14 Be it ordained by the People of the City and County of San Francisco:

15 Section 1. The Planning Department has determined that the actions contemplated in  
16 this ordinance comply with the California Environmental Quality Act (California Public  
17 Resources Code Sections 21000 et seq.). Said determination is on file with the Clerk of the  
18 Board of Supervisors in File No. 200144 and is incorporated herein by reference. The Board  
19 affirms this determination.

20 Section 2. Background, Findings, and Purpose.

21 (a) As of February 11, 2020, the existing cannabis retail industry in San Francisco  
22 includes 37 operating Storefront Cannabis Retail businesses, 41 operating Delivery-Only  
23 Cannabis Retail businesses, no operating Microbusiness permittees, and no Medicinal  
24 Cannabis Retail businesses separate from the Storefront Cannabis Retail and Delivery-Only  
25 Cannabis Retail businesses previously listed.

1 (b) As of February 11, 2020, there are 145 pending applications for Storefront  
2 Cannabis Retail business permits, 42 pending applications for Delivery-Only Cannabis Retail  
3 business permits, and 40 pending applications for Microbusiness permits (which may  
4 authorize any of the full range of Cannabis business activities covered by Article 16, including  
5 but not limited to retail activities). As of February 11, 2020, there were no pending  
6 applications for Medicinal Cannabis Retail permits.

7 (c) Based on data from the Office of the Controller regarding profit trends among  
8 cannabis retail businesses, it appears doubtful that the San Francisco market can sustain  
9 additional Cannabis Retail businesses in a number greater than those already in the  
10 application pipeline.

11 (d) In addition, new applicants for Cannabis Retail business permits slow the pace  
12 of the permitting process for earlier applicants, as limited City resources must be distributed to  
13 process pending applications. Many Equity Program applicants qualify for a reduction or  
14 waiver of permit fees, so the burden of processing additional applications must largely be  
15 borne by scarce General Fund revenues.

16 (e) The Board of Supervisors finds that the above considerations warrant the City's  
17 ceasing to accept new applications for Cannabis Business Permits for retail sales – including  
18 permits for Storefront Cannabis Retail, Delivery-Only Cannabis Retail, Medicinal Cannabis  
19 Retail, and retail-related Cannabis Microbusiness – as of the effective date of this ordinance.

21 Section 3. Article 16 of the Police Code is hereby amended by revising Section 1606  
22 to read as follows:

23 **SEC. 1606. APPLICATIONS FOR CANNABIS BUSINESS PERMITS.**
