8 and in conformity with the Code; and, be it

9 FURTHER RESOLVED, That the Special Tax District designated "City and County of  
10 San Francisco Special Tax District No. 2019-1 (Pier 70 Condominiums)" and the future  
11 annexation area designated "City and County of San Francisco Special Tax District  
12 No. 2019-1 (Pier 70 Condominiums) (Future Annexation Area)" are hereby established  
13 pursuant to the Code; and, be it

14 FURTHER RESOLVED, That the boundaries of the Special Tax District and the Future

9 provided, however, the designation of property as Future Annexation Area and the ability to  
10 annex property to the Special Tax District based on a Unanimous Approval shall not limit, in  
11 any way, the annexation of property in the Future Annexation Area to the Special Tax District  
12 pursuant to other provisions of applicable law; and, be it

13 FURTHER RESOLVED, That the Director of the Controller’s Office of Public Finance  
14 (“Director”) is hereby directed, from time to time in her discretion, to cause to be recorded one

22 (“Facilities”); and, be it

23 FURTHER RESOLVED, That in order to advance the public purposes of the City, the  
24 type of public services proposed to be financed by the Special Tax District (as originally  
25 designated and as may be expanded by annexation) pursuant to the Code shall consist of

1 those items shown in Exhibit A hereto and by this reference incorporated herein ("Services");

7 FURTHER RESOLVED, That except to the extent that funds are otherwise available to  
8 the Special Tax District to pay for the Services, incidental expenses and Facilities and/or the  
9 principal and interest as it becomes due on bonds or other debt of the Special Tax District

12 non-exempt real property in the Special Tax District, is intended to be levied annually within  
13 the Special Tax District, and collected in the same manner as ordinary *ad valorem* property  
14 taxes or in such other manner as may be prescribed by this Board; and, be it

15 FURTHER RESOLVED, That the proposed rate and method of apportionment of the  
16 Special Taxes among the parcels of real property within the Special Tax District, in sufficient  
17 detail to allow each landowner within the proposed Special Tax District to estimate the

24 extent that funds are otherwise available to the Special Tax District to pay for the Services,  
25 incidental expenses or Facilities and/or the principal and interest as it becomes due on bonds

1 or other debt of the Special Tax District issued to finance the Facilities or incidental expenses,  
2 the Special Taxes sufficient to pay the costs thereof, secured by the recordation of a  
3 continuing lien against all non-exempt real property in the portion of the Future Annexation  
4 Area that is annexed to the Special Tax District, is intended to be levied annually within the  
5 portion of the Future Annexation Area that is annexed to the Special Tax District, and  
6 collected in the same manner as ordinary *ad valorem* property taxes or in such other manner  
7 as may be prescribed by this Board; and, be it

8           FURTHER RESOLVED, That as required by Mello-Roos Act, Section 53339.3(d), the  
9 Special Tax proposed to pay for the Facilities to be supplied within the portion of the Future  
10 Annexation Area that is annexed to the Special Tax District that are financed with bonds that  
11 have already been issued and that are secured by previously-existing areas of the Special  
12 Tax District will be equal to the Special Taxes levied to pay for the same Facilities in  
13 previously-existing areas of the Special Tax District, except that (i) a higher Special Tax may  
14 be levied within the portion of the Future Annexation Area that is annexed to the Special Tax  
15 District to pay for the same Facilities to compensate for the interest and principal previously  
16 paid from Special Taxes in the original area of the Special Tax District, less any depreciation  
17 allocable to the financed Facilities and (ii) a higher Special Tax may be levied in the portion of  
18 the Future Annexation Area that is annexed to the Special Tax District to pay for new or  
19 additional Facilities, with or without bond financing; and, be it

20           FURTHER RESOLVED, That as required by the Mello-Roos Act, this Board further  
21 determined in the Resolution of Intention that the Special Tax proposed to pay for Services to  
22 be supplied within the portion of the Future Annexation Area that is annexed to the Special  
23 Tax District shall be equal to any Special Tax levied to pay for the same Services in the  
24 existing Special Tax District, except that a higher or lower tax may be levied within the portion  
25 of the Future Annexation Area that is annexed to the Special Tax District to the extent that the

1 actual cost of providing the Services in the portion of the Future Annexation Area that is  
2 annexed to the Special Tax District is higher or lower than the cost of providing those Services  
3 in the existing Special Tax District. In so finding, this Board does not intend to limit its ability to  
4 levy a Special Tax within the portion of the Future Annexation Area that is annexed to the  
5 Special Tax District to provide new or additional services beyond those supplied within the  
6 existing Special Tax District or its ability to implement changes to the extent permitted by law;  
7 and, be it

8 FURTHER RESOLVED, That the Special Taxes to be levied in the Special Tax District  
9 shall not be levied in the Special Tax District to finance Facilities after the fiscal year  
10 established for that purpose in the Rate and Method, except that a Special Tax that was  
11 lawfully levied in or before the final tax year and that remains delinquent may be collected in  
12 subsequent years; and, be it

13 FURTHER RESOLVED, That under no circumstances shall the Special Taxes levied  
14 against any parcel in the Special Tax District to finance Facilities (“Facilities Special Tax”) in  
15 any fiscal year be increased in that fiscal year as a consequence of delinquency or default by  
16 the owner or lessee of any other parcel or parcels within the Special Tax District by an amount  
17 that exceeds 10 percent of the maximum Facilities Special Tax applicable to such parcel for  
18 that fiscal year; for avoidance of doubt, the term Facilities Special Tax as used in this  
19 paragraph includes the “Facilities Special Tax” and the “Arts Building Special Tax” as such  
20 terms are defined in the Rate and Method, and applies equally to residential and non-  
21 residential property; and, be it

22 FURTHER RESOLVED, That it is hereby found and determined that the Facilities,  
23 Services and incidental expenses are necessary to meet increased demands placed upon  
24 local agencies as the result of development occurring in the Special Tax District; and, be it

25

1 FURTHER RESOLVED, That the Director of the Office of Public Finance, 1 Dr. Carlton  
2 B. Goodlett Place, San Francisco, CA 94102, 415-554-5956, is the officer of the City who will  
3 be responsible for preparing annually a current roll of special tax levy obligations by  
4 assessor's parcel number and who will be responsible for estimating future special tax levies  
5 pursuant to the Code; and, be it

6 FURTHER RESOLVED, That upon recordation of a notice of special tax lien pursuant  
7 to Section 3114.5 of the Streets and Highways Code of California, a continuing lien to secure  
8 each levy of the special tax shall attach to all nonexempt real property in the Special Tax  
9 District and this lien shall continue in force and effect until the special tax obligation is prepaid  
10 and permanently satisfied and the lien canceled in accordance with law or until collection of  
11 the tax by the City ceases; and, be it

12 FURTHER RESOLVED, That in accordance with the Mello-Roos Act, the annual  
13 appropriations limit, as defined by subdivision (h) of Section 8 of Article XIII B of the California  
14 Constitution, of the Special Tax District is hereby preliminarily established at \$1,697,600,000  
15 and said appropriations limit shall be submitted to the voters of the Special Tax District as  
16 hereafter provided. The proposition establishing said annual appropriations limit shall become  
17 effective if approved by the qualified electors voting thereon and shall be adjusted in  
18 accordance with the applicable provisions of the Code; and, be it

19 FURTHER RESOLVED, That pursuant to the provisions of the Code, the proposition of  
20 the levy of the special tax and the proposition of the establishment of the appropriations limit  
21 specified above shall be submitted to the qualified electors of the Special Tax District at an  
22 election. The time, place and conditions of the election shall be as specified by a separate  
23 resolution of this Board; and, be it

24 FURTHER RESOLVED, That Mello-Roos Act, Section 53314.9, provides that, either  
25 before or after formation of the Special Tax District, the City may accept advances of funds

1 and may provide, by resolution, for the use of those funds, including but not limited to pay any  
2 cost incurred by the local agency in creating the Special Tax District, and may agree to  
3 reimburse the advances under all of the following conditions: (A) the proposal to repay the  
4 advances is included both in the resolution of intention and the resolution of formation to  
5 establish the Special Tax District; and (B) any proposed special tax is approved by the  
6 qualified electors of the Special Tax District and, if the qualified electors of the Special Tax  
7 District do not approve the proposed special tax, the City shall return any funds which have  
8 not been committed for any authorized purpose by the time of the election and, in furtherance  
9 of Mello-Roos Act Section 53314.9, the Board hereby declares its intent to enter into an  
10 agreement providing for the advance and reimbursement of funds between the Port and the  
11 Master Developer; and, be it

12 FURTHER RESOLVED, That Mello-Roos Act, Section 53314.9, provides that, either  
13 before or after formation of the Special Tax District, the City may accept work in-kind from any  
14 source, including, but not limited to, private persons or private entities, may provide, by  
15 resolution, for the use of that work in-kind for any authorized purpose and this Board may  
16 enter into an agreement, by resolution, with the person or entity advancing the work in-kind, to  
17 reimburse the person or entity for the value, or cost, whichever is less, of the work in-kind, as  
18 determined by this Board, with or without interest, under the conditions specified in the Mello-

7 the Goals and Policies are inconsistent with the provisions hereof or the DDA; and, be it

8 FURTHER RESOLVED, That the Board hereby approves and ratifies the appointment  
9 of the Port as the CFD Agent (as defined in the DDA) for the Special Tax District and

5     **“Taxable Association Square Footage”** means any Association Square Footage in a building  
6 that does not meet the definition of Exempt Association Square Footage. Taxable Association  
7 Square Footage shall be assigned by the Review Authority to the appropriate Square Footage  
8 Category and taxed accordingly pursuant to this RMA.

9  
10    **“Taxable Non-Residential Square Footage”** means any Non-Residential Square Footage in  
11 a building that does not meet the definition of Exempt Non-Residential Square Footage.

12  
13    **“Taxable Parcel”** means any Parcel within the STD that is not exempt from Special Taxes  
14 pursuant to law or Section H below.

15  
16    **“Transition Event”** shall be deemed to have occurred when the Administrator determines that:  
17 (i) all Arts Building Special Tax Bonds secured by the levy and collection of Arts Building Special  
18 Taxes in Tax Zone 2 have been fully repaid or there are sufficient revenues available to fully  
19 repay the Arts Building Special Tax Bonds in funds and accounts that, pursuant to the applicable  
20 Indenture, will require such revenues to be applied to repay the Arts Building Special Tax  
21 Bonds; (ii) all Administrative Expenses from prior Fiscal Years have been paid or reimbursed to  
22 the City; and (iii) the proportional share of Arts Building Costs allocated to Tax Zone 2 have  
23 been paid, as determined by the Port.

1     **“Transition Year”** means the first Fiscal Year in which the Administrator determines that the  
2     Transition Event occurred in the prior Fiscal Year.

3

9

10    **“Vertical DDA”** means, for a Taxable Parcel, an executed Vertical Disposition and  
11    Development Agreement between the Port and a Vertical Developer.

12

13    **“Vertical Developer”** means a developer that has entered into a Vertical DDA for construction  
14    of vertical improvements on a Taxable Parcel.

15

16

17    **B.    DATA FOR STD ADMINISTRATION**

18

19    On or about July 1 of each Fiscal Year, the Administrator shall identify the current Assessor’s  
20    Parcel numbers for all Taxable Parcels. The Administrator shall also determine: (i) whether  
21    each Taxable Parcel is Developed Property, Undeveloped Property (including Port-Owned  
22    Development Parcels), or Expected Taxable Property; (ii) the Planning Parcel and Tax Zone  
23    within which each Assessor’s Parcel is located; (iii) for Developed Property, the For-Sale  
24    Residential Square Footage, Rental Residential Square Footage, Exempt Non-Residential  
25    Square Footage, Taxable Non-Residential Square Footage, Exempt Association Square

1 Footage, and Taxable Association Square Footage on each Parcel; (iv) the appropriate Square  
2 Footage Category into which any Taxable Association Square Footage should be assigned,  
3 and (v) the Facilities Special Tax Requirement, Arts Building Special Tax Requirement, and  
4 Services Special Tax Requirement for the Fiscal Year.

5

6 The Administrator shall also: (i) coordinate with the Deputy Director to determine whether the  
7 Transition Event occurred in the prior Fiscal Year; (ii) coordinate with the Treasurer-Tax  
8 Collector's Office to determine if there have been any Special Tax delinquencies or repayment  
9 of Special Tax delinquencies in prior Fiscal Years; (iii) in consultation with the Review Authority,  
10 review the Development Approval Documents and communicate with the Developer and  
11 Vertical Developers regarding proposed Land Use Changes; and (iv) upon each annexation,  
12 Land Use Change, and notification of executed Vertical DDAs, update Attachment 3 to reflect  
13 the then-current Expected Land Uses, Expected Maximum Facilities Special Tax Revenues and  
14 Expected Maximum Arts Building Special Tax Revenues. The Developer, Port, and Vertical  
15 Developer shall notify the Administrator each time a Vertical DDA is executed in order for the  
16 Administrator to keep track of VDDA Execution Dates for each Vertical DDA.

17

18 In any Fiscal Year, if it is determined that (i) a parcel map or condominium plan was recorded  
19 after January 1 of the prior Fiscal Year (or any other date after which the Assessor will not  
20 incorporate the newly-created Parcels into the then current tax roll), (ii) because of the date the  
21 map or plan was recorded, the Assessor does not yet recognize the newly-created Parcels, and  
22 (iii) one or more of the newly-created Parcels meets the definition of Developed Property, the  
23 Administrator shall calculate the Special Taxes for the property affected by recordation of the  
24 map or plan by determining the Special Taxes that applies separately to each newly-created

25

1 Parcel, then applying the sum of the individual Special Taxes to the Parcel that was subdivided  
2 by recordation of the parcel map or condominium plan.

3  
4  
5 **C. MAXIMUM SPECIAL TAXES**

6  
7 In calculating Maximum Special Taxes pursuant to this Section C, in any Fiscal Year in which  
8 the boundaries of the Planning Parcels are not identical to the boundaries of the then-current  
9 Assessor’s Parcels, the Administrator shall review the Expected Land Uses for each Planning  
10 Parcel and assign the Maximum Special Taxes to the then-current Assessor’s Parcels. The  
11 Maximum Special Tax Revenues after such allocation shall not be less than the Maximum  
12 Special Tax Revenues prior to the allocation.

13  
14 **1. *Undeveloped Property***

15  
16 **1a. *Facilities Special Tax***

17  
18 The Maximum Facilities Special Tax for Undeveloped Property in all Tax Zones shall be  
19 the Expected Maximum Facilities Special Tax Revenues shown in Attachment 3 of this  
20 RMA, as it may be amended as set forth herein.

1           **1b.   Arts Building Special Tax and Services Special Tax**

2  
3           No Arts Building Special Tax or Services Special Tax shall be levied on Parcels of  
4           Undeveloped Property in any Tax Zone within the STD.

5  
6           **2.    *Developed Property***

7  
8           **2a.   Facilities Special Tax**

9  
10          When a Taxable Parcel (or multiple Taxable Parcels within a building) becomes  
11          Developed Property, the Administrator shall use the Base Facilities Special Taxes  
12          shown in Table 1 below and apply the steps set forth in this Section 2a to determine  
13          the Maximum Facilities Special Tax for the Parcel(s):

14  
15                *Step 1.* The Administrator shall review the Building Permit, Certificate of  
16                Occupancy, Vertical DDA, condominium plan, architectural drawings,  
17                Development Approval Documents, information provided by the Developer,  
18                or Vertical Developer, and any other documents or data that estimate or  
19                identify the Residential Square Footage or Non-Residential Square Footage  
20                anticipated on the Taxable Parcel(s).

21  
22                *Step 2.* Using the information from Step 1:

- 23  
24                        ▪   Based on the Tax Zone in which the Taxable Parcel(s) is located, multiply  
25                        the applicable Base Facilities Special Tax from Table 1 for Residential

1 Square Footage by the total Residential Square Footage expected within  
2 each building on the Taxable Parcel(s).

3  
4 ■ Based on the Tax Zone in which the Taxable Parcel(s) is located, multiply  
5 the applicable Base Facilities Special Tax from Table 1 for Taxable Non-  
6 Residential Square Footage by the total Taxable Non-Residential Square  
7 Footage expected within each building on the Taxable Parcel(s).

8  
9 ■ If, based on the Expected Land Uses, the Administrator determines that  
10 there is Expected Taxable Property within any building, multiply the  
11 applicable Base Facilities Special Tax from Table 1 based on what had  
12 been anticipated on the Expected Taxable Property by the Square  
13 Footage of the Expected Land Uses for that Expected Taxable Property.

14  
15 Prior to the First Bond Sale, the Maximum Facilities Special Tax for the  
16 Taxable Parcel(s) shall be the sum of the amounts calculated above, and  
17 Steps 3 and 4 below shall not apply.

18  
19 After the First Bond Sale, the Administrator shall apply Steps 3 and 4 to  
20 determine the Maximum Facilities Special Tax for the Taxable Parcel(s).

21  
22 *Step 3.* Sum the amounts calculated in Step 2 to determine the Estimated Base  
23 Facilities Special Tax Revenues for the Taxable Parcel(s).

1           Step 4. Compare the Estimated Base Facilities Special Tax Revenues from Step 3  
2           to the Expected Maximum Facilities Special Tax Revenues, and apply one  
3           of the following, as applicable:

- 4
- 5           ▪ *If the Estimated Base Facilities Special Tax Revenues are: (i) greater than  
6           or equal to the Expected Maximum Facilities Special Tax Revenues or (ii)  
7           less than the Expected Maximum Facilities Special Tax Revenues, but the  
8           Maximum Facilities Special Tax Revenues, assuming the same land uses  
9           that went into the calculation of the Estimated Base Facilities Special Tax  
10          Revenues, are still sufficient to provide Required Coverage, then the  
11          Maximum Facilities Special Tax for the Taxable Parcel(s) shall be  
12          determined by multiplying the applicable Base Facilities Special Taxes by  
13          the Square Footage of each Square Footage Category expected within  
14          the building(s) on the Taxable Parcel(s). The Administrator shall update  
15          Attachment 3 to reflect the adjusted Expected Maximum Facilities Special  
16          Tax Revenues and the new Maximum Facilities Special Tax Revenues.*
  
  - 17
  - 18          ▪ *If the Estimated Base Facilities Special Tax Revenues are less than the  
19          Expected Maximum Facilities Special Tax Revenues, and the Maximum  
20          Facilities Special Tax Revenues, assuming the same land uses that went  
21          into the calculation of the Estimated Base Facilities Special Tax  
22          Revenues, are insufficient to provide Required Coverage, then the Base  
23          Facilities Special Taxes that were applied in Step 4 shall be increased  
24          proportionately until the amount that can be levied on the Taxable  
25          Parcel(s), combined with the Expected Maximum Facilities Special Tax*

Revenues from other Planning Parcels in the STD, is sufficient to maintain Required Coverage; provided, however, such increase cannot exceed, in the aggregate, the amount by which Expected Maximum Facilities Special Tax Revenues from the Taxable Parcel exceeds the Estimated Base Facilities Special Tax Revenues from the Taxable Parcel(s).

After proportionately increasing the Base Facilities Special Taxes to an amount that will maintain Required Coverage, the Administrator shall use the adjusted per-square foot rates to calculate the Maximum Facilities Special Tax for each Taxable Parcel for which the increased Base Facilities Special Tax was determined to be necessary pursuant to this Step 4. The Administrator shall also revise Attachment 3 to reflect the new Expected Maximum Facilities Special Tax Revenues.

<b>Table 1</b> <b>Base Facilities Special Tax</b>		
<b>Square Footage Category</b>	<b>Base Facilities Special Tax in Tax Zone 1 (FY 2019-20) *</b>	<b>Base Facilities Special Tax in Tax Zone 2 (FY 2019-20) *</b>
Residential Square Footage	\$5.22 per Residential Square Foot	\$4.89 per Residential Square Foot
Taxable Non-Residential Square Footage	\$5.22 per Non-Residential Square Foot	\$4.89 per Non-Residential Square Foot

**\* The Base Facilities Special Taxes shown above shall be escalated as set forth in Section D.1.**

Unless and until individual Assessor's Parcels are created for Non-Residential Square Footage and Residential Square Footage within a building, the Administrator shall sum the Facilities Special Tax that, pursuant to Section F below, would be levied on all land uses on a Taxable Parcel and levy this aggregate Facilities Special Tax amount on the Taxable Parcel.

If, in any Fiscal Year, the Maximum Facilities Special Tax is determined for any Parcels of Developed Property for which a Building Permit had not yet been issued and, if, when a Building Permit is issued on the Parcel, the Residential Square Footage or Non-Residential Square Footage is different than the Residential Square Footage or Non-Residential Square Footage that was used to determine the Maximum Facilities Special Tax, then the Administrator shall once again apply Steps 1 through 4 in this Section C.2a to recalculate the Maximum Facilities Special Tax for the Parcel based on the Residential Square Footage or Non-Residential Square Footage that was

1 determined when the Building Permit was issued. The Administrator shall do a final  
2 check of the Residential Square Footage and Non-Residential Square Footage for the  
3 Parcel when a Certificate of Occupancy is issued. Once again, if the Residential  
4 Square Footage or Non-Residential Square Footage is different than the Residential  
5 Square Footage or Non-Residential Square Footage that was used to determine the  
6 Maximum Facilities Special Tax after the Building Permit was issued, then the  
7 Administrator shall apply Steps 1 through 4 in this Section C.2a to recalculate the  
8 Maximum Facilities Special Tax for the Parcel.

9  
10 **2b. Arts Building Special Tax**

11  
12 Prior to the Transition Year, when a Taxable Parcel (or multiple Taxable Parcels within  
13 a building) in Tax Zone 2 becomes Developed Property, the Administrator shall use the  
14 Base Arts Building Special Taxes shown in Table 2 below and apply the steps set forth  
15 in this Section 2b to determine the Maximum Arts Building Special Tax for the Taxable  
16 Parcel(s). No Arts Building Special Tax shall be levied on Parcels in Tax Zone 1.

<b>Table 2</b> <b>Base Arts Building Special Tax in Tax Zone 2</b>

Residential Square Footage	\$0.66 per Residential Square Foot	\$0.00 per Residential Square Foot
Taxable Non-Residential Square Footage	\$0.66 per Non-Residential Square Foot	\$0.00 per Non-Residential Square Foot

**\* The Base Arts Building Special Taxes shown above shall be escalated as set forth in Section D.1.**

*Step 1.* The Administrator shall review the Building Permit, Certificate of Occupancy, Vertical DDA, condominium plan, architectural drawings, Development Approval Documents, information provided by the Port, Developer or Vertical Developer, and any other documents or data that estimate or identify the Square Footage within each Square Footage Category to determine Residential Square Footage or Non-Residential Square Footage anticipated within each building on the Taxable Parcel(s).

*Step 2.* Using the information from Step 1:

- For Tax Zone 2 only, multiply the applicable Base Arts Building Special Tax from Table 2 for Residential Square Footage by the total Residential Square Footage expected within each building on the Taxable Parcel(s).

- 1                   ▪ For Tax Zone 2 only, multiply the applicable Base Arts Building Special  
2                   Tax from Table 2 for Taxable Non-Residential Square Footage by the total  
3                   Taxable Non-Residential Square Footage expected on the Taxable  
4                   Parcel(s).
  
- 5
- 6                   ▪ If, based on the Expected Land Uses, the Administrator determines that  
7                   there is Expected Taxable Property within the building(s) in Tax Zone 2,  
8                   multiply the applicable Base Arts Building Special Tax from Table 2 based  
9                   on what had been anticipated on the Expected Taxable Property by the  
10                  Square Footage of the Expected Land Uses within each building.

11

12                  Prior to the First Bond Sale, the Maximum Arts Building Special Tax for the  
13                  Taxable Parcel(s) shall be the sum of the amounts calculated above, and  
14                  Steps 3 and 4 below shall not apply.

15

16                  After the First Bond Sale, the Administrator shall apply Steps 3 and 4 to  
17                  determine the Maximum Arts Building Special Tax for the Taxable  
18                  Parcel(s).

19

20                  *Step 3.* Sum the amounts calculated in Step 2 to determine the Estimated Base  
21                  Arts Building Special Tax Revenues for the Taxable Parcel(s).

22

23                  *Step 4.* Compare the Estimated Base Arts Building Special Tax Revenues from  
24                  Step 3 to the Expected Maximum Arts Building Special Tax Revenues, and  
25                  apply one of the following, as applicable:

- *If the Estimated Base Arts Building Special Tax Revenues are: (i) greater than or equal to the Expected Maximum Arts Building Special Tax Revenues or (ii) less than the Expected Maximum Arts Building Special Tax Revenues, but the Maximum Arts Building Special Tax Revenues, assuming the same land uses that went into the calculation of the Estimated Base Arts Building Special Tax Revenues, are still sufficient to provide Required Coverage, then the Maximum Arts Building Special Tax for each Taxable Parcel shall be determined by multiplying the applicable Base Arts Building Special Taxes by the Square Footage of each Square Footage Category expected within the building(s) on the Taxable Parcel(s). The Administrator shall update Attachment 3 to reflect the adjusted Expected Maximum Arts Building Special Tax Revenues and the new Maximum Arts Building Special Tax Revenues.*
  
- *If the Estimated Base Arts Building Special Tax Revenues are less than the Expected Maximum Arts Building Special Tax Revenues, and the Maximum Arts Building Special Tax Revenues, assuming the same land uses that went into the calculation of the Estimated Base Arts Building Special Tax Revenues, are insufficient to provide Required Coverage, then the Base Arts Building Special Taxes that were applied in Step 4 shall be increased proportionately until the amount that can be levied on the Taxable Parcel(s), combined with the Expected Maximum Arts Building Special Tax Revenues from other Planning Parcels in the STD, is sufficient to maintain Required Coverage; provided, however, such*

1 increase cannot exceed, in the aggregate, the amount by which Expected  
2 Maximum Arts Building Special Tax Revenues from the Taxable Parcel  
3 exceeds the Estimated Base Arts Building Special Tax Revenues from  
4 the Taxable Parcel(s).

5  
6 After proportionately increasing the Base Arts Building Special Taxes to  
7 an amount that will maintain Required Coverage, the Administrator shall  
8 use the adjusted per-square foot rates to calculate the Maximum Arts  
9 Building Special Tax for each Taxable Parcel for which the increased  
10 Base Arts Building Special Tax was determined to be necessary  
11 pursuant to this Step 4. The Administrator shall also revise Attachment  
12 3 to reflect the new Expected Maximum Arts Building Special Tax  
13 Revenues.

14  
15 Unless and until individual Assessor's Parcels are created for Non-Residential Square  
16 Footage and Residential Square Footage within a building, the Administrator shall sum  
17 the Arts Building Special Tax that, pursuant to Section F below, would be levied on all  
18 land uses on a Parcel and levy this aggregate Arts Building Special Tax amount on the  
19 Parcel.

20  
21 If, in any Fiscal Year, the Maximum Arts Building Special Tax is determined for any  
22 Parcels of Developed Property for which a Building Permit had not yet been issued  
23 and, if, when a Building Permit is issued on the Parcel, the Residential Square Footage  
24 or Non-Residential Square Footage is different than the Residential Square Footage or  
25 Non-Residential Square Footage that was used to determine the Maximum Arts

1 Building Special Tax, then the Administrator shall once again apply Steps 1 through 4  
2 in this Section C.2b to recalculate the Maximum Arts Building Special Tax for the  
3 Parcel(s) based on the Residential Square Footage or Non-Residential Square  
4 Footage that was determined when the Building Permit was issued. The Administrator  
5 shall do a final check of the Residential Square Footage and Non-Residential Square  
6 Footage within the building when a Certificate of Occupancy is issued. Once again, if  
7 the Residential Square Footage or Non-Residential Square Footage is different than  
8 the Residential Square Footage or Non-Residential Square Footage that was used to  
9 determine the Maximum Arts Building Special Tax after the Building Permit was issued,  
10 then the Administrator shall apply Steps 1 through 4 in this Section C.2b to recalculate  
11 the Maximum Arts Building Special Tax for the Parcel.

12  
13 If one or more Building Permits have been issued for development of structures on a  
14 Taxable Parcel, and additional structures are anticipated to be built on the Taxable  
15 Parcel as shown in the Development Approval Documents, the Administrator shall,  
16 regardless of the definitions set forth herein, categorize the buildings for which Building  
17 Permits have been issued as Developed Property and, if the 36-month anniversary of  
18 the VDDA Execution Date has not occurred in a previous Fiscal Year, any remaining  
19 buildings for which Building Permits have not yet been issued shall not be subject to the  
20 Arts Building Special Tax until either: (i) a Building Permit is issued for such remaining  
21 buildings, or (ii) the Fiscal Year in which the 36-month anniversary of the VDDA  
22 Execution Date. To determine the Arts Building Special Tax for any such Parcel, the  
23 Administrator shall take the sum of the Arts Building Special Taxes determined for each  
24 building.

**2c. Services Special Tax**

Upon issuance of the first Certificate of Occupancy for a building on a Taxable Parcel, the Administrator shall reference Table 3 and apply the steps below to determine the Maximum Services Special Tax for the Parcel:

<b>Table 3 Base Services Special Tax</b>			
<b>Square Footage Category</b>	<b>Base Services Special Tax in Tax Zone 1 (FY 2019-20)*</b>	<b>Base Services Special Tax in Tax Zone 2 Before the Transition Year (FY 2019-20) *</b>	<b>Base Services Special Tax in Tax Zone 2 In and After the Transition Year (FY 2019-20) *</b>
Residential Square Footage	\$1.68 per Residential Square Foot	\$1.34 per Residential Square Foot	\$2.02 per Residential Square Foot
Taxable Non-Residential Square Footage	\$1.68 per Non-Residential Square Foot	\$1.34 per Non-Residential Square Foot	\$2.02 per Non-Residential Square Foot

**\* The Base Services Special Tax for each Tax Zone shown above shall be escalated as set forth in Section D.2.**

*Step 1.* Review the Certificate of Occupancy, Building Permit, Vertical DDA, condominium plan, Development Approval Documents, architectural drawings, information provided by the Port, Developer or Vertical Developer, and coordinate with the Review Authority to determine the Residential

1 Square Footage and Non-Residential Square Footage anticipated within  
2 each building.

3  
4 . Step 2. Using the information from Step 1:

5  
6 ■ After consideration of the Tax Zone for the building and the Transition  
7 Year, multiply the applicable Base Services Special Tax from Table 3 for  
8 Residential Square Footage by the total Residential Square Footage  
9 within each building.

10  
11 ■ Based on the Tax Zone in which the building is located and the Transition  
12 Year, multiply the applicable Base Services Special Tax from Table 3 for  
13 Taxable Non-Residential Square Footage by the total Taxable Non-  
14 Residential Square Footage expected in the building.

15  
16 The Maximum Services Special Tax for the Parcel shall be the sum of the amounts  
17 calculated pursuant to this Step 2.

18  
19 If additional structures are anticipated to be built on the Parcel as shown in the  
20 Development Approval Documents, the Administrator shall, regardless of the definitions  
21 set forth herein, categorize each building for which a Certificate of Occupancy has been  
22 issued as Developed Property, and any remaining buildings for which Certificates of  
23 Occupancy have not yet been issued shall not be subject to a Services Special Tax until  
24 a Certificate of Occupancy is issued for such remaining buildings. To determine the  
25

1 Services Special Tax for any such Parcel, the Administrator shall take the sum of the  
2 Services Special Taxes determined for each building.

3  
4 **3. *Expected Taxable Property***

5  
6 Depending on the Tax Zone in which a Parcel of Expected Taxable Property is located, the  
7 Maximum Facilities Special Tax and, if applicable, Maximum Arts Building Special Tax assigned  
8 to the Parcel shall be the Expected Maximum Facilities Special Tax Revenues and, if applicable,  
9 Expected Maximum Arts Building Special Tax Revenues that were assigned to the Parcel (as  
10 determined by the Administrator) based on the Expected Land Uses prior to the Administrator  
11 determining that such Parcel had become Expected Taxable Property. In the Transition Year  
12 and each Fiscal Year thereafter, no Arts Building Special Tax shall be levied on Expected  
13 Taxable Property.

14  
15  
16 **D. CHANGES TO THE MAXIMUM SPECIAL TAXES**

17  
18 **1. *Annual Escalation of Facilities Special Tax and Arts Building Special Tax***

19  
20 Beginning July 1, 2020 and each July 1 thereafter, each of the following amounts shall  
21 be increased by 2% of the amount in effect in the prior Fiscal Year: the Base Facilities Special  
22 Tax for each Tax Zone in Table 1; the Base Arts Building Special Tax for Tax Zone 2 in Table  
23 2; the Expected Maximum Facilities Special Tax Revenues in Attachment 3, the Expected  
24 Maximum Arts Building Special Tax Revenues in Attachment 3, and the Maximum Facilities  
25 Special Tax and Maximum Arts Building Special Tax assigned to each Taxable Parcel.

**2. Annual Escalation of Services Special Tax**

Beginning July 1, 2020 and each July 1 thereafter, the Base Services Special Tax for each Tax Zone in Table 3 and the Maximum Services Special Tax assigned to each Taxable Parcel shall be adjusted by the Escalator.

**3. Changes in Square Footage Category on a Parcel of Developed Property**

If any Parcel that had been taxed as Developed Property in a prior Fiscal Year is rezoned or otherwise has a Land Use Change, the Administrator shall, separately for each of the Special Taxes, multiply the applicable Base Special Tax by the total Residential Square Footage and Taxable Non-Residential Square Footage on the Parcel after the Land Use Change; if the First Bond Sale has not yet occurred, the combined amount of the applicable Special Taxes shall be the Maximum Special Tax for the Parcel. If the First Bond Sale has taken place, the Administrator shall apply the remainder of this Section D.3.

If the Maximum Special Tax that would apply to the Parcel after the Land Use Change is greater than the Maximum Special Tax that applied to the Parcel prior to the Land Use Change, the Administrator shall increase the Maximum Special Tax for the Parcel to the amount calculated based on the Land Use Change. If the Maximum Special Tax after the Land Use Change is less than the Maximum Special Tax that applied prior to the Land Use Change, there shall be no change to the Maximum Special Tax for the Parcel. Under no circumstances shall the Maximum Special Tax on any Parcel of Developed Property be reduced, regardless of changes

1 in Square Footage Category or Square Footage on the Parcel, including reductions in Square  
2 Footage that may occur due to demolition, fire, water damage, or acts of God.

3  
4 **4. Changes to Planning Parcels and Expected Land Uses**

5  
6 If, at any time prior to the First Bond Sale, the Developer or a Vertical Developer makes changes  
7 to the boundaries of the Planning Parcels or the Expected Land Uses within one or more  
8 Planning Parcels, the Administrator shall update the Expected Land Uses and Expected  
9 Maximum Facilities Special Tax Revenues and Expected Maximum Arts Building Special Tax  
10 Revenues, which will be reflected on an updated Attachment 3. In addition, the Administrator  
11 will request updated Attachments 1 and 2 from the Developer.

12  
13 If, after the First Bond Sale, the Developer or a Vertical Developer proposes to make changes  
14 to the boundaries of the Planning Parcels or the Expected Land Uses within one or more  
15 Planning Parcels, the Administrator shall meet with the Port, Developer, and any affected  
16 Vertical Developers to review the proposed changes and evaluate the impact on the Expected  
17 Maximum Facilities Special Tax Revenues and Expected Maximum Arts Building Special Tax  
18 Revenues. If the Administrator determines that such changes will not reduce Required  
19 Coverage on Bonds that have been issued, the Port will decide whether to allow the proposed  
20 changes and corresponding redistribution of the Maximum Facilities Special Tax Revenues and  
21 Maximum Arts Building Special Tax Revenues. If such changes are permitted, the  
22 Administrator will update Attachment 3 and request updated Attachments 1 and 2 from the  
23 Developer. If the Administrator determines that the proposed changes will reduce Required  
24 Coverage on Bonds that have been issued, the Port will not permit the changes.

1     **5.     *Reduction in Maximum Facilities Special Taxes Prior to First Bond Sale***

2  
3     Prior to the First Bond Sale, as set forth in the Financing Plan, the Port, Developer, and any  
4     affected Vertical Developer in Tax Zone 1 may agree to a proportional or disproportional  
5     reduction in the Base Facilities Special Tax. If the parties agree to such a reduction, the Port  
6     will direct the Administrator to use the reduced Base Facilities Special Tax for purposes of  
7     levying the taxes pursuant to this RMA, and such reduction shall be codified by recordation of  
8     an amended Notice of Special Tax Lien against all Taxable Parcels within the STD. The  
9     reduction shall be made without a vote of the qualified STD electors.

10  
11  
12     **E.     ANNEXATIONS**

13  
14     If, in any Fiscal Year, a property owner within the Future Annexation Area wants to annex  
15     property into Zone 2 of the STD, the Administrator shall apply the following steps as part of the  
16     annexation proceedings:

17  
18             *Step 1.* Working with Port staff, the Administrator shall determine the Expected Land  
19             Uses for the area to be annexed.

20  
21             *Step 2.* The Administrator shall prepare or have prepared updated Attachments 1, 2,  
22             and 3 to reflect the annexed property and identify the revised Expected Land  
23             Uses, Expected Maximum Facilities Special Tax Revenues and Expected  
24             Maximum Arts Building Special Tax Revenues. After the annexation is  
25             complete, the application of this RMA shall be based on the adjusted Expected

1 Land Uses and Maximum Facilities Special Tax Revenues and Maximum Arts  
2 Building Special Tax Revenues, as applicable, including the newly annexed  
3 property.

4  
5 *Step 3.* The Administrator shall ensure that a Notice of Special Tax Lien is recorded  
6 against all Parcels that are annexed to the STD.

7  
8  
9 **F. METHOD OF LEVY OF THE SPECIAL TAXES**

10  
11 **1. *Facilities Special Tax***

12  
13 Each Fiscal Year, the Administrator shall determine the Facilities Special Tax Requirement for  
14 the Fiscal Year, and the Facilities Special Tax shall be levied according to the steps outlined  
15 below:

16  
17 **a. In Any Fiscal Year in Which There is No Developer Private Agreement or**

19  
20 *Step 1.* In all Fiscal Years, the Maximum Facilities Special Tax shall be levied on all

22 and any Remainder Special Taxes collected shall be applied as set forth in  
23 the Indenture and the Financing Plan.

1           *Step 2.* After the First Bond Sale, if additional revenue is needed after Step 1 in order  
2 to meet the Facilities Special Tax Requirement after Capitalized Interest has  
3 been applied to reduce the Facilities Special Tax Requirement, the Facilities  
4 Special Tax shall be levied Proportionately on each Parcel of Expected  
5 Taxable Property, up to 100% of the Maximum Facilities Special Tax for each  
6 Parcel of Expected Taxable Property.

15

16           *Step 2.* After the First Bond Sale, but only if a Developer Private Agreement is in place,  
17 if additional revenue is needed after Step 1 in order to meet the Facilities  
18 Special Tax Requirement after Capitalized Interest has been applied to reduce  
19 the Facilities Special Tax Requirement, the Facilities Special Tax shall be  
20 levied Proportionately on each Parcel of Undeveloped Property that is not a  
21 Port-Owned Development Parcel, up to 100% of the Maximum Facilities  
22 Special Tax for each Parcel of Undeveloped Property that is not a Port-Owned

**3. *Services Special Tax***

Each Fiscal Year, the Administrator shall coordinate with the City and the Port to determine the Services Special Tax Requirement for the Fiscal Year. The Services Special Tax shall then be levied Proportionately on each Parcel of Developed Property, up to 100% of the Maximum Services Special Tax for each Parcel of Developed Property for such Fiscal Year until the amount levied is equal to the Services Special Tax Requirement. The Services Special Tax may not be levied on Undeveloped Property or Expected Taxable Property.

**G. COLLECTION OF SPECIAL TAXES**

Special Taxes shall be collected in the same manner and at the same time as ordinary ad valorem property taxes on the regular tax roll, provided, however, that the City may directly bill Special Taxes, may collect Special Taxes at a different time or in a different manner, and may collect delinquent Special Taxes through foreclosure or other available methods as authorized by the CFD Law. The Board has ordered any Special Taxes to be levied on leasehold interests to be levied on the secured roll. The Special Tax bill for any Parcel subject to a leasehold

1 interest will be sent to the same party that receives the possessory interest tax bill associated  
2 with the leasehold.

3

4 In calculating the Facilities Special Tax Requirement, under no circumstances may the Facilities  
5 Special Tax that is levied on a Taxable Parcel in a Fiscal Year be increased by more than ten  
6 percent (10%) of the Maximum Facilities Special Tax for that Parcel (or such lesser amount  
7 required by the CFD Law) as a consequence of delinquency or default in payment of Facilities  
8 Special Taxes levied on another Parcel(s) in the STD.

9

10 The Facilities Special Tax shall be levied and collected on a Taxable Parcel until the Fiscal Year  
11 that is the 120<sup>th</sup> Fiscal Year in which the Facilities Special Tax has been levied on the Taxable  
12 Parcel.

13

14 The Arts Building Special Tax shall be levied and collected until the earlier of: (i) the Transition  
15 Year, and (ii) the 120<sup>th</sup> Fiscal Year in which the Arts Building Special Tax has been levied on  
16 the Taxable Parcel.

17

18 The Services Special Tax shall be levied and collected in perpetuity.

19

20

21

**H. EXEMPTIONS**

22

23 Notwithstanding any other provision of this RMA, no Special Taxes shall be levied on Affordable  
24 Housing Projects, Tax-Exempt Port Parcels, or Exempt Association Square Footage unless  
25 such uses are Expected Taxable Property.

1     **I. INTERPRETATION OF SPECIAL TAX FORMULA**

2  
3     The City may interpret, clarify, and revise this RMA to correct any inconsistency, vagueness, or  
4     ambiguity, by resolution or ordinance, as long as such interpretation, clarification, or revision  
5     does not materially affect the levy and collection of the Special Taxes and any security for any  
6     Bonds.

7  
8  
9     **J. SPECIAL TAX APPEALS**

10  
11     Any taxpayer who wishes to challenge the accuracy of computation of the Special Taxes in any  
12     Fiscal Year may file an application with the Administrator. The Administrator, in consultation  
13     with the City Attorney, shall promptly review the taxpayer’s application. If the Administrator  
14     concludes that the computation of the Special Taxes was not correct, the Administrator shall  
15     correct the Special Tax levy and, if applicable in any case, a refund shall be granted. If the  
16     Administrator concludes that the computation of the Special Taxes was correct, then such  
17     determination shall be final and conclusive, and the taxpayer shall have no appeal to the Board  
18     from the decision of the Administrator.

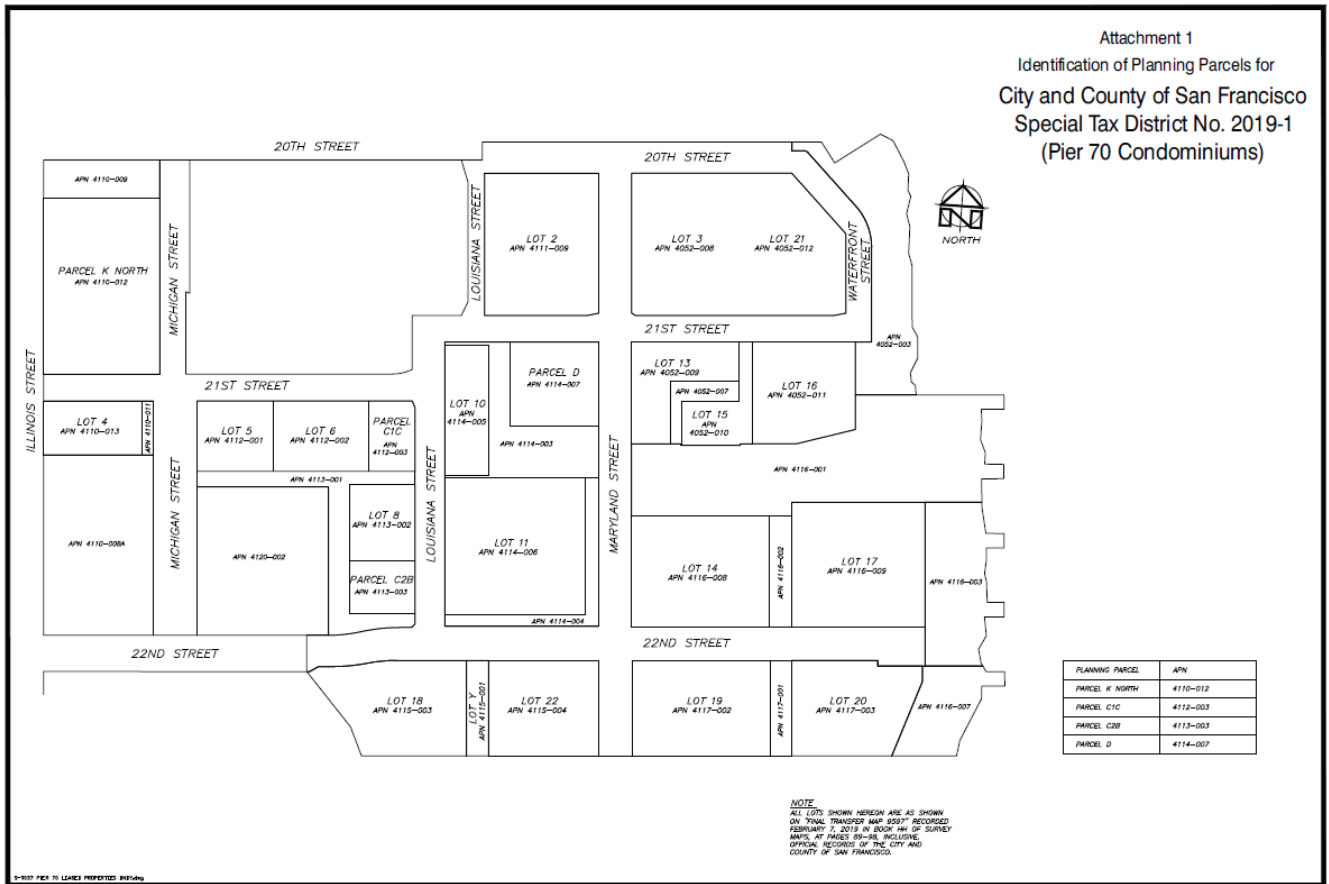

19  
20     The filing of an application or an appeal shall not relieve the taxpayer of the obligation to pay  
21     the Special Taxes when due.

22  
23     Nothing in this Section J shall be interpreted to allow a taxpayer to bring a claim that would  
24     otherwise be barred by applicable statutes of limitation set forth in the CFD Law or elsewhere  
25     in applicable law.
