As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

Dear Supervisors,

I hope this email finds you well. I live in Bernal Heights, and, as a resident of San Francisco, I strongly believe that you should OPPOSE the nominations of Nancy Tung and Geoffrey Gordon-Creed to the police commission.

Now is the time to take concrete actions to reduce police brutality. Excessive use of force by police officers has been in the national consciousness since at least Rodney King, yet no effective measures have been implemented to hold police officers accountable for their discriminatory abuse and terrorizing of black and brown communities.

Nancy Tung has repeatedly opposed prosecuting police officers who were involved in shootings of San Francisco residents to date. As we're seeing now in Minneapolis, failing to hold law enforcement accountable is detrimental to public safety. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have stripped the police commission of the power to oversee taser use-of-force policy. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. The POA is a far-right organization that regularly condones heinous acts of police violence and traffics in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

I appreciate your time in reading this email, and urge you to do what is necessary to make sure that the SF Police Department is held accountable for its actions.

Sincerely,
Isaac Bloch

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly ask you to OPPOSE the nominations of Nancy Tung and Geoffrey Gordon-Creed to the Police Commission.

Geoffrey Gordon-Creed does not have the experience or qualifications.

Nancy Tung will not provide any effective oversight of the police if appointed. She is an extremely conservative prosecutor who has a history of supporting policies that are not what San Francisco or this country needs anymore. We have to do things differently.

Nancy Tung has supported policies in the past which would have weakened oversight on the San Francisco Police Department. This is clearly not the time to support someone who thinks that police departments can just be trusted to handle things internally. At some point we must recognize that communities that have suffered decades of extreme over-policing deserve to have civilian oversight boards that recognize that fundamental changes have to occur. And at the very least, we can start by not appointing people who have taken campaign contributions from the San Francisco Police Officers Association.

She supports giving tasers to police officers. Tasers do not make it less likely that police officers will use deadly force but they do make it more likely they will use force. These are not the positions of someone who should be on the San Francisco Police Commission. These are the kinds of appointments that let people know that things will stay the same. One reason that we so many instances of excessive force is because of a very long history of police departments and police officers acting with impunity. We need commissioners who will not give extreme deference to the police.

Please oppose the nominations of Nancy Tung and Geoffrey Gordon-Creed.

Thank you.

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

Dear Supervisors,

I am writing to urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent San Franciscans on the Police Commission, particularly given her background opposing progressive policing measures. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies. Now more than ever, the Commission needs who have experience engaging in criminal justice reform and who know the impact of policing practices on those who are disproportionately affected by them.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police

Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

Mr. Gordon-Creed, a civil litigation attorney, also is far from qualified to serve on a commission that should be overseeing and reforming SFPD to reduce officer involved shootings and use of force. His only experience with police appears to be that in the early 1990s, he defended the Police Department in litigation as a deputy city attorney. Mr. Gordon-Creed recently said in the press that he believes Chief Scott is pushing forward reforms recommended by the Department of Justice in 2016 as fast as he can. So far, in four years, SFPD has only adopted 18% of these reforms. If Mr. Gordon-Creed thinks this is fast, I'd hate to see what he thinks is slow reform. Like Ms. Tung, he has no experience collaborating with or advocating on behalf of communities of color who are impacted by policing.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Subject: Please OPPOSE Nancy Tung and Geoffrey Gordon-Creed for Police Commission

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Crystal Hermann

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Subject: Please OPPOSE Nancy Tung and Geoffrey Gordon-Creed for Police Commission

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,
Claudia

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,
Ian Wilson

Subject: Please OPPOSE Nancy Tung and Geoffrey Gordon-Creed for Police Commission

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Subject: Please OPPOSE Nancy Tung and Geoffrey Gordon-Creed for Police Commission

Dear Supervisors,

Saw I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

This is a moment that is calling out for monumental change in the militarization of the police and the leeway we give the force to patrol and oppress the poor, people of color, black people, the unhoused. We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Subject: Please OPPOSE Nancy Tung and Geoffrey Gordon-Creed for Police Commission

Dear Supervisors,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. Subject: Please OPPOSE Nancy Tung and Geoffrey Gordon-Creed for Police Commission

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Description:-

2020 Contracted Services: Ensuring Compliance with the CMS Hospital CoP Standards, Joint Commission and DNV

Contracts have become a recent hot topic with increased scrutiny by both the Joint Commission and CMS. Joint Commission has both a standard on contract management and a contract services tracer. CMS recently issued a memo summarizing deficiencies received by hospitals and many were related to contract management and these will be discussed. This program will also discuss the standards for hospitals accredited by DNV-GL, which are closely crosswalked to the CMS CoPs.

Hospitals have been asked why they have contracted with certain entities. Hospitals must also have a process to evaluate contracted services. The evaluation needs to ensure compliance with the provisions contained in the contract regulations and standards with oversight from the Board. The bottom line is whether the hospital uses its own employees or contracts out the service with contracted employees, the hospital must still evaluate the service and ensure patients are still getting a good quality of care. The board is responsible for oversight of contracted services and tips to ensure compliance will be discussed.

This presentation will cover all of the contract requirements for hospitals accredited by the Joint Commission and changes. This standard was amended every year for the past three years. The CMS telemedicine standard also updated a section in the Joint Commission contract standards. It is covered in the TIC contract tracer. This program will also cover the standards for hospitals accredited by DNV-GL.

The webinar will include the CMS hospital condition of participation requirements for contracts. Every hospital that accepts Medicare or Medicaid reimbursement must follow the CMS contract regulations and interpretive guidelines. The board will have to have a contract with the telemedicine facility that they are using for teleradiology and telecommunication and this program will talk about what must be in the contract.

CMS has added a section to the final CMS worksheets to ensure the surveyors address the contract management issue.

Agenda:-

- * The Joint Commission standards LD.04.03.09
- * CMS Contract Regulations and Interpretive Requirements
- * DNV-GL Standards on Contract Management

Objectives:-

- * Recall that the Joint Commission has a contract standard in the leadership chapter
- * Discuss that CMS has a section in the hospital conditions of participation that sets forth requirements for contracted services
- * Describe that the same level of care is required whether the hospital provides the services directly or through contracted services
- * Recall that CMS requires that Board to make sure that contract services are reviewed as part of the QAPI process
- * Discuss that hospitals accredited by DNV must also follow their contract management standards

Subject: Please OPPOSE Nancy Tung and Geoffrey Gordon-Creed for Police Commission

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law

enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; LONDON BREED should nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

Subject: Support Preston's eviction protection legislation

Dear Rafael Mandelman,

I'm sorry to intrude over your holiday weekend. As June 1st approaches there's an urgent problem I need to bring up that renters in District #8, throughout our city and the State are facing since Governor Newsom issued a statewide "stay at home order " to prevent the rapid spread of COVID-19 and protect public health.

As eviction moratoriums are lifted in a matter of weeks, millions of tenants will face further housing insecurity and possible homelessness because of inadequate tenant protections. FYI: Over 3 million Californians have filed for unemployment, and one out of three renters nationwide are unable to pay their rent.

I am asking you to support Supervisor Dean Preston's legislation to protect tenants from eviction for non-payment of rent due to COVID-19. There's a (pdf.) that will explain the gist of the legislation for you. San Francisco tenants need your help to keep us housed, Rafael.

Similar legislation has already been passed by Oakland, Solano, Alameda and L.A. counties. Your vote to support of Dean Preston's legislation at Board of Supervisors on June 2nd, would be gratefully appreciated.

Sincerely,
Anastasia Yovanopoulos
District #8 tenant, SF Tenants Union member

Tenant Protection Ordinance

Taking Eviction off the Table for COVID Rent Debt

Overview

The City and County of San Francisco acted swiftly to stop evictions during the COVID-19 state of emergency. The question remains what will happen to tenants, many of whom were already struggling before the pandemic, after the emergency is over.

Supervisor Dean Preston's proposal (File No. [200375](#)) seeks to provide permanent eviction protections for tenants unable to pay rent during this state of emergency. The intent of the ordinance is to permanently ban eviction for nonpayment of rent accrued due to the COVID-19 state of emergency. In addition, the legislation prohibits late fees, penalties, interest, or other charges to tenants related to delayed rent, and modifies habitual late payment of rent eviction rules to make clear that delayed rent cannot be used as a ground for eviction.

Details

The legislation prohibits eviction for nonpayment of rent where the rent payments become due during the State of Emergency, and nonpayment (i) arose out of a substantial decrease in household income or substantial out-of-pocket expenses; (ii) that was caused by the COVID-19 pandemic, or by any local, state, or federal government response to COVID-19; and (iii) is documented.

- No deadline for a tenant to raise this defense to eviction. It can be raised at the time the tenant doesn't pay, months later, or in the event of an eviction lawsuit.
- No requirement of any specific type of documentation to show an inability to pay due to COVID-19. Documentation is defined broadly and third-party documentation such as a letter from an employer is not required.

The legislation does not waive rent obligations that accrue during the state of emergency. Instead, the obligations would become akin to consumer debt, which a landlord could elect to pursue in small claims court.

Why it is important

As advocates and elected leaders pursue rent and mortgage cancellation measures throughout the country, this legislation serves as a crucial backstop to make sure that, regardless of the outcome of cancellation efforts, San Francisco tenants are guaranteed to never face eviction for COVID-19 related rent debt.

I am opposed to allowing landlords to evict SF residents from their homes due to loss of income related to job loss during Covid-19.

We would only be creating even greater economic insecurity, potentially increasing homeless numbers by taking such action.

SF Board of Supervisors must take a stand to create a plan allowing people to get back on their feet, secure in a job and able to pay rent. We can provide a plan, not simply forgive rent, although that would be great!

Please consider a no vote on allowing landlords to evict renters due to loss of income related to Covid -19.

Hello San Francisco board of supervisors!

I am an SFUSD teacher and a San Francisco resident writing to you to ask you to protect are most vulnerable tenants in San Francisco from eviction due to COVID-19 debt.

As a third grade teacher at a high potential School, I have seen a student from my class forced from her home in the last 8 weeks. Another 2 of my students are currently facing eviction and have been given dates in June. This is in a class of 18.

Let's please live up to our SF values. Protect our most vulnerable tenants and vote for more eviction protections.

Dear Board of Supervisors, and especially Supervisor Mandelman (who represents our neighborhood),

We *strongly* urge you to vote YES on the proposal to stop all evictions based on rent not paid during the state of emergency. Thank you to Supervisors Preston, Ronen, Haney, Walton and any others who are leading this effort! Please follow Oakland's lead and show that SF is a sanctuary city.

We can't allow a wave of evictions to follow this pandemic. For many many people, they could barely afford rent to begin with, and it will be very hard to repay their rent debts on top of other debts that continue to accumulate. As our Supervisors, **we hope you are doing everything you possibly can to eradicate homelessness in our City - and allowing evictions based on rent debt would only exacerbate the homelessness crisis.**

When you vote, **please empathize with low-wage immigrant workers who have lost their jobs - truly, what else do you expect people to do if they can't pay rent debt?** I (Sarah) have helped many folks apply and apply for aid, with very little results. I know folks who are risking their health and safety looking for other work, and accepting less-than-minimum wage jobs, just trying to survive. But they also know, **as long as privileged high-wage earners (like us and all the Supervisors) are able to continue working from home, the demand for many of their jobs will not be there.** However, the PEOPLE and their children still will be here, and we all need and deserve shelter to live.

Please read these words from a dear friend in SF below. I beg you to help protect their family and all families from homelessness at all costs. My friend's family includes senior parents, preschool-age children, and multiple people who are recovering from COVID. Due to their immigration status, they cannot access any federal aid. Despite many many attempts, they have been unable to access the state relief with Catholic Charities.

They are also facing pressure from their landlord to sign a forbearance agreement -- and we also ask that your legislation protect the needs of folks who may have been pressured into signing any agreement that would waive their rights.

Supervisor Mandelman and others, can you please commit to voting YES on the proposal to stop all evictions based on rent not paid during the state of emergency??

As our friend says below, we are all human and have the right to live.

Thank you!!!

Right now, no one is working. Maybe we'll end up without jobs. Since we don't receive any help from the government, it makes it very difficult for us to pay for the things that have to be paid – rent, food, bills (water, electricity, phone, etc.). We don't have any help from the President. It's awful– we're all human beings. We all have things to pay. They're only helping people who have papers.

May they help people who don't have papers and who have lost their jobs. The majority of people aren't working. *Imagine* –how everyone doesn't have work and the bills keep coming, coming, coming. The debt is getting bigger and bigger. In less than a month, we're going to be short and we can't pay the bills. My parents cleaned a restaurant every day (\$1500/month combined), and my siblings worked in construction and a restaurant.

We're all people... we all have the same rights, more the right to live. May everyone have a place where it is safe.

Ahora nadie está trabajando. Tal vez nos queda sin trabajo. Como no recibimos una ayuda del gobierno. Nos hace muy difícil para los pagos que tienen que hacer - renta, comida, recibos (agua, luz, teléfono, etc.) No tenemos ningún ayuda del presidente. Es feo - somos todos humanos. Todos tenemos cosas que pagar. Solo están ayudando a la gente que tiene papeles.

Que ayuden a las personas que no tienen papeles y que han perdido su empleo. La mayoría no está trabajando. Imagínese - como están todos sin trabajo y los biles siguen siguen siguen. La deuda de uno se está haciendo más grande y más grande. En menos de un mes, vamos a estar corto y no podemos pagar los biles. Mis papas limpiaban un restaurante todos los días (\$1500/mes entre los dos), y mis hermanos en construcción y un restaurante.

Somos todos personas... tenemos todos los mismos derechos, más el derecho a la vida. Que todos puedan tener un hogar donde está seguro.

RE: 200375

May 31, 2020

Dear President Yee and Members of the Board of Supervisors,

COVID 19 has unfortunately caused bad behavior by some housing providers. However, the majority of housing providers are working thru the issues with their tenants in an amicable way.

For the BOS to consider an even more drastic piece of legislation that is again targeting Landlords is as if you are kicking people when they are already on their knees. To mandate that tenants can live forever in their units without paying rent or without the tool of eviction makes a bad situation even worse. Landlords are people too who have financial obligations like tenants. Landlords have handcuffs behind their backs, they are on the ground and the City has its knees in their necks while Landlords are pleading that they cannot breathe. You can see what an injustice this is.

Time and time again during the last three months, legislators on the City and State level continue to relentlessly introduce legislation specifically targeting Landlords. How many mandates do you need to pass to protect tenants?? You have enough. Let those existing mandates play themselves out. Stop piling more mandates on weary Landlords. We can't get a break from lawmakers. Instead, go specifically after the bad Landlords. Stop penalizing the good housing providers.

We have to keep spending more money that we don't have to bring bad tenants to court. Yes, there are also bad tenants out there.

Your thinking is still inside the bureaucratic box. When are you going to come up with unique solutions to address age old problems. Your thinking is unilateral. Why can't you level the playing field?

I respectfully request that you drop 200375 from consideration.

Sincerely,

Betty Louie

Re: Proposed San Francisco Ordinance No. 200375

Dear San Francisco Board of Supervisors Land Use Committee:

We write on behalf of the San Francisco Apartment Association, Small Property Owners of San Francisco, Coalition for Better Housing, the San Francisco Association of Realtors, and numerous individual housing providers throughout the City and County of San Francisco. We understand that proposed San Francisco Ordinance No. 200375 (the “Ordinance”) will be heard before the San Francisco Land Use and Transportation Committee today, June 1, 2020. The Ordinance would restrict residential landlords from *ever* accessing unlawful detainer procedures for tenants’ failure to pay their rent during a specified time period for COVID-19 related reasons. But San Francisco has no power to permanently override state law in this way. Thus, the Ordinance violates constitutional law, state law, and Governor Newsom’s Executive Order temporarily suspending unlawful detainer procedures. And, ironically, the Ordinance would ultimately lead to more evictions.

First, San Francisco (the “City”) does not have the legal authority to permanently deprive landlords of their unlawful detainer (“UD”) rights for any term of non-payment. Although the Ordinance purports to fit within the power delegated to localities by the Governor’s March 16, 2020 Executive Order N-28-20 (the “Order”), the Order does not—and could not—allow localities to undercut the state UD procedure after the COVID-19 emergency ends.

The Order derives its apparent authority from the California Emergency Services Act (“ESA”). The ESA permits the Governor, during a state of emergency, to “**suspend** any regulatory statute, or statute prescribing the procedure for conduct of state business, or the orders, rules, or regulations of any state agency . . . where the Governor determines and declares

that strict compliance with any statute, order, rule, or regulation would in any way prevent, hinder, or delay the mitigation of the effects of the emergency.” (Gov. Code § 8571, *emph. add.*) The Governor’s orders under the ESA “shall have the force and effect of law.” (Gov. Code § 8567(a).) Orders under the ESA, however, “**shall be of no further force or effect**” after the state of emergency is terminated. (Gov. Code § 8567(b), *emph. add.*)

Consistent with the limited lifespan of all orders under the ESA, the Order here permits a locality to *temporarily* limit evictions for non-payment of rent due to the COVID-19 crisis. In pertinent part, the Order provides:

1) The time limitation set forth in Penal Code section 396, subdivision (f), concerning protections against residential eviction, is hereby waived. Those protections shall be in effect **through May 31, 2020**.

....

2) Any provision of state law that would preempt or otherwise restrict a local government’s exercise of its police power to impose substantive limitations on . . . evictions . . . is **hereby suspended** to the extent that it would preempt or otherwise restrict such exercise [T]he statutory cause of action for unlawful detainer, Code of Civil Procedure section 1161 et seq., and any other statutory cause of action that could be used to evict or otherwise eject a residential . . . tenant . . . **is suspended** only as applied to any tenancy . . . to which a local government has imposed a limitation on eviction pursuant to this paragraph 2, and only to the extent of the limitation imposed by the local government. **Nothing in this Order shall** relieve a tenant of the obligation to pay rent, nor **restrict a landlord’s ability to recover rent due**.

The protections in this paragraph 2 **shall be in effect through May 31, 2020, unless extended**.

(Order, *emphasis added*.) On May 29, 2020, the expiration date in paragraphs 1 & 2 of the Order was extended for 60 days, to July 30, 2020. The Order therefore allows municipalities to suspend access to unlawful detainer procedures *only* for a four-month period (unless extended). Indeed, it specifically provides that it does *not* “restrict a landlord’s ability to recover rent due.”

In contrast to the Order, the Ordinance provides that a landlord is *permanently* deprived of the remedy of UD action to obtain unpaid rent, if the rent was unpaid for a COVID-19 related reason during the time the Order is in place—from March 16, 2020 to July 30, 2020, unless

extended (the “COVID-19 Period”). But that permanent deprivation necessarily falls outside the scope of the ESA and the Order under the ESA since those authorities permits only the *temporary* suspension of state law. (See *In re Juan C.* (1994) 28 Cal.App.4th 1093, 1101 [ruling that a local curfew imposed under the ESA was constitutional because it was imposed “only so long as an emergency exists”].) Further, the Order unambiguously states: **“Nothing in this Order shall . . . restrict a landlord’s ability to recover rent due.”**

Nor does the City have authority to enact the Ordinance under its police powers. An exercise of a city’s police powers cannot conflict with state law. (Cal. Const. Art. XI, § 7.) The specific purpose of a UD action is to provide landlords a summary proceeding for recovery of possession of their properties based (in part) on any unpaid rent. (*Birkenfeld v. City of Berkeley* (1976) 17 Cal.3d 129, 149-151.) Additional procedural requirements imposed by local government that are not found in the UD statutes raise impermissible procedural barriers between landlords and that judicial proceeding. (*Ibid.*) Here, the City would not only be imposing an additional procedural “requirement” on the UD process, it would be permanently depriving landlords of that process to recover unpaid rents and possession of their property in certain circumstances. The Ordinance is thus inimical to the purpose of the UD statutes. Indeed, given that the Ordinance purportedly amends the San Francisco Rent Ordinance, if a landlord attempts to recover such rents through the filing of a UD action, the Ordinance subjects the landlord to civil and criminal penalties under existing law. The UD statutes thus preempt the Ordinance.

The City’s finding that the Ordinance is permissible and/or consistent with the California Tenant Protection Act of 2019 (“AB 1482”) does not save the Ordinance from preemption. First, while AB 1482 permits local government to enact “more protective” eviction laws, it expressly provides that any such protections must not be “prohibited by any other provision of law.” (Civ. Code § 1946.2(g)(1)(B)(ii).) Indeed, compliance with one state law does **not** authorize conflict with another. (*San Diego Gas & Electric Co. v. City of Carlsbad* (1998) 64 Cal.App.4th 785, 804.)

Second, the Ordinance violates due process and results in an unconstitutional taking of private property without compensation. The Ordinance devalue landlords’ properties by not permitting landlords to use the summary UD procedure to recover possession of their properties despite continued nonpayment of rents. This necessarily means that landlords will be required to invoke the more arduous civil debt recovery process to attempt to remediate the nonpayment issue, even though landlords did not cause the problem to which tenants may now be exposed. (*Levin v. City and County of San Francisco* (2014) 71 F.Supp.3d 1072; *Nollan v. California Coastal Com’n* (1987) 483 U.S. 825; *Dolan v. City of Tigard* (1994) 512 U.S. 374.) Further, as

enacted and drafted, the Ordinance will unlawfully force property owners to accept occupants on their property without compensation. (See, *Loretto v. Teleprompter Manhattan CATV Corp.* (1982) 458 U.S. 419, 435.)

Finally, the Ordinance ironically would likely *increase* the number of evictions after the COVID-19 crisis ends. The Ordinance would lull tenants into a false sense of security that they could ignore their contractual obligations during the course of the COVID-19 Period, which is currently four months. And when the courts ultimately determine that the Ordinance is illegal and void, landlords will exercise their UD rights—but in reliance on the Ordinance, tenants will not have set funds aside to repay their past-due rent.

The Ordinance is a patently illegal regulation that exposes the City to significant liability and will ultimately bring harm to both landlords and tenants. The San Francisco Board of Supervisors should reject and/or amend the Ordinance to eliminate the legal deficiencies outlined herein.

Very truly yours,

Dear Supervisors

In this fraught moment, the board of supervisors has an opportunity to show how much you are paying attention to the huge burdens faced by the vulnerable in so many neighborhoods in San Francisco. There are few things more important to people than to have a place to shelter and care for yourself and your family in peace. We have certainly been reminded how important it is to have shelter in the past few months. The proposal that the board is considering today and tomorrow to prohibit evictions based on non-payment of rent seems the most important step the city government could take to protect its residents from the economic impact of COVID 19. It is also fair to landlords in that it does not take away rent owed to landlords either.

Please take this important step to ensure we do not create even more unhoused San Franciscans! Please help save the soul of San Francisco.

Dear Board of Supervisors:

I am writing in support of legislation to forbid evictions based on rental debt accumulated during the pandemic. The idea that struggling families will somehow be able to repay their accumulated debt in a timely manner is insane. If they have been able to pay rent, it is because they have had inadequate income and certainly no chance to accumulate savings. While I know that landlords are hurting too, we must still humanely protect the struggling renters of the City.

Greetings,

My name is Michelle Foy and I am a district 8 resident. I am asking you to defend affordable housing investments in D11 in the budget. Organizers and community members did their part to create affordable housing solutions - advocated for, planned, and designed two new 100% affordable housing projects at the Balboa Upper Yard and the old Valente Marini Perata Mortuary on Mission Street. They also fought hard to win the public investments to move these projects forward.

In 2018, Supervisor Safai stood by and allowed millions of dollars in funds to be diverted from the development of the Valente Mortuary site ([SF Examiner](#)) that had been committed through the 2015 Affordable Housing Bond, and now, in the revised 2020 budget being heard at the Board of Supervisors, city officials are doing it again.

District 11 has borne the burden of a spike in no-fault eviction rates over the last few years at the same time as a surge in luxury housing development. Every day in this affordability crisis, another local family is forced into a converted garage, or to move into a car, or to double up on a couch, or to leave the city for good.

Thank you for your support and leadership, Michelle Foy, Noe Valley

Dear Board of Supervisors,

Causa Justa :: Just Cause is in strong support of Supervisor Preston's Eviction Protection Ordinance, File No. 200375. We urge you to vote yes and support the passing of this crucial legislation.

We have had hundreds of tenants call our tenant hotline and have spoken to many of our members about not being able to pay rent given impacts of the COVID-19 pandemic. Although tenants are aware of the eviction protections in place, many are fearful of invoking those protections fearing an eviction in the long-term if they're unable to pay back the rent. Many people are scraping funds together to make rent, borrowing money from family members, applying for rental assistance, and risking their health and lives by going out to work to pay the rent.

In the middle of a pandemic, it is urgent that we pass stronger eviction protections to help people stay healthy and in their homes. Voting yes on this legislation would do just that. We urge you to vote yes and support the immediate passing of the Eviction Protection Ordinance.

Sincerely,

Dear Land Use Committee and Supervisors Mandelman, Dean Preston, Hillary Ronen, , Matt Haney,

I have read the most recent proposed ordinance regarding Covid-19 pandemic relief for tenants.

This pro-tenant legislation is admirable, benevolent, conscientious but is also grossly unfair and probably illegal.

I'm a San Francisco native and own a multi-unit building that I live in one unit in District 8. I've worked during all my years in San Francisco and have renters that are under rent control. Being a small mom and pop landlord with only social security and rental income that I use to live on. Having to give up the rent for an unknown period is very concerning.

I pride myself on providing fair housing. The tenants are all long term tenants and the rent is used to pay for shared water and garbage. I have to continue to pay a mortgage, property tax, and building upkeep/maintenance in a 100+ year old building also.

So, the long and the short is this, if the proposed legislation is passed, building owners in San Francisco will be forced to subsidize ALL the housing needs for tenants in this City, for the foreseeable future, (as nobody knows how long this pandemic will last.)

Dear Board of Supervisors, Supervisor Peskin, Supervisor Preston, Supervisor Safai, Erica Major,

My revised statement to present before the Land Use Committee on June 1, 2020 at 1:30 pm:

NO on #200375

I am a District 3 constituent and co-owner of a small mixed-use apartment rental building that also serves as my residence; I live alongside our tenants, with whom we have a genuinely trusting, businesslike relationship. I take pride in maintaining my property in above average condition and treating my tenants with the utmost respect by faithfully carrying out the lease agreement and addressing their inquiries and requests in a timely manner. My building is over 100 years old and requires high level maintenance to keep it in good working order and a habitable condition for my family and my tenants. My building serves as MY HOME and that of my tenants. I have both a legal and moral obligation to be a responsible landlord and property manager for each of my tenants. I will never waiver from this obligation.

- The city does not have legal authority under the Governor's order to permanently restrict a landlord's ability to recover rent due.
- This proposal will make it nearly impossible for small property owners to recoup unpaid rent and places the financial burden of COVID-19 on small mom and pop property owners who have fixed mortgages, property taxes, employees, and maintenance expenses.
- This proposal, along with the closure of the court system, would allow tenants to live rent free from March 2020 to potentially September and beyond-- and landlords would have no legal recourse to recoup unpaid rent.
- The Board of Supervisors cannot and should not prohibit housing providers who have been financially impacted by COVID from using California state law to enforce our rights.
- Mom and pop landlords like myself are particularly hit hard by renters who cannot pay. If even one renter in a 4-unit building cannot pay, the owner also experiences a financial hardship. The impact is made worse if the landlord has long-term tenants paying extremely below-market rent. For example, I have several long-term tenants paying well below market rents based on a 30 year tenancy. Their total combined rent would not cover

a major repair job so every dollar that I don't collect impacts my ability to meet both routine and extraordinary monthly expenses. Should there be a major leak in a drain pipe – which would cost thousands of dollars – the cost would exceed the rents collected and I would be operating at a loss. Being a mom and pop landlord has its inherent risks. But, I continue to meet these expenses even if it means paying out of pocket from my meager retirement income. Proposal #200375 only adds to my existing hardship to make ends meet, so, you see, it is not always the tenant who endures financial hardship.

- Many property owners in the City are Asian. I often wonder if proposals like #200375 are intended to be discriminatory as they seem to target small time Asian landlords like myself, who are elderly with disabilities. Some tenants alleging inability to pay due to financial burdens caused by COVID-19 continue to earn high salaries. They probably out-earn me. What are your thoughts on this?

- All I ask is that you put politics and emotions aside and see the situation from BOTH SIDES. Help the good landlords survive and thrive in this City by applying the law fairly so we can meet our expenses and continue to provide fair housing during these challenging times and beyond. Thank you.

This proposal will make it nearly impossible for small property owners like myself to recoup unpaid rent and places the financial burden of COVID-19 on small mom & pop property owners who have fixed mortgages, property taxes, employees, and

high maintenance expenses, particularly with older buildings like mine.

I worked hard my entire life to make my rental property a success – for both my family and my tenants. Please help the good landlords of the City succeed so we can continue to provide comfortable, clean, safe and well-maintained housing for people. Please work WITH US NOT AGAINST US. That is all we ask but we need your help to make this work. I just feel that the Board is constantly picking on good landlords like myself. You are considering this legislation to help tenants who cannot afford to pay rent as a result of COVID-19. There are lots of obvious reasons why this is a terrible way to solve this rent problem. By putting tenants into long term debt to their landlords, it becomes highly problematic that the property owners, also struggling to make ends meet, will ever be paid for months of missed rent. Dean Preston's previous initiative to provide free legal assistance to tenants in litigation means still greater losses to property owners through legal fees that will never be recovered.

This measure simply shifts the financial impact of the renter's job loss to the housing provider, while not providing any relief to that property owner. It is a clear instance of whacking an innocent 3rd party for other people's choices.

What you should be doing instead is to pass legislation that fills the rent gap of the tenant with a loan paid to the landlord. Then the tenant will be obligated to the City to pay back his over-due rent. Keep the housing provider whole rather than infecting them with a severe financial virus of unemployment. Failure to do this will cause still more mom and pop landlords to withdraw their units from the housing market: The problem will be worse for everyone.

Dear Members of the Board,

I am writing to voice my strong support for Supervisor Preston's Eviction Protection Ordinance, File No. 200375.

Even before COVID-19, renters in San Francisco were struggling to make ends meet. With so many people now out of work, and with no ability to make income in the foreseeable future, I am terrified of what will happen to tenants after the state of emergency expires, and months of back rent become due.

Supervisor Preston's ordinance would stop landlords from evicting tenants who can't pay because of COVID-19 related income loss. It doesn't stop landlords from getting what they may be owed, it just takes eviction off the table. This is the most important step San Francisco can take to stop mass displacement after the state of emergency.

If this pandemic had occurred when I was a child, i would immediately have become homeless. My father owned a small business and we lived in a rent controlled apartment. I can see my brothers and my father boarding up the store front. A refugee family. i can see us at the wrong side of the digital divide.

This is a profound time. We are standing at a precipice.

Let's be the path breakers that we are. We are San Francisco. We look out for each other.

I am urging you to support this important legislation. Thank you.

Dear Board of Supervisors, Erica Major:

This proposal will make it nearly impossible for small property owners like myself to recoup unpaid rent and places the financial burden of COVID-19 on small mom & pop property owners who have fixed mortgages, property taxes, employees, and high maintenance expenses, particularly with older buildings like mine.

This proposal, along with the closure of the court system, would allow tenants to live rent free from March 2020 to potentially September and beyond-- and landlords would have no legal recourse to recoup unpaid rent.

The Board of Supervisors cannot and should not prohibit housing providers (who have been financially impacted by COVID) from using California state law to enforce our rights.

I worked hard my entire life to make my rental property a success – for both my family and my tenants. Please help the good landlords of the City succeed so we can continue to provide comfortable, clean, safe and well-maintained housing for people. Please work WITH US NOT AGAINST US. That is all we ask but we need your help to make this work. I just feel that the Board is constantly picking on good landlords like myself. I comply with every single ordinance whether it makes sense or not, and now I feel like I'm fighting a losing battle. Please work with us, not against us. Thank you!

Subject: Please support Supervisor DPreston's Eviction Protection Ordinance

Dear Supervisor Fewer,

I am writing to voice my strong support for Supervisor Dean Preston's Eviction Protection Ordinance.

Even before COVID-19, working class renters in San Francisco were struggling to make ends meet. With so many people out of work, and with no ability to make income in the foreseeable future, I am terrified of what will happen to tenants after the state of emergency expires, and months of back rent becomes due.

Supervisor Preston's ordinance would stop landlords from evicting tenants who can't pay because of COVID-19 related income loss. This is the most important step San Francisco can take to stop mass displacement of our low-income communities.

I am urging you to support this important legislation. Thank you.
