5. Project Period: **12/31/2019**                      End-Date: **12/30/2020**  
Term Agreement: **12/31/2019**                      End-Date: **09/30/2034**
6. Proposed Grant Project Summary:

**We are requesting approval of this Accept and Expend Resolution of our 2019 Boating Safety and Enforcement Grant award from the Division of Boating and Waterways.**

**Funds will be used to replace of a set of 300 hp outboard motors on our patrol boat “SF Marine 3”.**

**The SFPD Marine Unit is the primary maritime law enforcement unit for the City and County of San Francisco and is responsible for securing the 64 square miles of San Francisco waterways, as well as securing the Port of San Francisco properties, which include the ferry and cruise ship terminals. This grant award will extend useful life of SF Marine 3 and provide our Marine Unit with updated equipment to safeguard our waterways and Port infrastructure.**
