NOTICE OF PUBLIC HEARING

BOARD OF SUPERVISORS OF THE CITY AND COUNTY OF SAN FRANCISCO BUDGET AND FINANCE COMMITTEE

NOTICE IS HEREBY GIVEN THAT the Budget and Finance Committee will hold a public hearing to consider the following proposal and said public hearing will be held as follows, at which time all interested parties may attend and be heard:

Date: November 20, 2019

Time: 10:00 a.m.

Location: Legislative Chamber, Room 250, located at City Hall,
1 Dr. Carlton B. Goodlett Place, San Francisco, CA

Subject: File No. 191033. Ordinance amending the Administrative Code to create an Office of Emerging Technology within the Department of Public Works; amending the Public Works Code to require a permit to obstruct the public right-of-way within Public Works' jurisdiction; amending the Administrative Code to codify the Public Works Director's authority to take official actions, as defined herein, including adopting regulations for the pilot operation of emerging technology devices; amending the Public Works Code and Police Code to provide for administrative, civil, and criminal penalties for unlawful obstruction of the public right-of-way, including operation of emerging technology devices without a required permit; and affirming the Planning Department's determination under the California Environmental Quality Act.

Pilot Project proposal is a proposal seeking authorization to perform a Pilot Project. A Pilot Project means the operation or use of an Emerging Technology upon, above, or below City property and/or the public right-of-way in the City's jurisdiction, as authorized by the Office of Emerging Technology, for a limited duration for purposes including but not limited to testing and evaluation in anticipation of potential commercial uses.

If the legislation passes, the fee for the initial application for review of a Pilot Project proposal and for any renewal application ("Pilot Project Review Fee Deposit") shall be \$2,006 payable to Public Works. The Pilot Project Review Fee Deposit shall be due at the time of application and shall be paid in addition to any other applicable fees authorized pursuant to the Municipal Code, including without limitation Public Works Code, Section 2.1.3, which shall be payable separate from the Pilot Project Review Fee Deposit as such additional costs are incurred by the Office of Emerging Technology and City Departments in the administration of the Pilot Project. Beginning with fiscal year 2021-2022, the fee set forth in this Public Works Code, Section 22G.4, may be adjusted each year, without further legislative action, in the following manner.

Additional Fees. In instances where the actual costs of the administration or processing of any application, approval, or permit is in excess of or will exceed the fee amount established pursuant to Public Works Code, Section 2.1.1, the Director of Public Works, in his or her discretion, may require an applicant or permittee to pay a sum in excess of the subject fee amounts. This additional sum shall be sufficient to recover actual costs that Public Works incurs and shall be charged on a time and materials basis. The Director of Public Works also may charge for any time and materials costs that other agencies, boards, commissions, or departments of the City incur in connection with the processing or administration of a particular application, approval, or permit. Whenever additional fees are or will be charged, the Director of Public Works, upon request of the applicant or permittee, shall provide in writing the basis for the additional fees or an estimate of the additional fees to be charged.

In accordance with Administrative Code, Section 67.7-1, persons who are unable to attend the hearing on this matter may submit written comments to the City prior to the time the hearing begins. These comments will be made part of the official public record in this matter, and shall be brought to the attention of the members of the Committee. Written comments should be addressed to Angela Calvillo, Clerk of the Board, City Hall, 1 Dr. Carlton B. Goodlett Place, Room 244, San Francisco, CA 94102. Information relating to this matter is available in the Office of the Clerk of the Board. Agenda information relating to this matter will be available for public review on November 15, 2019.
