PROP 47: FACT OR FICTION?

FACT

FICTION

DRUG CRIMES

Drugs are STILL illegal. Prop 47 makes possession of *drugs for personal use* a misdemeanor instead of a felony.

~

Drug dealing is still a felony, and no part of Prop 47 altered the offense of possession of drugs for sale.

"Prop 47 decriminalizes drugs!"

~

"Prop 47 means drug dealers don't go to jail and drug rings will continue to plague San Francisco!"

PROPERTY CRIMES

Prop 47 reductions DO NOT include: Residential Burglaries, Auto Burglaries or Auto Thefts, Identity Theft, 99% of Gun Crimes, or Robbery.

~

In San Francisco Only 4 people have been released from State Prison and only 12 people have been released from County Jail due to Prop 47.

"Prop 47 is causing crime to skyrocket!"

"Thousands of people are being released from prison to San Francisco!"

"More cars are getting broken into because of Prop 47!"
