18 now, therefore, be it

19 RESOLVED, That the Board of Supervisors declares as follows:

20 Section 1. Pursuant to Section 36621(a) of the 1994 Act and Article 15, the Board of
21 Supervisors declares its intention to renew and expand the property and business
22 improvement district known as the "Castro Community Benefit District" ("District") for a period
23 of fifteen and one half (15 1/2) years, and to levy and collect assessments against all parcels
24 of real property in the District for fifteen of those years, commencing with fiscal year
25 ("FY") 2020-2021, subject to approval by a majority of the property owners in the District who

1 cast assessment ballots, which ballots shall be weighted according to the proportional
2 financial obligations of the affected properties. No bonds will be issued. District operations
3 are expected to commence on or about January 1, 2021, following collection of the
4 assessments for FY2020-2021 and disbursement of the assessment proceeds to the nonprofit

7 agreement with the City.

9 payment penalties and be subject to the same enforcement procedures and remedies as the
10 ad valorem property tax. All delinquent payment of assessments will be subject to interest
11 and penalties. The City Treasurer and Tax Collector will enforce imposition of interest and
12 penalties and collection of assessments pursuant to the 1994 Act, Article 15 and the San
13 Francisco Business and Tax Regulation Code Article 6, as each may be amended from time
14 to time.

19 determine which specific parcels are included in the Castro Community Benefit District.

20 Section 5. A public hearing on the renewal and expansion of the District, and the levy
21 and collection of assessments starting with FY2020-2021 and continuing through
22 FY2034-2035, shall be conducted before the Board of Supervisors sitting as a Committee of
23 the Whole on July 14, 2020, at 3:00 p.m., or as soon thereafter as the matter may be heard in
24 the Board’s Legislative Chamber, Second Floor, City Hall, 1 Dr. Carlton B. Goodlett Place,
25

1 San Francisco, California, 94102. At this public hearing, the Board of Supervisors will hear
2 public testimony regarding the proposed formation of the District, assessments, and
3 boundaries of the District, including testimony from all interested persons for or against
4 renewal and expansion of the District, the extent of the District, the levy of the assessments,
5 the furnishing of specific types of property-related services, improvements and activities, and
6 other matters related to the District. The Board of Supervisors may waive any irregularity in
7 the form or content of any written protest, and at the public hearing may correct minor defects
8 in the proceedings. All protests submitted by affected property owners and received prior to
9 the conclusion of the public testimony portion of the public hearing shall be tabulated to
10 determine whether a majority protest exists.

11 Section 6. The Board of Supervisors hereby approves the form of the Notice of Public
12 Hearing and Assessment Ballot Proceeding, and Assessment Ballot, which are on file with the
13 Clerk of the Board of Supervisors in File No. 200379; which are hereby declared to be a part
14 of this Resolution as if set forth fully herein.

15 Section 7. The proposed property-related services, improvements and activities for the
16 District include a Clean and Safe program, a Marketing program, and Administration.

17
18 **Clean Services:** Cleaning services, including sidewalk sweeping and power washing,
19 will be provided along the frontages of property within the District. Zone 1 will receive a minimum
20 of sweeping of sidewalks twice a day and power washing sidewalks twice a month, graffiti
21 removal, and access to the cleaning dispatch number. Zone 2 will receive a minimum of
22 sweeping the sidewalks once a day and power washing once a month, graffiti removal, and
23 access to the cleaning dispatch number. Zone 3 will receive a minimum of sweeping once per
24 day and power washing once every two months, graffiti removal, and access to the cleaning
25 dispatch number. Other cleaning services that may be provided include, but are not limited to

1 enhanced trash emptying in the public right-of-way and special events cleaning and
2 maintenance services.

3 **Landscaping:** Landscaping includes, but is not limited to, maintenance of landscaping
4 within public plazas which will be done as needed and as approved by the Board of Directors.
5 New plantings and sidewalk planters may also be considered.

6 **Marketing:** Marketing provides marketing and communications services to improve
7 the District's image and visibility, community with District stakeholders, and promote activities
8 taking place within the District. Activities may include, but are not limited to, the following: data
9 collection, District Stakeholder and Neighborhood Outreach, Website and Social Media,
10 Service Presentations, Non-Assessment Revenue Fundraising, Branding, Media Relations,
11 and Destination Marketing.

12 **Administration and Contingency:** Administration includes daily oversight and
13 operation of the Castro CBD, adherence to the Management District Plan, and compliance
14 with audit/reporting requirements. Administration also includes fundraising, building and
15 managing relationships with the neighborhood association/groups, city agencies/departments
16 and elected officials. The Castro CBD, representing the owners, and working closely with the
17 merchants, routinely advocates for the interests of the community regarding city services and
18 funding. Because of these relationships and advocacy work, the Castro/Upper Market has
19 often been chosen to host city funded pilot projects, which benefit the neighborhood. This type
20 of work will continue in the new, renewed Castro CBD. The assessments will also fund a
21 contingency reserve that may be used to cover possible unforeseen future expenses and help
22 to smooth out cash flows, which are affected by the timing of property owner payments.

23 Section 8. Within the area encompassed by the proposed District, the City currently
24 provides services at the same level provided to other similar areas of the City. It is the intent
25 of the Board of Supervisors to continue to provide the area encompassed by the District with

1 the same level of services provided to other similar areas of the City; formation of the District
2 will not affect the City's policy to continue to provide the same level of service to the areas
3 encompassed by the District as it provides to other similar areas of the City during the term of
4 the District.

5 Section 9. The annual total assessments proposed to be levied and collected for the
6 first year of the District (FY2020-2021) is estimated to be \$819,403.41. The amount of the
7 total annual assessments to be levied and collected for years two through fifteen
8 (FYs 2021-2022 through 2034-2035) may be increased from one year to the next due to
9 changes to the consumer price index (CPI) or by 5%, whichever is less. Assessments may
10 also increase based on development in the District. The determination of annual adjustments
11 in assessment rates will be subject to the approval of the Castro Community Benefit District
12 Owners' Association. Assessment rates may not increase by more than 5% or the CPI annual
13 increase, whichever is less.

14 Section 10. Environmental Findings. Following the approval of this Resolution, the
15 Planning Department shall determine whether the actions contemplated in this Resolution are
16 in compliance with the California Environmental Quality Act (California Public Resources
17 Code, Sections 21000 et seq.), and respond in writing to the Clerk of the Board of Supervisors
18 prior to the Board's public hearing on the renewal and expansion of the District on
19 July 14, 2020 at 3:00 p.m.

20 Section 11. The Clerk of the Board is directed to give notice of the public hearing as
21 provided in California Streets and Highways Code, Section 36623, California Government
22 Code, Section 53753, California Constitution Article XIID, Section 4, San Francisco Charter,
23 Section 16.112, and San Francisco Administrative Code, Section 67.7-1.
