Public Works Code Section 800 et seq. and Section 810A govern the procedures for removal and replacement of street trees and significant trees, respectively.

Amendments to Current Law

This ordinance would approve a major encroachment permit for Laurel Heights Partners, LLC, the developer of the 3333 California Street project, to occupy portions of the public right-of-way surrounding the project with encroachments for the public benefit and maintain those encroachments. As part of the Board of Supervisors permit approval, the legislation authorizes the removal and replacement of a specified number of street trees and significant trees. The ordinance makes findings under the California Environmental Quality Act and adopts findings that the legislative actions are consistent with the San Francisco General Plan and eight priority policies of San Francisco Planning Code section 101.1.
