14

15 Be it ordained by the People of the City and County of San Francisco:

16

17 Section 1. Environmental and Land Use Findings.

18 (a) The Planning Department has determined that the actions contemplated in this
19 ordinance are not defined as a project under the California Environmental Quality Act
20 (California Public Resources Code Sections 21000 et seq.) and CEQA Guidelines Sections
21 15378 and 15060(c)(2) because it would not result in a direct or indirect physical change in
22 the environment. Said determination is on file with the Clerk of the Board of Supervisors in
23 File No. 200114 and is incorporated herein by reference. The Board affirms this
24 determination.

25

1 (b) The Board of Supervisors finds that the proposed amendments to the Planning
2 Code are consistent with the eight Priority Policies set forth in Section 101.1(b) of the
3 Planning Code:

4 1. That existing neighborhood-serving retail uses be preserved and enhanced and future
5 opportunities for resident employment in and ownership of such businesses enhanced;

6 The proposed ordinance will allow an existing police station to expand into a vacant
7 commercial space; it will not displace any existing neighborhood-serving retail use, nor will it
8 prevent opportunities for resident employment in and ownership of such businesses.

9 2. That existing housing and neighborhood character be conserved and protected in order
10 to preserve the cultural and economic diversity of our neighborhoods;

11 The proposed Ordinance would not have a negative effect on housing or neighborhood
12 character.

13 3. That the City's supply of affordable housing be preserved and enhanced;

14 The proposed Ordinance would not have an adverse effect on the City's supply of
15 affordable housing.

16 4. That commuter traffic not impede MUNI transit service or overburden our streets or
17 neighborhood parking;

18 The proposed Ordinance would not result in commuter traffic impeding MUNI transit
19 service or overburdening the streets or neighborhood parking.

20 5. That a diverse economic base be maintained by protecting our industrial and service
21 sectors from displacement due to commercial office development, and that future
22 opportunities for resident employment and ownership in these sectors be enhanced;

23 The proposed Ordinance would not cause displacement of the industrial or service
24 sectors due to office development, and future opportunities for resident employment or
25 ownership in these sectors would not be impaired.

1 6. That the City achieve the greatest possible preparedness to protect against injury and
2 loss of life in an earthquake;

3 The proposed Ordinance would not have an adverse effect on City's preparedness
4 against injury and loss of life in an earthquake.

5 7. That the landmarks and historic buildings be preserved;

6 The proposed Ordinance would not have an adverse effect on City's preparedness
7 against injury and loss of life in an earthquake.

8 8. That our parks and open space and their access to sunlight and vistas be protected
9 from development;

10 The proposed Ordinance would not have an adverse effect on the City's parks and
11 open space and their access to sunlight and vistas.

12 (c) The Board of Supervisors finds that the proposed amendments to the Planning
13 Code are consistent, on balance, with the City's General Plan and advance the following
14 Objectives and Policies:

15 OBJECTIVE 1 - DISTRIBUTE, LOCATE, AND DESIGN POLICE FACILITIES IN A
16 MANNER THAT WILL ENHANCE THE EFFECTIVE, EFFICIENT AND RESPONSIVE
17 PERFORMANCE OF POLICE FUNCTIONS.

18 POLICY 1.2 - Provide the number of district stations that balance service effectiveness
19 with community desires for neighborhood police facilities.

20 The proposed ordinance will allow the existing Central Police Station, a district station,
21 to expand. The station's current location is in accordance with the Police Facilities Plan as
22 outlined in the Community Facilities Element.

23 POLICY 1.3 - Enhance closer police/community interaction through the decentralization
24 of police services that need not be centralized.

25

1 The Central Police station is part of the decentralized network of police stations
 2 throughout the city. The proposed ordinance will enable the existing Central Policy station to
 3 expand its investigative function, allowing for closer police and community interaction in its
 4 investigative unit.

5 (d) Pursuant to Planning Code Section 302, the Board finds that this Planning Code
 6 amendment will serve the public necessity, convenience, and welfare.

7
 8 Section 2. The Planning Code is hereby amended by revising Sections 722 and 780.3,
 9 to read as follows:

10 **SEC. 722. NORTH BEACH NEIGHBORHOOD COMMERCIAL DISTRICT.**

LEGISLATIVE DIGEST
(Substituted, 6/23/20)

[Planning Code - North Beach Special Use District - Consolidation of Groundfloor Storefronts]

Ordinance amending the Planning Code to allow the consolidation or merger of groundfloor storefronts in the North Beach Special Use District for an existing Public Facility for San Francisco Police Department functions or auxiliary space associated with such use; affirming the Planning Department’s determination under the California Environmental Quality Act; making findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1; and adopting findings of public necessity, convenience, and welfare under Planning Code, Section 302.

Existing Law

Planning Code Section 722 established the North Beach Neighborhood Commercial District (NCD) and Section 780.3 established the North Beach Special Use District (SUD) within the North Beach NCD. Within the North Beach SUD, the consolidation or merger of existing retail or commercial spaces or storefronts is prohibited.

Amendments to Current Law

Section 780.3 is amended to provide a limited exception to the prohibition on the merger or consolidation of storefronts and that exception is referenced in the North Beach NCD Zoning Control Table. The exception would allow the consolidation or merger of existing retail or commercial spaces for an existing San Francisco Police Department Station and/or associated auxiliary space. Such use would be principally permitted and would not need a Conditional Use authorization. This exception would expire three years after its effective date unless further extended by ordinance.

Background Information

One of the purposes of the North Beach SUD is to “maintain the mix and variety of neighborhood-serving retail sales and personal services of a type that supplies commodities or offers personal services to residents of North Beach and nearby neighborhoods.” The prohibition of consolidation or merger of storefronts for the purpose of creating large uses facilitates that goal. This ordinance’s limited exception would allow consolidation and merger of storefronts for the existing Central Police Station at the corner of Vallejo Street and Emery Lane and associated space in order to provide more law enforcement services to the neighborhood without compromising the commercial character of the area.

This email is to inform you that the Planning Commissions has waived their opportunity to hear Board File 200114 as this is a very narrowly tailored ordinance and allows the expansion of an existing public facility.

Subject: RE: Board File 200114 Planning Code - North Beach Special Use District - Consolidation of Ground-Floor Storefronts

Hi Aaron,

The substitute legislation for Board File No. 200114 had the Board's own findings. Just triple checking that the Planning Commission was not planning on hearing the substitute, correct? It is expected to be agendized on this coming Monday's Land Use meeting.

Hope all is well.

Best,

ERICA MAJOR

Erica,

This email is to inform you that the Planning Commissions has waived their opportunity to hear Board File 200114 as this is a very narrowly tailored ordinance and allows the expansion of an existing public facility.

Sincerely,
