Dear Ms. Gibson:

On July 9, 2019, Public Works introduced the following legislation:

File No. 190756

Ordinance amending the Police Code to require that cannabis retailers at permitted events hold Cannabis Business Permits issued by the City, that applicants for Cannabis Event Permits identify the retailers that will be selling cannabis goods at such events and affirm that said retailers hold City-issued Cannabis Business Permits, and that recipients of Cannabis Event Permits take steps to reasonably ensure that only said retailers will sell cannabis goods at such events; to provide that a material false statement made in connection with an application for a Cannabis Event Permit may be subject to administrative penalty, cause for denial of a pending or future application for a Cannabis Business Permit, and cause for suspension or revocation of an existing Cannabis Business Permit; and affirming the Planning Department's determination under the California Environmental Quality Act.

This legislation is being transmitted to you for environmental review.
