17 Be it ordained by the People of the City and County of San Francisco:

18 Section 1. Findings.

19 (a) Pursuant to Charter Section D3.750-5, the Building Inspection Commission  
20 considered this ordinance at a duly noticed public hearing held on February 13, 2020.

21 (b) Chapter 11D of the Building Code requires the owner of an existing building with  
22 a place of public accommodation to have the building inspected for compliance with  
23 accessible entry and path of travel requirements. If the building is not in compliance, the  
24 owner must either bring the building into compliance or obtain a finding from the City of  
25 equivalent facilitation, technical infeasibility, or unreasonable hardship. Table 1107D sets forth  
deadlines for the four compliance categories to submit specified information to DBI, file an

1 application for any required building permits, and obtain the required building permits. All  
2 mandated work must be completed within the time periods specified in the Building Code for  
3 building permits unless an extension of time is granted pursuant to Section 1108D.

4 (c) Under the Building Code, property owners are responsible for compliance with  
5 Code requirements notwithstanding any leases that may shift some of the burden of  
6 compliance onto the tenants. Many, if not all, of the buildings subject to the Chapter 11D  
7 requirements have multiple leased spaces many of which are operated by small businesses  
8 without a lot of financial resources. This ordinance will extend for an additional six months all  
9 compliance deadlines to resolve compliance issues for those owners who missed past  
10 deadlines and to give building owners and tenants more time to resolve any compliance  
11 issues going forward.

12  
13 Section 2. The Building Code is hereby amended by revising Section 1107D, to read  
14 as follows:

15 **Chapter 11D**

19 **SECTION 1107D – COMPLIANCE SCHEDULE; OPTION TO COMPLY WITH CURRENT**  
20 **CODE REQUIREMENTS**

21 The times for compliance with the requirements of this Chapter 11D are set forth in the  
22 following Table 1107D. The Owner of a building within the scope of this Chapter must submit  
23 all required forms, documents, and permit applications to the Department prior to the  
24 deadlines set forth in Table 1107D but may comply with the requirements of this Chapter 11D,  
25

1 or elect to comply with the requirements and procedures of the Building Code then in effect, at  
 2 any time prior to the deadlines set forth in Table 1107D.

**LEGISLATIVE DIGEST**  
**(Substituted, 2/4/20)**

[Building Code - Mandatory Disability Access Improvements for Places of Public Accommodation - Extension of Time Deadlines]

**Ordinance amending the Building Code to extend for the time for existing buildings with a place of public accommodation to comply with the requirement to have all primary entries and paths of travel into the building accessible to persons with disabilities or to receive a City determination of equivalent facilitation, technical infeasibility, or unreasonable hardship, to extend the period for granting extensions from those deadlines, and to extend the time for the Department of Building Inspection's Report to the Board of Supervisors.**

Existing Law

Chapter 11D of the Building Code requires the owner of an existing building with a place of public accommodation to have the building inspected for compliance with accessible entry and path of travel requirements. If the building is not in compliance, the owner must either bring the building into compliance or obtain a finding from the City of equivalent facilitation, technical infeasibility, or unreasonable hardship. Table 1107D sets forth deadlines for the four compliance categories to submit specified information to DBI, file an application for any required building permits, and obtain the required building permits. All mandated work must be completed within the time periods specified in the Building Code for building permits unless an extension of time is granted pursuant to Section 1108D. Section 1113D requires the Department of Building Inspection to submit a written report to the Board of Supervisors concerning the effectiveness of Chapter 11D, including recommendations, if any, for amendments to the Chapter.

Amendments to Current Law

This ordinance will extend the time to comply with the requirements and standardize the deadlines for all building categories.

Background Information

Under the Building Code, property owners are responsible for compliance with Code requirements notwithstanding any leases that may shift some of the burden of compliance onto the tenants. Many, if not all, of the buildings subject to the Chapter 11D requirements have multiple leased spaces many of which are operated by small businesses without a lot of financial resources. Extension of the compliance deadlines will give building owners and tenants more time to resolve any compliance issues going forward. Establishing the same compliance deadlines for all building categories will streamline and simplify the process.
