below	1 vacation slot
8 to 17 represented members	2 vacation slots
18 to 27 represented members	3 vacation slots
28 to 37 represented members	4 vacation slots January through May and September through November; 5 vacation slots June, July, August, and December.
38 to 47 represented members	5 vacation slots January through May and September through November; 6 vacation slots June, July, August, and December.
48 represented members or more	6 vacation slots January through May and September through November; 7 vacation slots June, July, August, and December.

228. In addition, there shall be one Paid Time Off ("PTO") slot (for vacation or compensatory time off) available at each level (e.g. for a watch of 19 employees, there shall be 3 vacation slots and one additional PTO slot). Employees shall give the Department five (5) days advance written notice of a request to use a PTO slot. The Department shall grant permission to use the PTO slot, if available, unless doing so would unduly disrupt the operation of the Department.

III.K. HEALTH AND WELFARE

1. Employee Health Care.
229. The contribution model for employee health insurance premiums will be based on the City's contribution of a percentage of those premiums and the employee's

ARTICLE III – PAY, HOURS AND BENEFITS

payment of the balance (Percentage-Based Contribution Model), as described below:

1) Employee Only:

230. For medically single employees (Employee Only) who enroll in any health plan offered through the Health Services System, the City shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the City's contribution shall be capped at ninety-three percent (93%) of the Employee Only premium of the second-highest-cost plan.

2) Employee Plus One:

231. For employees with one dependent who elect to enroll in any health plan offered through the Health Services System, the City shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the City's contribution shall be capped at ninety-three percent (93%) of the Employee Plus One premium of the second-highest-cost plan.

3) Employee Plus Two or More:

232. For employees with two or more dependents who elect to enroll in any health plan offered through the Health Services System, the City shall contribute eighty-three percent (83%) of the total health insurance premium, provided however, that the City's contribution shall be capped at eighty-three percent (83%) of the Employee Plus Two or More premium of the second-highest-cost plan.

4) Contribution Cap

233. In the event HSS eliminates access to the current highest cost plan for active employees, the City contribution under this agreement for the remaining two plans shall not be affected.

5) Average Contribution Amount

234. For purposes of this agreement, and any resulting agreements under paragraph 228, to ensure that all employees enrolled in health insurance through the City's Health Services System (HSS) are making premium contributions under the Percentage-Based Contribution Model, and therefore have a stake in controlling the long term growth in health insurance costs, it is agreed that, to the extent the City's health insurance premium contribution under the Percentage-Based Contribution Model is less than the "average contribution," as established under Charter section A8.428(b), then, in addition to the City's

ARTICLE III – PAY, HOURS AND BENEFITS

contribution, payments toward the balance of the health insurance premium under the Percentage-Based Contribution Model shall be deemed to apply to the annual “average contribution.” The parties intend that the City’s contribution toward employee health insurance premiums will not exceed the amount established under the Percentage-Based Contribution Model.

2. Dental Coverage.

235. The City agrees to maintain dental plan coverage at present levels for the term of this Agreement. Otherwise, effective January 1, 2013, employees who enroll in the Delta Dental PPO Plan shall pay the following premiums for the respective coverage levels: \$5/month for employee-only, \$10/month for employee + 1 dependent, or \$15/month for employee + 2 or more dependents.

3. Contributions While On Unpaid Leave.

236. As set forth in Administrative Code section 16.701(b), covered employees who are not in active service for more than twelve (12) weeks, shall be required to pay the Health Service System for the full premium cost of membership in the Health Service System, unless the employee shall be on sick leave, workers' compensation, mandatory administrative leave, approved personal leave following family care leave, disciplinary suspensions or on a layoff holdover list where the employee verifies they have no alternative coverage.

III.L. RETIREMENT

237. For the duration of this agreement, employees who are members of SFERS shall pay their own retirement contributions in an amount as required by the San Francisco Charter.

238. Employee payment of employee contribution to CalPERS

For the duration of this agreement, members of the bargaining unit who are members of CalPERS shall pay the employee share of mandatory retirement contributions, effectuated via a pre-tax reduction in salary. These mandatory retirement contributions:

- (i) will be paid by the City to CalPERS, effectuated via a pre-tax reduction in salary pursuant to Internal Revenue Code Section 414(h)(2);
- (ii) will not be included in the gross income of the bargaining unit members for certain tax reporting purposes, that is, for federal, state, or local income tax withholding, unless and until distributed either through a pension benefit or a lump sum payment;
- (iii) will be considered as part of the bargaining unit member’s compensation for the purpose of computing straight-time earning, compensation for overtime worked,

ARTICLE III – PAY, HOURS AND BENEFITS

premium pay, and retirement benefits, and shall be taken into account in determining the level of any other benefit which is a function of, or a percentage of, salary; and

- (iv) the affected bargaining unit members shall not be entitled to receive any of the contributions described above directly instead of having them paid to CalPERS.

239. Any City pickup of an employee's mandatory retirement contribution shall not be considered as a part of an employee's compensation for the purpose of computing straight-time earnings, compensation for overtime worked, premium pay, or retirement benefits; nor shall such contributions be taken into account in determining the level of any other benefit which is a function of our percentage of salary. The City reserves the right to take said contributions into account for the purpose of salary comparisons with other employers.

240. *Military Buy-Back Option.* Subject to meeting the PERS requirements for military buy-back, and in compliance with the City Charter, the parties agree that employees may buy-back up to four (4) years of active duty Federal Armed Services time under the following terms and conditions: (a) the employee shall pay the full employee share and the full employer share (expected to rise over the next few years) for the time the employee bought back based on a rate of compensation to be determined by PERS; in addition, (b) the employee shall pay interest on the contribution as determined by PERS.

241. 1. Prop. C Employee Cost-Sharing:

- A. The parties recognize the requirement under Charter Section A8.590-9 to negotiate cost-sharing provisions that produce comparable savings and costs to the City and County as are produced through the Charter's SFERS employee contribution rate adjustment formulae. The parties intend this Section to effectuate the cost sharing provisions of San Francisco Charter Section A8.590-9. The parties further acknowledge that: (i) the annual SFERS employer contribution rate is determined by the SFERS actuary and approved by the SFERS Board for each fiscal year; and (ii) the annual employer contribution rate for SFERS for FY 2012-13 is 20.71%.
- B. The parties agree that, when the applicable SFERS annual employer contribution rate is more than 12.00%, bargaining unit members in CalPERS shall make the mandatory payment described in paragraph 224 plus an additional mandatory contribution to effectuate San Francisco Charter Section A8.590-9 (the "Prop. C Contribution"). The Prop. C Contribution is determined, as set forth in the chart below, based on the employee contribution rate which corresponds to the SFERS annual employer contribution rate for that fiscal year. For example, for FY 2012-2013, based on the employer contribution rate of 20.71%, the Prop. C. Contribution will be 3.5% of covered compensation for bargaining unit members in CalPERS.

- (iv) will be reported to CalPERS as City contributions to be applied against the City's CalPERS reserve, and will not be applied to the bargaining unit member's individual CalPERS accounts;

- D. In the event that the Prop. C Contribution is zero, i.e. the annual SFERS employer contribution rate is between 11-12%, section C above will not apply. In the event that the Prop. C Contribution is a negative number, i.e. the annual SFERS employer contribution rate is less than 11%, Section C above will not apply and the Prop. C Contribution will be treated as a City pick up of the bargaining unit members' mandatory CalPERS retirement contribution under paragraph 224 to the extent of the Prop. C Contribution.

The City will work with the Association and the San Francisco Employees Retirement System and Board of Supervisors to determine whether it is feasible to amend the City's contract with CalPERS to expressly provide for an additional Member Contribution over and above Normal Contribution (the Prop. C Contribution) for classic members in an amount specified in Section III.M. Retirement, on a pre-tax basis.

Notwithstanding the above paragraphs, in the event that a change in state law causes the implementation, during the term of this Agreement, of an increase to the employee contribution to CalPERS for employees covered by this Agreement, either party may elect to reopen this Agreement to address the impact of the change in state law. This reopener shall be subject to the impasse resolution procedures and criteria set for in Charter section A8.590-5, as applicable.

151. ~~The first six (6) hours of canine care activities, within a pay period, will be compensated at one and one-half times the hourly rate of the federal minimum wage (for example, the federal minimum wage as of July 1, 2014, is \$7.25 per hour and that rate will apply until such time as the federal minimum wage is changed); pursuant to 29 USC § 207(g)(2), the second six (6) hours within a pay period, will be paid at one and one-half times the hourly rate paid for the first six hours (for example, as of July 1, 2014, the first six hours will be paid at \$10.88 per hour (\$7.25 x 1.5 = \$10.88) and the second six hours will be paid at \$16.32 per hours (\$10.88 x 1.5 = \$16.32/hour). This extra compensation is for activities outside normal working hours and is not to be considered base pay, premium pay, nor shall it be included for purposes of retirement benefit calculations or contributions, except as required by law. Overtime shall be calculated and paid on the basis of the total number of straight-time hours worked in a day and a week. For the purposes of this section, statutory holidays and in-lieu holidays shall be counted as hours worked. Overtime compensation so earned shall be computed subject to all the provisions and conditions set forth herein.
158. Notwithstanding the foregoing paragraph, overtime worked by employees required to participate in a regular daily briefing period shall be paid at a straight time rate for the first one-quarter hour in excess of eight hours per day.
159. Employees occupying Fair Labor Standards Act (FLSA) exempt (executive, administrative, or professional) positions shall not be paid for overtime worked but may be granted compensatory time off.
160. Employees covered by the FLSA who are required to work overtime shall be paid at a rate of one and one-half times (1-1/2) the regular rate, except by mutual agreement an employee may earn up to 160 hours of compensatory time each fiscal year.
161. Employees shall give the Department five (5) days advance written notice of a request to use compensatory time off. The Department shall grant permission to use the compensatory time off unless doing so would unduly disrupt the operation of the Department. The Department may grant an employee's request to use compensatory time off with less than the required five (5) days advance written notice at its sole discretion.

ARTICLE III – PAY, HOURS AND BENEFITS

162. Employees may not accumulate a balance of compensatory time in excess of 160 hours.
163. Subject to the maximum number of compensatory time hours an employee may earn each fiscal year and subject to the maximum compensatory time balance an employee may accumulate, as set forth above, employees who work a 12-hour shift shall be able to elect, at the beginning of each fiscal year, to be paid in compensatory time for working hours 81 through 84 of their two week pay period. Implementation of this provision is subject to confirmation by the City that it complies with state and federal law.
164. A non-“Z” or “L” classified employee who is appointed to a position in a higher, non-“Z” or “L”-designated classification or who is appointed to a position in a “Z” designated classification shall have ~~his or her~~their entire compensatory time balances paid out at the rate of the lower classification prior to promotion or said non-“Z” or “L” classified employee, at ~~his or her~~their option, may carry over forty (40) hours of accrued compensatory time to the position in a higher classification within the department.
165. A non-“Z” or “L” classified employee who is appointed to a position in another department shall have ~~his or her~~their entire compensatory time balances paid out at the rate of the underlying classification prior to appointment.
166. Upon transfer to another City department or upon separation of employment through resignation, retirement or termination, a bargaining unit member who is designated “non-Z” or whose “Z” symbol has been waived, shall be entitled to payout of all hours of compensatory time that the member has earned but not used at the time of transfer or separation, less any applicable deductions and withholdings. A bargaining unit member who transfers from Sheriff’s Department to another City department shall provide written notice to the Sheriff’s Department, prior to separation from the member’s classification, of the member’s desire to receive payout of all hours of compensatory time available under this section. At the direction of the Sheriff’s Department, an employee shall be required to use compensatory time before transferring from another Department.
167. The parties acknowledge that for purposes of calculating overtime under the Fair Labor Standards Act (FLSA), the work period now in effect for all sworn members, regardless of the member’s assignment or shift, is a 14-day period (86 hours) under 29 USC Section 207k (e.g., Saturday, July 2, 2005 at 0001 hours to Friday, July 15, 2005 at 2400 hours; Saturday, July 16, 2005 at 0001 hours to Friday, July 29, 2005 at 2400 hours).
168. The Department and DSA acknowledge that the San Francisco Administrative Code currently limits overtime worked by employees of the City and County of San Francisco to five hundred and twenty (520) hours. The parties agree that prior to the Sheriff submitting a formal written request for an exemption from the overtime limitation to the Director of the Department of Human Resources, the Sheriff, or ~~his/her~~their designee, will consult with the DSA.

The parties recognize the requirement under Charter Section A8.590-9 to negotiate cost-sharing provisions that produce comparable savings and costs to the City and County as are produced through the Charter's SFERS employee contribution rate adjustment formulae. The parties intend this Section to effectuate the cost sharing provisions of San Francisco Charter Section A8.590-9. The parties further acknowledge that: (i) the annual SFERS employer contribution rate is determined by the SFERS actuary and approved by the SFERS Board for each fiscal year; and (ii) the annual employer contribution rate for SFERS for FY 2012-13 is 20.71%.
- B. The parties agree that, when the applicable SFERS annual employer contribution rate is more than 12.00%, bargaining unit members in CalPERS shall make the mandatory payment described in paragraph 224 plus an additional mandatory contribution to effectuate San Francisco Charter Section A8.590-9 (the "Prop. C Contribution"). The Prop. C Contribution is determined, as set forth in the chart below, based on the employee contribution rate which corresponds to the SFERS annual employer contribution rate for that fiscal year. For example, for FY 2012-2013, based on the employer contribution rate of 20.71%, the Prop. C. Contribution will be 3.5% of covered compensation for bargaining unit members in CalPERS.

ARTICLE III – PAY, HOURS AND BENEFITS

- D. In the event that the Prop. C Contribution is zero, i.e. the annual SFERS employer contribution rate is between 11-12%, section C above will not apply. In the event that the Prop. C Contribution is a negative number, i.e. the annual SFERS employer contribution rate is less than 11%, Section C above will not apply and the Prop. C Contribution will be treated as a City pick up of the bargaining unit members' mandatory CalPERS retirement contribution under paragraph 224 to the extent of the Prop. C Contribution.

The City will work with the Association and the San Francisco Employees Retirement System and Board of Supervisors to determine whether it is feasible to amend the City's contract with CalPERS to expressly provide for an additional Member Contribution over and above Normal Contribution (the Prop. C Contribution) for classic members in an amount specified in Section III.M. Retirement, on a pre-tax basis.

Notwithstanding the above paragraphs, in the event that a change in state law causes the implementation, during the term of this Agreement, of an increase to the employee contribution to CalPERS for employees covered by this Agreement, either party may elect to reopen this Agreement to address the impact of the change in state law. This reopener shall be subject to the impasse resolution procedures and criteria set for in Charter section A8.590-5, as applicable.

Release time shall not be unreasonably withheld.
249. This section shall not be subject to the grievance procedure.

III.NM. LEAVES OF ABSENCE

250. SIDE LETTER AGREEMENT TO THE COLLECTIVE BARGAINING AGREEMENT BETWEEN THE CITY AND COUNTY OF SAN FRANCISCO AND DEPUTY SHERIFF'S ASSOCIATION OF SAN FRANCISCO

Section III.M. Retirement of the Agreement between the City and the Association provides that in addition to paying any required employee retirement contribution, bargaining unit members in CalPERS shall make a mandatory contribution to effectuate San Francisco Charter Section A8.590-9 (the "Prop. RE: File Numbers 190536-190538, 190543, 190639-190640: Memoranda of Understanding (MOU) between the City and County of San Francisco and various Unions representing City bargaining units

Dear Ms. Calvillo,

In accordance with Ordinance 92-94, I submit a cost analysis of 6 MOUs between the City and County of San Francisco and various Unions representing employee bargaining units. The MOUs cover the period July 1, 2019 through June 30, 2022.

The MOUs affect approximately 2,700 authorized positions with an overall salary and benefits base of approximately \$650.0 million. Our analysis finds that the MOUs will result in increased costs to the City of \$27.1 million (or 4.2%) of base wage and benefit cost in FY 2019-20, \$51.7 million, (or 8.0%) of base wage and benefit cost in FY 2020-21, and \$76.5 million (or 11.8%) of base wage and benefit cost in FY 2021-22. Approximately 98% of the increased cost is supported by the General Fund.

Our cost estimates assume that premiums, overtime, and other adjustments grow consistently with wage changes. Some wage and premium increases in FY 2020-21 and FY 2021-22 could be delayed if the Joint Report projects a budget deficit greater than \$200 million. These cost estimates assume that those increases will take place as scheduled. If the increases were delayed, the estimated cost would be reduced to approximately \$38.9 million and \$63.1 in FY 2020-21 and FY 2021-22, respectively. See Attachments A and B for a detailed listing and analysis of costs for the affected MOUs.

If you have additional questions or concerns, please contact me at 554-7500 or Carol Lu of my staff at 554-7647.

Sincerely,

Ben Rosenfield
Controller

Attachment B

In accordance with Ordinance 92-94, the Office of the Controller conducted a cost analysis of 6 MOUs between the City and County of San Francisco and various Unions representing employee bargaining units. The attached analysis reviews the MOUs and one MOU amendment listed below:

- 190536 – San Francisco Sheriffs' Managers and Supervisors Association
- 190537 – Union of American Physicians and Dentists, Unit 17
- 190538 – Union of American Physicians and Dentists, Unit 18
- 190543 – San Francisco Deputy Sheriffs' Association
- 190639 – Service Employees International Union, Local 1021: Staff and Per Diem Nurses
- 190640 – Teamsters, Local 856: Supervising Registered Nurses

The MOUs affect approximately 2,700 authorized positions with an overall salary and benefits base of approximately \$650.0 million. Our analysis finds that the MOUs will result in increased costs to the City of \$27.1 million (or 4.2%) of base wage and benefit cost in FY 2019-20, \$51.7 million, (or 8.0%) of base wage and benefit cost in FY 2020-21, and \$76.5 million (or 11.8%) of base wage and benefit cost in FY 2021-22. Approximately 98% of the increased cost is supported by the General Fund.

Our cost estimates assume that premiums, overtime, and other adjustments grow consistently with wage changes. Some wage and premium increases in FY 2020-21 and FY 2021-22 could be delayed if the Joint Report projects a budget deficit greater than \$200 million. These cost estimates assume that those increases will take place as scheduled. If the increases were delayed, the estimated cost would be reduced to approximately \$38.9 million and \$63.1 in FY 2020-21 and FY 2021-22, respectively. See Attachments A and B for a detailed listing and analysis of costs for the affected MOUs.

The MOUs share the same citywide wage increases. They increase base wages by 3.0% on July 1, 2019; 1.0% on December 28, 2019; 3.0% on July 1, 2020; 0.5% on December 26, 2020; 3.0% on July 1, 2021; 0.5% on January 8, 2022. As noted above, these mid-year wage increases could be delayed by six months in FY 2020-21 and FY 2021-22 if the Joint Report projects a budget deficit of greater than \$200 million.

Overall, more than 90% of the total cost increase is attributable to citywide wage increases. In addition, most of the MOUs contain provisions to add or change premium pay for certain skills and certifications. Several of the MOUs also adjust compensatory time, floating holidays, and jury duty pay; in most cases, we did not find an additional cost for these provisions.

The MOUs are discussed in more detail below.

The MOU for San Francisco Sheriffs’ Managers and Supervisors Association affects 96 authorized positions with a base salary of \$13.8 million and an overall pay and benefits base of approximately \$23.2 million.
