22
23 Be it ordained by the People of the City and County of San Francisco:

24 Section 1. Pursuant to Charter Section 6.102(5), the Board of Supervisors hereby
25 authorizes the City Attorney to settle the action entitled *People v. Stephens Institute, et.*

1 *al*, (San Francisco Superior Court Number CGC-16-551832). Under the terms of the
2 settlement agreement, the Stephens Institute and its affiliated limited liability companies
3 (collectively, "Academy"), controlled by the Stephens family, will pay a total of \$57.96 million
4 to the City. That payment consists of (1) a \$37.6 million affordable housing public benefit
5 payment, and (2) a \$20.36 million settlement payment that includes approximately \$8.2 million
6 for the City's Small Sites Fund. The Academy will withdraw nine properties from Academy of
7 Art University use, and the Academy will comply with specific conditions of approval to bring
8 34 remaining properties into compliance with City codes, including work to restore 12 historic
9 buildings. The Stephens Institute will commit going forward to a metering formula to provide
10 housing for an agreed percentage of its full-time on campus students, and will commit going
11 forward not to convert any structures currently used or occupied as housing or for which the
12 last legal use was residential. The Academy will also commit going forward to giving the City
13 30 days' prior notice of any proposed change in use, new construction or acquisition before it
14 submits an application for approval, and to a consultation process with the City. Under the
15 settlement, the Academy also agrees to bring its existing uses into compliance with the
16 Planning Code; relocate existing uses or change uses in buildings in accordance with
17 applicable laws in those limited instances where the Planning Department has determined
18 that legalization is not appropriate; and work cooperatively with the City in planning for future
19 growth in a manner that accounts for the urban nature of the Academy's campus, without
20 adversely impacting the City's affordable or rent-controlled housing stock, or burdening its
21 transportation system, including, as a part of that plan, building new housing, or converting
22 existing buildings, for its students on property that is zoned for such use. The Academy
23 further agrees the City can enforce the Academy's obligations to bring properties into
24 compliance, withdraw uses, abide by the student housing metering requirements and comply
25 with City codes going forward through a Consent Judgement and Stipulated Injunction, so that

1 the City has ready access to the courts to pursue enforcement.
