3 **Resolution establishing Infill Opportunity Zones for Congestion Management Planning**  
4 **in the City and County of San Francisco under California Government Code Section**  
5 **65088.**  
6

7 WHEREAS, State Senate Bill 1636 ("SB 1636") allows local jurisdictions to designate  
8 eligible areas as Infill Opportunity Zones ("IOZs") so that Congestion Management Program  
9 ("CMP") requirements better support local land use and transportation policies, pursuant to  
10 California Government Code Section 65088.4; and  
11

12 WHEREAS, The San Francisco County Transportation Authority ("Authority") and the  
13 City and County of San Francisco ("City") seek to reform the City's approach to analyzing  
14 transportation impacts pursuant to the California Environmental Quality Act ("CEQA"), to  
15 better support local land use and transportation policies, by measuring Automobile Trips  
16 Generated ("ATG") rather than Level of Service ("LOS"); and

17 WHEREAS, The adoption of an IOZ in the City would provide strong support for the  
18 Authority and the City's effort to replace LOS with ATG for CEQA transportation impact  
19 purposes; and

20 WHEREAS, The adoption of an IOZ in the City would allow the Authority, as  
21 Congestion Management Agency ("CMA"), to better support the City's transit first policy, land  
22 use planning efforts, compact land use pattern, and multimodal transportation system through  
23 CMP practices; and

24 WHEREAS, SB 1636 requires that any IOZ designation be made no later than  
25 December 31, 2009; and

1           WHEREAS, The San Francisco Planning Department has determined that the IOZ  
2 determination would be consistent with the General Plan; and

3           WHEREAS, The Board of Supervisors finds the City to be eligible for IOZ designation  
4 in the area identified by the Authority in the IOZ Map ("IOZ Map") on file with the Clerk of the  
5 Board of Supervisors in File No. 091335 , which is hereby declared to be a part of this  
6 motion as if set forth fully herein; and

7           WHEREAS, The Board of Supervisors' eligibility findings are supported by analysis  
8 conducted by Authority staff, which is on file with the Clerk of the Board of Supervisors in File  
9 No. 091335 , and which is hereby declared to be a part of this motion as if set forth fully  
10 herein; now, therefore, be it

11  
12           RESOLVED, That the eligible portion of the City identified by the Authority in the IOZ  
13 Map is hereby designated an IOZ within the meaning of California Government Code Section  
14 65088.
