Central Waterfront Navigation Center: Street Vacation Ordinance Extension

Land Use & Transportation Committee

May 18, 2020

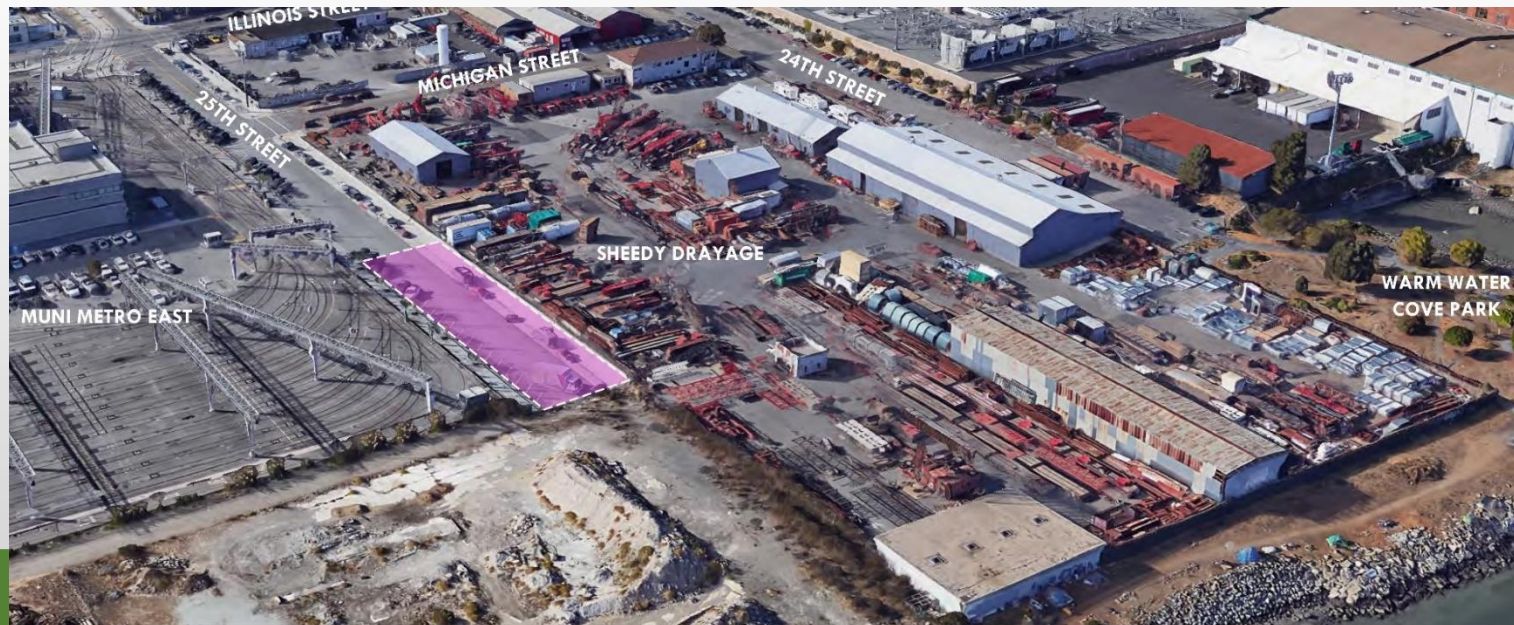

Central Waterfront Navigation Center: Background

2

There are currently over 8,000 people experiencing homelessness in San Francisco, with over 5,000 people living unsheltered.

HSH has opened 8 Navigation Centers with 6 currently in operation.

HSH opened the CWNC in 2017.

Central Waterfront Navigation Center: Current Operation

3

HSH contracts with Episcopal Community Services and Providence Foundation to operate the program

Onsite services include:

- Case management
- Medical care
- Housing assistance
- Benefits enrollment

Central Waterfront Navigation Center: Community Outreach

5

- Prior to the opening in 2017, HSH & the Port led a significant community outreach process that resulted in an interagency community agreement.
- Prior to the extension HSH, Port, SFPD and Public Works updated that agreement in partnership with the Dogpatch Neighborhood Association (DNA).
- Both Supervisor Walton and the DNA support the 5-year extension of the CWNC.
- April 28, 2020 the Port Commission approved the MOU to extend operations at the CWNC

Terms of Extension

6

- The original street vacation ordinance was limited to 3.5 years.
- This ordinance extends the vacation for 5 years, in alignment with the new MOU between HSH and the Port of San Francisco.
