

REVISED LEGISLATIVE DIGEST
(Substituted, 7/16/2019)

[Initiative Ordinance - Business and Tax Regulations, Administrative Codes - Additional Tax on Businesses With Disproportionate Executive Pay]

Motion ordering submitted to the voters at an election to be held on March 3, 2020, an Ordinance amending the Business and Tax Regulations Code and Administrative Code to impose an additional gross receipts tax and administrative office tax on businesses with a ratio of the compensation of the business's highest-paid employee to the median compensation paid to the business's employees based in the City that exceeds 100:1, to fund Mental Health SF (as proposed in the initiative ordinance in Board File No. 190800) or other mental health services; and increasing the City's appropriations limit by the amount collected under the additional tax for four years from March 3, 2020.

Existing Law

The City currently imposes several taxes on businesses engaging in business in the City:

- Article 12 generally imposes a registration fee on all businesses engaged in any business in the City other than as an administrative office equal to between \$75 and \$35,000 (adjusted for inflation), depending on the type of business and the amount of gross receipts attributable to the City. Article 12 generally imposes a registration fee on businesses engaged in business as an administrative office equal to between \$15,000 and \$35,000 (adjusted for inflation), depending on the payroll expense of the business attributable to the City. These fees are deposited into the General Fund.
- Articles 12-A and 12-A-1 generally impose additional taxes on all businesses engaged in any business in the City other than as an administrative office equal to 0.075% to 0.65% of the business's gross receipts attributable to the City, depending on the type of business and amount of gross receipts attributable to the City, plus 0.38% of the business's payroll expense attributable to the City. In lieu of these taxes, Article 12-A-1 imposes a tax on all businesses engaged in business as an administrative office equal to 1.4% of the business's payroll expense attributable to the City. These taxes are deposited into the General Fund.
- Article 21 generally imposes an additional tax on all business engaged in business in the City that receive gross receipts from the lease of commercial space in properties in the City, with rates between 1% to 3.5% of the gross receipts from the lease of that commercial space, depending on the type of property. This tax is dedicated 15% to the General Fund and 85% to fund early care and education for young children.
- Article 28 generally imposes an additional tax on all businesses engaged in any business in the City other than as an administrative office equal to between 0.175% and 0.69% of the business's gross receipts attributable to the City in excess of \$50

million, depending on the type of business. In lieu of this tax, Article 28 imposes a tax on all businesses engaged in business as an administrative office equal to 1.5% of the business’s payroll expense attributable to the City. This tax is dedicated to fund services for homeless people and to prevent homelessness.

- Commencing in 2021, Article 30 will impose an additional tax on all businesses engaged in cannabis business activities in the City equal to 1% to 5% of the gross receipts from those cannabis business activities in excess of \$500,000, depending on the type of cannabis business activities and the amount of gross receipts from those activities attributable to the City. This tax will be deposited into the General Fund.

Amendments to Current Law

Effective in 2021, this ordinance would create an additional tax that would generally apply to all businesses engaged in any business in the City where the compensation of the business’s highest-paid employee to the median compensation paid to the business’s employees based in the City (the “Executive Pay Ratio”) exceeds 100:1. For businesses engaged in any business other than as an administrative office the tax rates would be a percentage of the business’s gross receipts attributable to the City, depending on the Executive Pay Ratio of the business, as follows:

Executive Pay Ratio	Tax Rate
More Than 100:1 but Less Than or Equal to 200:1	0.1%
More Than 200:1 but Less Than or Equal to 300:1	0.2%
More Than 300:1 but Less Than or Equal to 400:1	0.3%
More Than 400:1 but Less Than or Equal to 500:1	0.4%
More Than 500:1	0.5%

For businesses engaged in business as an administrative office, the tax rates would be a percentage of the business’s payroll expense attributable to the City, depending on the Executive Pay Ratio of the business, as follows:

Executive Pay Ratio	Tax Rate
More Than 100:1 but Less Than or Equal to 200:1	0.4%
More Than 200:1 but Less Than or Equal to 300:1	0.8%
More Than 300:1 but Less Than or Equal to 400:1	1.2%
More Than 400:1 but Less Than or Equal to 500:1	1.6%
More Than 500:1	2.0%

If the voters pass a measure creating Mental Health SF at the March 3, 2020 election, monies collected from this tax would fund that program, with any amounts remaining funding mental health facilities, services, and programs more generally. If the voters do not pass a measure creating Mental Health SF at the March 3, 2020 election, monies collected from this tax would fund mental health facilities, services, and programs more generally.

FILE NO. 190695

This ordinance would increase the City's appropriations limit under Article XIII B by the amounts collected from the additional tax for four years from March 3, 2020.
