9 WHEREAS, On June 10, 2019, Human Services Agency staff located at 1235 Mission
10 Street were evacuated due to a heating, ventilation, and air conditioning (HVAC) system
11 failure of all existing chillers on the rooftop of 1235 Mission Street, a property that is operated
12 by the Human Services Agency.

13 WHEREAS, The Director of Public Works has determined these circumstances
14 constitute a hazardous public health and safety issue as the HVAC system is necessary for
15 heating, ventilating, and air conditioning of the entire building; without a system there is no
16 fresh air movement and extreme temperature fluctuations.

17 WHEREAS, Under authority granted by Administrative Code, Section 21.15(c), the
18 Director of Public Works declared an emergency on June 14, 2019, and gave notice of the
19 emergency declaration to the Board of Supervisors, Mayor, and Controller; and

20 WHEREAS, San Francisco Public Works staff has analyzed the circumstances
21 extensively and determined that the purchase of new heating, ventilating, and air conditioning
22 equipment, estimated to cost approximately \$775,000, is required; and

23 WHEREAS, The Office of Contract Administration executed a purchase order on June
24 20, 2019, to Fluid Gauge Company for the purchase of the heating, ventilating, and air
25 conditioning equipment; and

1 WHEREAS, The Controller has certified that funds are available for this emergency
2 contract; now, therefore, be it

3 RESOLVED, That the Board of Supervisors approves the emergency declaration for
4 the HVAC system failure made by the Director of San Francisco Public Works on June 14,
5 2019.

6 FURTHER RESOLVED, That actions taken to date by Public Works to address such
7 emergency work and resolve the emergency condition are hereby ratified.
