**THIS AMENDED AND RESTATED LOAN AGREEMENT** ("Agreement") is entered into as of \_\_\_\_\_, by and between the **CITY AND COUNTY OF SAN FRANCISCO**, a municipal corporation (the "City"), represented by the Mayor, acting by and through the Mayor's Office of Housing and Community Development ("MOHCD"), and **1064 MISSION, L.P.**, a California limited partnership ("Borrower").

**RECITALS**

A. The City is authorized under San Francisco Business and Tax Regulations Code Section 515.01(b)(3)(F) to use a portion of hotel tax funds collected by the City under this Agreement (the "Hotel Tax Funds") to assist in the construction or rehabilitation of low-income rental housing for the elderly or physically handicapped.

B. Under the Inclusionary Affordable Housing Program set forth in Sections 415.1 *et seq.* of the San Francisco Planning Code, the Citywide Affordable Housing Fund receives in-lieu Affordable Housing Fees ("Fees") paid by housing developers to satisfy requirements of the Inclusionary Affordable Housing Program. The City may use the Fees received by the Citywide Affordable Housing Fund (the "AHF Inclusionary Funds") to finance housing affordable to qualifying households. MOHCD administers the Funds pursuant to Section 10.100-49 of the San Francisco Administrative Code and enforces agreements relating to them.

C. Under the Residential Hotel Unit Conversion and Demolition program set forth in Chapter 41 of the San Francisco Administrative Code (the "Code"), the San Francisco Residential Hotel Preservation Fund Account, pursuant to Section 41.13 of the Code, receives fees related to the conversion of residential hotel units ("Fees"). The City may use the Fees received by the San Francisco Preservation Fund Account to finance the development of housing to replace the residential hotel units by making such housing affordable to extremely and very low-income qualifying households.

D. The funds provided from the ERAF Fund under this Agreement shall be referred to herein as the "Funds."

Community Development to accept and expend the county noncompetitive allocation award in the amount of \$9,519,091 under the California Department of Housing and Community Development's No Place Like Home Program which provides funding for counties to develop multifamily housing specifically for persons with serious mental illness who are homeless, chronically homeless, or at-risk of chronic homelessness to households earning up to fifty percent (50%) of the San Francisco Median Income (SFMI) adjusted for household size. On the same day, through Resolution 371-19, the San Francisco Board of Supervisors authorized and delegated authority to the Mayor's Office of Housing and Community Development to accept and expend the county competitive allocation award in the amount of \$18,250,554 under the California Department of Housing and Community Development's No Place Like Home Program. 13.2 Conditions to Distributions. The 20-Year Cash Flow Proforma attached hereto as Exhibit B-2 includes projections of annual Distributions. Exhibit B-2 is not intended to impose limits on the amounts to be annually distributed. 13.4 Borrower's Use of Residual Receipts for Development. To the extent that making a Distribution is not inconsistent with any other financing agreement for the Project, and subject to the limitations in this Article, with the City's prior written approval Borrower may retain a portion of Residual Receipts in lieu of using them to repay the Loan in an amount consistent with the Residual Receipts Policy attached hereto as **Exhibit P**. Borrower acknowledges that the City may withhold its consent to a Distribution in any year in which Residual Receipts are insufficient to meet Borrower's payment obligations under the Note.

(g) All costs, expenses, charges and advances of the City in exercising its remedies or to protect the Project will be deemed to constitute a portion of the principal balance of the Note, even if it causes the principal balance to exceed the face amount of the Note, unless Borrower reimburses the City within ten (10) days of the City's demand for reimbursement.

19.3 Force Majeure. The occurrence of any of the following events will excuse performance of any obligations of the City or Borrower rendered impossible to perform while the event continues: strikes; lockouts; labor disputes; acts of God; inability to obtain labor, materials or reasonable substitutes for either; governmental restrictions, regulations or controls; judicial orders; enemy or hostile governmental actions; civil commotion; fire or other casualty and other causes beyond the control of the party obligated to perform. 21.2 Required Notices. Borrower agrees to provide notice to the City in accordance with **Section 21.1** of the occurrence of any change or circumstance that: (a) will have an adverse effect on the physical condition or intended use of the Project; (b) causes the Loan to be out of balance; or (c) will have a material adverse effect on Borrower's operation of the Property or ability to repay the Loan.

## ARTICLE 22 HAZARDOUS SUBSTANCES.

22.1 Borrower's Representations. Borrower represents and warrants to the City that, to the best of Borrower's actual knowledge, without independent investigation or inquiry as of the Agreement Date, the following statements are true and correct except as disclosed in the Phase I, Site Mitigation Plan, and Asbestos and Lead Study or otherwise in writing: (a) the Site is not in violation of any Environmental Laws; (b) the Site is not now, nor has it been, used for the manufacture, use, storage, discharge, deposit, transportation or disposal of any Hazardous Substances, except in limited quantities customarily used in residences and offices and in compliance with Environmental Laws; (c) the Site does not consist of any landfill or contain any underground storage tanks; (d) the improvements on the Site do not consist of any asbestos-containing materials or building materials that contain any other Hazardous Substances; (e) no release of any Hazardous Substances in the improvements on the Site has occurred or in, on, under or about the Site; and (f) the Site is not subject to any claim by any Governmental Agency or third party related to any Environmental Activity or any inquiry by any Governmental Agency (including the California Department of Toxic Substances Control and the Regional Water Quality Control Board) with respect to the presence of Hazardous Substances in the improvements on the Site or in, on, under or about the Site, or the migration of Hazardous Substances from or to other real property.

22.2 Covenant. Unless the City otherwise consents in writing, at all times from and after the date of this Agreement, at its sole expense, Borrower must: (a) comply with all applicable Environmental Laws relating to the Site, and not engage in or otherwise permit the occurrence of any Environmental Activity in violation of any applicable Environmental Laws or that is not customary and incidental to the intended use of the Site, *provided that* nothing contained in this Section will prevent Borrower from contesting, in good faith and by appropriate proceedings, any interpretation or application of Environmental Laws; and (b) deliver to the City notice of the discovery by Borrower of any event rendering any representation contained in this Section incorrect in any respect promptly following Borrower's discovery.

## ARTICLE 23 INDEMNITY.

23.1 Borrower's Obligations. Borrower must Indemnify the City and its respective officers, agents and employees (individually or collectively, an "Indemnitee") against any and all Losses arising out of: (a) any default by Borrower in the observance or performance of any of Borrower's obligations under the City Documents (including those covenants set forth in **Article 22** above); (b) any failure of any representation by Borrower to be correct in all respects when made; (c) injury or death to persons or damage to property or other loss occurring on or in connection with the Site or the Project, whether caused by the negligence or any other act or omission of Borrower or any other person or by negligent, faulty, inadequate or defective design, building, construction, rehabilitation or maintenance or any other condition or otherwise; (d) any claim of any surety in connection with any bond relating to the construction or rehabilitation of any improvements or offsite improvements; (e) any claim, demand or cause of action, or any action or other proceeding, whether meritorious or not, brought or asserted against any Indemnitee that relates to or arises out of the City Documents, the Loan, the Site, or the Project or any transaction contemplated by, or the relationship between Borrower and the City or any

action or inaction by the City under, the City Documents; (f) the occurrence until the expiration of the Compliance Term, of any Environmental Activity or any failure of Borrower or any other person to comply with all applicable Environmental Laws relating to the Project or the Site; (g) the occurrence, after the Compliance Term, of any Environmental Activity resulting directly or indirectly from any Environmental Activity occurring before the expiration of the Compliance Term; (h) any liability of any nature arising from Borrower's contest of or relating to the application of any Law, including any contest permitted under **Sections 9.1, 18.1 and 22.2**; or (i) any claim, demand or cause of action, or any investigation, inquiry, order, hearing, action or other proceeding by or before any Governmental Agency, whether meritorious or not, that directly or indirectly relates to, arises from or is based on the occurrence or allegation of any of the matters described in clauses (a) through (h) above, *provided that* no Indemnitee will be entitled to indemnification under this Section for matters caused solely by its own gross negligence or willful misconduct. In the event any action or proceeding is brought against an Indemnitee by reason of a claim arising out of any Loss for which Borrower has indemnified the Indemnitees, upon written notice, Borrower must answer and otherwise defend the action or proceeding using counsel approved in writing by the Indemnitee at Borrower's sole expense. Each Indemnitee will have the right, exercised in its sole discretion, but without being required to do so, to defend, adjust, settle or compromise any claim, obligation, debt, demand, suit or judgment against the Indemnitee in connection with the matters covered by this Agreement. The provisions of this Section will survive the repayment of the Loan and/or termination of this Agreement.

23.2 No Limitation. Borrower's obligations under **Section 23.1** are not limited by the insurance requirements under this Agreement.

## ARTICLE 24 GENERAL PROVISIONS.

24.1 Subordination. The Deed of Trust may be subordinated to other financing secured by and used for development of the Project (in each case, a "Senior Lien"), but only if MOHCD determines in its sole discretion that subordination is necessary to secure adequate acquisition, construction, rehabilitation and/or permanent financing to ensure the viability of the Project. Following review and approval by MOHCD and approval as to form by the City Attorney's Office, the Director of MOHCD or his/her successor or designee will be authorized to execute any approved subordination agreement without the necessity of any further action or approval.

24.2 No Third Party Beneficiaries. Nothing contained in this Agreement, nor any act of the City, may be interpreted or construed as creating the relationship of third party beneficiary, limited or general partnership, joint venture, employer and employee, or principal and agent between the City and Borrower or Borrower's agents, employees or contractors.

24.3 No Claims by Third Parties. Nothing contained in this Agreement creates or justifies any claim against the City by any person or entity with respect to the purchase of materials, supplies or equipment, or the furnishing or the performance of any work or services

with respect to the Project. Borrower must include this requirement as a provision in any contracts for the development of the Project.

24.4 Entire Agreement. This Agreement and its Exhibits incorporate the terms of all agreements made by the City and Borrower with regard to the subject matter of this Agreement. No alteration or variation of the terms of this Agreement will be valid unless made in writing and signed by the parties hereto. No oral understandings or agreements not incorporated herein will be binding on the City or Borrower.

24.5 City Obligations. The City's sole obligation under this Agreement is limited to providing the Funds as described in this Agreement, up to the Funding Amount. Under no circumstances, including breach of this Agreement, will the City be liable to Borrower for any special or consequential damages arising out of actions or failure to act by the City in connection with any of the City Documents.

24.6 Borrower Solely Responsible. Borrower is an independent contractor with the right to exercise full control of employment, direction, compensation and discharge of all persons assisting in the performance contemplated under this Agreement. Borrower is solely responsible for: (a) its own acts and those of its agents, employees and contractors and all matters relating to their performance, including compliance with Social Security, withholding and all other Laws governing these matters and requiring that contractors include in each contract that they will be solely responsible for similar matters relating to their employees; (b) any losses or damages incurred by Borrower, any of its contractors or subcontractors and the City and its officers, representatives, agents and employees on account of any act, error or omission of Borrower in the performance of this Agreement or any other City Document and the development and operation of the Project; and (c) all costs and expenses relating to Borrower's performance of obligations under the City Documents, the delivery to the City of documents, information or items under or in connection with any of the City Documents and taxes, fees, costs or other charges payable in connection with the execution, delivery, filing and/or recording of any City Document or document required under any City Document.

24.7 No Inconsistent Agreements. Borrower warrants that it has not executed and will not execute any other agreement(s) with provisions materially contradictory or in opposition to the provisions of this Agreement.

24.8 Inconsistencies in City Documents. In the event of any conflict between the terms of this Agreement and any other City Document, the terms of this Agreement control unless otherwise stated; *provided, however*, that any provision in this Agreement in conflict with any Law will be interpreted subject to that Law.

24.9 Governing Law. This Agreement is governed by California law without regard to its choice of law rules.

24.10 Joint and Several Liability. If Borrower consists of more than one person or entity, each is jointly and severally liable to the City for the faithful performance of this Agreement.

24.11 Successors. Except as otherwise limited herein, the provisions of this Agreement bind and inure to the benefit of the undersigned parties and their heirs, executors, administrators, legal representatives, successors and assigns. This provision does not relieve Borrower of its obligation under the City Documents to obtain the City's prior written consent to any assignment or other transfer of Borrower's interests in the Loan, the Site or the ownership interests in Borrower.

24.12 Attorneys' Fees. If any legal action is commenced to enforce any of the terms of this Agreement or rights arising from any party's actions in connection with this Agreement, the prevailing party will have the right to recover its reasonable attorneys' fees (including allocated fees of the City Attorney's Office) and costs of suit from the other party, whether incurred in a judicial, arbitration, mediation or bankruptcy proceeding or on appeal. For the purposes of this Agreement, reasonable fees of attorneys in the City Attorney's office will be based on the fees regularly charged by private attorneys with the equivalent number of years of experience in the subject matter of law for which the City Attorney's services were rendered, who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the City Attorney's Office. An award of attorneys' fees and costs will bear interest at the default rate under the Note from the date of the award until paid.

24.13 Severability. The invalidity or unenforceability of any one or more provisions of this Agreement will in no way affect any other provision.

24.14 Time. Time is of the essence in this Agreement. Whenever the date on which an action must be performed falls on a Saturday, Sunday or federal holiday, the date for performance will be deemed to be the next succeeding business day.

24.15 Further Assurances. Borrower agrees to: (a) pursue in an effective and continuous manner; (b) use best efforts to achieve; and (c) take all actions reasonably required by the City from time to time to confirm or otherwise carry out the purpose of this Agreement.

24.16 Binding Covenants. The provisions of the City Documents constitute covenants running with the land and will be binding upon Borrower and Borrower's successors and assigns, and all parties having or acquiring any right, title or interest in whatever form, including leasehold interests (other than Tenants and approved commercial tenants), in or to any part of the Property, except that the same will terminate and become void automatically at the expiration of the Compliance Term of this Agreement. Any attempt to transfer any right, title or interest in the Property in violation of these covenants will be void.

24.17 Consent. Except as expressly provided otherwise, whenever consent or approval of a party is required in any City Document, that party agrees not to withhold or delay its consent or approval unreasonably.

24.18 Counterparts. This Agreement may be executed in any number of counterparts, all of which will constitute but one agreement.

24.19 Borrower's Personnel. The Project shall be implemented only by competent personnel under the direction and supervision of Borrower.

24.20 Borrower's Governance. Borrower, or Borrower's General Partner (or such General Partner's manager), shall at all times be governed by legally constituted and fiscally responsible board of directors. Such board of directors shall meet regularly and maintain appropriate membership, as established in the bylaws and other governing documents of Borrower, or Borrower's General Partner (or such General Partner's manager), as applicable, and shall adhere to applicable provisions of federal, state and local laws governing nonprofit corporations. If Borrower has multiple general partners, Borrower shall have one managing general partner, and such managing general partner shall be a nonprofit corporation governed by a legally constituted and fiscally responsible board of directors. Borrower's general partners shall exercise such oversight responsibility with regard to this Agreement as is necessary to ensure full and prompt performance by Borrower of its obligations under this Agreement.

## EXHIBIT D

### First Source Hiring Requirements and Numerical Goals

Borrower's use of Funds triggers the following hiring requirements imposed by the City's First Source Hiring Ordinance (San Francisco Administrative Code Chapter 83) as incorporated into MOHCD's Section 3 Plan.

1. Section 3 Requirements.

(a) The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. § 1701u ("Section 3"), based on Borrower's receipt of City funds under MOHCD's Section 3 Plan. The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3 be directed to low-and very low-income persons, particularly persons who are recipients of HUD assistance for housing, to the greatest extent feasible.

(b) The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement Section 3. As evidenced by their execution of this contract, the parties certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.

(c) The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and to post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference and set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions and the qualifications for each, the name and location of the person(s) taking applications for each of the positions and the anticipated date work will begin.

(d) The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135 and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.

(e) The contractor will certify that any vacant employment positions, including training positions, that are filled: (i) after the contractor is selected but before the contract is executed; and (ii) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.

(f) Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default and debarment or suspension from future HUD assisted contracts.

2. Recommended Minimum Numerical Goals. Contractors may demonstrate compliance with the "greatest extent feasible" requirement of Section 3 by meeting the numerical goals set forth below for training, employment and contracting opportunities to Section 3 residents and Section 3 business concerns, which represent minimum numerical goals.

(a) Training and Employment of Section 3 Residents (24 CFR § 135.30(b)). Contractors and subcontractors may demonstrate compliance by committing to employ Section 3 residents as thirty percent (30%) of the aggregate number of new hires (full-time employees for permanent, temporary or seasonal employment) and an overall goal of thirty percent (30%) of total work hours for the entire project.

(b) Contracts with Section 3 Business Concerns (24 CFR § 135.30). Contractors and subcontractors may demonstrate compliance with the requirements of this part by committing to award to Section 3 business concerns:

(i) At least ten percent (10%) of the total dollar amount of all Section 3 covered contracts for building trades work arising in connection with housing rehabilitation, housing construction and other public construction; and

(ii) At least three percent (3%) of the total dollar amount of all other Section 3 covered contracts.

**EXHIBIT E**  
**Governmental Requirements**

1. Prevailing Wages. Every contract for the rehabilitation or construction of housing assisted with Funds for work performed on site must contain a provision requiring the payment of not less than the wages prevailing in the locality, as predetermined by the Secretary of Labor pursuant to the Davis-Bacon Act (40 U.S.C. §§ 276a-276a-5), to all laborers and mechanics employed in the development of any part of the housing, and contracts involving their employment will be subject to the provisions, as applicable, of the Contract Work Hours and Safety Standards Act (40 U.S.C. §§ 327-332). The prevailing wage requirements of this Section apply to all laborers and mechanics employed in the development of the Project, including portions other than the assisted Units.

2. Environmental Review. The Project must meet the requirements of the National Environmental Policy Act of 1969 (42 U.S.C. § 4321), related authorities listed at 24 CFR Section 51.100 and parts 50 and 58 and the California Environmental Quality Act (Cal. Pub. Res. Code §§ 2100 *et seq.*) and implementing regulations.

3. Conflict of Interest.

(a) Except for approved eligible administrative or personnel costs, no employee, agent, consultant, officer or official of Borrower or the City who exercises or has exercised any function or responsibilities with respect to activities assisted by Funds, in whole or in part, or who is in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest in or benefit from the activities assisted under this Agreement, or have an interest, direct or indirect, in any contract, subcontract or agreement with respect thereto, or in the proceeds thereunder either for himself/herself or for those with whom he/she has family or business ties, during his/her tenure and for one year thereafter. In order to carry out the purpose of this Section, Borrower must incorporate, or cause to be incorporated, in all contracts, subcontracts and agreements relating to activities assisted under the Agreement, a provision similar to that of this Section. Borrower will be responsible for obtaining compliance with conflict of interest provisions by the parties with whom it contracts and, in the event of a breach, Borrower must take prompt and diligent action to cause the breach to be remedied and compliance to be restored.

(b) Borrower represents that it is familiar with the provisions of Section 15.103 of the San Francisco Charter, Article III, Chapter 2 of the San Francisco Campaign and Governmental Conduct Code, and Sections 1090 through 1097 and 87100 *et seq.* of the California Government Code, all of which relate to prohibited conflicts of interest in connection with government contracts. Borrower certifies that it knows of no facts that constitute a violation of any of these provisions and agrees to notify the City immediately if Borrower at any time obtains knowledge of facts constituting a violation.

(c) In the event of any violation of the conflict of interest prohibitions, Borrower agrees that the City may refuse to consider any future application for funding from Borrower or any entity related to Borrower until the violation has been corrected to the City's satisfaction, in the City's sole discretion.

4. Disability Access. Borrower must comply with all applicable disability access Laws, including the Americans With Disabilities Act (42 U.S.C. §§ 1201 *et seq.*), Section 504 of the Rehabilitation Act (29 U.S.C. § 794) and the Fair Housing Amendments Act (42 U.S.C. §§ 3601 *et seq.*). Borrower is responsible for determining which disability access Laws apply to the Project, including those applicable due to the use of Funds. In addition, before occupancy of the Project, Borrower must provide to the City a written reasonable accommodations policy that indicates how Borrower will respond to requests by disabled individuals for accommodations in Units and common areas of the Project.

5. Lead-Based Paint. Borrower must satisfy the requirements of Chapter 36 of the San Francisco Building Code ("Work Practices for Exterior Lead-Based Paint") and the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§ 4821 *et seq.*) and implementing regulations at 24 CFR part 35. Borrower must also comply with the provisions contained in 17 CCR 350000 *et seq.*, and 8 CCR 1532.1 and all other applicable Laws governing lead-based hazards.

6. Relocation. Borrower must meet any applicable requirements of the California Relocation Assistance Act (Cal. Gov. Code §§ 7260 *et seq.*) and implementing regulations in Title 25, Chapter 6 of the California Administrative Code and similar Laws.

7. Low-Income Hiring Requirements. The use of Funds triggers compliance with certain hiring requirements imposed by the City's First Source Hiring Ordinance (S.F. Admin. Code Chapter 83), as incorporated into MOHCD's Section 3 Plan. To ensure compliance with those requirements, Borrower must include the provisions attached as **Exhibit D** in its contract with the general contractor for the Project. Borrower will be responsible to the City for ensuring compliance with the requirements listed on **Exhibit D**.

8. Non-Discrimination in City Contracts and Benefits Ordinance.

(a) Borrower Shall Not Discriminate. In the performance of this Agreement, Borrower agrees not to discriminate against any employee, City and County employee working with Borrower or any subcontractor, applicant for employment with Borrower or any subcontractor, or against any person seeking accommodations, advantages, facilities, privileges, services or membership in all business, social or other establishments or organizations operated by Borrower. on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, domestic partner status, marital status, height, weight, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) Subcontracts. Borrower shall incorporate by reference in all subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code. Borrower's failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement.

(c) Non-Discrimination in Benefits. Borrower does not as of the date of this Agreement and will not during the term of this Agreement, in any of its operations in San Francisco or where the work is being performed for the City or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) Condition to Contract. As a condition to this Agreement, Borrower shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (Form CMD-12B-101) with supporting documentation and secure the approval of the executed form by the San Francisco Contract Monitoring Division.

(e) Incorporation of Administrative Code Provisions by Reference. The provisions of Chapters 12B ("Nondiscrimination in Contracts") and 12C ("Nondiscrimination in Property Contracts") of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Borrower shall comply fully with and be bound by all of the provisions that apply to this Agreement under such Chapters of the Administrative Code, including the remedies provided in such Chapters. Without limiting the foregoing, Borrower understands that pursuant to Sections 12B.2(h) and 12C.3(g) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this

Agreement may be assessed against Borrower and/or deducted from any payments due Borrower.

9. MacBride Principles. Pursuant to San Francisco Administrative Code Section 12F.5, City urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Borrower acknowledges and agrees that he or she has read and understood this Section.

10. Tropical Hardwood & Virgin Redwood Ban. Pursuant to § 804(b) of the San Francisco Environment Code, City urges all grantees and borrowers not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.

11. Preservative-Treated Wood Containing Arsenic. Borrower may not purchase preservative-treated wood products containing arsenic until the Deed of Trust has been fully reconveyed unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of Environment under Section 1304 of the Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Borrower may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude Borrower from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

12. Submitting False Claims; Monetary Penalties. Any borrower, grantee, contractor, subcontractor or consultant who submits a false claim shall be liable to the City for the statutory penalties set forth in Section 21.35 of the San Francisco Administrative Code. A borrower, grantee, contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the borrower, grantee, contractor, subcontractor or consultant:

(a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval;

(b) knowingly makes, uses or causes to be made or used a false record or statement to get a false claim paid or approved by the City;

(c) conspires to defraud the City by getting a false claim allowed or paid by the City;

(d) knowingly makes, uses or causes to be made or used a false record or statement to conceal, avoid or decrease an obligation to pay or transmit money or property to the City; or

(e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

13. Sunshine Ordinance.

(a) Borrower acknowledges and agrees that this Agreement and the Application Documents are subject to Section 67.24(e) of the San Francisco Administrative Code, which provides that contracts, including this Agreement, grantee's bids, responses to Requests for Proposals (RFPs) and all other records of communications between City and persons or entities seeking contracts, shall be open to inspection immediately after a contract has been awarded. Nothing in such Section 67.24(e) (as it exists on the date hereof) requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. All information provided by Borrower that is covered by such Section 67.24(e) (as it may be amended from time to time) will be made available to the public upon request. Further, Borrower specifically agrees that any meeting of the governing body of its general partner/manager that addresses any matter relating to the Project or to Borrower's performance under this Agreement will be conducted as a passive meeting.]

(b) By executing this Agreement, Borrower agrees to comply with the provisions of Chapter 12L of the San Francisco Administrative Code to the extent applicable.

(c) In accordance with the Citizen's Right to Know Act of 1998 (S. F. Admin. Code Chapter 79), no officer, department, board or commission of the City may approve a City Project, as defined in Chapter 79, unless a sign has been posted on the applicable property at least fifteen (15) days before approval. A City Project is a project that involves new construction, a change in use or a significant expansion of an existing use where the City funding for the project is \$50,000 or more. If the Loan will be used for a City Project, this Agreement will not become effective until fifteen (15) days following the posting of the requisite sign, or, in the alternative, thirty (30) days following the delivery of written notices to residents and owners within 300 feet of the Site, and the City will have the right to nullify or revoke this Agreement without cost or liability of any sort whatsoever at any time before that date. If Borrower believes that this Agreement relates to a City Project and that the requisite sign has not been posted,

Borrower must notify the City so that the City may determine the applicability of Chapter 79, and, if necessary, post the requisite sign.

14. Prohibition on Use of Public Funds for Political Activities. Borrower shall comply with San Francisco Administrative Code Chapter 12G, which prohibits funds appropriated by the City for this Agreement from being expended to participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure. Borrower is subject to the enforcement and penalty provisions in Chapter 12G.

15. Nondisclosure of Private Information. Borrower has read and agrees to the terms set forth in San Francisco Administrative Code Sections 12M.2, "Nondisclosure of Private Information", and 12M.3, "Enforcement" of Administrative Code Chapter 12M, "Protection of Private Information," which are incorporated herein as if fully set forth. Borrower agrees that any failure of Borrower to comply with the requirements of Section 12M.2 of this Chapter shall be a material breach of the Agreement. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Agreement, bring a false claim action against Borrower pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar Borrower.

16. Graffiti Removal. Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and County and its residents, and to prevent the further spread of graffiti.

(a) Borrower shall remove all graffiti from any real property owned or leased by Borrower in the City and County of San Francisco within forty eight (48) hours of the earlier of Borrower's (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This section is not intended to require a Borrower to breach any lease or other agreement that it may have concerning its use of the real property. The term "graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. "Graffiti" shall not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of

fine art under the California Art Preservation Act (California Civil Code Sections 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. §§ 101 et seq.).

(b) Any failure of Borrower to comply with this section of this Agreement shall constitute an Event of Default of this Agreement.

17. Resource-Efficient Building Ordinance. Borrower acknowledges that the City and County of San Francisco has enacted San Francisco Environment Code Chapter 7 relating to resource-efficient City buildings and resource-efficient pilot projects. Borrower hereby agrees it shall comply with the applicable provisions of such code sections as such sections may apply to the Property.

18. Consideration of Criminal History in Hiring and Employment Decisions.

(a) Borrower agrees to comply fully with and be bound by all of the provisions of Chapter 12T “City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions,” of the San Francisco Administrative Code (Chapter 12T), including the remedies provided, and implementing regulations, as may be amended from time to time. The provisions of Chapter 12T are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the Chapter 12T is available on the web at [www.sfgov.org/olse/fco](http://www.sfgov.org/olse/fco). A partial listing of some of Borrower’s obligations under Chapter 12T is set forth in this Section. Borrower is required to comply with all of the applicable provisions of 12T, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12T.

(b) The requirements of Chapter 12T shall only apply to a Borrower’s or Subcontractor’s operations to the extent those operations are in furtherance of the performance of this Agreement, shall apply only to applicants and employees who would be or are performing work in furtherance of this Agreement, shall apply only when the physical location of the employment or prospective employment of an individual is wholly or substantially within the City of San Francisco, and shall not apply when the application in a particular context would conflict with federal or state law or with a requirement of a government agency implementing federal or state law.

(c) Borrower shall incorporate by reference in all subcontracts the provisions of Chapter 12T, and shall require all subcontractors to comply with such provisions. Borrower’s failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement.

(d) Borrower or Subcontractor shall not inquire about, require disclosure of, or if such information is received base an Adverse Action on an applicant’s or potential applicant for employment, or employee’s: (1) Arrest not leading to a Conviction, unless the Arrest is undergoing an active pending criminal investigation or trial that has not yet been resolved; (2) participation in or completion of a diversion or a deferral of judgment program; (3) a Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative; (4) a Conviction or any other adjudication in the juvenile justice system; (5) a Conviction that is more than seven years old, from the

date of sentencing; or (6) information pertaining to an offense other than a felony or misdemeanor, such as an infraction.

(e) Borrower or Subcontractor shall not inquire about or require applicants, potential applicants for employment, or employees to disclose on any employment application the facts or details of any conviction history, unresolved arrest, or any matter identified in subsection 16.16(d), above. Borrower or Subcontractor shall not require such disclosure or make such inquiry until either after the first live interview with the person, or after a conditional offer of employment.

(f) Borrower or Subcontractor shall state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment to be performed under this Agreement, that the Borrower or Subcontractor will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of Chapter 12T.

(g) Borrower and Subcontractors shall post the notice prepared by the Office of Labor Standards Enforcement (OLSE), available on OLSE's website, in a conspicuous place at every workplace, job site, or other location under the Borrower or Subcontractor's control at which work is being done or will be done in furtherance of the performance of this Agreement. The notice shall be posted in English, Spanish, Chinese, and any language spoken by at least 5% of the employees at the workplace, job site, or other location at which it is posted.

(h) Borrower understands and agrees that if it fails to comply with the requirements of Chapter 12T, the City shall have the right to pursue any rights or remedies available under Chapter 12T, including but not limited to, a penalty of \$50 for a second violation and \$100 for a subsequent violation for each employee, applicant or other person as to whom a violation occurred or continued, termination or suspension in whole or in part of this Agreement.

19. Food Service Waste Reduction Requirements. Borrower agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Agreement as though fully set forth. This provision is a material term of this Agreement. By entering into this Agreement, Borrower agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Borrower agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for the second breach in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Agreement was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Borrower's failure to comply with this provision.

20. Bottled Drinking Water. Unless exempt, Borrower agrees to comply fully with and be bound by all of the provisions of the San Francisco Bottled Water Ordinance, as set forth in San Francisco Environment Code Chapter 24, including the administrative

finances, remedies, and implementing regulations provided therein, as the same may be amended from time to time. The provisions of Chapter 24 are incorporated herein by reference and made a part of this Agreement as though fully set forth.

### **Tenant Selection Plan Policy**

This policy is in addition to the obligations to comply with applicable federal, state and local civil rights laws, including laws pertaining to reasonable accommodation and limited English proficiency (LEP),<sup>1</sup> **and the applicable provision of the Violence Against Women Act, Pub. Law 109-62 (January 5, 2006), as amended.**

#### **Application Process**

- **Application Materials.** The housing provider's written and/or electronic application materials should:
  - outline the screening criteria that the housing provider will use;
  - be in compliance with San Francisco Police Code Article 49 or the Fair Chance Ordinance,
  - outline how an applicant may request a modification of the admission process and/or a change in admission policies or practices as a reasonable accommodation;
  - be written in language that is clear and readily understandable,
- **First Interview.** In accordance with the housing provider policies, an initial interview is required to assess each applicant's minimum eligibility requirements for housing units. All applicants shall be offered the opportunity for an interview in lottery rank order.
- **Second Interview.** Before issuing a denial, the housing provider should consider offering a second interview to resolve issues and inconsistencies, gather additional information, and assist as much as possible with a determination to admit the applicant.
- **Confidentiality.** All information provided will be kept confidential and be used only by the housing provider, the referring agency and the funding agency for the purpose of assisting and evaluating the applicant in the admission process. All applicant information shall be retained for 12 months after the final applicant interview.
- **Delays in the Process.** If delays have occurred or are likely to occur in the application and screening process or the process exceeds the housing provider's normal timeline for application and screening, the housing provider must immediately inform the referring agency and the funding agency, of the status of the application, the reason for the delay and the anticipated time it will take to complete the application process.
- **Problems with the Referring Agency.** If at any point the housing provider has difficulty reaching or getting a response from the applicant and referring agency, the

housing provider must immediately contact the referring agency, if possible, and the funding agency, DPH or HSA.

- **Limited English Proficiency Policy.** Throughout the application process, the housing provider must comply with City policy for language access requirements for applicants with limited English proficiency.

### **Reasonable Accommodation and Modification Policy**

**Reasonable Accommodation:** The application process should provide information about how an applicant may make a reasonable accommodation request. At any stage in the admission process, an applicant may request a reasonable accommodation, if the applicant has a disability and as a result of the disability needs a modification of the provider's rules, policies or practices, including a change in the way that the housing provider communicates with or provides information to the applicant that would give the applicant an equal chance to be selected by the housing provider to live in the unit.

**Reasonable Modification:** Applicant may request a reasonable modification if he or she has a disability and as a result of the disability needs:

- a physical change to the room or housing unit that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site;
- a physical change in some other part of the housing site that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site.

**Response to Request:** The housing provider shall respond to a request for reasonable accommodation or modification within ten (10) business days. The response may be to grant, deny, or modify the request, or seek additional information in writing or by a meeting with the applicant. The housing provider will work with the applicant and referring agency to determine if there are ways to accommodate the applicant.

The housing provider shall grant the request if the provider determines that:

- the applicant has a disability;
- reasonable accommodation or modification is necessary because of the disability; and
- the request is reasonable (i.e., does not impose an undue financial or administrative burden or fundamentally alter the nature of the housing program.)

If the reasonable accommodation request is denied, the rejection must explain the reasons in writing. If the denial of the reasonable accommodation request results in the applicant being denied admission to the unit, the provisions of the section on Notice of Denial and Appeal Process apply.

### **Notice of Denial and Appeal Process**

- The housing provider shall:
  - Hold a comparable unit for the household during the entire appeal process.
  - promptly send a written and electronic notice (to the addresses provided) to each applicant denied admission with a written and/or electronic copy to the referring agency and the funding agency. The notice should:
    - list all the reasons for the rejection, including the particular conviction or convictions that led to the decision in cases where past criminal offenses were a reason for rejection;
    - explain how the applicant can request an in person appeal to contest the decision;
    - state that an applicant with a disability is entitled to request a reasonable accommodation to participate in the appeal;
    - inform the applicant that he or she is entitled to bring an advocate or attorney to the in person appeal;
    - provide referral information for local legal services and housing rights organizations;
    - describe the evidence that the applicant can present at the appeal;
  - give applicants denied admission a date within which to file the appeal, which shall be at least ten (10) business days from the date of the notice;
  - unless an extension is agreed to by the applicant and the housing provider, hold the appeal within ten (10) business days of the request for the appeal;
  - confine the subject of the appeal to the reason for denial listed in the notice;
  - give the applicant a chance to present documents and/or witnesses showing that he or she will be a suitable tenant;
  - have an impartial supervisor or manager from the housing provider, but who is not the person who made the initial decision or a subordinate of the person who made the initial decision, conduct the appeal;
  - within 5 business days of the in person appeal, provide the applicant with a written decision that states the reason for the decision and the evidence relied upon. A copy of the written decision must be sent (electronically or otherwise) to the referring agency and the funding agency.
  
- If the rejection is based on a criminal background check obtained from a tenant screening agency, the Fair Chance Ordinance imposes additional notice requirements.

## **EXHIBIT I**

### **Tenant Screening Criteria Policy**

The screening criteria and considerations outlined below encourage providers to “screen in” rather than “screen out” applicants. These requirements are also designed to satisfy the requirements of San Francisco Police Code Article 49, Sections 4901-4920 or the Fair Chance Ordinance. This policy describes a minimum level of leniency; providers are encouraged to adopt less restrictive policies and processes whenever appropriate. For example, providers may opt not to review or consider applicant criminal records at all.

#### **Screening Criteria**

- Housing providers shall not automatically bar applicants who have a criminal record<sup>2</sup> in recognition of the fact that past offenses do not necessarily predict future behavior, and many applicants with a criminal record are unlikely to re-offend.
- Housing providers shall not consider:
  - arrests that did not result in convictions, except for an open arrest warrant;
  - convictions that have been expunged or dismissed under Cal. Penal Code § 1203.4 or 1203.4a;<sup>3</sup>
  - juvenile adjudications.
- Housing providers shall consider:
  - the individual circumstances of each applicant; and
  - the relationship between the offense, and
    - (1) the safety and security of other tenants, staff and/or the property; and
    - (2) mitigating circumstances such as those listed below.
  - only those offenses that occurred in the prior 7 years, except in exceptional situations, which must be documented and justified, such as where the housing provider staff is aware that the applicant engaged in violent criminal activity against staff, residents or community members and/or that the applicant intentionally submitted an application with materially false information regarding criminal activity.
  - mitigating factors, including, but not limited to:
    - (1) the seriousness of the offense;
    - (2) the age and/or circumstances of the applicant at the time of the offense;
    - (3) evidence of rehabilitation, such as employment, participation in a job training program, continuing education, participation in a drug or alcohol treatment program, or letters of support from a parole or probation officer, employer, teacher, social worker, medical professional, or community leader;

---

<sup>2</sup> The policy recognizes that some housing may be subject to mandatory laws that require the exclusion of an applicant based upon certain types of criminal activity.

<sup>3</sup> The purpose of the statute is allow a petitioner to request a dismissal of the criminal accusations, a change in plea or setting aside of a verdict and to seek to have certain criminal records sealed or expunged and a release “from all penalties and disabilities resulting from the offense.”

- (4) if the offense is related to acts of domestic violence committed against the applicant;
- (5) if the offense was related to a person's disability.

(e) Any and all insurance policies called for herein must contain a clause providing that the City and its officers, agents and employees will not be liable for any required premium.

(f) The City reserves the right to require an increase in insurance coverage in the event the City determines that conditions show cause for an increase, unless Borrower demonstrates to the City's satisfaction that the increased coverage is commercially unreasonable and unavailable to Borrower.

(g) All liability policies must provide that the insurance is primary to any other insurance available to the additional insureds with respect to claims arising out of this Agreement, and that insurance applies separately to each insured against whom claim is made or suit is brought and that an act of omission of one of the named insureds that would void or otherwise reduce coverage will not void or reduce coverage as to any other insured, but the inclusion of more than one insured will not operate to increase the insurer's limit of liability.

(h) Any policy in a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs are included in the general annual aggregate limit must be in amounts that are double the occurrence or claims limits specified above.

(i) All claims based on acts, omissions, injury or damage occurring or arising in whole or in part during the policy period must be covered. If any required insurance is provided under a claims-made policy, coverage must be maintained continuously for a period

ending no less than three (3) years after recordation of a notice of completion for builder's risk or the Compliance Term for general liability and property insurance.

(j) Borrower must provide the City with copies of endorsements for each required insurance policy and make each policy available for inspection and copying promptly upon request.
