16 (a) The Planning Department has determined that the actions contemplated in this
17 ordinance comply with the California Environmental Quality Act (California Public Resources
18 Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of
19 Supervisors in File No. 190214 and is incorporated herein by reference. The Board affirms
20 this determination.

21 (b) On March 20, 2019, at a duly noticed public hearing, the Building Inspection
22 Commission considered this ordinance in accordance with Charter Section D3.750-5 and
23 Building Code Section 104A.2.11.1.1. A copy of a letter from the Secretary of the Building

///

1 Section 2. The San Francisco Building Code is hereby amended by adding Section
2 107A.15, to read as follows:

3
4 107A.15 Building Code fee waivers for 100% affordable housing projects and accessory
5 dwelling unit projects. Notwithstanding any fee provision of the Building Code to the contrary, the
6 following provisions shall apply to 100% affordable housing projects and accessory dwelling unit
7 projects.

8 (a) Building inspection fees, plan review fees, records retention fees, and site surcharge fees
9 shall be waived. For purposes of this subsection (a), building inspection fees do not include electrical
10 and plumbing fees.

11 (b) For purposes of this Section 107A.15, affordable housing shall mean a multi-family
12 residential building, including any ancillary commercial space, where 100% of the residential units
13 (not including a manager's unit) will be subject to a recorded regulatory restriction to ensure
14 affordability based on income, or where 100% of the residential units (not including a manager's unit)
15 are funded by a nonprofit charitable organization and will provide permanent housing for homeless or
16 formerly homeless persons.

17 (c) For purposes of this Section 107A.15, accessory dwelling unit shall have the meaning set
18 forth in Planning Code Section 102. The applicant for the accessory dwelling unit is eligible for a fee
19 waiver (or proportionate fee waiver) solely for the establishment or modification of the accessory
20 dwelling unit and no other work on the applicant's property that is subject to the Building Code.

21 (d) Upon the effective date of the ordinance establishing Section 107A.15, which is on file with
22 the Clerk of the Board of Supervisors in File No. 190214, the fee waiver shall apply as of the date of
23 retroactivity stated in the ordinance establishing this Section.

24 (e) The fee waiver provisions also shall apply to 100% affordable housing projects and
25 accessory dwelling unit projects that have applied for building permits on or before the date of

1 retroactivity as stated in the ordinance identified in subsection (d) but have yet to receive a final
2 certificate of occupancy on the date of retroactivity; provided however, that the fee waiver shall apply
3 only to applicable Building Code fees that have not been paid as of the date of retroactivity. The
4 Department of Building Inspection shall not refund any fees paid for such projects prior to the date of
5 retroactivity.

6 (f) Subject to the exception in subsection (g), the fee waiver provisions shall apply for one year
7 from the effective date of the ordinance on file with the Clerk of the Board of Supervisors in File
8 No. 190214. One year from the effective date of the aforementioned ordinance, this Section 107A.15
9 shall expire by operation of law, except as stated in subsection (g).

10 (g) Any 100% affordable housing projects and accessory dwelling unit projects that apply for a
11 building permit on or after the date of retroactivity as stated in the ordinance identified in subsection
12 (d) are eligible for all applicable fee waivers even if such fees are due after this Section 107A.15
13 expires as set forth in subsection (f).

14 (h) To the extent the Department is aware that a project qualifies for a fee waiver under this
15 Section 107A.15, the Department shall inform the applicant about the fee waiver. The Department also
16 shall post notice of the fee waiver program on its website and at various locations in its offices where
17 the notice will be visible to applicants.

18
19 Section 3. Department of Building Inspection Report. Ninety days prior to the
20 expiration date of Building Code Section 107A.15, the Department of Building Inspection shall
21 submit a report to the Board of Supervisors and the Building Inspection Commission on the
22 pilot program for fee waivers for 100% affordable housing projects and accessory dwelling
23 unit projects. The report shall include, but not be limited to, the number of projects taking
24 advantage of the fee waiver, the type and location of such projects, the total amount of fees

25 ///

1 waived or projected to be waived during the term of the pilot program, and any administrative
2 impacts associated with the Department's processing of such waivers.

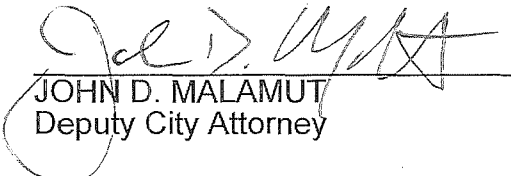

3
4 Section 4. Effective Date; Retroactivity.

5 (a) This ordinance shall become effective 30 days after enactment. Enactment occurs
6 when the Mayor signs the ordinance, the Mayor returns the ordinance unsigned or does not
7 sign the ordinance within ten days of receiving it, or the Board of Supervisors overrides the
8 Mayor's veto of the ordinance.

9 (b) This ordinance shall be retroactive to February 26, 2019, the date of introduction of
10 this ordinance. The Board of Supervisors intends that the Department of Building Inspection
11 exercise administrative discretion to waive the fees that are the subject of this ordinance
12 during the period before the effective date of this ordinance. Otherwise, in light of this
13 retroactivity provision, upon the effective date of this ordinance, the Department of Building
14 Inspection shall be obligated to refund any excess fees collected during that time period.

LEGISLATIVE DIGEST

[Building Code - Fee Waiver for 100% Affordable Housing and Accessory Dwelling Units]

Ordinance amending the Building Code to waive specified fees for 100% affordable housing projects, as defined herein, and accessory dwelling unit projects for an approximately one-year pilot program; and affirming the Planning Department's determination under the California Environmental Quality Act.

Existing Law

The Building Code establishes a variety of fees for building permit applications, inspections, and other actions under the Building Code.

Amendments to Current Law

This ordinance would establish a one-year pilot program to waive certain Building Code fees for 100% affordable housing project and accessory dwelling unit projects, both as defined in the legislation, beginning on February 26, 2019, which is the date of introduction. The fee waiver program would apply to building inspection, plan review, records retention, and site surcharge fees. The legislation would require the Department of Building Inspection to prepare a report on fee waiver pilot program. The ordinance also would make environmental findings.

Not defined as a project under CEQA Guidelines Sections 15378 and 15060(c)(2) because it would not result in a direct or indirect physical change in the environment. It is a temporary fee waiver.

Dear Ms. Calvillo:

RE: File No. 190214

Ordinance amending the Building Code to waive specified fees for 100% affordable housing projects, as defined herein, and accessory dwelling unit projects for an approximately one-year pilot program; and affirming the Planning Department's determination under the California Environmental Quality Act.

This amendment was heard at the Code Advisory Committee (CAC) meeting on March 13, 2019. The CAC recommended the adoption of ordinance File No. 190214 as written with the added conditions that all fees be waived including but not limited to Planning Department, Fire Department, Mayor's Office on Disability, and the Public Utilities Commission so the project sponsors are not misled as to what the fee waiver entails. The CAC also requested a provision be added that the fee waiver would not apply to Accessory Dwelling Units created in existing multi-family dwellings unless they are 100% affordable units.

The Building Inspection Commission met and held a public hearing on March 20, 2019 regarding the proposed amendment to the San Francisco Building Code referenced above. The Commissioners voted unanimously to **recommend approval** of the proposed Ordinance.

Commissioners also discussed the following items:

- 1) Commissioners did not necessarily agree with all of the CAC's comments, but they did agree that project sponsors shouldn't be misled and think that all fees are waived, when it's really only DBI fees.
- 2) Several Commissioners expressed that they thought fee deferrals for all Departments may be a more effective way to assist with building 100% affordable housing projects.
- 3) There was concern that fee waivers at DBI may negatively affect the budget,

and Commissioners don't want staff to potentially be faced with layoffs down the road.

- 4) Commissioners were in support of the legislation, but were happy to hear that after a year there would be an analysis done regarding the success of the pilot-program.
